## Form 8-K

Current Report Pursuant to Section 13 or 15(d) of the Securities Act of 1934

Date of Report (Date of earliest event reported): December 7, 2020

# **Ocean Power Technologies, Inc.**

(Exact name of registrant as specified in its charter)

**Delaware** (State or other jurisdiction of incorporation) **001-33417** (Commission File Number) 22-2535818 (I.R.S. Employer Identification No.)

28 Engelhard Drive, Suite B Monroe Township, New Jersey

(Address of principal executive offices)

**08831** (Zip Code)

(609) 730-0400

(Registrant's telephone number, including area code)

Check the appropriate box below if the Form 8-K filing is intended to simultaneously satisfy the filing obligation of the registrant under any of the following provisions (see General Instruction A.2. below):

[] Written communications pursuant to Rule 425 under the Securities Act (17 CFR 230.425)

[] Soliciting material pursuant to Rule 14a-12 under the Exchange Act (17 CFR 240.14a-12)

[] Pre-commencement communications pursuant to Rule 14d-2(b) under the Exchange Act (17 CFR 240.14-2(b))

[] Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CRF 240.133-4(c))

Securities registered pursuant to Section 12(b) of the Act:

Title of each class	Trading Symbol (s)	Name of each exchange on which registered
Common Stock \$0.001 par value	OPTT	Nasdaq Capital Market

Indicate by check mark whether the registrant is an emerging growth company as defined in Rule 405 of the Securities Act of 1933 (17 CFR 230.405) or Rule 12b-2 of the Securities Exchange Act of 1934 (17 CFR 240.12b-2).

Emerging growth company [ ]

If an emerging growth company, indicate by check mark if the registrant has elected not to use the extended transition period for complying with any new or revised financial accounting standards provided pursuant to Section 13(a) of the Exchange Act. []

#### Item 2.02 Results of Operations and Financial Condition.

On December 7, 2020, Ocean Power Technologies, Inc. (the "Company") issued a press release announcing its financial results for its fiscal second quarter ending October 31, 2020 and the date and time of its investor conference call and webcast. A copy of the press release is furnished as Exhibit 99.1 to this report and is incorporated herein by reference.

In accordance with General Instruction B.2 of Form 8-K, the information set forth in Item 2.02 and in the attached Exhibit 99.1 shall be deemed to be "furnished" and shall not be deemed to be "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended.

#### Item 8.01. Other Events.

On December 7, 2020, the Company issued a press release announcing the Company's use of SeaTrepid International for the first remote PowerBuoy® deployment. A copy of the press release is furnished as Exhibit 99.2 to this report and is incorporated herein by reference.

#### Item 9.01 Financial Statements and Exhibits.

- \*99.1 Press release dated December 7, 2020 announcing the Company's financial results for its fiscal second quarter ending October 31, 2020, and the date and time of the Company's investor conference call and webcast.
- \*99.2 <u>Press release dated December 7, 2020 regarding the announcement of the use of SeaTrepid International for the Company's first remote</u> <u>PowerBuoy® deployment.</u>

\*Furnished herewith.

#### SIGNATURE

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.

Date: December 7, 2020

#### Ocean Power Technologies Announces Second Quarter FY2021 Results

Investor Conference Call and Webcast on December 8, 2020, at 11:00 A.M. ET

MONROE TOWNSHIP, N.J., December 7, 2020 (GLOBE NEWSWIRE) – Ocean Power Technologies, Inc. ("OPT" or "the Company") (Nasdaq: OPTT), a leader in innovative and cost-effective ocean energy solutions, today announced financial results for the second quarter of fiscal year 2021 ended October 31, 2020.

