(1) The offered securities may be sold separately, together or as units with other offered securities.

(2) Calculated pursuant to Rule 457(o) under the Securities Act of 1933, as amended, or the "Securities Act," based on the proposed maximum offering price of all the securities listed. Pursuant to Rule 415(a)(6) under the Securities Act, the securities registered pursuant to this registration statement, or the "Registration Statement," include unsold securities previously registered by the Registrant on the Registrant's Registration Statement on Form S-3 (Registration No. 333-186181) originally filed on January 24, 2013 and declared effective on February 15, 2013, or the "Prior Registration Statement." The Prior Registration Statement registered the offer and sale of an indeterminate number of shares of common stock, preferred stock, debt securities, warrants, rights, and units of the Company with an aggregate initial offering price not to exceed \$40,000,000, \$17,969,304 of which securities remain unsold as the date of filing of this Registration Statement, or the "Unsold Securities." Pursuant to Rule 415(a)(6) under the Securities Act, \$15,000,000 of the Unsold Securities are being carried over to this registration statement, and the filing fee of \$2,046 relating to the Unsold Securities under the Prior Registration Statement will continue to be applied to such securities registered pursuant to this Registration Statement. To the extent that, after the filing date hereof and prior to the effectiveness of this Registration Statement, the Registrant sells any Unsold Securities pursuant to the Prior Registration Statement, the Registrant will identify in a pre-effective amendment to this Registration Statement the updated amount of Unsold Securities from the Prior Registration Statement to be included in this Registration Statement pursuant to Rule 415(a)(6). Pursuant to Rule 415(a)(6) under the Securities Act, the offering of the Unsold Securities under the Prior Registration Statement will be deemed terminated as of the date of effectiveness of this Registration Statement.

- (3) There are being registered hereunder such indeterminate number of shares of common stock, shares of preferred stock, principal amount of debt securities, such indeterminate number of warrants to purchase common stock, preferred stock or debt securities and such indeterminate number of units as shall have an aggregate initial offering price not to exceed \$15,000,000. If any debt securities are issued at an original issue discount, then the principal amount of such debt securities shall be in such greater amount as shall result in an aggregate initial offering price not to exceed \$15,000,000, less the aggregate dollar amount of all securities previously issued hereunder. Any securities registered hereunder may be sold separately or as units with other securities registered hereunder. The securities registered also include such indeterminate number of shares of common stock and preferred stock and amount of debt securities as may be issued upon conversion of or exchange for preferred stock or debt securities that provide for conversion or exchange, upon exercise of warrants or pursuant to the anti-dilution provisions of any such securities. In addition, pursuant to Rule 416 under the Securities Act, the shares being registered hereunder include such indeterminate number of shares of common stock and preferred stock as may be issuable with respect to the shares being registered hereunder as a result of stock splits, stock dividends or similar transactions. Pursuant to Rule 457(o), the table does not specify by each class information as to the amount to be registered, proposed maximum offering price per unit or proposed maximum aggregate offering price. Unless otherwise indicated in an amendment to this filing, no separate consideration will be received for common stock, preferred stock or debt securities that are issued upon conversion or exchange of debt securities, preferred stock, warrants, or rights registered hereunder.
- (4) Pursuant to Rule 457(p), the filing fee of \$2,046 relating to the Unsold Securities under the Prior Registration Statement was previously paid. See footnote (2) above. The Registrant is not registering any new securities in addition to the Unsold Securities on this Registration Statement and, therefore, no additional filing fee is payable.

The registrant hereby amends this Registration Statement on such date or dates as may be necessary to delay its effective date until the registrant shall file a further amendment which specifically states that this Registration Statement shall thereafter become effective in accordance with Section 8(a) of the Securities Act of 1933 or until the Registration Statement shall become effective on such date as the Securities and Exchange Commission, acting pursuant to said Section 8(a), may determine.

CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING INFORMATION

In addition to historical information, this prospectus supplement and the accompanying base prospectus, including the information incorporated by reference into this prospectus supplement and the accompanying base prospectus, contain statements relating to future events or our future financial position, business strategy, pending, threatened and current litigation, liquidity, budgets, projected costs, plans and objectives of management for future operations. These statements are forward-looking statements within the meaning of the United States Private Securities Litigation Reform Act of 1995. Generally, words such as “may,” “will,” “should,” “could,” “would,” “anticipate,” “expect,” “intend,” “estimate,” “plan,” “project,” “continue,” “goal” and “believe,” or other variations on these and other similar expressions identify forward-looking statements. Forward-looking statements are only predictions and, as such, are not guarantees of future performance and involve risks, uncertainties and assumptions that are difficult to predict. Forward-looking statements are based upon our assumptions as to future events or our future financial performance that may not prove to be accurate. These statements speak only as of the date they were made, and we undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. In light of these risks, uncertainties and assumptions, the forward-looking events and circumstances discussed in this report may not occur as contemplated, and actual results could differ materially from those anticipated or implied by the forward-looking statements. The forward-looking statements, as well as our prospects as a whole, are subject to risks and uncertainties, including the following:

- our estimates regarding expenses, future revenues and capital requirements;
- the adequacy of our cash balances and our need for additional financings;
- our ability to develop and manufacture a commercially viable PowerBuoy product;
- that we will be successful in our efforts to commercialize our PowerBuoy or the timetable upon which commercialization can be achieved, if at all;
- our ability to identify and penetrate markets for our PowerBuoys and our wave energy technology;
- our ability to implement our commercialization strategy as planned, or at all;
- our ability to maintain the listing of our common stock on The NASDAQ Capital Market;
- the reliability of our technology and our PowerBuoys;
- our ability to improve the power output, survivability and reliability of our PowerBuoys;
- the impact of pending and threatened litigation on our business, financial condition and liquidity;
- changes in current legislation, regulations and economic conditions that affect the demand for renewable energy;
- our ability to compete effectively in the renewable energy market;
- our limited operating history and history of operating losses;
- our sales and marketing capabilities and strategy in the United States and internationally; and
- our ability to protect our intellectual property portfolio.

For more information regarding these risks and uncertainties as well as certain additional risks that we face, investors should review the risks described in this prospectus supplement and the accompanying base prospectus and those incorporated by reference into this prospectus supplement and the accompanying base prospectus, including those risks contained in our most recent Annual Report on Form 10-K and our subsequent Quarterly Reports on Form 10-Q, as updated by our subsequent filings under the Securities Exchange Act of 1934, as amended, or the Exchange Act. We caution you not to place undue reliance on these forward-looking statements, which are current only as of the date on which we filed this prospectus.

OCEAN POWER TECHNOLOGIES, INC.

We are developing and seeking to commercialize proprietary systems that generate electricity by harnessing the renewable energy of ocean waves. Our PowerBuoy® systems use proprietary technologies to convert the mechanical energy created by the rising and falling of ocean waves into electricity. We currently continue to develop our PowerBuoy line, which consists of our autonomous PowerBuoy system. Since fiscal 2002, the U.S. Navy and other government agencies have accounted for a significant portion of our revenues. These revenues were largely for the support of our product development efforts. Our goal, over time, is that an increased portion of our revenues be from the sale of products and services, as compared to revenue to support our product development efforts. As we continue to advance our proprietary technologies and develop our products, we expect to have a net use of cash from operating activities unless and until we achieve positive cash flow from the planned commercialization of our products and services.

Our principal executive offices are located at 1590 Reed Road, Pennington, New Jersey 08534, and our telephone number is (609) 730-0400. The Company was incorporated in New Jersey in 1984 and reincorporated in Delaware in 2007. We maintain a website at www.oceanpowertechnologies.com where general information about us is available. We are not incorporating the contents of the website into this prospectus supplement or the accompanying base prospectus.

RISK FACTORS

Investing in our securities involves substantial risk. You should carefully consider the risk factors contained in our most recent Annual Report on Form 10-K and our subsequent Quarterly Reports on Form 10-Q, which are incorporated by reference herein, and the other information contained in this prospectus, as updated by our subsequent filings under the Securities Exchange Act of 1934, and the risk factors and other information contained in the applicable prospectus supplement before acquiring any of such securities. These risks could have a material adverse effect on our business, results of operations or financial condition and cause the value of our securities to decline. You could lose all or part of your investment.

This prospectus and any prospectus supplement also contain or incorporate by reference forward-looking statements that involve risks and uncertainties. Our actual results could differ materially from those anticipated in the forward-looking statements as a result of certain factors, including the risk factors faced by us described or incorporated by reference in this prospectus or any prospectus supplement. See “Cautionary Statement Regarding Forward-Looking Information.”

USE OF PROCEEDS

We do not currently know the number or types of securities that ultimately will be sold pursuant to this prospectus or the prices at which such securities will be sold. Unless otherwise specified in a prospectus supplement accompanying this prospectus, we intend to use the net proceeds of any sale of securities under this prospectus for any combination of working capital, capital expenditures, and general business purposes, including additional development and deployments of our PowerBuoy systems. Until we use the net proceeds in the manner described above, we may temporarily use them to make short-term investments.

GENERAL DESCRIPTION OF THE OFFERED SECURITIES

We may from time to time offer under this prospectus, separately or together:

- common stock;
- preferred stock;
- senior, senior subordinated or subordinated debt securities;
- warrants to purchase from us shares of our common stock, preferred stock or other securities;
- rights to purchase from us shares of our common stock, preferred stock or other securities; and
- units, each representing a combination of two or more of the foregoing securities.

The aggregate of the offering prices of the securities covered by this prospectus will not exceed \$15,000,000.

DESCRIPTION OF OUR CAPITAL STOCK

The following is a general description of our capital stock. The terms of our certificate of incorporation and bylaws are more detailed than the general information provided below. You should read our certificate of incorporation and bylaws, which are incorporated by reference as exhibits to the registration statement of which this prospectus forms a part.

Authorized and Outstanding Capital Stock

The following description of our capital stock and provisions of our certificate of incorporation and bylaws are summaries and are qualified by reference to our certificate of incorporation and bylaws, which have been incorporated by reference as exhibits to the registration statement of which this prospectus forms a part.

Our authorized capital stock consists of 50,000,000 shares of common stock, par value \$0.001 per share, and 5,000,000 shares of preferred stock, par value \$0.001 per share, all of which are undesignated.

As of October 31, 2015, there were 1,836,620 shares of common stock issued and outstanding, and no shares of preferred stock were issued or outstanding.

Common Stock

Holders of common stock are entitled to one vote for each share held on all matters submitted to a vote of stockholders and do not have cumulative voting rights. Accordingly, holders of a majority of the shares of common stock entitled to vote in any election of directors may elect all of the directors standing for election. Holders of common stock are entitled to receive proportionately any dividends as may be declared by our board of directors, subject to any preferential dividend rights of outstanding preferred stock. Upon our liquidation, dissolution or winding up, the holders of common stock are entitled to receive proportionately our net assets available after the payment of all debts and other liabilities and subject to the prior rights of any outstanding preferred stock. Holders of common stock have no preemptive, subscription, redemption or conversion rights. Our outstanding shares of common stock are, and the shares offered by us in this offering will be, when issued and paid for, fully paid and nonassessable. The rights, preferences and privileges of holders of common stock are subject to, and may be adversely affected by, the rights of the holders of shares of any series of preferred stock that we may designate and issue in the future.

Preferred Stock

Under the terms of our certificate of incorporation, our board of directors is authorized to issue shares of preferred stock in one or more series without stockholder approval. Our board of directors has the discretion to determine the rights, preferences, privileges and restrictions, including voting rights, dividend rights, conversion rights, redemption privileges and liquidation preferences, of each series of preferred stock.

Authorizing our board of directors to issue preferred stock and determine its rights and preferences has the effect of eliminating delays associated with a stockholder vote on specific issuances. The issuance of preferred stock, while providing flexibility in connection with possible acquisitions, future financings and other corporate purposes, could have the effect of making it more difficult for a third party to acquire, or could discourage a third party from seeking to acquire, a majority of our outstanding common stock.

Anti-Takeover Effects of Delaware Law; Our Certificate of Incorporation and Our Bylaws

Delaware law, our certificate of incorporation and our bylaws contain provisions that could have the effect of delaying, deferring or discouraging another party from acquiring control of us. These provisions, which are summarized below, are intended to discourage coercive takeover practices and inadequate takeover bids. These provisions are also designed to encourage persons seeking to acquire control of us to first negotiate with our board of directors.

Removal of Directors

Our certificate of incorporation and our bylaws provide that directors may be removed only for cause and only by the affirmative vote of the holders of 75% of our shares of capital stock present in person or by proxy and entitled to vote. Under our certificate of incorporation and bylaws, any vacancy on our board of directors, including a vacancy resulting from an enlargement of our board of directors, may be filled only by vote of a majority of our directors then in office.

The limitations on the ability of our stockholders to remove directors and fill vacancies could make it more difficult for a third party to acquire, or discourage a third party from seeking to acquire, control of us.

Stockholder Action by Written Consent; Special Meetings

Our certificate of incorporation provides that any action required or permitted to be taken by our stockholders must be effected at a duly called annual or special meeting of such holders and may not be effected by any consent in writing by such holders. Our certificate of incorporation and our bylaws also provide that, except as otherwise required by law, special meetings of our stockholders can only be called by our chairman of the board, our chief executive officer, our president or our board of directors.

Advance Notice Requirements for Stockholder Proposals

Our bylaws establish an advance notice procedure for stockholder proposals to be brought before an annual meeting of stockholders, including proposed nominations of persons for election to the board of directors. Stockholders at an annual meeting may only consider proposals or nominations specified in the notice of meeting or brought before the meeting by or at the direction of the board of directors or by a stockholder of record on the record date for the meeting, who is entitled to vote at the meeting and who has delivered to our secretary a timely written notice in proper form of the stockholder's intention to bring such business before the meeting. These provisions could have the effect of delaying until the next stockholder meeting stockholder actions that are favored by the holders of a majority of our outstanding voting securities.

Delaware Business Combination Statute

We are subject to Section 203 of the Delaware General Corporation Law. Subject to certain exceptions, Section 203 prevents a publicly held Delaware corporation from engaging in a "business combination" with any "interested stockholder" for three years following the date that the person became an interested stockholder, unless the interested stockholder attained such status with the approval of our board of directors or unless the business combination is approved in a prescribed manner. A "business combination" includes, among other things, a merger or consolidation involving us and the "interested stockholder" and the sale of more than 10% of our assets. In general, an "interested stockholder" is any entity or person beneficially owning 15% or more of our outstanding voting stock and any entity or person affiliated with or controlling or controlled by such entity or person.

Amendment of Certificate of Incorporation and Bylaws

The Delaware General Corporation Law provides generally that the affirmative vote of a majority of the shares entitled to vote on any matter is required to amend a corporation's certificate of incorporation or bylaws, unless a corporation's certificate of incorporation or bylaws, as the case may be, requires a greater percentage. Our bylaws may be amended or repealed by a majority vote of our board of directors or the affirmative vote of the holders of at least 75% of the voting power of our capital stock issued and outstanding and entitled to vote on the matter.

Limitation of Liability and Indemnification of Officers and Directors

Our certificate of incorporation limits the personal liability of directors for breach of fiduciary duty to the maximum extent permitted by the Delaware General Corporation Law. Our certificate of incorporation provides that no director will have personal liability to us or to our stockholders for monetary damages for breach of fiduciary duty or other duty as a director. However, these provisions do not eliminate or limit the liability of any of our directors:

- for any breach of their duty of loyalty to us or our stockholders;
- for acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of law;
- for voting or assenting to unlawful payments of dividends or other distributions; or
- for any transaction from which the director derived an improper personal benefit.

Any amendment to or repeal of these provisions will not eliminate or reduce the effect of these provisions in respect of any act or failure to act, or any cause of action, suit or claim that would accrue or arise prior to any amendment or repeal or adoption of an inconsistent provision. If the Delaware General Corporation Law is amended to provide for further limitations on the personal liability of directors of corporations, then the personal liability of our directors will be further limited to the greatest extent permitted by the Delaware General Corporation Law.

In addition, our certificate of incorporation provides that we must indemnify our directors and officers and we must advance expenses, including attorneys' fees, to our directors and officers in connection with legal proceedings, subject to limited exceptions.

Notice of Share Ownership

Our bylaws contain a provision requiring any beneficial owner of three percent or more of our outstanding common stock to notify us of his or her shareholdings, as well as of any change in his or her beneficial ownership of one percent or more of our outstanding common stock. Our bylaws do not provide for any specific remedy in the event a stockholder does not comply with this provision. We do not intend to make any such information public, unless required by law or the rules of the SEC or The NASDAQ Capital Market.

Authorized But Unissued Shares

The authorized but unissued shares of common stock and preferred stock are available for future issuance without stockholder approval, subject to any limitations imposed by the listing standards of The NASDAQ Capital Market. These additional shares may be used for a variety of corporate finance transactions, acquisitions and employee benefit plans. The existence of authorized but unissued and unreserved common stock and preferred stock could make it more difficult or discourage an attempt to obtain control of us by means of a proxy contest, tender offer, merger or otherwise.

Transfer Agent and Registrar

The transfer agent and registrar for the common stock is Computershare Trust Company, N.A.

Listing on the NASDAQ Global Market

Our common stock is listed on The NASDAQ Capital Market under the symbol "OPTT."

DESCRIPTION OF DEBT SECURITIES

The following is a general description of the debt securities that we may issue from time to time. The particular terms relating to each debt security, which may be different from or in addition to the terms described below, will be set forth in a prospectus supplement relating to such securities.

The debt securities will be our direct obligations. The senior debt securities will rank equally with all of our other senior and unsubordinated debt. The senior subordinated debt securities will have a junior position to all of our senior debt, which is generally defined in both the subordinated debt indenture and senior subordinated debt indenture to include all debt other than debt that is expressly subordinated to or pari passu with the subordinated debt securities or senior subordinated debt securities, as the case may be. The subordinated debt securities will have a junior position to all of our senior debt and all of our senior subordinated debt. The senior debt securities will be issued under a senior debt indenture, the senior subordinated debt securities will be issued under a senior subordinated debt indenture, and the subordinated debt securities will be issued under a subordinated debt indenture. The indentures will be qualified under the Trust Indenture Act of 1939. The type and terms of the debt securities we offer under this prospectus may be limited by the other debt instruments to which we are a party at the time of the offering.

