Item 8.01 Other Events.

As previously disclosed, the Board of Directors (the “Board”) of Ocean Power Technologies, Inc. (the “Company”) amended the Company’s By-Laws, effective on June 17, 2016, to delete the phrase “only for cause” in Section 2.6 of Article II of the By-Laws. The effect of this amendment is to permit directors of the Company to be removed either for cause or without cause by the stockholders of the Company.

As also previously disclosed, at the October 21, 2016 annual meeting of the Company’s stockholders, the Company’s stockholders approved a proposal to add a new Article Twelfth to the Company’s Certificate of Incorporation, as follows: “Notwithstanding anything to the contrary in this Certificate of Incorporation, to the fullest extent permitted by law, if at any time any provision in the Certificate of Incorporation is interpreted as contrary to the requirements of the General Corporation Law of Delaware, as amended, either as a result of statutory amendments, judicial interpretation or otherwise, such provision of the Certificate of Incorporation shall instead be read such that the provision is interpreted to be in conformity with the applicable requirements of the General Corporation Law of Delaware, as amended.”

On April 12, 2017, the Company settled the previously disclosed lawsuit pending in the Superior Court of New Jersey Mercer County Chancery Division captioned Stern v. Ocean Power Technologies, et al., No. C-5-16. In accordance with that settlement and the above-referenced Article Twelfth of the Company’s Certificate of Incorporation, the Board has determined that the Company will not seek to enforce Section 6 of Article Ninth of the Company’s Certificate of Incorporation to the extent that section provides that directors of the Company may be removed “only for cause.” Instead, the Board has determined that the Company will comply with the provisions of Section 2.6 of Article II of the By-Laws, as amended effective June 17, 2016.