#### **Recent Operational Highlights**

- Signed contract with Adams Communications & Engineering Technology (ACET) to evaluate a PB3 PowerBuoy<sup>®</sup> solution to support the U.S. Navy's Naval Postgraduate School's Sea, Land, Air, Military Research (SLAMR) Initiative.
- Received DeepStar<sup>®</sup> project award to study deployment and operational requirements of utilizing OPT's PB3 PowerBuoy<sup>®</sup> to provide remotely controllable zero carbon power for deepwater subsea oil production applications.
- Deployed the OPT Marine Surveillance System on a hybrid PowerBuoy<sup>®</sup> off the New Jersey coast for advanced testing and demonstration.
- Expanded OPT's commercial European presence with oil and gas industry veteran Jorge Franco joining as Regional Sales Representative, based in Spain.
- Executed a new Common Stock Purchase Agreement with Aspire Capital to sell up to \$12.5 million in common stock to Aspire Capital over a term of 30 months, which provides flexibility to access capital on a cost-effective basis.
- Increased total cash, cash equivalents, and restricted cash balances to \$26.3 million.

#### **Management Commentary**

"We are seeing long-evolving projects come to fruition with two recent PB3 PowerBuoy<sup>®</sup> -related contracts with ACET and DeepStar," said George H. Kirby, President and Chief Executive Officer of OPT.

"Our expanded sales footprint, coupled with our product and solution suite and cash balance, positions OPT to be able to deliver on anticipated market demand."

#### Second Quarter Fiscal Year 2021 Financial Review

Revenue for the second quarter of fiscal year 2021 was \$0.1 million compared to \$0.2 million for the same period in the prior year. The decrease of \$0.1 million was primarily due to lower revenue from a project with Enel Green Power (EGP), while the same period in the prior year included revenue from projects with Premier Oil and the U.S. Navy. The net loss for the second quarter of fiscal 2021 decreased by \$0.2 million as compared to the second quarter of fiscal 2020, which was mainly attributable to decreased spending on product development costs.

### Fiscal First Half 2021 Financial Review

Revenue for the first six months of fiscal year 2021 was \$0.3 million compared to \$0.4 million for the same period in the prior year. The decrease of \$0.1 million was primarily due to lower revenue from projects with Premier Oil and the U.S. Navy, partially offset by higher revenue generated from the project with EGP in the current year. The net loss for the first six months of fiscal 2021 increased by \$0.2 million as compared to the second quarter of fiscal 2020, which was mainly attributable to higher spending on selling, general, and administrative costs partly offset by decreased spending on product development costs.

#### **Balance Sheet and Cash Flow**

Total cash, cash equivalents, and restricted cash was \$15.8 million as of October 31, 2020. Net cash used in operating activities decreased by \$0.7 million during the first six months of fiscal 2021 to \$5.7 million, as compared to the first six months of fiscal 2020. This decrease is mainly the result of lower cash spending on customer projects and product development costs in the current fiscal year period as compared to the same period in the prior fiscal year. On May 5, 2020, the Company received \$0.9 million from the Paycheck Protection Program made available by the Coronavirus Aid, Relief and Economic Security Act, commonly referred to as the CARES Act.

#### **Conference Call & Webcast**

OPT will host a conference call and webcast to review its financial and operating results on Tuesday, December 8, 2020, at 11:00 A.M. Eastern Time. Interested parties may access the conference call by dialing 877-407-8291 (toll-free in the U.S.) or 201-689-8345 for international callers.

Investors, analysts, and members of the media interested in listening to the live presentation are encouraged to join a webcast of the call available on the Company's website at https://www.oceanpowertechnologies.com/investor-relations.

A digital replay will be available by telephone approximately two hours after the completion of the call and until February 8, 2021. It can be accessed by dialing 877-660-6853 from the U.S. or 201-612-7415 for international callers and using the Conference ID#13694019. The archived webcast will also be available on the OPT website investor relations page.

#### **About Ocean Power Technologies**

Headquartered in Monroe Township, New Jersey, OPT aspires to transform the world through durable, innovative, and cost-effective ocean energy solutions. Its PowerBuoy<sup>®</sup> solutions platform provides clean and reliable electric power and real-time data communications for remote offshore and subsea applications in markets such as offshore oil and gas, defense and security, science and research, and communications. To learn more, visit <u>www.oceanpowertechnologies.com</u>.

