Ocean Power Technologies Continues Global Expansion with Signing of Strategic Reseller Agreements in All Key Continents

MONROE TOWNSHIP, NJ, August 12, 2024- Ocean Power Technologies, Inc. (NYSE American: OPTT) (“OPT” or the “Company”), a leader in innovative and cost-effective low-carbon marine power, data, and service solutions, is pleased to announce the signing of the latest of four new reseller agreements targeted at supporting global critical services. These agreements include opportunities for partnering with allied Nations in areas like the South China Sea, previously announced efforts in Latin America and the Middle East and serving global commercial markets. These partnerships provide the amplification for OPT to proactively serve the demand for our autonomous maritime technologies.

Philipp Stratmann, CEO of OPT, expressed his enthusiasm for these partnerships: “We are excited to continue seeing growing demand in the global commercial markets and pull from allies in the defense community. We believe these partnerships will further accelerate our growth and drive additional revenue streams.”

For additional information about OPT and its services, please visit our website [Ocean Power Technologies](https://www.OceanPowerTechnologies.com).

ABOUT OCEAN POWER TECHNOLOGIES

OPT provides intelligent maritime solutions and services that enable safer, cleaner, and more productive ocean operations for the defense and security, oil and gas, science and research, and offshore wind markets, including Merrows, which provides AI capable seamless integration of Maritime Domain Awareness Systems across platforms. Our PowerBuoy® platforms provide clean and reliable electric power and real-time data communications for remote maritime and subsea applications. We also provide WAM-V® autonomous surface vessels (ASVs) and marine robotics services. The Company’s headquarters is in Monroe Township, New Jersey and has an additional office in Richmond, California. To learn more, visit www.OceanPowerTechnologies.com.

FORWARD-LOOKING STATEMENTS:

This release may contain forward-looking statements that are within the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Forward-looking statements are identified by certain words or phrases such as “may”, “will”, “aim”, “will likely result”, “believe”, “expect”, “will continue”, “anticipate”, “estimate”, “intend”, “plan”, “contemplate”, “seek to”, “future”, “objective”, “goal”, “project”, “should”, “will pursue” and similar expressions or variations of such expressions. These forward-looking statements reflect the Company’s current expectations about its future plans and performance. These forward-looking statements rely on a number of assumptions and estimates that could be inaccurate and subject to risks and uncertainties, including the potential success with our new partners, the delivery of customers services and the conversion of potential customers to contracts and the realization of the potential revenue thereunder. Actual results could vary materially from those anticipated or expressed in any forward-looking statement made by the Company. Please refer to the Company’s most recent Forms 10-Q and 10-K and subsequent filings with the U.S. Securities and Exchange Commission for further discussion of these risks and uncertainties. The Company disclaims any obligation or intent to update the forward-looking statements in order to reflect events or circumstances after the date of this release.
