

## Ocean Power Technologies Enters into \$10 million Common Stock Purchase Agreement with Aspire Capital Fund

October 25, 2019

### Agreement Provides Flexible Access to Funding at a Lower Cost of Capital

MONROE TOWNSHIP, N.J., Oct. 25, 2019 (GLOBE NEWSWIRE) -- Ocean Power Technologies, Inc. (Nasdaq: OPTT), a leader in innovative ocean energy solutions, announced today it has executed a new Common Stock Purchase Agreement (the "Purchase Agreement") with Aspire Capital Fund, LLC ("Aspire Capital") to sell up to \$10 Million in common stock to Aspire Capital over a term of 30 months. Proceeds will be used by OPT to build additional PB3 PowerBuoys® to meet potential market demand, to further advance the development of new products, and for other general corporate purposes.

"We are excited to renew our partnership with Aspire Capital and the flexibility to potentially access capital on a cost-effective basis," said George H. Kirby, President and Chief Executive Officer of Ocean Power Technologies. "By focusing on lowering costs to obtain working capital, we believe this agreement allows the Company to receive a higher value return for funding to meet our projected sales growth and our continued innovations in providing ocean power."

Key terms under the Purchase Agreement include:

- Ocean Power Technologies will control the timing and amount of any sales to Aspire Capital based on market price at the time of each sale;
- Aspire Capital has no right to require any sales by Ocean Power Technologies but is obligated to make purchases when the Company desires to sell shares of its common stock to Aspire Capital, in accordance with the terms of the Purchase Agreement;
- Ocean Power Technologies has the right to sell shares to Aspire for up to 125,000 shares of stock each trading day (a "regular purchase") at the lower of either: (a) the lowest sale price of the Company's common stock on that day; or (b) the arithmetic average of the three lowest closing sale prices during the ten consecutive trading days ending on the trading day immediately preceding that day;
- Ocean Power Technologies also has the right to sell shares to Aspire Capital at up to 30% to the trading volume of the shares for the next business day at a volume weighted average price ("VWAP") at the lesser of the closing sale price or 97% of the next day's VWAP.
- Aspire Capital has agreed that neither it nor any of its agents, representatives and affiliates shall engage in any direct or indirect short-selling or hedging of the Company's common stock during any time prior to the termination of the Purchase Agreement;
- There are no limitations on the use of proceeds, financial covenants or restrictions on future financings and there are no rights of first refusal, participation rights, penalties or liquidated damages in the Purchase Agreement; and
- The purchase agreement may be terminated by Ocean Power Technologies at any time, at its discretion, without any additional cost or penalty.

A complete and detailed description of the Purchase Agreement and related Registration Rights Agreement are set forth in the Company's Current Report on Form 8-K filed on Friday, October 25, 2019 with the SEC. This press release shall not constitute an offer to sell or the solicitation of an offer to buy these securities, nor shall there be any sale of these securities in any jurisdiction in which such an offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of such jurisdiction.

#### About Ocean Power Technologies

Headquartered in Monroe Township, New Jersey, Ocean Power Technologies aspires to transform the world through durable, innovative and cost-effective ocean energy solutions. Its PB3 PowerBuoy® uses ocean waves to provide clean and reliable electric power and real-time data communications for remote offshore applications in markets such as oil and gas, defense, security, science, research, and communications.