Any securities we issue will be structurally subordinated to the indebtedness and other liabilities, if any, of our subsidiaries, including claims of our subsidiaries' creditors, and any taxing authorities. Any claims we have as an unsecured creditor of one of our subsidiaries would be subordinate to any security interest in the assets of that subsidiary and any indebtedness of that subsidiary senior to the indebtedness held by us.

We have summarized below the material provisions of the three indentures. The summary is not complete and is subject in all respects to the provisions of and is qualified in its entirety by reference to the forms of indentures, which are filed as exhibits and incorporated by reference into the registration statement of which this prospectus forms a part. The prospectus supplement relating to the applicable issuance of debt securities will describe any significant differences between the indentures and the summary below. The forms of senior indenture, senior subordinated indenture and subordinated indenture are substantially the same, except for certain covenants of ours and provisions relating to subordination. You should read the indentures for provisions that may be important to you. The forms of indentures may be supplemented or revised in connection with the filing of a prospectus supplement with respect to a particular series of debt securities and such later version will govern any debt securities issued in conjunction with that prospectus supplement.

Terms Applicable to All Debt Securities

No Limit on Debt Amounts. The indentures do not limit the amount of debt that can be issued under the indentures. These amounts will be set from time to time by our board of directors.

Prospectus Supplements. The prospectus supplement relating to a series of debt securities will summarize the specific terms of such debt securities and the related offering including, with respect to each series of debt securities, some or all of the following, as well as any other material terms of the debt securities:

- the title of the securities of the series (which title will distinguish the securities of the series from all other series of securities);
- any limit upon the aggregate principal amount of the securities of the series which may be authenticated and delivered (which limit will not pertain to securities authenticated and delivered upon registration of transfer of, or in exchange for, or in lieu of, other securities of the series or any securities that are deemed never to have been authenticated and delivered);

- if the payments of principal of, premium, if any, or interest, if any, on the securities of the series are to be made, at our election or the election of a holder, in a currency or currencies (including currency unit or units) other than that in which the securities of such series are denominated or designated to be payable, the currency or currencies (including currency unit or units) in which such payments are to be made, the terms and conditions of such payments and the manner in which the exchange rate with respect to such payments will be determined, and the particular provisions applicable thereto;
- if the amount of payments of principal of, premium, if any, and interest, if any, on the securities of the series will be determined with reference to an index, formula or other method (which index, formula or method may be based, without limitation, on a currency or currencies (including currency unit or units) other than that in which the securities of the series are denominated or designated to be payable), the index, formula or other method by which such amounts will be determined and any special voting or defeasance provisions in connection therewith;

- the designation of the depository with respect to the securities of the series;
- any restrictions on the registration, transfer or exchange of the securities of the series;
- if the securities of the series may be issued or delivered (whether upon original issuance or upon exchange of a temporary security of such series or otherwise), or any installment of principal or interest is payable, only upon receipt of certain certificates or other documents or satisfaction of other conditions, the form and terms of such certificates, documents or conditions;

- any other terms of the securities of the series, including any terms which may be required by or advisable under United States laws or regulations or advisable (as we may determine) in connection with the marketing of securities of the series.

Unless otherwise provided in an applicable indenture relating to debt securities, the debt securities will be issued in the form of one or more fully registered global securities that will be deposited with and registered in the name of a depository or its nominee. Upon issuance of a registered global security, the depository will credit, on its book-entry registration and transfer system, participants' accounts with the principal amount of the debt security beneficially owned by such participants. Each person owning a beneficial interest in a registered global security will have to rely on the procedures of the depository for such registered global security to exercise any rights of a holder under the applicable indenture. No service charge will be made for any transfer or exchange of the debt securities, but we may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection with a transfer or exchange and any expenses payable in connection with any registration of transfer or exchange of debt securities, other than exchanges not involving any transfer, such as the issuance of definitive securities in replacement of temporary securities or the issuance of new securities upon surrender of a security that is transferred or redeemed in part.

A series of debt securities may be issued under the relevant indenture as original issue discount securities, which are securities that are offered and sold at a discount from their stated principal amount. In addition, debt securities offered and sold at their stated principal amount may under some circumstances, pursuant to applicable Treasury Regulations, be treated as issued at an original issue discount for federal income tax purposes. Federal income tax consequences and other special considerations applicable to any such original issue discount securities (or other debt securities treated as issued at an original issue discount) will be described in the prospectus supplement relating to those securities.

Covenants. We will agree in the indentures with respect to any series of debt securities to:

- pay the principal, interest and any premium on the securities of the series when due;
- maintain an office or agency where the securities of the series may be surrendered for registration of transfer, exchange, payment or conversion (if the debt securities are convertible) and where notices and demands to or upon us in respect of the securities of the series and the relevant indenture may be served;
- prepare and file or deliver certain reports, as more fully specified in the relevant indenture, with the SEC, the trustee under the relevant indenture, and/or registered holders of the securities of the series, as the case may be;
- deliver to the trustee under the relevant indenture, as more fully specified in that indenture, officers' certificates relating to our compliance under the relevant indenture and the occurrence of any default or event of default under that indenture; and
- unless our board of directors determines that it is no longer desirable in the conduct of our business and that there will be no adverse impact in any material respect to the holders of the securities of the series, subject to those exceptions as more fully specified in the relevant indenture, do or cause to be done all things necessary to preserve and keep in full force and effect our existence as a corporation and our rights (charter and statutory rights) and franchises.

Consolidation, Merger and Sale of Assets. We will agree in the indentures with respect to any series of debt securities that we will not consolidate with or merge into any other entity or transfer all or substantially all of our assets unless:

- we are the surviving entity; or
- the successor or surviving entity assumes all of our obligations under the securities of such series and the indentures pursuant to supplemental indentures in forms reasonably satisfactory to the trustee(s) under the relevant indentures and is organized or existing under the laws of the United States of America and any state thereof or the District of Columbia; and, in either case,
- immediately after giving effect to such transaction, no event of default under the relevant indenture will have happened and be continuing.

Upon any such consolidation, merger or transfer of all or substantially all of our assets, the successor will be substituted for us under the indenture and we will be relieved of all obligations and covenants under the indenture with respect to such series of debt securities, except in the case of a lease of all or substantially all of our assets.

Satisfaction and Discharge. Upon our request, the relevant indenture will no longer be effective with respect to any series of debt securities for all but certain specified purposes if either:

- all outstanding securities of that series have been delivered to the trustee for cancellation, we have paid all sums payable in respect of that series and we have delivered to the trustee a certificate and opinion of legal counsel that all conditions precedent to satisfaction and discharge have been fulfilled; or
- the only securities that remain outstanding have, or within one year will, become due and payable or are to be called for redemption, we have deposited with the trustee funds that are sufficient to make all future payments, no default or event of default will have occurred and be continuing on the date of that deposit, we have paid all other sums payable in respect of that series, and we have delivered to the trustee a certificate and opinion of counsel that all conditions precedent to satisfaction and discharge have been fulfilled.

Legal Defeasance and Covenant Defeasance. Under each indenture, we may elect with respect to a series of debt securities, at our option and subject to the satisfaction of the conditions described below, either:

- to be deemed to have paid and discharged the entire indebtedness represented by the outstanding securities of the applicable series and to have satisfied all of our other obligations under the securities of the applicable series and under the provisions of the relevant indenture, which we refer to as legal defeasance; or
- to be released from some of our obligations under the relevant indenture, which we refer to as covenant defeasance.

We can exercise legal or covenant defeasance with respect to any series of debt securities if the following conditions are met:

- we irrevocably deposit with the applicable indenture trustee (or another trustee meeting certain eligibility requirements and agreeing to be bound by the applicable provisions of the relevant indenture), in trust, for the benefit of the holders of the applicable series of debt securities:
 - cash in United States dollars;
 - non-callable and non-redeemable direct obligations of the United States of America or of an agency or instrumentality controlled or supervised by the United States of America, in each instance, the payment of which is unconditionally guaranteed as a full faith and credit obligation of the United States of America; or
 - a combination of the foregoing that, in each case, is sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the principal of, interest and premium, if any, on the outstanding debt securities of the applicable series on their stated maturity or applicable redemption date, as the case may be, and any mandatory sinking fund payments applicable to that particular series of debt securities on the day on which the payments are due;
- we deliver to the trustee an opinion of counsel confirming that the holders of the outstanding securities of the applicable series will not recognize income, gain or loss for federal income tax purposes as a result of the defeasance;
- no default or event of default shall have occurred and be continuing on the date of the deposit of the amounts to be held in trust for the benefit of the holders (other than a default or event of default resulting from the borrowing of funds to be applied to the deposit) or in the case of any insolvency-related defaults, at any time in the period ending on the 91st day after the date of the deposit (or greater period of time in which any such deposit of trust funds may remain subject to bankruptcy or insolvency laws that apply to the deposit by us); and

- we deliver to the trustee an officers' certificate and an opinion of counsel, each stating that all conditions precedent provided for or relating to legal defeasance or covenant defeasance, as the case may be, have been complied with.

After satisfying the conditions for legal defeasance, the debt securities of the applicable series will be deemed outstanding only for limited purposes as more fully set forth in the relevant indenture. After legal defeasance, the holders of outstanding debt securities of the applicable series will have to rely solely on the deposits we make to the trust for repayment of such debt securities.

After satisfying the conditions for covenant defeasance, the debt securities of the applicable series will be deemed not outstanding for the purposes of the covenants from which we have been released, but will continue to be deemed outstanding for all other purposes under the relevant indenture.

The prospectus supplement relating to a series of debt securities may describe additional provisions, if any, permitting legal defeasance or covenant defeasance, and any modifications to the provisions described above, with respect to the debt securities of a particular series.

Information Concerning the Trustee. The prospectus supplement relating to a series of debt securities will include information concerning the trustee under the applicable indenture and our relationship with the trustee at the time any debt securities are offered. We may also maintain bank accounts, borrow money and have other banking or investment banking relationships with the trustee, or its affiliates, in the ordinary course of business.

Global Securities. The registered debt securities may be issued in the form of one or more fully registered global securities that will be deposited with and registered in the name of a depository or in the name of a nominee for a depository identified in the prospectus supplement relating to such debt securities. The specific terms of the depository arrangement with respect to any debt securities to be represented by a registered global security will be described in the prospectus supplement relating to such debt securities. We anticipate that the description below will apply to all depository arrangements.

Ownership of beneficial interests in a registered global security will be limited to persons that have accounts with the depository for such registered global security ("participants") or persons that may hold interests through participants. Upon the issuance of a registered global security, the depository will credit, on its book-entry registration and transfer system, the participants' accounts with the principal amounts of the debt securities represented by the registered global security beneficially owned by such participants. Ownership of beneficial interests in such registered global security will be shown on, and the transfer of such ownership interests will be effected only through, records maintained by the depository for such registered global security or on the records of participants for interests of persons holding through participants.

So long as the depository for a registered global security, or its nominee, is the registered owner of a registered global security, the depository or the nominee will be considered the sole owner or holder of the debt securities represented by the registered global security for all purposes. Except as set forth below, owners of beneficial interests in a registered global security will not:

- be entitled to have the debt securities represented by such registered global security registered in their names;
- receive or be entitled to receive physical delivery of such debt securities in definitive forms; or
- be considered the owners of record or holders of the debt securities.

Each person owning a beneficial interest in a registered global security will have to rely on the procedures of the depository for such registered global security and, if such person is not a participant, on the procedures of the participant through which such person owns its interest, to exercise any rights of a holder under the applicable indenture. We understand that under existing industry practices, if we were to request any action of holders, or if an owner of a beneficial interest in a registered global security desired to take any action that a holder is entitled to take under the applicable indenture, the depository would authorize the participants holding the relevant beneficial interests to take such action, and such participants would authorize beneficial owners owning through such participants to take such action.

Principal of, interest and premium, if any, on debt securities represented by a registered global security registered in the name of a depository or its nominee will be made to such depository or its nominee, as the case may be, as the registered owner of such registered global security. Neither we nor the trustee will have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests in such registered global security.

We expect that the depository for any debt securities represented by a registered global security, upon receipt of any payment of principal, interest or premium, if any, will immediately credit participants' accounts with such payments in amounts proportionate to their respective beneficial interests in such registered global security as shown on the records of such depository. We also expect that payments by participants to owners of beneficial interests in such a registered global security held by the participants will be governed by standing customer instructions and customary practices, as is now the case with securities held for the accounts of customers in bearer form or registered in "street name."

If the depository notifies us that it is unwilling or unable to continue as depository for the global security or if at any time the depository ceases to be a clearing agency registered under the Securities Exchange Act of 1934, and such registration as a clearing agency is required by applicable law or regulation to serve as a depository, and, in either situation, we do not appoint a successor depository within 90 days, we will issue debt securities in certificated form in exchange for the global security. In addition, we may at any time in our sole discretion decide not to have any debt securities represented by a global security. In such event we will issue debt securities in certificated form in exchange for the global security. The debt securities in certificated form will be in the same minimal denominations and be of the same aggregate outstanding principal amount and tenor as the portion of each global security to be exchanged.

Any debt securities issued in certificated form in exchange for a global security will be registered in such name or names as the depository shall instruct the relevant trustee. We expect that such instructions will be based upon directions received by the depository from participants with respect to ownership of beneficial interests in such registered global security.

If provided in a prospectus supplement relating to a series of debt securities, the debt securities of that series also may be issued in the form of one or more global securities that will be deposited with a common depository identified in the prospectus supplement. The specific terms and procedures, including the specific terms of the depository arrangement, with respect to any portion of a series of debt securities to be represented by a global security will be described in the prospectus supplement relating to that series.

Form, Exchange, Transfer. Unless otherwise specified in a prospectus supplement relating to a series of debt securities, debt securities will be issued in global form with accompanying book-entry procedures as outlined above. They also may be issued in registered form without coupons.

A holder of debt securities of any series may exchange the debt securities for other debt securities of the same series, in any authorized denomination and with the same terms and aggregate principal amount. The securities are transferable at the corporate trust office or corporate trust agency office of the trustee or at any transfer agent designated by us for that purpose. No service charge will be made for any transfer or exchange of the debt securities, but we may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection with a transfer or exchange and any expenses payable in connection with any registration of transfer or exchange of debt securities, other than exchanges not involving any transfer, such as the issuance of definitive securities in replacement of temporary securities or the issuance of new securities upon surrender of a security that is redeemed in part.

Particular Terms of the Senior Debt Securities

Ranking of Senior Debt Securities. Unless otherwise specified in a prospectus supplement relating to a series of senior debt securities, the senior debt securities will constitute part of our senior debt and rank equally with all our other senior debt that is unsecured (and will effectively rank junior to any secured debt). In addition to senior debt securities offered under this prospectus, senior debt includes obligations under any credit facilities with banks or other institutional lenders. The senior debt securities will be senior to our senior subordinated debt and subordinated debt. Our obligations under the senior debt securities will be structurally subordinated to certain obligations of our subsidiaries.

Events of Default. The following, among others, are events of default under a series of senior debt securities:

- we fail to pay the principal, premium, if any, or any sinking fund payment on any securities of that series when due;
- we fail to pay interest on any securities of that series when due and that failure continues for a period of 30 days;
- upon exercise of a holder's conversion right, we fail to deliver conversion consideration in accordance with the indenture;
- we fail to comply with our obligations in the event of a consolidation, merger or sale of assets, as set forth in the indenture;
- we fail to observe or perform any other covenant or agreement in the senior indenture for the benefit of that series (other than a covenant or agreement with respect to which a failure to observe or perform is dealt with otherwise in the senior indenture or is expressly included in the senior indenture solely for the benefit of a series of debt securities other than such series of debt securities) and that failure continues for 90 days after we receive notice to comply from the trustee or holders of at least 25% in aggregate principal amount of the outstanding senior debt securities;
- we fail to pay our indebtedness or to pay or discharge certain final judgments against us, as set forth in the indenture; and
- certain events of bankruptcy or insolvency occur, whether voluntary or not.

The indenture and the prospectus supplement relating to a series of senior debt securities may describe additional or different events of default that apply to that series. An event of default with respect to one series of senior debt securities will not necessarily constitute an event of default with respect to any other series of senior debt securities.

If a default or an event of default occurs and is continuing, the trustee will mail to the holders of senior debt securities of the affected series a notice to that effect within 90 days after the default occurs, if a responsible officer of the trustee under the indenture has actual knowledge of the default or event of default. Except in the case of a default in the payment of principal or interest, the trustee under the senior indenture may withhold notice if, and so long as, a committee of the trustee's responsible officers in good faith determines that withholding the notice is in the interests of the holders.

If an event of default with respect to one or more series of senior debt securities occurs and is continuing, the trustee or the holders of at least 25% in aggregate principal amount of the then outstanding senior debt securities of all series with respect to which the event of default occurs and is continuing, treating all those series as a single class, may declare all the principal of, accrued and unpaid interest or premium (or a lesser amount as may be provided for in the senior debt securities of the series), if any, of all the senior debt securities of those series to be immediately due and payable. The holders of a majority in aggregate principal amount of the then outstanding senior debt securities of all series covered by such declaration may annul or rescind the declaration and any related payment default that resulted from the declaration but not any other payment default. Certain events of bankruptcy and insolvency will result in all outstanding series of senior debt securities becoming due and payable immediately without any further action on the part of the trustee or the holders.

The senior indenture entitles the trustee to be indemnified by the holders before proceeding to exercise any right or power at the request of any of the holders.