#### **Forward-Looking Statements**

This release may contain forward-looking statements that are within the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Forward-looking statements are identified by certain words or phrases such as "may", "will", "aim", "will likely result", "believe", "expect", "will continue", "anticipate", "estimate", "intend", "plan", "contemplate", "seek to", "future", "objective", "goal", "project", "should", "will pursue" and similar expressions or variations of such expressions. These forward-looking statements reflect the Company's current expectations about its future plans and performance. These forward-looking statements rely on a number of assumptions and estimates which could be inaccurate and which are subject to risks and uncertainties. Actual results could vary materially from those anticipated or expressed in any forward-looking statement made by the Company. Please refer to the Company's most recent Forms 10-Q and 10-K and subsequent filings with the U.S. Securities and Exchange Commission for a further discussion of these risks and uncertainties. The Company disclaims any obligation or intent to update the forward-looking statements in order to reflect events or circumstances after the date of this release.

#### **Financial Tables Follow**

Additional information may be found in the Company's Annual Report on Form 10-K that has been filed with the U.S. Securities and Exchange Commission. The Form 10-K may be accessed on www.sec.gov or the Company's website in the Investor Relations section.

## Ocean Power Technologies Taps SeaTrepid International for First Remote OPT PowerBuoy® Deployment

## Turnkey Installation of OPT PowerBuoy<sup>®</sup> Solution in Chile

MONROE TOWNSHIP, N.J., December 7, 2020 (GLOBE NEWSWIRE) – Ocean Power Technologies, Inc. ("OPT" or "the Company") (NASDAQ: OPTT), a leader in innovative and cost-effective ocean energy solutions, today announced it has contracted SeaTrepid International, LLC to deploy a turnkey PB3 PowerBuoy<sup>®</sup> and oceanographic monitoring system off the coast of Chile. Using remote collaboration tools, the Louisiana-based company's personnel are virtually training on technical procedures and installation requirements with the OPT project engineering team to advance a planned December deployment.

"The global pandemic has caused us to rethink our approach to deployments in distant locations by using remote collaboration tools," said George H. Kirby, President and Chief Executive Officer of OPT. "Remotely managed system deployments and recoveries that leverage local contractors and dovetail with existing marine operations can reduce cost and increase flexibility for our customers. SeaTrepid's reputation for safe execution of complex marine operations gives us great confidence that our first remotely managed deployment will be successful."

"We are extremely pleased to be working with the innovative professionals at OPT," said Bob Christ, Chief Executive Officer of SeaTrepid. "OPT's cutting edge technology blends well with our offshore operations approach of combining unmanned systems, remote sensing, and applied technical solutions in order to further our knowledgebase of the world's ocean environment."

This first-ever third-party installation of a PowerBuoy<sup>®</sup> solution without the hands-on participation of OPT personnel comes due to circumstances created by the global coronavirus pandemic. International travel restrictions and COVID-19 concerns delayed deployment initially planned for earlier this year. SeaTrepid is an experienced marine operations company with a suitable vessel and experienced crew working in the region.

The system will be deployed off the coast of Las Cruces as an autonomous offshore platform powering a suite of oceanographic sensors and transmitting real-time data back to land. OPT shipped a PB3 PowerBuoy<sup>®</sup> and several components to Chile this past spring.

As the balance of the equipment arrives in Chile, OPT project engineers are supplying detailed procedures and documentation and will use remote collaboration tools to guide local contractors through system assembly. OPT will conduct full remote testing from its New Jersey operations base. SeaTrepid personnel and OPT project engineers will be in open contact using remote collaboration tools throughout the operation to ensure a smooth deployment.

#### **About SeaTrepid**

SeaTrepid International, LLC is an applied robotic solutions provider offering support for commercial, public safety, municipal, military and scientific applications. SeaTrepid owns and operates a variety of robotic equipment and sensor suites for both inland and offshore customers worldwide. To learn more, visit <u>www.seatrepid.com</u>.

#### **About Ocean Power Technologies**

Headquartered in Monroe Township, New Jersey, OPT aspires to transform the world through durable, innovative, and cost-effective ocean energy solutions. Its PowerBuoy<sup>®</sup> solutions platform provides clean and reliable electric power and real-time data communications for remote offshore and subsea applications in markets such as offshore oil and gas, defense and security, science and research, and communications. To learn more, visit <u>www.oceanpowertechnologies.com</u>.