The holders of a majority in principal amount of the outstanding senior debt securities of all series with respect to which an event of default occurs and is continuing, treating all those series as a single class, may direct the time, method and place of conducting any proceeding for any remedy available to the trustee or exercising any trust power conferred on it, except that:

- the direction cannot conflict with any law or regulation or the indenture;
- the trustee may take any other action deemed proper by the trustee that is not inconsistent with the direction; and
- the trustee need not take any action that might subject it to personal liability or be unduly prejudicial to the holders of the senior debt securities not joining in the action.

A holder may pursue a remedy directly under the senior indenture or a particular series of senior debt securities but, before doing so, the following must occur:

- the holder must give to the trustee written notice that an event of default has occurred and is continuing;
- the holders of at least 25% in principal amount of the then outstanding senior debt securities of all affected series, treating all those series as a single class, must make a written request to the trustee to pursue the remedy;
- the holder, or holders, must offer and, if requested, provide to the trustee an indemnity satisfactory to the trustee against any loss, liability or expense from the taking of the action;
- the trustee does not comply with the request within 60 days after receipt of the request and offer and, if requested, the provision of indemnity; and
- during the 60-day period, the holders of a majority in principal amount of the then outstanding senior debt securities of all those series, treating all those series as a single class, do not give the trustee a direction inconsistent with the written request.

However, holders have an absolute right to receipt of principal, interest or premium, if any, on or after the respective due dates and to institute suit for the enforcement of those payments. The right of a holder of senior debt securities to bring suit for the enforcement of any payments of principal, interest or premium, if any, on senior debt securities on or after the respective due dates may not be impaired or affected without the consent of that holder.

The holders of a majority in principal amount of the senior debt securities then outstanding of all affected series, treating all such series as a single class, may, by notice to the trustee on behalf of all holders of the senior debt securities of all those series, waive any past defaults, except:

- a continuing default in payment of the principal of, interest or premium, if any, on, or any sinking fund payment on, senior debt securities of the series;
- a continuing default in respect of a covenant or provision of the indenture that cannot be amended or modified without the consent of each holder of senior debt securities affected;

- one arising from a failure to pay or deliver to converting holders consideration due upon conversion; and
- in respect of a covenant or provision that under the senior indenture cannot be modified or amended without the consent of the holder of each outstanding note affected.

We periodically will file statements with the trustees regarding our compliance with covenants in the senior indenture.

Modifications and Amendments. Except as provided below, or more fully specified in the senior indenture and described in the applicable prospectus supplement, the senior indenture may be amended or supplemented by us and the trustee with the consent of holders of a majority in principal amount of all series of senior debt securities affected by the amendment or supplement, treating all such series as a single class. In addition, the record holders of a majority in principal amount of the outstanding senior debt securities of all series affected by the waiver, treating all such series as a single class, may, with respect to those series, waive defaults under, or compliance with, the provisions of the senior indenture. Some amendments or waivers, however, require the consent of each holder of any senior debt security affected. Without the consent of each affected holder, an amendment or waiver regarding a series of senior debt securities may not:

- change the maturity date, or the payment date of any installment interest on, any securities;
- reduce the principal amount of, or interest on, any securities;
- change the place, manner or currency of payment of principal of, or interest on, any securities;
- impair the right to institute a suit for the enforcement of any payment on, or with respect to, or of the conversion of, any security;
- change the ranking of the securities in a manner adverse to the holders of securities;
- adversely affect the right of holders of securities to convert their securities in accordance with the indenture, or reduce the amount of consideration due upon conversion;
- reduce the percentage in aggregate principal amount of outstanding securities whose holders must consent to a modification or amendment of the indenture or the securities;
- reduce the percentage in aggregate principal amount of outstanding securities whose holders must consent to a waiver of compliance with any provision in the indenture, or the securities or a waiver of any default or event of default; or
- modify the applicable provisions of the indenture, except to increase the percentage required for modification or waiver or to provide for the consent of each affected holder.

We and the trustee under the senior indenture may amend or supplement the senior indenture or the senior debt securities issued thereunder without notice to or the consent of any holder to:

- provide for the assumption by a successor company of the Company's obligations under the securities and the indenture;
- add guarantees with respect to the securities;
- secure the securities;

- add to the covenants for the benefit of the holders or surrender any right or power conferred upon the Company;
- make any change, including to cure any omission, ambiguity, manifest error or defect or to correct any inconsistency in the indenture that does not adversely affect the rights of any holder in any material respect;
- comply with any requirement of the SEC in connection with the qualification of the indenture under the Trust Indenture Act or with the rules of any applicable securities depository;
- provide for the issuance of and establish the form and terms and conditions of the securities of any series, to establish the form of any certifications required to be furnished, or to add to the rights of the holders of any series of securities;
- add additional events of default;
- evidence the acceptance or appointment of a successor trustee or to add an additional trustee or agent in accordance with the indenture; or
- conform the provisions of the indenture and the securities to the "Description of Notes" section as set forth in a preliminary prospectus supplement related to the offering and sale of the securities, as supplemented by the related pricing term sheet.

Particular Terms of the Senior Subordinated Debt Securities

Ranking of Senior Subordinated Debt Securities. As described below, the senior subordinated debt securities will rank senior to any subordinated debt securities and will be subordinated and junior in right of payment to any senior debt securities issued by us, as well as certain other indebtedness incurred by us to the extent set forth in the applicable indenture and described in the prospectus supplement relating to a series of senior subordinated debt securities. Unless the prospectus supplement relating to a series of senior subordinated debt securities indicates otherwise, the following description will apply to our senior subordinated debt securities.

Subordination. Our obligations under the senior subordinated debt securities will be subordinated in right of payment to our obligations under our senior debt and will be structurally subordinated to certain obligations of our subsidiaries, including claims payable. In the indenture relating to the senior subordinated securities, we will agree not to create, incur or otherwise be liable for any other indebtedness that ranks junior to the senior debt in right of payment, but senior to the senior subordinated securities. For this purpose, "senior debt" generally includes any indebtedness that does not expressly provide that it is on a parity with or subordinated in right of payment to the senior subordinated debt securities. Specifically, senior debt includes obligations under any credit facility with banks or other institutional lenders and obligations under the senior debt securities described in this prospectus. Senior debt will not include:

- any liability for federal, state, local or other taxes;
- any indebtedness to any of our subsidiaries or other affiliates;
- any trade payables;
- any indebtedness that we may incur in violation of the senior subordinated indenture; or
- obligations under any subordinated debt securities.

If we distribute our assets to creditors upon any dissolution, winding-up, liquidation or reorganization or in bankruptcy, insolvency, receivership or similar proceedings, we must first pay all amounts due or to become due on all senior debt before we pay the principal of, or make any other payment on, the senior subordinated debt securities. The provisions of the senior subordinated debt indenture providing these payment restrictions will not limit the right, if any, of a holder of senior subordinated debt securities to convert the debt securities into equity securities.

We may not make any payment on the senior subordinated debt securities if a default in the payment of the principal, interest or premium, if any, including a default under any repurchase or redemption obligation in respect of designated senior debt, occurs and continues beyond any applicable grace period. We may not make any payment on the senior subordinated debt securities if any other default occurs and continues with respect to designated senior debt that permits holders of the designated senior debt to accelerate its maturity and the trustee receives a notice of default from any person permitted to give notice. We may not resume payments on the senior subordinated debt securities until the defaults are cured or specified time periods pass, unless the senior debt is paid in full. The provisions of the senior subordinated debt indenture providing these payment restrictions will not limit the right, if any, of a holder of senior subordinated debt securities to convert the debt securities into equity securities.

The term “designated senior debt” means our obligations under our principal bank or other institutional credit facility, if any, and any other debt expressly designated as senior debt with respect to the applicable senior subordinated debt securities.

We expect that the terms of some of our senior debt will provide that an event of default under the senior subordinated debt securities or an acceleration of their maturity will constitute an event of default under the senior debt. In that case, if the maturity of the senior subordinated debt securities is accelerated because of an event of default, we may not make any payment on the senior subordinated debt securities until we have paid all senior debt or the acceleration has been rescinded. If the payment of the senior subordinated debt securities is accelerated because of an event of default, we must promptly notify the holders of senior debt of the acceleration.

If we experience a bankruptcy, dissolution or reorganization, holders of senior debt may receive more, ratably, and holders of the senior subordinated debt securities may receive less, ratably, than our other creditors.

The indenture for senior subordinated debt securities may not limit our ability to incur additional senior debt.

Events of Default. The following, among others, are events of default under a series of senior subordinated debt securities:

- we fail to pay the principal, premium, if any, or any sinking fund payment on any securities of that series when due;
- we fail to pay interest on any securities of that series when due and that failure continues for a period of 30 days;
- upon exercise of a holder’s conversion right, we fail to deliver conversion consideration in accordance with the indenture;
- we fail to comply with our obligations in the event of a consolidation, merger or sale of assets, as set forth in the indenture;
- we fail to observe or perform any other covenant or agreement in the senior subordinated indenture for the benefit of that series (other than a covenant or agreement with respect to which a failure to observe or perform is dealt with otherwise in the senior subordinated indenture or is expressly included in the senior subordinated indenture solely for the benefit of a series of debt securities other than such series of debt securities) and that failure continues for 90 days after we receive notice to comply from the trustee or holders of at least 25% in aggregate principal amount of the outstanding senior subordinated debt securities;

- we fail to pay our indebtedness or to pay or discharge certain final judgments against us, as set forth in the indenture; and
- certain events of bankruptcy or insolvency occur, whether voluntary or not.

The indenture and prospectus supplement relating to a series of senior subordinated debt securities may describe additional or different events of default that apply to that series. An event of default with respect to one series of senior subordinated debt securities will not necessarily constitute an event of default with respect to any other series of senior subordinated debt securities.

If a default or an event of default occurs and is continuing, the trustee will mail to the holders of senior subordinated debt securities of the affected series a notice to that effect within 90 days after the default occurs, if a responsible officer of the trustee under the indenture has actual knowledge of the default or event of default.

Except in the case of a default in the payment of principal or interest, the trustee under the senior subordinated indenture may withhold notice if, and so long as, a committee of the trustee's responsible officers in good faith determines that withholding the notice is in the interests of the holders.

If an event of default with respect to one or more series of senior subordinated debt securities occurs and is continuing, the trustee or the holders of at least 25% in aggregate principal amount of the then outstanding senior subordinated debt securities of all series with respect to which the event of default occurs and is continuing, treating all those series as a single class, may declare all the principal of, accrued and unpaid interest and premium (or such lesser amount as may be provided for in the senior subordinated debt securities of the series), if any (subject to applicable subordination provisions in the senior subordinated indenture) of all the senior subordinated debt securities of those series, to be immediately due and payable. The holders of a majority in aggregate principal amount of the then outstanding senior subordinated debt securities of all series covered by such declaration may annul and rescind the declaration and any related payment default that resulted from the declaration but not any other payment default. Certain events of bankruptcy and insolvency will result in all outstanding series of senior subordinated debt securities becoming due and payable immediately without any further action on the part of the trustee or the holders.

The senior subordinated indenture entitles the trustee to be indemnified by the holders before proceeding to exercise any right or power at the request of any of the holders.

The holders of a majority in principal amount of the outstanding senior subordinated debt securities of all series with respect to which an event of default occurs and is continuing, treating all those series as a single class, may direct the time, method and place of conducting any proceeding for any remedy available to the trustee or exercising any trust power conferred on it, except that:

- the direction cannot conflict with any law or regulation or the indenture;
- the trustee may take any other action deemed proper by the trustee that is not inconsistent with the direction; and
- the trustee need not take any action that might subject it to personal liability or be unduly prejudicial to the holders of the senior subordinated debt securities not joining in the action.

A holder may pursue a remedy directly under the senior subordinated indenture or a particular series of senior subordinated debt securities but, before doing so, the following must occur:

- the holder must give to the trustee written notice that an event of default has occurred and is continuing;

- the holders of at least 25% in principal amount of the then outstanding senior subordinated debt securities of all affected series, treating all those series as a single class, must make a written request to the trustee to pursue the remedy;
- the holder, or holders, must offer and, if requested, provide to the trustee an indemnity satisfactory to the trustee against any loss, liability or expense from the taking of the action;
- the trustee does not comply with the request within 60 days after receipt of the request and offer and, if requested, the provision of indemnity; and
- during the 60-day period, the holders of a majority in principal amount of the then outstanding senior subordinated debt securities of all affected series, treating all those series as a single class, do not give the trustee a direction inconsistent with the written request.

However, holders have an absolute right to receipt of principal, interest or premium, if any, on or after the respective due dates and to institute suit for the enforcement of those payments. The right of a holder of senior subordinated debt securities to bring suit for the enforcement of any payments of principal, interest or premium, if any, on senior subordinated debt securities on or after the respective due dates, without regard to acceleration or default, may not be impaired or affected without the consent of that holder.

The holders of a majority in principal amount of the senior subordinated debt securities then outstanding of all affected series, treating all those series as a single class, may, by notice to the trustee on behalf of all holders of the senior subordinated debt securities of those series, waive any past defaults, except:

- a continuing default in payment of the principal of, interest or premium, if any, on, or any sinking fund payment on, senior subordinated debt securities of the series;
- a continuing default in respect of a covenant or provision of the indenture that cannot be amended or modified without the consent of each holder of senior subordinated debt securities affected;
- one arising from a failure to pay or deliver to converting holders consideration due upon conversion; and
- in respect of a covenant or provision that under the senior subordinated indenture cannot be modified or amended without the consent of the holder of each outstanding note affected.

We periodically will file statements with the trustees regarding our compliance with covenants in the senior subordinated indenture.

Modifications and Amendments. Except as provided below, or more fully specified in the senior subordinated indenture and described in the applicable prospectus supplement, the senior subordinated indenture may be amended or supplemented by us and the trustee with the consent of holders of a majority in principal amount of all series of senior subordinated debt securities affected by the amendment or supplement, treating all such series as a single class. In addition, the record holders of a majority in principal amount of the outstanding senior subordinated debt securities of all series affected by the waiver, treating all such series as a single class, may, with respect to those series, waive defaults under, or compliance with, the provisions of the senior subordinated indenture. Some amendments or waivers, however, require the consent of each holder of any senior subordinated debt security affected. Without the consent of each affected holder, an amendment or waiver regarding a series of senior subordinated debt securities may not:

- change the maturity date, or the payment date of any installment interest on, any securities;
- reduce the principal amount of, or interest on, any securities;
- change the place, manner or currency of payment of principal of, or interest on, any securities;

- impair the right to institute a suit for the enforcement of any payment on, or with respect to, or of the conversion of, any security;
- change the ranking of the securities in a manner adverse to the holders of securities;
- adversely affect the right of holders of securities to convert their securities in accordance with the indenture, or reduce the amount of consideration due upon conversion;
- reduce the percentage in aggregate principal amount of outstanding securities whose holders must consent to a modification or amendment of the indenture or the securities;
- reduce the percentage in aggregate principal amount of outstanding securities whose holders must consent to a waiver of compliance with any provision in the indenture, or the securities or a waiver of any default or event of default; or
- modify the applicable provisions of the indenture, except to increase the percentage required for modification or waiver or to provide for the consent of each affected holder.

We and the trustee under the senior subordinated indenture may amend or supplement the senior subordinated indenture or the senior subordinated debt securities of any series issued thereunder without the consent of any holder to:

- provide for the assumption by a successor company of the Company's obligations under the securities and the indenture;
- add guarantees with respect to the securities;
- secure the securities;
- add to the covenants for the benefit of the holders or surrender any right or power conferred upon the Company;
- make any change, including to cure any omission, ambiguity, manifest error or defect or to correct any inconsistency in the indenture that does not adversely affect the rights of any holder in any material respect;
- comply with any requirement of the SEC in connection with the qualification of the indenture under the Trust Indenture Act or with the rules of any applicable securities depository;
- provide for the issuance of and establish the form and terms and conditions of the securities of any series, to establish the form of any certifications required to be furnished, or to add to the rights of the holders of any series of securities;
- add additional events of default;
- evidence the acceptance or appointment of a successor trustee or to add an additional trustee or agent in accordance with the indenture; or
- conform the provisions of the indenture and the securities to the "Description of Notes" section as set forth in a preliminary prospectus supplement related to the offering and sale of the securities, as supplemented by the related pricing term sheet.

Particular Terms of the Subordinated Debt Securities

Ranking of Subordinated Debt Securities. The subordinated debt securities will be subordinated and junior in right of payment to any senior debt securities and senior subordinated debt securities issued by us, as well as certain other indebtedness incurred by us to the extent set forth in the applicable indenture described in the prospectus supplement relating to a series of subordinated debt securities.

Subordination. Unless the prospectus supplement relating to a series of subordinated debt securities indicates otherwise, the subordination provisions of the subordinated debt securities will be the same as those of the senior subordinated debt securities just described, except that:

- “Senior debt” will include our obligations under the senior subordinated debt securities, as well as under the other debt specified above, including the “designated senior debt;” and
- different series of subordinated debt securities may rank senior to other series. In that case, our obligations under the higher-ranking series will be “senior debt” in relation to the lower-ranking series, as set forth in the prospectus supplement.

The subordinated indenture does not limit the amount of additional senior debt that we may incur. We expect from time to time to incur additional indebtedness constituting senior debt.

Events of Default. The following, among others, are events of default under a series of subordinated debt securities:

- we fail to pay the principal, premium, if any, or any sinking fund payment on any securities of that series when due;
- we fail to pay interest on any securities of that series when due and that failure continues for a period of 30 days;
- upon exercise of a holder’s conversion right, we fail to deliver conversion consideration in accordance with the indenture;
- we fail to comply with our obligations in the event of a consolidation, merger or sale of assets, as set forth in the indenture;
- we fail to observe or perform any other covenant or agreement in the subordinated indenture for the benefit of that series (other than a covenant or agreement with respect to which a failure to observe or perform is dealt with otherwise in the subordinated indenture or is expressly included in the subordinated indenture solely for the benefit of a series of debt securities other than such series of debt securities) and that failure continues for 90 days after we receive notice to comply from the trustee or holders of at least 25% in aggregate principal amount of the outstanding subordinated debt securities;
- we fail to pay our indebtedness or to pay or discharge certain final judgments against us, as set forth in the indenture; and
- certain events of bankruptcy or insolvency occur, whether voluntary or not.

The indenture and prospectus supplement relating to a series of subordinated debt securities may describe additional or different events of default that apply to that series. An event of default with respect to one series of subordinated debt securities will not necessarily constitute an event of default with respect to any other series of subordinated debt securities.

If a default or an event of default occurs and is continuing, the trustee will mail to the holders of subordinated debt securities of the affected series a notice to that effect within 90 days after the default occurs, if a responsible officer of the trustee under the indenture has actual knowledge of the default or event of default. Except in the case of a default in the payment of principal or interest, the trustee under the subordinated indenture may withhold notice if, and so long as, a committee of the trustee's responsible officers in good faith determines that withholding the notice is in the interests of the holders.

If an event of default with respect to one or more series of subordinated debt securities occurs and is continuing, the trustee or the holders of at least 25% in aggregate principal amount of the then outstanding subordinated debt securities of all series with respect to which the event of default occurs and is continuing, treating all those series as a single class, may declare all the principal of, accrued and unpaid interest and premium (or a lesser amount as may be provided for in the subordinated debt securities of the series), if any, (subject to applicable subordination provisions in the relevant indenture) of all the subordinated debt securities of those series to be immediately due and payable. The holders of a majority in aggregate principal amount of the then outstanding subordinated debt securities of all series covered by such declaration may annul and rescind the declaration and any related payment default that resulted from the declaration but not any other payment default. Certain events of bankruptcy and insolvency will result in all outstanding series of subordinated debt securities becoming due and payable immediately without any further action on the part of the trustee or the holders.

The subordinated indenture entitles the trustee to be indemnified by the holders before proceeding to exercise any right or power at the request of any of the holders.

The holders of a majority in principal amount of the outstanding subordinated debt securities of all series with respect to which an event of default occurs and is continuing and that rank equal with each other, treating all those series as a single class, may direct the time, method and place of conducting any proceeding for any remedy available to the trustee or exercising any trust power conferred on it with respect to those series, except that:

- the direction cannot conflict with any law or regulation or the subordinated indenture;
- the trustee may take any other action deemed proper by the trustee that is not inconsistent with the direction; and
- the trustee need not take any action that might subject it to personal liability or be unduly prejudicial to the holders of the subordinated debt securities not joining in the action.

A holder may pursue a remedy directly under the subordinated indenture or a particular series of subordinated debt securities but, before doing so, the following must occur:

- the holder must give to the trustee written notice that an event of default has occurred and is continuing;
- the holders of at least 25% in principal amount of the then outstanding subordinated debt securities of all affected series that rank equal with each other, treating all those series as a single class, must make a written request to the trustee to pursue the remedy;
- the holder, or holders, must offer and, if requested, provide to the trustee an indemnity satisfactory to the trustee against any loss, liability or expense from the taking of the action;
- the trustee does not comply with the request within 60 days after receipt of the request and offer and, if requested, the provision of indemnity; and
- during the 60-day period, the holders of a majority in principal amount of the then outstanding subordinated debt securities of all those series, treating all those series as a single class, do not give the trustee a direction inconsistent with the written request.

However, holders have an absolute right to receipt of principal, interest and premium, if any, on or after the respective due dates and to institute suit for the enforcement of those payments. The right of a holder of subordinated debt securities to bring suit for the enforcement of any payments of principal, interest and premium, if any, on subordinated debt securities on or after the respective due dates may not be impaired or affected without the consent of that holder.

The holders of a majority in principal amount of the then outstanding subordinated debt securities of all affected series that rank equal with each other treating all such series as a single class, may, by notice to the trustee on behalf of all holders of the subordinated debt securities of such series, waive any past defaults, except:

- a continuing default in payment of the principal of, interest or premium, if any, on, or any sinking fund payment on, subordinated debt securities of the series;
- a continuing default in respect of a covenant or provision of the indenture that cannot be amended or modified without the consent of each holder of subordinated debt securities affected;
- one arising from a failure to pay or deliver to converting holders consideration due upon conversion; and
- in respect of a covenant or provision that under the subordinated indenture cannot be modified or amended without the consent of the holder of each outstanding note affected.

We periodically will file statements with the trustee regarding our compliance with covenants in the subordinated indenture.

Modifications and Amendments. Except as provided below, or more fully specified in the subordinated indenture and described in the applicable prospectus supplement, the subordinated indenture may be amended or supplemented by us and the trustee with the consent of holders of a majority in principal amount of all affected series of subordinated debt securities that rank equal with each other, treating all such series as a single class. In addition, the record holders of a majority in principal amount of the outstanding subordinated debt securities of all series affected by the waiver that rank equal with each other, treating such series as a single class, may, with respect to those series, waive defaults under, or compliance with, the provisions of the subordinated indenture. Some amendments or waivers, however, require the consent of each holder of any subordinated debt security affected. Without the consent of each affected holder, an amendment or waiver regarding a series of subordinated debt securities may not:

- change the maturity date, or the payment date of any installment interest on, any securities;
- reduce the principal amount of, or interest on, any securities;
- change the place, manner or currency of payment of principal of, or interest on, any securities;
- impair the right to institute a suit for the enforcement of any payment on, or with respect to, or of the conversion of, any security;
- change the ranking of the securities in a manner adverse to the holders of securities;
- adversely affect the right of holders of securities to convert their securities in accordance with the indenture, or reduce the amount of consideration due upon conversion;
- reduce the percentage in aggregate principal amount of outstanding securities whose holders must consent to a modification or amendment of the indenture or the securities;

- reduce the percentage in aggregate principal amount of outstanding securities whose holders must consent to a waiver of compliance with any provision in the indenture, or the securities or a waiver of any default or event of default; or
- modify the applicable provisions of the indenture, except to increase the percentage required for modification or waiver or to provide for the consent of each affected holder.

We and the trustee under the subordinated indenture may amend or supplement the subordinated indenture or the subordinated debt securities issued thereunder without the consent of any holder to:

- provide for the assumption by a successor company of the Company's obligations under the securities and the indenture;
- add guarantees with respect to the securities;
- secure the securities;
- add to the covenants for the benefit of the holders or surrender any right or power conferred upon the Company;
- make any change, including to cure any omission, ambiguity, manifest error or defect or to correct any inconsistency in the indenture that does not adversely affect the rights of any holder in any material respect;
- comply with any requirement of the SEC in connection with the qualification of the indenture under the Trust Indenture Act or with the rules of any applicable securities depository;
- provide for the issuance of and establish the form and terms and conditions of the securities of any series, to establish the form of any certifications required to be furnished, or to add to the rights of the holders of any series of securities;
- add additional events of default;
- evidence the acceptance or appointment of a successor trustee or to add an additional trustee or agent in accordance with the indenture; or
- conform the provisions of the indenture and the securities to the "Description of Notes" section as set forth in a preliminary prospectus supplement related to the offering and sale of the securities, as supplemented by the related pricing term sheet.

Unless otherwise provided in the applicable prospectus supplement, rights may be exercised at any time up to the close of business on the expiration date for the rights provided in the applicable prospectus supplement. Rights will be issued in registered form only.

In the case of rights to purchase shares of our capital stock, certain provisions may allow or require the exercise price payable and/or the number of shares of stock purchasable upon exercise of the rights to be adjusted upon the occurrence of events described in the applicable prospectus supplement, including the issuance of a stock dividend or a combination, subdivision or reclassification of stock; the issuance of rights, warrants or options to all common and preferred stockholders entitling them to purchase our capital stock for an aggregate consideration per share less than the current market price per share of such stock; and any other events described in the prospectus supplement.

Exercise of Rights

Holders may exercise rights as described in the applicable prospectus supplement. Upon receipt of payment and the rights certificate properly completed and duly executed at the corporate trust office of the rights agent or any other office indicated in the prospectus supplement, we will, as soon as practicable, forward the shares of common stock, preferred stock or other securities, as applicable, being purchased upon exercise of the rights. If less than all of the rights issued in any rights offering are exercised, we may offer any unsubscribed securities directly to stockholders or to persons other than stockholders, to or through agents, underwriters or dealers or through a combination of such methods, including pursuant to standby arrangements, as described in the applicable prospectus supplement.

- if applicable, a discussion of certain United States federal income tax considerations; and
- the provisions for the payment, settlement, transfer or exchange of the units.

PLAN OF DISTRIBUTION

We may sell the securities in any one or more of the following ways:

- directly to investors, including through a specific bidding, auction or other process;
- to investors through agents;
- directly to agents;
- to or through brokers or dealers;
- to the public through underwriting syndicates led by one or more managing underwriters;
- in “at the market” offerings, within the meaning of Rule 415(a)(4) of the Securities Act of 1933, to or through a market maker or into an existing trading market on an exchange or otherwise;
- to one or more underwriters acting alone for resale to investors or to the public; and
- through a combination of any such methods of sale.

If we sell securities to a dealer acting as principal, the dealer may resell such securities at varying prices to be determined by such dealer in its discretion at the time of resale without consulting with us and such resale prices may not be disclosed in the applicable prospectus supplement.

Any underwritten offering may be on a best efforts or a firm commitment basis. We may also offer securities through subscription rights distributed to our stockholders on a pro rata basis, which may or may not be transferable. In any distribution of subscription rights to stockholders, if all of the underlying securities are not subscribed for, we may then sell the unsubscribed securities directly to third parties or may engage the services of one or more underwriters, dealers or agents, including standby underwriters, to sell the unsubscribed securities to third parties.

Sales of the securities may be effected from time to time in one or more transactions, including negotiated transactions:

- at a fixed price or prices, which may be changed;
- at market prices prevailing at the time of sale;
- at prices related to prevailing market prices; or
- at negotiated prices.

Any of the prices may represent a discount from the then-prevailing market prices.

In connection with the sale of any of the securities, underwriters or agents may receive compensation from us in the form of underwriting discounts or commissions and may also receive compensation from purchasers of the securities, for whom they may act as agents, in the form of discounts, concessions or commissions. Underwriters may sell the securities to or through dealers, and such dealers may receive compensation in the form of discounts, concessions or commissions from the underwriters and/or commissions from the purchasers for whom they may act as agents. Discounts, concessions and commissions may be changed from time to time. Dealers and agents that participate in the distribution of the securities may be deemed to be underwriters under the Securities Act of 1933, and any discounts, concessions or commissions they receive from us and any profit on the resale of securities they realize may be deemed to be underwriting compensation under applicable federal and state securities laws.

The applicable prospectus supplement will, where applicable:

- identify any such underwriter, dealer or agent;
- describe any compensation in the form of discounts, concessions, commissions or otherwise received from us by each such underwriter or agent and in the aggregate by all underwriters and agents;
- describe any discounts, concessions or commissions allowed by underwriters to participating dealers;
- identify the amounts underwritten; and
- identify the nature of the underwriter's or underwriters' obligation to take the securities.

Unless otherwise specified in the related prospectus supplement, each series of securities will be a new issue with no established trading market, other than our common stock, which is listed on The NASDAQ Capital Market. We expect that any common stock sold pursuant to a prospectus supplement will be listed on The NASDAQ Capital Market, subject to official notice of issuance. We may elect to list any series of debt securities or preferred stock on an exchange, but we are not obligated to do so. It is possible that one or more underwriters may make a market in the securities, but such underwriters will not be obligated to do so and may discontinue any market making at any time without notice. No assurance can be given as to the liquidity of, or the trading market for, any offered securities.

We may enter into derivative transactions with third parties, or sell securities not covered by this prospectus to third parties in privately negotiated transactions. If disclosed in the applicable prospectus supplement, in connection with those derivative transactions, third parties may sell securities covered by this prospectus and such prospectus supplement, including in short sale transactions. If so, the third party may use securities pledged by us or borrowed from us or from others to settle those short sales or to close out any related open borrowings of securities, and may use securities received from us in settlement of those derivative transactions to close out any related open borrowings of securities. If the third party is or may be deemed to be an underwriter under the Securities Act of 1933, it will be identified in the applicable prospectus supplements.

Until the distribution of the securities is completed, rules of the SEC may limit the ability of any underwriters and selling group members to bid for and purchase the securities. As an exception to these rules, underwriters are permitted to engage in some transactions that stabilize the price of the securities. Such transactions consist of bids or purchases for the purpose of pegging, fixing or maintaining the price of the securities.

Underwriters may engage in overallocation. If any underwriters create a short position in the securities in an offering in which they sell more securities than are set forth on the cover page of the applicable prospectus supplement, the underwriters may reduce that short position by purchasing the securities in the open market.

The lead underwriters may also impose a penalty bid on other underwriters and selling group members participating in an offering. This means that if the lead underwriters purchase securities in the open market to reduce the underwriters' short position or to stabilize the price of the securities, they may reclaim the amount of any selling concession from the underwriters and selling group members who sold those securities as part of the offering.

In general, purchases of a security for the purpose of stabilization or to reduce a short position could cause the price of the security to be higher than it might be in the absence of such purchases. The imposition of a penalty bid might also have an effect on the price of a security to the extent that it were to discourage resales of the security before the distribution is completed.

We do not make any representation or prediction as to the direction or magnitude of any effect that the transactions described above might have on the price of the securities. In addition, we do not make any representation that underwriters will engage in such transactions or that such transactions, once commenced, will not be discontinued without notice.

Under agreements into which we may enter, underwriters, dealers and agents who participate in the distribution of the securities may be entitled to indemnification by us against or contribution towards certain civil liabilities, including liabilities under the applicable securities laws.

If we offer securities in a subscription rights offering to our existing security holders, we may enter into a standby underwriting agreement with dealers, acting as standby underwriters. We may pay the standby underwriters a commitment fee for the securities they commit to purchase on a standby basis. If we do not enter into a standby underwriting arrangement, we may retain a dealer-manager to manage a subscription rights offering for us.

Underwriters, dealers and agents may engage in transactions with us or perform services for us in the ordinary course of business.

If indicated in the applicable prospectus supplement, we will authorize underwriters or other persons acting as our agents to solicit offers by particular institutions to purchase securities from us at the public offering price set forth in such prospectus supplement pursuant to delayed delivery contracts providing for payment and delivery on the date or dates stated in such prospectus supplement. Each delayed delivery contract will be for an amount no less than, and the aggregate amounts of securities sold under delayed delivery contracts shall be not less nor more than, the respective amounts stated in the applicable prospectus supplement. Institutions with which such contracts, when authorized, may be made include commercial and savings banks, insurance companies, pension funds, investment companies, educational and charitable institutions and others, but will in all cases be subject to our approval. SUBJECT TO COMPLETION, DATED FEBRUARY 12, 2016

PROSPECTUS SUPPLEMENT

\$1,345,499

Common Stock

We have entered into an At the Market Offering Agreement dated October 19, 2015, or Sales Agreement, as amended, with H.C. Wainwright & Co., LLC, or Wainwright, relating to shares of our common stock that may be offered by this prospectus supplement and the accompanying base prospectus. In accordance with the terms of the Sales Agreement, we may offer and sell up to \$2,906,836 of our common stock from time to time through Wainwright, as sales manager. Under the terms of the Sales Agreement, we may also sell shares to Wainwright as principal for its own account.

Our common stock is listed on The NASDAQ Capital Market under the symbol "OPTT." On February 11, 2016, the last reported sale price for our common stock on The NASDAQ Capital Market was \$1.53 per share. As of February 11, 2016, the aggregate market value of our common stock held by non-affiliates was \$4,791,306, based on an aggregate of 1,953,233 shares outstanding, of which 1,893,797 were held by non-affiliates, and the closing price of the common stock on The NASDAQ Capital Market of \$2.53 per share on December 14, 2015. During the 12 calendar months preceding the date of this prospectus supplement, we have offered and sold \$251,603 in value of securities pursuant to General Instruction I.B.6 of Form S-3.

Under the terms of our Sales Agreement with Wainwright, we may offer and sell up to \$2,906,836 of our common stock in an at the market offering. However, pursuant to General Instruction I.B.6 of Form S-3, we are currently able to offer and sell only \$1,597,102 of our common stock under Form S-3, and, as of the date of this prospectus supplement, we have already offered and sold \$251,603 in value of our common stock under the Sales Agreement. Thus, under this prospectus supplement, we are offering for sale up to \$1,345,499 in value of our common stock pursuant to the Sales Agreement.

Wainwright is not required to sell any specific number or dollar amount of shares of our common stock but will use its reasonable best efforts, as our agent and subject to the terms of the Sales Agreement, to sell the shares offered by this prospectus supplement and the accompanying base prospectus. Sales of the shares, if any, may be made by any means permitted by law and deemed to be an "at the market" offering as defined in Rule 415 of the Securities Act of 1933, as amended, or the Securities Act, including sales made directly on The NASDAQ Capital Market at market prices, in negotiated transactions at market prices prevailing at the time of sale, or at prices relating to such prevailing market prices, and/or any other method permitted by law, and such other sales as may be agreed upon by Wainwright and us.

Wainwright will receive from us a commission of 1.5% based on the gross sales price per share for any shares sold through it as agent under the Sales Agreement. We also have agreed to reimburse certain expenses of Wainwright in connection with the Sales Agreement. The net proceeds to us that we receive from sales of our common stock will vary depending on the number of shares actually sold and the offering price for such shares. The actual gross proceeds to us will vary, but will not exceed \$2,906,836 in the aggregate. See “Plan of Distribution” beginning on page S-14 of this prospectus supplement. In connection with the sale of shares of our common stock on our behalf, Wainwright may be deemed to be an “underwriter” within the meaning of the Securities Act, and the compensation of Wainwright may be deemed to be underwriting commissions or discounts.

On October 27, 2015, we filed a Certificate of Amendment to our Certificate of Incorporation to effect a one-for-10 reverse stock split of our common stock and to decrease our authorized shares of common stock to 50 million shares. All share and per share data included in this Prospectus Supplement has been retroactively restated to reflect the reverse stock split.

This prospectus supplement should be read in conjunction with and may not be delivered or utilized without the base prospectus dated February 12, 2016.

Investing in our securities involves a high degree of risk. See “Risk Factors” beginning on page S-6 of this prospectus supplement for more information.

Neither the Securities and Exchange Commission nor any state securities commission has approved or disapproved of these securities or determined if this prospectus supplement or the prospectus to which it relates is truthful or complete. Any representation to the contrary is a criminal offense.

- our ability to identify and penetrate markets for our PowerBuoys and our wave energy technology;
- our ability to implement our commercialization strategy as planned, or at all;

PROSPECTUS SUPPLEMENT SUMMARY

This summary contains basic information about us, our common stock and this offering. It highlights selected information contained in or incorporated by reference in this prospectus supplement and the accompanying base prospectus. Because this is a summary, it does not contain all of the information that you should consider before investing in the common stock. Before making an investment decision, you should read carefully this entire prospectus supplement, including the section entitled "Risk Factors," the accompanying base prospectus, our financial statements and the accompanying notes to the financial statements and the other documents incorporated by reference into this prospectus supplement and the accompanying base prospectus.

Ocean Power Technologies, Inc.

We are developing and seeking to commercialize proprietary systems that generate electricity by harnessing the renewable energy of ocean waves. Our PowerBuoy® systems use proprietary technologies to convert the mechanical energy created by the rising and falling of ocean waves into electricity. We currently continue to develop our PowerBuoy line, which consists of our autonomous PowerBuoy system. Since fiscal 2002, the U.S. Navy and other government agencies have accounted for a significant portion of our revenues. These revenues were largely for the support of our product development efforts. Our goal, over time, is that an increased portion of our revenues be from the sale of products and services, as compared to revenue to support our product development efforts. As we continue to advance our proprietary technologies and develop our products, we expect to have a net use of cash from operating activities unless and until we achieve positive cash flow from the planned commercialization of our products and services.

Our principal executive offices are located at 1590 Reed Road, Pennington, New Jersey 08534, and our telephone number is (609) 730-0400. We maintain a website at www.oceanpowertechnologies.com where general information about us is available. We are not incorporating the contents of the website into this prospectus supplement or the accompanying base prospectus. The Company was incorporated in New Jersey in 1984 and reincorporated in Delaware in 2007.

Summary of the Offering

Summary details of the offering of our common stock under this prospectus supplement and the accompanying base prospectus are set forth below.

Issuer	Ocean Power Technologies, Inc.
Common stock offered by us pursuant to this prospectus supplement	Up to \$1,345,499 of common stock
Common stock to be Outstanding Immediately After this Offering	Assuming we offer up to 879,411 shares pursuant to this prospectus supplement, at an assumed sales price of \$1.53 per share, which was the closing price of our common stock on The NASDAQ Capital Market on February 11, 2016, we would have 2,832,644 shares of our common stock outstanding after this offering. The actual number of shares issued will vary depending on the number of shares sold and the sales prices under this offering.

Manner of Offering

Sales of shares of our common stock, if any, will be made pursuant to the terms of the Sales Agreement entered into between us and H.C. Wainwright & Co., LLC, or Wainwright, dated October 19, 2015, as amended. Sales may be made by any method permitted by law that is deemed to be a best efforts, “at-the-market” offering, as defined in Rule 415 under the Securities Act, including sales made directly on The NASDAQ Capital Market, the existing trading market for our common stock, or sales made to or through a market maker other than on an exchange. Our agent, Wainwright, will make these sales using reasonable best efforts consistent with its normal trading and sales practices and subject to applicable law, on terms mutually agreeable to us and Wainwright. Under the terms of the Sales Agreement, we may also sell shares to Wainwright as principal for its own account, or through Wainwright in privately negotiated transactions with our prior consent. The net proceeds to us from the sales of our common stock will depend on the number of shares actually sold and the offering price for such shares. The actual proceeds to us will vary, and may vary substantially, from the proceeds shown in this prospectus supplement. See “Plan of Distribution” on page S-14 of this prospectus supplement.

Use of Proceeds

We intend to use the net proceeds of this offering primarily for working capital and general corporate purposes, which may include additional development, testing and demonstrations of our PowerBuoy system. Accordingly, we will retain broad discretion over how the net proceeds are used. See “Use of Proceeds” on page S-10 of this prospectus supplement.

Risk Factors

This investment involves a high degree of risk. See “Risk Factors” on page S-6 of this prospectus supplement.

Except as otherwise indicated, the information contained in this prospectus supplement assumes the sale of all of the shares offered hereby.

The number of shares of common stock to be outstanding after this offering is based on 1,953,233 shares outstanding as of the date of this prospectus supplement and excludes options outstanding as of that date representing the right to purchase a total of 101,151 shares of common stock at a weighted average exercise price of approximately \$40.69 per share. See “Risk Factors” on page S-6 of this prospectus supplement and “Risk Factors – Risks Related to our Common Stock” in our most recent Annual Report on Form 10-K, as supplemented by subsequent Quarterly Reports on Form 10-Q.

RISK FACTORS

Investing in our common stock involves substantial risk. You should carefully consider the risk factors disclosed below as well as those contained in our most recent Annual Report on Form 10-K and our subsequent Quarterly Report on Form 10-Q, which are incorporated by reference herein, as updated by our subsequent filings under the Exchange Act and the other information contained in this prospectus supplement and the accompanying base prospectus, before acquiring any of our common stock. These risks could have a material adverse effect on our business, results of operations or financial condition and cause the value of our common stock to decline. You could lose all or part of your investment.

This prospectus supplement and the accompanying base prospectus also contain or incorporate by reference forward-looking statements that involve risks and uncertainties. Our actual results could differ materially from those anticipated in the forward-looking statements as a result of certain factors, including the risks faced by us described or incorporated by reference in this prospectus supplement and accompanying base prospectus. See “Cautionary Statement Regarding Forward-Looking Information.”

Risks Related to this Offering

Future sales of our common stock or securities convertible or exchangeable for our common stock may depress our stock price.

In this offering, we are seeking to sell up to an additional \$1,345,499 in value of shares of our common stock pursuant to this prospectus supplement, which based on the closing price per share of \$1.53 of our common stock as of February 11, 2016, would result in the issuance of up to an additional 879,411 shares of our common stock. As of the date of this prospectus supplement, 1,953,233 shares of our common stock were outstanding, excluding options outstanding as of that date representing the right to purchase a total of 101,151 shares of common stock at a weighted average exercise price of approximately \$40.69 per share. Under the terms of our Sales Agreement with Wainwright, we may offer and sell up to \$2,906,836 of our common stock, of which we have already offered and sold \$251,603 as of the date of this prospectus supplement. In the future, if permitted pursuant to General Instruction I.B.6 of Form S-3, we may offer and sell additional shares of our common stock up to the \$2,906,836 in value that we are permitted to offer under the Sales Agreement. The sale of a substantial number of shares of our common stock in this offering or otherwise, or the perception that such sales may occur, could cause the trading price of our common stock to decline and it could decline materially and adversely.

Our stockholders may experience substantial dilution in the value of their investment or their ownership interest as a result of this offering or if we issue additional shares of our capital stock in the future.

Our certificate of incorporation currently authorizes us to issue up to 50,000,000 shares of our common stock and to issue and designate the rights of, without stockholder approval, up to 5,000,000 shares of preferred stock. Assuming an offering price of \$1.53 per share, the last reported sale price of our common stock on The NASDAQ Capital Market on February 11, 2016, we are offering up to 879,411 shares of our common stock in this offering pursuant to this prospectus supplement. In the future, in order to raise additional capital, we may offer additional shares of our common stock or other securities convertible into or exchangeable for our common stock at prices that may not be the same as the price per share paid by other investors, and dilution to our stockholders in the value of their investment and their ownership and voting interest in the Company could result. We may sell shares or other securities in any other offering at a price per share that is less than the price per share paid by existing investors, and investors purchasing shares or other securities in the future could have rights superior to existing stockholders. The price per share at which we sell additional shares of our common stock, or securities convertible or exchangeable into common stock, in future transactions may be higher or lower than the price per share paid by other investors.

We may not be able to raise sufficient capital to continue to operate our business.

We have incurred negative operating cash flows since our inception. We will require additional equity and/or debt financing to continue our operations as a going concern. If we are unable to raise additional funds when needed, our ability to operate and grow our business could be impaired. We do not know whether we will be able to secure additional funding or funding on terms favorable to us. Our ability to obtain additional funding will be subject to a number of factors, including market conditions, our operating performance, pending litigation and investor sentiment. These factors may make additional funding unavailable, or the timing, amount, terms and conditions of additional funding unattractive. If we issue additional equity securities, our existing stockholders would experience dilution or may be subordinated to any rights, preferences or privileges granted to the new equity holders.

We have filed a shelf registration statement on Form S-3 with the SEC registering the sale of up to \$15,000,000 of debt, equity and other securities (the “Shelf Registration Statement”), and the shares of common stock offered under this prospectus supplement constitute part of the securities that we may offer for sale under the Shelf Registration Statement. Pursuant to the Sales Agreement with Wainwright, we have established an at the market offering facility (the “ATM Facility”) under which we may offer and sell from time to time up to \$2,906,836 in value of shares of our common stock through Wainwright, acting as sales agent, in ordinary brokerage transactions at prevailing market prices. However, pursuant to General Instruction I.B.6 of Form S-3, we are currently able to offer and sell only \$1,597,102 of our common stock under Form S-3, and, as of the date of this prospectus supplement, we have already offered and sold \$251,603 in value of our common stock under the Sales Agreement. Thus, under this prospectus supplement, we are offering for sale up to \$1,345,499 of our common stock. In the future, if permitted pursuant to General Instruction I.B.6 of Form S-3, we may offer additional shares of common stock under the Sales Agreement in the ATM Facility up to the aggregate limit of \$2,906,836. There can be no assurance that we will be able to sell shares of common stock in the ATM Facility at the time or in sufficient quantities to permit us to continue our operations and, even if we are able to sell shares of common stock in the ATM Facility, there can be no assurance that the funds generated will be sufficient to permit us to continue operations. We do not have any other committed sources of financing or funding and we cannot assure you that we will be able to raise additional funds when needed or at all or, if any funding is available, the terms upon which such funding is made available.

Sales under the Shelf Registration Statement or other sales of equity or convertible securities would be dilutive to our stockholders. If we were to raise additional funds through the issuance of preferred stock or debt securities, and we cannot assure you that we would be able to issue such securities or the terms upon which those securities would be issued, those securities could have rights senior to those associated with our common stock and could contain covenants that would restrict our operations. Financing may not be available in amounts or on terms acceptable to us or that are favorable to our stockholders. If we are unable to obtain required financing, we may not be able to continue to operate as a going concern.

The actual number of shares we will issue under the Sales Agreement, at any one time or in total, is uncertain.

Subject to certain limitations in the Sales Agreement and compliance with applicable law, we have the discretion to deliver sales notices to Wainwright at any time throughout the term of the Sales Agreement. The number of shares that are sold by Wainwright after delivering a sales notice will fluctuate based on the market price of the common stock during the sales period and limits we set with Wainwright. Because the price per share of each share sold will fluctuate based on the market price of our common stock during the sales period, it is not possible at this stage to predict the number of shares that will ultimately be issued.

We may issue debt and equity securities or securities convertible into equity securities, any of which may be senior to our common stock as to distributions and in liquidation, which could negatively affect the value of our common stock.

In the future, we may attempt to increase our capital resources by entering into debt or debt-like financing that is unsecured or secured by some or all of our assets, or by issuing additional debt or equity securities, which could include issuances of secured or unsecured commercial paper, medium-term notes, senior notes, subordinated notes, guarantees, preferred stock, hybrid securities, or securities convertible into or exchangeable for equity securities, any of which may rank senior to our common stock. In the event of our liquidation, our lenders and holders of our debt and preferred securities would receive distributions of our available assets before distributions to the holders of our common stock. Because our decision to incur debt and issue securities in future offerings may be influenced by market conditions and other factors beyond our control, we cannot predict or estimate the amount, timing or nature of our future offerings or debt financings. Further, market conditions could require us to accept less favorable terms for the issuance of our securities in the future.

Our management has significant flexibility in using the net proceeds of this offering.

We intend as of the date hereof to use the net proceeds from the sale of the common stock that is offered from time to time by this prospectus supplement for any combination of working capital and general corporate purposes, which may include additional development, testing and demonstrations of our PowerBuoy system, but we have not determined any specific allocation of the use of the net proceeds of this offering. Our management will have broad discretion in the application of the use of our available cash, including the net proceeds of this offering. Management may spend the net proceeds in ways that do not necessarily improve our results of operations or enhance the value of our common stock. The actual amounts and timing of expenditures will vary significantly depending on a number of factors, including the amount and timing of cash used in our operations. In addition, until we use the net proceeds as set forth above, we may invest such proceeds in investments or deposit them in checking accounts at financial institutions. Any such investments or deposits may not produce income and could lose value. If management does not use these funds effectively, this would have an adverse effect on our business and the value of our common stock, and could make it more difficult and costly to raise funds in the future.

The market price of our common stock may be volatile and could decline substantially.

The market price of our common stock has been subject to wide fluctuations. From January 1, 2014, to January 31, 2016, the closing price of our common stock ranged from a low of \$1.32 on January 19, 2016 to a high of \$54.50 on March 11, 2014. The market price of our common stock in the future is likely to continue to be subject to wide fluctuations in response to various factors, including, but not limited to, the following:

- variations in our operating results, liquidity and financial condition;
- our success in commercializing our PowerBuoys;
- the results of the pending and threatened class action securities litigation;
- general conditions in the energy market; and
- worldwide economic and financial conditions.

In addition, the public stock markets have experienced price and volume fluctuations that have particularly affected the market price for many technology companies and that have often been unrelated to the operating performance of these companies. The broad market fluctuations and other factors may continue to adversely affect the market price of our common stock.

We have a pending SEC investigation that has caused us to incur significant costs and expenses and has diverted our management time, and could have a material adverse effect on our business, financial condition, results of operations, cash flow and our ability to raise capital in the future.

As disclosed in our periodic reports filed with the SEC, the Company has received a subpoena from the SEC arising out of public disclosures related to a now-terminated agreement between Victorian Wave Partners Pty. Ltd. (VWP), a second tier Australian subsidiary of the Company, and the Australian Renewable Energy Agency (ARENA), for the development of a wave power station. The Company has provided information to the SEC in response to that subpoena, and the Company continues to cooperate with the SEC in this investigation. We have incurred and expect to continue to incur significant professional fees and other costs related to the SEC investigation. We are unable to predict what action, if any, might be taken by the SEC or its staff as a result of this investigation or what impact, if any, the cost of responding to the SEC's investigation or its ultimate outcome might have on our financial position, results of operations or liquidity. We have not established any provision for losses relating to this matter. If the SEC were to conclude that enforcement action is appropriate, we could be required to pay civil penalties and fines, and the SEC could impose other sanctions against us or against our current and former officers and directors. In addition, our Board of Directors, management and employees may expend a substantial amount of time on the SEC investigation, diverting resources and attention that would otherwise be directed toward our operations and implementation of our business strategy, all of which could materially adversely affect our business, financial condition, results of operations or cash flows.

We are the subject of pending and threatened securities and other litigation, which is costly and time-consuming to defend, and if decided against us, could require us to pay substantial judgments or settlements. We may be the subject of future securities or other litigation, which could adversely affect our company, our business and our liquidity.

We are the subject of certain pending and threatened litigation certain of which arises, in part, out of a securities offering that we conducted in April 2014 and other activities of the Company. This litigation is costly and time-consuming to defend and may distract our management from the daily operations of our business. We have received other requests for documents from other potential plaintiffs arising out of this securities offering, and we may be the subject of additional future securities litigation, which could adversely affect our company, our business and our liquidity. Although we maintain directors' and officers' insurance coverage, we cannot assure you that this insurance coverage will be sufficient to cover the substantial fees of lawyers and other professional advisors relating to this pending or any future litigation, our obligations to indemnify our officers and directors who may become parties to such pending and any future actions, or the amount of any judgments or settlements that we may be obligated to pay in connection with these lawsuits. In addition, these actions have caused our insurance premiums to increase, and we may be subject to additional increases in the future. Further, given the volatility of the market price of our common stock, we may be subject to future class action securities and other litigation. Accordingly, we have incurred and may continue to incur substantial legal expenses, judgments and/or settlements relating to pending, threatened and future litigation and our management time and attention may be diverted from the operation of our business, which could materially and adversely affect our business.

USE OF PROCEEDS

We estimate that the net proceeds from the sale of the common stock offered pursuant to this prospectus supplement and accompanying base prospectus will be approximately \$1,225,317, after deducting sales agent fees and the estimated offering expenses payable by us and assuming that we sell all of the common stock offered hereunder.

We intend to use the net proceeds of any sale of securities under this prospectus supplement for working capital and general corporate purposes, which may include additional development, testing and demonstrations of our PowerBuoy system. The amounts and timing of these expenditures will depend on a number of factors, such as the timing, scope, progress and results of our research and development efforts, the timing and progress of any partnering efforts, and the regulatory and competitive environment. As of the date of this prospectus supplement, we have not determined the amount of net proceeds to be used specifically for any particular purpose or the timing of any expenditures. Accordingly, our management will retain broad discretion and flexibility in applying the net proceeds from the sale of the securities. Pending any use of the net proceeds, we intend to invest the net proceeds in repurchase contracts or deposit them in checking accounts at financial institutions.

DILUTION

If you invest in this offering, your ownership interest may be diluted to the extent of the difference between the public offering price per share and the as adjusted net tangible book value per share after giving effect to this offering. Our net tangible book value as of October 31, 2015, was approximately \$8,352,002, or approximately \$4.55 per share of common stock. Net tangible book value per share represents the amount of total tangible assets (total assets less intangible assets) less total liabilities, divided by the number of shares of our common stock outstanding as of October 31, 2015.

Dilution in net tangible book value per share represents the difference between the amount per share paid by purchasers in this offering and the net tangible book value per share of our common stock immediately after this offering. After giving effect to the assumed sale of 879,411 shares of our common stock in the aggregate amount of \$1,345,499 at an assumed offering price of \$1.53 per share, the last reported sale price of our common stock on February 11, 2016, and after deduction of commissions and estimated offering expenses payable by us, our as adjusted net tangible book value as of October 31, 2015 would have been approximately \$9,577,319, or \$3.53 per share of common stock. This represents an immediate decrease in net tangible book value of \$1.02 per share of common stock to our existing stockholders and an immediate increase in net tangible book value of \$2.00 per share of common stock to investors participating in this offering at an assumed offering price of \$1.53 per share.

Pursuant to the Sales Agreement with Wainwright, the shares being sold in this offering are being sold from time to time at various prices. An increase of \$0.10 per share in the price at which the shares are sold from the assumed offering price of \$1.53 per share shown in the table above, assuming all of our common stock in the aggregate amount of \$1,345,499 during the term of the Sales Agreement with Wainwright is sold at that price, would increase our pro forma net tangible book value per share after the offering to \$3.60 per share and would result in the increase in net tangible book value per share to new investors in this offering of \$1.97 per share, after deducting commissions and estimated aggregate offering expenses payable by us. A decrease of \$0.10 per share in the price at which the shares are sold from the assumed offering price of \$1.53 per share shown in the table above, assuming the aggregate amount of \$1,345,499 of our common stock offered pursuant to this prospectus supplement is sold during the term of the Sales Agreement with Wainwright at that price, would decrease our pro forma net tangible book value per share after the offering to \$3.45 per share and would increase the net tangible book value per share to new investors in this offering of \$2.02 per share, after deducting commissions and estimated aggregate offering expenses payable by us. This information is supplied for illustrative purposes only.

The amounts above are based on 1,836,620 shares of common stock outstanding as of October 31, 2015 and do not reflect the exercise of outstanding options because the effect of such exercise would be anti-dilutive.

DESCRIPTION OF SECURITIES WE ARE OFFERING

In this offering, we are offering a maximum of \$1,345,499 in aggregate value of shares of our common stock, sold at market prices from time to time.

Authorized and Outstanding Capital Stock

The following description of our common stock and provisions of our certificate of incorporation and bylaws are summaries and are qualified by reference to our certificate of incorporation and bylaws, which have been incorporated by reference as exhibits to the registration statement of which this prospectus supplement forms a part.

Our authorized capital stock consists of 50,000,000 shares of common stock, par value \$0.001 per share, and 5,000,000 shares of preferred stock, par value \$0.001 per share, all of which are undesignated.

As of October 31, 2015, there were 1,836,620 shares of common stock issued and outstanding, and no shares of preferred stock were issued or outstanding.

Description of Common Stock

Voting. Holders of common stock are entitled to one vote for each share held on all matters submitted to a vote of stockholders and do not have cumulative voting rights. Accordingly, holders of a majority of the shares of common stock entitled to vote in any election of directors may elect all of the directors standing for election.

Dividends. Holders of common stock are entitled to receive proportionately any dividends that may be declared by our board of directors, subject to any preferential dividend rights of outstanding preferred stock.

Liquidation and Distribution. Upon our liquidation, dissolution or winding up, the holders of common stock are entitled to receive proportionately our net assets available after the payment of all debts and other liabilities and subject to the prior rights of any outstanding preferred stock. Holders of common stock have no preemptive, subscription, redemption or conversion rights. Our outstanding shares of common stock are, and the shares offered by us in this offering will be, when issued and paid for, fully paid and nonassessable. The rights, preferences and privileges of holders of common stock are subject to, and may be adversely affected by, the rights of the holders of shares of any series of preferred stock that we may designate and issue in the future.

Anti-Takeover Effects of Delaware Law; Our Certificate of Incorporation and Our Bylaws

Delaware law, our certificate of incorporation and our bylaws contain provisions that could have the effect of delaying, deferring or discouraging another party from acquiring control of us. These provisions, which are summarized below, are intended to discourage coercive takeover practices and inadequate takeover bids. These provisions are also designed to encourage persons seeking to acquire control of us to first negotiate with our board of directors.

Removal of Directors

Our certificate of incorporation and our bylaws provide that directors may be removed only for cause and only by the affirmative vote of the holders of 75% of our shares of capital stock present in person or by proxy and entitled to vote. Under our certificate of incorporation and bylaws, any vacancy on our board of directors, including a vacancy resulting from an enlargement of our board of directors, may be filled only by vote of a majority of our directors then in office.

The limitations on the ability of our stockholders to remove directors and fill vacancies could make it more difficult for a third party to acquire, or discourage a third party from seeking to acquire, control of us.

Stockholder Action by Written Consent; Special Meetings

Our certificate of incorporation provides that any action required or permitted to be taken by our stockholders must be effected at a duly called annual or special meeting of such holders and may not be effected by any consent in writing by such holders. Our certificate of incorporation and our bylaws also provide that, except as otherwise required by law, special meetings of our stockholders can only be called by our chairman of the board, our chief executive officer, our president or our board of directors.

Advance Notice Requirements for Stockholder Proposals

Our bylaws establish an advance notice procedure for stockholder proposals to be brought before an annual meeting of stockholders, including proposed nominations of persons for election to the board of directors. Stockholders at an annual meeting may only consider proposals or nominations specified in the notice of meeting or brought before the meeting by or at the direction of the board of directors or by a stockholder of record on the record date for the meeting, who is entitled to vote at the meeting and who has delivered to our secretary a timely written notice in proper form of the stockholder's intention to bring such business before the meeting. These provisions could have the effect of delaying until the next stockholder meeting stockholder actions that are favored by the holders of a majority of our outstanding voting securities.

Delaware Business Combination Statute

We are subject to Section 203 of the Delaware General Corporation Law. Subject to certain exceptions, Section 203 prevents a publicly held Delaware corporation from engaging in a "business combination" with any "interested stockholder" for three years following the date that the person became an interested stockholder, unless the interested stockholder attained such status with the approval of our board of directors or unless the business combination is approved in a prescribed manner. A "business combination" includes, among other things, a merger or consolidation involving us and the "interested stockholder" and the sale of more than 10% of our assets. In general, an "interested stockholder" is any entity or person beneficially owning 15% or more of our outstanding voting stock and any entity or person affiliated with or controlling or controlled by such entity or person.

Amendment of Certificate of Incorporation and Bylaws

The Delaware General Corporation Law provides generally that the affirmative vote of a majority of the shares entitled to vote on any matter is required to amend a corporation's certificate of incorporation or bylaws, unless a corporation's certificate of incorporation or bylaws, as the case may be, requires a greater percentage. Our bylaws may be amended or repealed by a majority vote of our board of directors or the affirmative vote of the holders of at least 75% of the voting power of our capital stock issued and outstanding and entitled to vote on the matter.

Limitation of Liability and Indemnification of Officers and Directors

Our certificate of incorporation limits the personal liability of directors for breach of fiduciary duty to the maximum extent permitted by the Delaware General Corporation Law. Our certificate of incorporation provides that no director will have personal liability to us or to our stockholders for monetary damages for breach of fiduciary duty or other duty as a director. However, these provisions do not eliminate or limit the liability of any of our directors:

- for any breach of their duty of loyalty to us or our stockholders;
- for acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of law;
- for voting or assenting to unlawful payments of dividends or other distributions; or
- for any transaction from which the director derived an improper personal benefit.

Any amendment to or repeal of these provisions will not eliminate or reduce the effect of these provisions in respect of any act or failure to act, or any cause of action, suit or claim that would accrue or arise prior to any amendment or repeal or adoption of an inconsistent provision. If the Delaware General Corporation Law is amended to provide for further limitations on the personal liability of directors of corporations, then the personal liability of our directors will be further limited to the greatest extent permitted by the Delaware General Corporation Law.

In addition, our certificate of incorporation provides that we must indemnify our directors and officers and we must advance expenses, including attorneys' fees, to our directors and officers in connection with legal proceedings, subject to limited exceptions.

Notice of Share Ownership

Our bylaws contain a provision requiring any beneficial owner of three percent or more of our outstanding common stock to notify us of his or her shareholdings, as well as of any change in his or her beneficial ownership of one percent or more of our outstanding common stock. Our bylaws do not provide for any specific remedy in the event a shareholder does not comply with this provision. We do not intend to make any such information public, unless required by law or the rules of the SEC or The NASDAQ Capital Market.

Authorized But Unissued Shares

Our authorized but unissued shares of common stock and preferred stock are available for future issuance without stockholder approval, subject to any limitations imposed by the listing standards of The NASDAQ Capital Market. These additional shares may be used for a variety of corporate finance transactions, acquisitions and employee benefit plans. The existence of authorized but unissued and unreserved common stock and preferred stock could make it more difficult or discourage an attempt to obtain control of us by means of a proxy contest, tender offer, merger or otherwise.

Transfer Agent and Registrar

The transfer agent and registrar for our common stock is Computershare Trust Company, N.A.

PLAN OF DISTRIBUTION

We have entered into an At the Market Offering Agreement, or the Sales Agreement, dated October 19, 2015, as amended, with H.C. Wainwright & Co., LLC, or Wainwright, under which we may issue and sell up to \$2,906,836 in value of shares of our common stock from time to time through Wainwright as our sales agent. Under the terms of the Sales Agreement, we may also sell shares to Wainwright as a principal for its own account.

Although under the terms of our Sales Agreement with Wainwright, we may offer and sell up to \$2,906,836 of our common stock in the ATM Facility, pursuant to General Instruction I.B.6 of Form S-3, as of the date of this prospectus supplement, we are currently able to offer and sell only \$1,597,102 of our common stock under Form S-3. Further, as of the date of this prospectus supplement, we have already offered and sold \$251,603 in value of our common stock under the Sales Agreement. Thus, under this prospectus supplement, we are offering for sale up to \$1,345,499 in value of our common stock in the ATM Facility under the Sales Agreement. In the future, if permitted pursuant to General Instruction I.B.6 of Form S-3, we may offer additional shares of common stock under the Sales Agreement up to the aggregate offering amount of \$2,906,836 in value of shares of our common stock.

Upon receipt of a notice from us specifying the number of shares to be sold and such other matters as may be agreed upon by us and Wainwright, Wainwright, as agent, will use reasonable best efforts, consistent with its normal sales and trading practices and applicable laws, to sell shares of our common stock, if any, pursuant to this prospectus supplement. Sales of shares of common stock, if any, pursuant to this prospectus supplement may be made by any method permitted by law deemed to be an "at the market offering" as defined in Rule 415 under the Securities Act, including, without limitation, sales made directly on or through The NASDAQ Capital Market, the existing trading market for our common stock, on any other existing trading market for our common stock, or sales made to or through a market maker other than on an exchange, at market prices prevailing at the time of sale or at prices related to such prevailing market prices or in privately negotiated transactions, provided that Wainwright receives our prior written approval for any sales in privately negotiated transactions. To the extent required by Regulation M, Wainwright will not engage in any transactions that stabilize our common stock while the offering is ongoing under this prospectus supplement.

Under the Sales Agreement, we will instruct Wainwright in a sales notice as to the maximum amount of shares of our common stock to be sold by Wainwright daily, and the minimum price per share at which such shares may be sold. Subject to the conditions of the Sales Agreement, Wainwright will use its reasonable best efforts to solicit purchases on a particular day of all shares designated for sale by us on that day. The gross sales price of the shares sold will be the market price for shares of our common stock sold by Wainwright on the trading market at the time of sale of the shares. We or Wainwright may suspend the offering of our common stock upon proper notice and subject to certain other conditions. The obligation of Wainwright under the Sales Agreement to sell our common stock pursuant to a sales notice is subject to a number of conditions.

Wainwright will provide written confirmation to us following the close of trading on The NASDAQ Capital Market following each day in which shares of our common stock are sold under the Sales Agreement. Each confirmation will include the number of shares sold on the day, the aggregate gross sales proceeds, the net proceeds to us and the compensation payable by us to Wainwright with respect to the sales.

We will pay Wainwright commissions for its services in acting as our agent in the sale of our common stock. The compensation payable to Wainwright for sales of shares of our common stock with respect to which Wainwright acts as sales agent shall be equal to 1.5% of the gross sales price of those shares. We have also agreed to reimburse Wainwright the fees and disbursements of its legal counsel in an amount up to \$40,000, which has been previously paid by us at the time of execution of the Sales Agreement. There is no guarantee that there will be any sales of our common stock under this prospectus supplement and the accompanying base prospectus and actual sales, if any, of our common stock under this prospectus supplement and the accompanying base prospectus may result in gross proceeds to us of less than \$1,345,499, exclusive of any sales agent compensation or other offering fees and expenses.

Settlement for sales of shares of our common stock will occur on the third business day following the date on which any sales are made. There is no arrangement for funds to be received in an escrow, trust or similar arrangement.

In connection with the sale of shares of our common stock on our behalf, Wainwright may be deemed to be an “underwriter” within the meaning of the Securities Act, and the compensation of Wainwright may be deemed to be underwriting commissions or discounts. We have agreed to provide indemnification and contribution to Wainwright with respect to certain civil liabilities, including liabilities under the Securities Act and the Exchange Act.

We estimate that the total expenses of the offering payable by us, excluding commissions payable to Wainwright under the Sales Agreement, will be approximately \$300,000.

The offering of shares of our common stock pursuant to the Sales Agreement will terminate upon the earlier of (1) the sale of all of our common stock provided for in this prospectus supplement, or (2) the termination of the Sales Agreement. The Sales Agreement may be terminated by us at any time in our sole discretion by giving three business days’ written notice to Wainwright, or by Wainwright at any time in its sole discretion. The Sales Agreement will remain in full force and effect until the earlier of October 19, 2018, or the date that the Sales Agreement is terminated in accordance with the terms thereof.

This is a brief summary of the material provisions of the Sales Agreement and does not purport to be a complete statement of its terms and conditions. A copy of the Sales Agreement has been filed with the SEC on a Current Report on Form 8-K and is incorporated by reference into the registration statement of which this prospectus supplement forms a part.

Wainwright and its affiliates may in the future provide various investment banking and other financial services for us for which services they may in the future receive customary fees. The principal business address of Wainwright is 430 Park Avenue, New York, New York 10022.

Unless otherwise required, we will report at least quarterly the number of shares of common stock sold through Wainwright , as agent, in this offering, the net proceeds to us and the compensation paid by us to Wainwright in connection with such sales of common stock.

During each period beginning with the date of any notice by us to sell shares of our common stock and ending after the close of business on the purchase date for the shares referenced in the notice, we will notify Wainwright at least three business days before we offer, sell, issue, contract to sell, contract to issue or otherwise dispose of, directly or indirectly, any other shares of common stock or any securities exercisable, exchangeable or convertible into common stock, subject to limited exceptions.

The transfer agent for our common stock is Computershare Trust Company, N.A. Its address is 250 Royall Street, Canton, MA 02021-1011, and its telephone number is 1-800-662-7232.

Our common stock is listed on The NASDAQ Capital Market under the symbol “OPTT.”

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling the Company pursuant to the foregoing provisions, we have been informed that in the opinion of the SEC, such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable.

Item 15. Indemnification of Directors and Officers

Section 102 of the General Corporation Law of the State of Delaware permits a corporation to eliminate the personal liability of directors of a corporation to the corporation or its stockholders for monetary damages for a breach of fiduciary duty as a director, except where the director breached his duty of loyalty, failed to act in good faith, engaged in intentional misconduct or knowingly violated a law, authorized the payment of a dividend or approved a stock repurchase in violation of Delaware corporate law or obtained an improper personal benefit. The Registrant's certificate of incorporation provides that no director of the Registrant shall be personally liable to it or its stockholders for monetary damages for any breach of fiduciary duty as director, notwithstanding any provision of law imposing such liability, except to the extent that the General Corporation Law of the State of Delaware prohibits the elimination or limitation of liability of directors for breaches of fiduciary duty.

Section 145 of the General Corporation Law of the State of Delaware provides that a corporation has the power to indemnify a director, officer, employee, or agent of the corporation and certain other persons serving at the request of the corporation in related capacities against expenses (including attorneys' fees), judgments, fines and amounts paid in settlements actually and reasonably incurred by the person in connection with an action, suit or proceeding to which he is or is threatened to be made a party by reason of such position, if such person acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation, and, in any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful, except that, in the case of actions brought by or in the right of the corporation, no indemnification shall be made with respect to any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the Court of Chancery or other adjudicating court determines that, despite the adjudication of liability but in view of all of the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Court of Chancery or such other court shall deem proper.

The Registrant's certificate of incorporation provides that the Registrant will indemnify each person who was or is a party or threatened to be made a party to any threatened, pending or completed action, suit or proceeding (other than an action by or in the right of the Registrant) by reason of the fact that he or she is or was, or has agreed to become, a director or officer of the Registrant, or is or was serving, or has agreed to serve, at the Registrant's request as a director, officer, partner, employee or trustee of, or in a similar capacity with, another corporation, partnership, joint venture, trust or other enterprise (all such persons being referred to as an "Indemnitee"), or by reason of any action alleged to have been taken or omitted in such capacity, against all expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred in connection with such action, suit or proceeding and any appeal therefrom, if such Indemnitee acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the Registrant's best interests, and, with respect to any criminal action or proceeding, he or she had no reasonable cause to believe his or her conduct was unlawful. The Registrant's certificate of incorporation provides that the Registrant will indemnify any Indemnitee who was or is a party to an action or suit by or in the right of the Registrant to procure a judgment in the Registrant's favor by reason of the fact that the Indemnitee is or was, or has agreed to become, a director or officer of the Registrant, or is or was serving, or has agreed to serve, at the Registrant's request as a director, officer, partner, employee or trustee or, or in a similar capacity with, another corporation, partnership, joint venture, trust or other enterprise, or by reason of any action alleged to have been taken or omitted in such capacity, against all expenses (including attorneys' fees) and, to the extent permitted by law, amounts paid in settlement actually and reasonably incurred in connection with such action, suit or proceeding, and any appeal therefrom, if the Indemnitee acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interests of the Registrant, except that no indemnification shall be made with respect to any claim, issue or matter as to which such person shall have been adjudged to be liable to the Registrant, unless a court determines that, despite such adjudication but in view of all of the circumstances, he or she is entitled to indemnification of such expenses. Notwithstanding the foregoing, to the extent that any Indemnitee has been successful, on the merits or otherwise, he or she will be indemnified by the Registrant against all expenses (including attorneys' fees) actually and reasonably incurred in connection therewith. Expenses must be advanced to an Indemnitee under certain circumstances.

The Registrant maintains a general liability insurance policy that covers certain liabilities of the Registrant's directors and officers arising out of claims based on acts or omissions in their capacities as directors or officers.

The Registrant's directors and officers are covered by insurance policies indemnifying them against certain liabilities, including certain liabilities arising under the Securities Act of 1933, as amended, which might be incurred by them in such capacities and against which they cannot be indemnified by the Registrant.

Item 17. Undertakings

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

Provided, however, that paragraphs (1)(i), (1)(ii) and (1)(iii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof. *Provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its respective securities provided by or on behalf of the undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) The undersigned registrant hereby undertakes to file an application for the purpose of determining the eligibility of the trustee to act under subsection (a) of section 310 of the Trust Indenture Act ("Act") in accordance with the rules and regulations prescribed by the Commission under section 305(b)2 of the Act.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

- (b) In the event that a Security of any series becomes subject to redemption pursuant to Article 3 and the redemption date occurs after a Regular Record Date but on or prior to the next succeeding Interest Payment Date, the person whose Security becomes subject to redemption (and only such Person rather than the Holder as of such Regular Record Date) shall be entitled to receive and shall receive accrued and unpaid interest from the preceding Interest Payment Date (or such earlier date on which interest was last paid) to, but excluding, the redemption date of such Security, even if such Person is not the Holder of such Security on the Regular Record Date. (e) In the event that Securities of any series are convertible and if, in such case, a Security is converted pursuant to Article 12, the Holder who converts such Security on any date other than an Interest Payment Date (except in the case of a Security whose Maturity Date is after the immediately preceding Record Date but prior to such Interest Payment Date) shall not be entitled to receive unpaid interest on such Security from the preceding Interest Payment Date until the conversion date, such amounts being deemed to have been paid by receipt of shares of Common Stock in full rather than canceled, extinguished or forfeited. As a result, if a Security is converted between a Regular Record Date and an Interest Payment Date (but not including on the Interest Payment Date), the Holder of record on the Regular Record Date will receive accrued and unpaid interest on such Security for such period on such Interest Payment Date but the Holder that converts the Security will be required to remit to the Company an amount equal to that interest at the time such Holder surrenders the Security for conversion, pursuant to Article 12; *provided, however*, that such Holder will not be required to remit such interest if (1) the Company has specified a redemption date that occurs during the period from the close of business on a Regular Record Date to the close of business on the Business Day immediately preceding the Interest Payment Date to which such record date relates or (2) any overdue interest exists on the Conversion Date with respect to the Securities converted, but only to the extent of overdue interest.

If an Officer whose signature is on a Security no longer holds that office at the time a Security is authenticated, the Security shall nevertheless be valid.

A Security shall not be valid until authenticated by the manual signature of the Trustee (or its authenticating agent as provided below). The signature shall be conclusive evidence that the Security has been authenticated under this Indenture.

The Trustee shall, upon a written order of the Company signed by an Officer (an "*Authentication Order*"), together with an Officers' Certificate and an Opinion of Counsel, authenticate Securities for original issue in the aggregate principal amount stated in the Authentication Order. The Officers' Certificate and Opinion of Counsel shall each state that all conditions precedent provided for or relating to the issuance of such Securities have been complied with.

If all of the Securities of a series are not to be originally issued at the same time, then the documents required to be delivered pursuant to this Section 2.05 must be delivered only once, prior to the authentication and delivery of the first Security of such series; *provided, however*, that any subsequent request by the Company to the Trustee to authenticate additional Securities of such series upon original issuance shall constitute a representation and warranty by the Company that, as of the date of such request, the statements made in the Officers' Certificate delivered pursuant to this Section 2.05 shall be true and correct as if made on such date and that all the conditions precedent, if any, provided for in this Indenture or the terms of the Securities of such series relating to the authentication and delivery of additional Securities of such series have been complied with.

The Trustee may appoint an authenticating agent acceptable to the Company to authenticate Securities. An authenticating agent may authenticate Securities whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as an Agent to deal with Holders or an Affiliate of the Company.

Notwithstanding the foregoing, if any Security shall have been authenticated and delivered hereunder but never issued and sold by the Company, and the Company shall deliver such Security to the Trustee for cancellation as provided in Section 2.13 together with a written statement stating that such Security has never been issued and sold by the Company, for all purposes of this Indenture such Security shall be deemed never to have been authenticated and delivered hereunder and shall not be entitled to the benefits of this Indenture.

Section 2.06 REGISTRAR AND PAYING AGENT; APPOINTMENT OF DEPOSITARY.

The Company shall, in accordance with Section 4.02, maintain an office or agency where Securities may be presented for registration of transfer or for exchange (“*Registrar*”), (if Securities of any series are convertible) an office or agency where Securities may be presented for conversion (“*Conversion Agent*”), and an office or agency where Securities may be presented for payment (“*Paying Agent*”). The Registrar shall keep a register of the Securities and of their transfer and exchange. The Company may appoint one or more co-registrars, one or more additional paying agents and one or more Conversion Agents. The term “*Registrar*” includes any co-registrar, the term “*Paying Agent*” includes any additional paying agent and the term “*Conversion Agent*” includes any additional Conversion Agent. The Company may change any Paying Agent or Registrar without notice to any Holder. The Company shall promptly notify the Trustee in writing of the name and address of any Agent not a party to this Indenture. If the Company fails to appoint or maintain another entity as Registrar or Paying Agent or, if the Securities of any series are convertible, a Conversion Agent, the Trustee shall act as such. The Company or any of its Subsidiaries may act as Paying Agent, Conversion Agent or Registrar.

The Company initially appoints The Depository Trust Company to act as Depository with respect to the Global Securities.

The Company initially appoints the Trustee to act as the Registrar and Paying Agent with respect to the Securities and to act as Custodian with respect to the Global Securities.

Section 2.07 PAYING AGENT TO HOLD MONEY IN TRUST.

The Company shall require each Paying Agent other than the Trustee to agree in writing that the Paying Agent will hold in trust for the benefit of Holders or the Trustee all money held by the Paying Agent for the payment of principal, premium, if any, or interest on the Securities or other payment in respect of the Securities or otherwise held by it as Paying Agent, and will notify the Trustee of any default by the Company in making any such payment when due. While any such default continues, the Trustee may require a Paying Agent to pay all money held by it to the Trustee. The Company at any time may require a Paying Agent to pay all money held by it to the Trustee. Upon payment over to the Trustee, the Paying Agent (if other than the Company or a Subsidiary) shall have no further liability for the money. If the Company or a Subsidiary acts as Paying Agent, it shall segregate and hold in a separate trust fund for the benefit of the Holders all money held by it as Paying Agent. Upon any bankruptcy or reorganization proceedings relating to the Company, the Trustee shall serve as Paying Agent for the Securities.

Section 2.08 HOLDER LISTS.

(a) The Company shall furnish or cause to be furnished to the Trustee, semiannually, and at such other times as the Trustee may request in writing, within 30 days after receipt by the Company of any such request (or such lesser time as the Trustee may reasonably request in order to enable it to timely provide any notice to be provided by it hereunder), a list in such form as the Trustee may reasonably require of the names and addresses of the Holders as of a date not more than 15 days (or such other date as the Trustee may reasonably request in order to so provide any such notices) prior to the time such information is furnished, except that no such list need be furnished so long as the Trustee is acting as Registrar. In addition, the Trustee and the Company shall comply with TIA § 312.

(b) The Trustee shall preserve, in as current a form as is reasonably practicable, all information as to the names and addresses of the Holders contained in the most recent list furnished to it as provided in this Section 2.08 or maintained by the Trustee in its capacity as Registrar, if so acting. The Trustee shall destroy any list furnished to it as provided in this Section 2.08 upon receipt of a new list so furnished.

Section 2.09 TRANSFER AND EXCHANGE.

(a) Upon surrender for registration of transfer of any Physical Security of any series at the office or agency maintained pursuant to Section 4.02, the Company shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Physical Securities of the same series, of any authorized denominations and of a same aggregate principal amount and like tenor and containing identical terms and provisions.

(b) At the option of the Holder, Securities of any series (except a Security in global form) may be exchanged for other Securities of the same series, of any authorized denominations, of a same aggregate principal amount and like tenor and containing identical terms and provisions, upon surrender of the Securities to be exchanged at such office or agency. Whenever any Securities are so surrendered for exchange, the Company shall execute, and the Trustee shall authenticate and deliver, the Securities that the Holder making the exchange is entitled to receive.

(c) Notwithstanding any other provision of this Section 2.09, unless and until it is exchanged in whole or in part for Physical Securities, a Security in global form representing all or a portion of the Securities of a series may not be transferred except as a whole by the Depository for such series to a nominee of such Depository or by a nominee of such Depository to such Depository or another nominee of such Depository or by such Depository or any such nominee to a successor Depository for such series or a nominee of such successor Depository.

(d) If at any time: (i) the Depository for the Securities of a series notifies the Company that the Depository is unwilling or unable to continue as Depository for the Securities of such series and a successor Depository is not appointed within 60 days; (ii) the Depository ceases to be registered as a clearing agency under the Exchange Act and a successor Depository is not appointed within 60 days; or (iii) an Event of Default with respect to the Securities of such series has occurred and is continuing and any beneficial owner requests that its Securities be issued as Physical Securities; then, in such cases, the Company shall execute, and the Trustee, upon receipt of an Officers' Certificate and an Authentication Order for the authentication and delivery of Physical Securities of such series of like tenor, shall authenticate and deliver (x) in the case of clause (iii), a Physical Security of such series to such beneficial owner in a principal amount equal to the principal amount of such Securities corresponding to such beneficial owner's beneficial interest and (y) in the case of clause (i) or (ii), Physical Securities of such series to the beneficial owners of the related Securities (or a portion thereof) in an aggregate principal amount equal to the principal amount of such Global Security, in exchange for such Global Security, and upon delivery of the Global Security to the Trustee such Global Security shall be cancelled.

(e) The Company may at any time in its sole discretion determine that all (but not less than all) Securities of a series issued in global form shall no longer be represented by such a Security or Securities in global form. In such event the Company shall execute, and the Trustee, upon receipt of an Authentication Order for the authentication and delivery of Physical Securities of such series of like tenor, shall authenticate and deliver in accordance with Section 2.02(g), Physical Securities of such series of like tenor, in authorized denominations and in an aggregate principal amount equal to the principal amount of the Security or Securities of such series of like tenor in global form in exchange for such Security or Securities in global form.

(f) If specified by the Company pursuant to Section 2.02 or this Section 2.09, with respect to a series of Securities, the Depository for such series may surrender a Security in global form of such series in exchange in whole or in part for Physical Securities of such series on such terms as are acceptable to the Company and such Depository. Thereupon, the Company shall execute, and the Trustee shall authenticate and deliver, without service charge,

(1) to each Person specified by such Depository a new Physical Security or Securities of the same series of like tenor, of any authorized denomination as requested by such Person in aggregate principal amount equal to and in exchange for such Person's beneficial interest in the Security in global form; and

(2) to such Depositary a new Security in global form of like tenor in a denomination equal to the difference, if any, between the principal amount of the surrendered Security in global form and the aggregate principal amount of Physical Securities delivered to Holders thereof.

(g) Upon the exchange of a Security in global form for Physical Securities, such Security in global form shall be canceled by the Trustee. Physical Securities issued in exchange for a Security in global form pursuant to this Section shall be registered in such names and in such authorized denominations as the Depositary for such Security in global form, pursuant to instructions from its direct or Indirect Participants or otherwise, shall instruct the Trustee in writing. The Trustee shall deliver such Securities to the Persons in whose names such Securities are so registered.

(h) Whenever any Securities are surrendered for exchange, the Company shall execute, and the Trustee shall authenticate and deliver, the Securities that the Holder making the exchange is entitled to receive.

(i) All Securities issued upon any registration of transfer or upon any exchange of Securities shall be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as were the Securities surrendered upon such registration of transfer or exchange.

(j) Every Security presented or surrendered for registration of transfer or for exchange shall (if so required by the Company, the Registrar or the Trustee) be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Company, the Registrar and the Trustee duly executed by the Holder thereof or his attorney duly authorized in writing.

(k) No service charge shall be imposed by the Company, the Trustee or any Registrar for any exchange or registration of transfer of Securities, but the Company, the Trustee or any Registrar may require a Holder to pay a sum sufficient to cover any documentary, stamp or similar issue or transfer tax required by law or permitted pursuant to a supplemental indenture with respect to such Securities. None of the Company, the Trustee or any Registrar shall be required to exchange or register a transfer of any Securities surrendered for conversion or, if a portion of any Security is surrendered for conversion, such portion thereof surrendered for conversion.

(l) The Company shall not be required (i) to issue, register the transfer of or exchange Securities of any series during a period beginning at the opening of business 15 days before the day of the mailing of a notice of redemption of Securities of that series selected for redemption under Section 3.02 and ending at the close of business on the day of such mailing, or (ii) to register the transfer of or exchange any security so selected for redemption in whole or in part, except the unredeemed portion of any Security being redeemed in part.

(m) The provisions of this Section 2.09 may be modified, supplemented or superseded with respect to any series of Securities by a Board Resolution or in one or more indentures supplemental hereto.

(n) At such time as all beneficial interests in a particular Global Security have been exchanged for Physical Securities or a particular Global Security has been redeemed, repurchased or canceled in whole and not in part, each such Global Security shall be returned to or retained and canceled by the Trustee in accordance with Section 2.13 hereof. At any time prior to such cancellation, if any beneficial interest in a Global Security is exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Security or for Physical Securities, the principal amount of Securities represented by such Global Security shall be reduced accordingly and an endorsement shall be made on such Global Security by the Trustee or by the Depository at the direction of the Trustee to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Security, such other Global Security shall be increased accordingly and an endorsement shall be made on such Global Security by the Trustee or by the Depository at the direction of the Trustee to reflect such increase.

(o) Prior to due presentment for the registration of a transfer of any Security, the Trustee, any Agent and the Company may deem and treat the Person in whose name any Security is registered as the absolute owner of such Security for the purpose of receiving payment of principal of and interest on such Securities and for all other purposes, and neither the Trustee, any Agent nor the Company shall be affected by notice to the contrary.

Section 2.10 REPLACEMENT SECURITIES.

If any mutilated Security is surrendered to the Trustee or the Company or the Trustee receives evidence to its satisfaction of the destruction, loss or theft of any Security, the Company shall issue and the Trustee, upon receipt of an Authentication Order, shall authenticate a replacement Security, *provided that* if required by the Trustee or the Company, an indemnity bond must be supplied by the Holder that is sufficient in the judgment of the Trustee and the Company to protect the Company, the Trustee, any Agent and any authenticating agent from any loss that any of them may suffer if a Security is replaced. The Company may charge for its expenses in replacing a Security.

Every replacement Security is an obligation of the Company and will be entitled to all of the benefits of this Indenture equally and proportionately with all other Securities duly issued hereunder.

Section 2.11 OUTSTANDING SECURITIES.

For purposes of this Indenture and the Securities, except as otherwise specified in any Security of any series or supplemental indenture with respect to such Securities, any Security authenticated and delivered under this Indenture shall, as of any date of determination, be deemed to be “*outstanding*” except:

(i) Securities theretofore cancelled by the Trustee or delivered to the Trustee for cancellation or reductions in the interest in any Global Security effected by the Trustee in accordance with the provisions hereof;

(ii) Securities for the payment or redemption of which money or U.S. Government Obligations in the necessary amount has been theretofore deposited with the Trustee or any Paying Agent (other than the Company) in trust or set aside and segregated in trust by the Company (if the Company acts as its own Paying Agent) for the Holders of such Securities; *provided, however,* that, if such Securities are to be redeemed, notice of such redemption has been duly given pursuant to this Indenture or provision therefore satisfactory to the Trustee has been made;

(iii) Securities that have been paid pursuant to Section 4.01; and

(iv) Securities that have been replaced pursuant to Section 2.10, other than any such Securities in respect of which there shall have been presented to the Trustee proof satisfactory to it that such Securities are held by a protected purchaser (as defined in Article 8 of the Uniform Commercial Code as in effect from time to time in the State of New York) in whose hands such Securities are valid obligations of the Company;

provided, however, that in determining whether the Holders of the requisite principal amount of the outstanding Securities have given or concurred with any request, demand, authorization, direction, notice, consent or waiver hereunder, Securities owned by the Company or any other obligor upon the Securities or any Subsidiary of the Company or of such other obligor shall be disregarded and deemed not to be outstanding, except that, for purposes of determining whether the Trustee shall be protected in relying upon any such request, demand, authorization, direction, notice, consent or waiver, only Securities that the Trustee knows to be so owned shall be so disregarded. Securities so owned that have been pledged in good faith may be regarded as outstanding if the pledgee establishes to the satisfaction of the Trustee the pledgee's right so to act with respect to such Securities and that the pledgee is not the Company or any other obligor upon the Securities or any Affiliate of the Company or of such other obligor.

Section 2.12 TEMPORARY SECURITIES.

Until certificates representing Securities are ready for delivery, the Company may prepare and the Trustee, upon receipt of an Authentication Order, shall authenticate temporary Securities. Temporary Securities shall be substantially in the form of Physical Securities but may have variations that the Company considers appropriate for temporary Securities and as shall be reasonably acceptable to the Trustee. Without unreasonable delay, the Company shall prepare and the Trustee shall authenticate definitive Securities in exchange for temporary Securities.

Holders of temporary Securities will be entitled to all of the benefits of this Indenture.

Section 2.13 PURCHASE AND CANCELLATION.

The Company shall cause all Securities surrendered for payment, repurchase, registration of transfer or exchange or conversion, if surrendered to any Person other than the Trustee (including any of the Company's Agents, Subsidiaries or Affiliates), to be delivered to the Trustee for cancellation. All Securities delivered to the Trustee shall be canceled promptly by the Trustee. No Securities shall be authenticated in exchange for any Securities cancelled, as provided herein. The Company may, to the extent permitted by law, and directly or indirectly (regardless of whether such Securities are surrendered to the Company), repurchase Securities in the open market or otherwise, without giving prior notice to Holders, whether by the Company or the Company's Subsidiaries or through a private or public tender or exchange offer or through counterparties to private agreements, including by cash-settled swaps or other derivatives. The Company may cause any Securities so repurchased (other than Securities repurchased pursuant to cash-settled swaps or other derivatives) to be surrendered to the Trustee for cancellation in accordance with this Section 2.13 and any such Securities shall no longer be considered outstanding under this Indenture upon such repurchase. Any Securities surrendered for cancellation by the Company shall not be reissued or resold.

Section 2.14 DEFAULTED INTEREST.

If the Company defaults in a payment of interest on the Securities, it shall pay the defaulted interest in any lawful manner to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Securities. The Company shall notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Security and the date of the proposed payment. The Company shall fix or cause to be fixed each such special record date and payment date, *provided, however*, that no such special record date shall be less than 10 days prior to the related payment date for such defaulted interest. At least 15 days before the special record date, the Company (or, upon the written request of the Company, the Trustee in the name and at the expense of the Company) shall mail or cause to be mailed to Holders a notice that states the special record date, the related payment date and the amount of such interest to be paid. Except as otherwise expressly provided in Section 2.03 or a supplemental indenture with respect to such Securities, in the case of any Security (or any part thereof) that is converted, interest payable on an Interest Payment Date after the date of conversion of such Security (or such part thereof) shall not be payable. Subject to the foregoing provisions of this Section, each Security delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Security shall carry the rights to interest accrued and unpaid, and to accrue, that were carried by such other Security.

Section 2.15 BOOK-ENTRY PROVISIONS FOR GLOBAL SECURITIES.

(a) Except as otherwise specified in any Security of any series or supplemental indenture with respect to such Securities, the Securities of each series issued hereunder shall initially be issued in the form of one or more Global Securities without interest coupons (i) registered in the name of Cede & Co., as nominee of the Depositary and (ii) delivered to the Trustees as custodian for the Depositary.

(b) Members of, or participants in, the Depositary (“*Agent Members*”) shall have no rights under this Indenture with respect to any Global Security held on their behalf by the Depositary, or the Trustee as its custodian, or under the Global Security, and Cede & Co., or such other Person designated by the Depositary as its nominee, may be treated by the Company, the Trustee and any agent of the Company or the Trustee as the absolute owner of the Global Security for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Company, the Trustee or any agent of the Company or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depositary or impair, as between the Depositary and its Agent Members, the operation of customary practices governing the exercise of the rights of any Holder.

(c) The Holder of Global Securities may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action that a Holder is entitled to take under this Indenture or the Securities.

(d) A legend in substantially the following form shall appear on the face of all Global Securities:

THIS SECURITY IS A GLOBAL SECURITY WITHIN THE MEANING OF THE INDENTURE HEREINAFTER REFERRED TO AND IS REGISTERED IN THE NAME OF A DEPOSITARY OR A NOMINEE OF A DEPOSITARY. THIS SECURITY IS EXCHANGEABLE FOR SECURITIES REGISTERED IN THE NAME OF A PERSON OTHER THAN THE DEPOSITARY OR ITS NOMINEE ONLY IN THE LIMITED CIRCUMSTANCES DESCRIBED IN THE INDENTURE, AND NO TRANSFER OF THIS SECURITY (OTHER THAN A TRANSFER OF THIS SECURITY AS A WHOLE BY THE DEPOSITARY TO A NOMINEE OF THE DEPOSITARY OR BY A NOMINEE OF THE DEPOSITARY TO THE DEPOSITARY OR ANOTHER NOMINEE OF THE DEPOSITARY) MAY BE REGISTERED EXCEPT IN LIMITED CIRCUMSTANCES.

UNLESS THIS SECURITY IS PRESENTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITARY TRUST COMPANY, A NEW YORK CORPORATION ("DTC"), TO THE COMPANY OR ITS AGENT FOR REGISTRATION OF TRANSFER, EXCHANGE OR PAYMENT, AND ANY SECURITY ISSUED IS REGISTERED IN THE NAME OF CEDE & CO. OR IN SUCH OTHER NAME AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF DTC (AND ANY PAYMENT HEREON IS MADE TO CEDE & CO. OR TO SUCH OTHER ENTITY AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF DTC), ANY TRANSFER, PLEDGE OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL INASMUCH AS THE REGISTERED OWNER HEREOF, CEDE & CO., HAS AN INTEREST HEREIN.

ARTICLE 3

REDEMPTION AND PREPAYMENT

Section 3.01 APPLICABILITY OF ARTICLE.

The provisions of this Article are applicable to the Securities of any series that are redeemable before their maturity except as otherwise contemplated by Section 2.02 for Securities of such series or in any supplemental indenture with respect to such Securities.

Section 3.02 SELECTION OF SECURITIES TO BE REDEEMED.

If less than all of the Securities of any series are to be redeemed at any time, the Trustee will select the Securities of such series to be redeemed among the Holders of the Securities of such series in compliance with the requirements of the principal national securities exchange, if any, on which the Securities of such series are listed or, if the Securities of such series are not so listed, and except as may be otherwise specified in a supplemental indenture with respect to the Securities of such series, by lot or by such other method as the Trustee deems fair and appropriate; *provided, however*, that no Securities of \$1,000 or less shall be redeemed in part. In the event of partial redemption by lot, the particular Securities of such series to be redeemed shall be selected, unless otherwise provided herein or in the Securities of such series or in a supplemental indenture with respect to such Securities or otherwise agreed by the Company and the Trustee, by the Trustee from the outstanding Securities of the series not previously called for redemption.

The Trustee shall promptly notify the Company in writing of the Securities selected for redemption and, in the case of any Security selected for partial redemption, the principal amount thereof to be redeemed. Securities and portions of Securities selected shall be in amounts of \$1,000 or whole multiples of \$1,000; except that if all of the Securities of a series of a Holder are to be redeemed, the entire outstanding amount of Securities of such series held by such Holder, even if not a multiple of \$1,000, shall be redeemed. A new Security of the same series in principal amount equal to the unredeemed portion thereof shall be issued in the name of the Holder thereof upon cancellation of the original Security. Securities called for redemption shall become due on the redemption date. On and after the redemption date, interest will cease to accrue on the Securities or portions of them called for redemption. Except as provided in this Section 3.02, provisions of this Indenture that apply to Securities called for redemption shall also apply to portions of Securities called for redemption.

Section 3.03 NOTICE OF REDEMPTION.

At least 30 days but not more than 60 days before a redemption date, the Company shall mail or cause to be mailed, by first class mail, a notice of redemption to each Holder whose Securities are to be redeemed at its registered address.

The notice shall identify the Securities to be redeemed, including the series thereof, and shall state:

- (i) the redemption date;
- (ii) the redemption price;
- (iii) the name and address of the Paying Agent;
- (iv) that Securities called for redemption must be surrendered to the Paying Agent to collect the redemption price;

(v) that, unless the Company defaults in making such redemption payment, interest on Securities called for redemption will cease to accrue on and after the redemption date;

(vi) as to any Security being redeemed in part, the portion of the principal amount of such Security to be redeemed and that, after the redemption date upon surrender of such Security, a new Security or Securities of the same series in principal amount equal to the unredeemed portion shall be issued upon cancellation of the original;

(vii) the paragraph of the Securities and/or Section of this Indenture, any supplemental indenture with respect to such Securities or any Securities pursuant to which the Securities called for redemption are being redeemed; and

(viii) that no representation is made as to the correctness or accuracy of the CUSIP number, if any, listed in such notice or printed on the Securities.

At the Company's request, the Trustee shall give the notice of redemption in the Company's name and at the Company's expense; *provided, however*, that the Company shall have delivered to the Trustee, at least 45 days prior to the redemption date (unless a shorter period is satisfactory to the Trustee), an Officers' Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph.

Section 3.04 EFFECT OF NOTICE OF REDEMPTION.

Once notice of redemption is mailed in accordance with Section 3.03 hereof, Securities called for redemption become irrevocably due and payable on the redemption date at the redemption price.

Section 3.05 DEPOSIT OF REDEMPTION PRICE.

No later than 12:00 p.m. (noon), Eastern Time, on any redemption date, the Company shall deposit with the Trustee or with the Paying Agent (or if the Company is acting as Paying Agent, the Company shall segregate and hold in trust for the Persons entitled to such sums) money in immediately available funds sufficient to pay the redemption price of and accrued interest, if any, on all Securities to be redeemed on that date. The Trustee or the Paying Agent shall promptly return to the Company any money deposited with the Trustee or the Paying Agent by the Company in excess of the amounts necessary to pay the redemption price of, and accrued interest on, all Securities to be redeemed.

Section 3.06 SECURITIES REDEEMED OR PURCHASED IN PART.

Upon surrender of a Security that is redeemed in part, the Company shall issue and, upon the Company's written request, the Trustee shall authenticate for the Holder at the expense of the Company a new Security of the same series equal in principal amount to the unredeemed portion of the Security surrendered.

Section 3.07 MANDATORY REDEMPTION; SINKING FUND.

The Company shall not be required to make mandatory redemption or sinking fund payments with respect to the Securities, unless otherwise specified in the terms of a particular series of Securities or in a supplemental indenture with respect to such Securities.

ARTICLE 4

COVENANTS

Section 4.01 PAYMENT OF SECURITIES.

The Company shall pay or cause to be paid the principal of, premium, if any, and interest on the Securities on the dates and in the manner provided in the Securities. Principal, premium, if any, and interest shall be considered paid on the date due if the Paying Agent, if other than the Company or a Subsidiary thereof, holds as of 12:00 p.m. (noon), Eastern Time, on the due date money deposited by the Company in immediately available funds and designated for and sufficient to pay all principal, premium, if any, and interest then due. If the Company is the Paying Agent, principal, premium, if any, and interest shall be considered paid on the date due if it has segregated and held in trust for the benefit of the Persons entitled thereto a sum sufficient to pay the principal, premium, if any, and interest so becoming due until such sums are paid to such Persons.

Section 4.02 MAINTENANCE OF OFFICE OR AGENCY.

In satisfaction of Section 2.06, the Company shall maintain a Registrar or co-Registrar, which shall be an office or agency (and which may be an office of the Trustee or an affiliate of the Trustee) where Securities may be surrendered for registration of transfer, or for exchange, and where notices and demands to or upon the Company in respect of the Securities and this Indenture may be served. The Company shall maintain a Paying Agent (which may be an office of the Trustee or an affiliate of the Trustee or the Registrar or a co-Registrar) where Securities may be surrendered for payment. If, but only if, Securities of any series are convertible, the Company shall maintain a Conversion Agent (which may be an office of the Trustee or the Registrar or a co-Registrar or the Paying Agent) where such Securities may be surrendered for conversion. The Company shall give prompt written notice to the Trustee of the location, and any change in the location, of any such office or agency. If at any time the Company shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Trustee's principal agency, which currently is located at _____.

The Company may also from time to time designate one or more other offices or agencies where the Securities may be presented or surrendered for any or all such purposes and may from time to time rescind such designations. The Company shall give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

Section 4.03 REPORTING REQUIREMENT.

The Company shall file with the Trustee within 15 days after the Company is required to file the same with the SEC (after giving effect to any grace period afforded to the Company pursuant to Rule 12b-25 under the Exchange Act), copies of the annual reports and of the information, documents and other reports, and such summaries thereof, as may be required pursuant to the TIA at the times and in the manner provided pursuant to the TIA (or copies of such portions of any of the foregoing as the SEC may from time to time by rules and regulations prescribe) that the Company is required to file with the SEC pursuant to Section 13 or 15(d) of the Exchange Act.

Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates). Any such document or report that the Company files with the SEC via the EDGAR system shall be deemed to be filed with the Trustee for purposes of this Section 4.03 as of the time such documents are filed via the EDGAR system.

Section 4.04 COMPLIANCE CERTIFICATE.

The Company will deliver to the Trustee, within 120 days after the end of each fiscal year of the Company ending after the date hereof, an Officers' Certificate, stating whether or not to the best knowledge of the signers thereof the Company is in default in the performance and observance of any of the terms, provisions and conditions of this Indenture (without regard to any period of grace or requirement of notice provided hereunder) and, if the Company shall be in default, specifying all such defaults and the nature and status thereof of which they may have knowledge.

Section 4.05 EXISTENCE.

Subject to Article 5 hereof, the Company shall do or cause to be done all things necessary to preserve and keep in full force and effect its existence and rights (charter and statutory rights) as a corporation; *provided, however*, that the Company shall not be required to preserve any such right as a corporation, if the Board of Directors shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Company, taken as a whole, and that the loss thereof is not adverse in any material respect to the Holders of the Securities.

ARTICLE 5

SUCCESSOR COMPANY

Section 5.01 CONSOLIDATION, MERGER AND SALE OF ASSETS.

The Company shall not consolidate with or merge with or into, or sell, transfer, lease or otherwise convey all or substantially all of its consolidated assets to, another Person, unless:

(a) the resulting, surviving or transferee Person (if not the Company) (the "*Successor Company*") is a corporation organized and existing under the laws of the United States, any State thereof or the District of Columbia and such Successor Company (if not the Company) expressly assumes by supplemental indenture all of the Company's obligations under the Securities and this Indenture;

(b) immediately after giving effect to such transaction (and treating such resulting, surviving or transferee Person as the Company for all such purposes hereunder), no Default or Event of Default shall occur and be continuing under this Indenture; and

(c) the Company delivers to the Trustee the Officers' Certificate and Opinion of Counsel pursuant to Section 5.03.

For purposes of this Section 5.01, the sale, conveyance, transfer or lease of all or substantially all of the properties and assets of one or more Subsidiaries of the Company to another Person that is not a Subsidiary of the Company, which properties and assets, if held by the Company instead of such Subsidiaries, would constitute all or substantially all of the properties and assets of the Company on a consolidated basis, shall be deemed to be the sale, conveyance, transfer or lease of all or substantially all of the properties and assets of the Company to another Person.

Section 5.02 SUCCESSOR PERSON SUBSTITUTED.

In the case of any consolidation, merger, sale, transfer, lease or other conveyance pursuant to Section 5.01 in which the Company is not the Successor Company, and upon the assumption by the Successor Company, by supplemental indenture, executed and delivered to the Trustee, of the due and punctual payment of the principal of and interest on all of the then outstanding Securities, and the due and punctual performance and observance of all of the covenants and conditions of this Indenture to be performed or satisfied by the Company, such Successor Company shall succeed to, and be substituted for, and may exercise every right and power of, the Company, with the same effect as if it had been named herein as the party of the first part, and the Company shall be discharged from its obligations under the terms of the Securities and this Indenture, except in the case of a lease of all or substantially all of the Company's properties and assets. Such Successor Company thereupon may cause to be signed, and may issue either in its own name or in the name of the Company any or all of the Securities issuable hereunder that theretofore shall not have been signed by the Company and delivered to the Trustee; and, upon the order of such Successor Company instead of the Company and subject to all the terms, conditions and limitations in this Indenture prescribed, the Trustee shall authenticate and shall deliver, or cause to be authenticated and delivered, any Securities that previously shall have been signed and delivered by the Officers of the Company to the Trustee for authentication, and any Securities that such Successor Company thereafter shall cause to be signed and delivered to the Trustee for that purpose. All the Securities so issued shall in all respects rank equally and have the same benefit under this Indenture as the Securities theretofore or thereafter issued in accordance with the terms of this Indenture as though all of such Securities had been issued at the date of the execution hereof. In the event of any such consolidation, merger, sale, transfer or conveyance (but not in the case of a lease) upon compliance with this Article 5 the Person named as the "Company" in the first paragraph of this Indenture or any successor that shall thereafter have become such in the manner prescribed in this Article 5 shall be discharged from its liabilities as obligor and maker of the Securities and from its obligations under this Indenture.

In case of any such consolidation, merger, sale, transfer, or other conveyance or lease, such changes in phraseology and form (but not in substance) may be made in the Securities thereafter to be issued as may be appropriate.

Section 5.03 OPINION OF COUNSEL TO BE GIVEN TO TRUSTEE.

Prior to execution of any supplemental indenture pursuant to this Article 5, the Trustee shall receive an Officers' Certificate and an Opinion of Counsel in accordance with Section 13.05 as conclusive evidence that any such consolidation, merger, sale, transfer, or other conveyance or lease, and any such assumption by the Successor Company of the obligations of the Company hereunder, complies with the provisions of this Article 5.

ARTICLE 6

EVENTS OF DEFAULT

Section 6.01 EVENTS OF DEFAULT.

Except as may otherwise be provided in the Securities of any series or a supplemental indenture with respect to such Securities, an “*Event of Default*,” with respect to Securities of any series shall have occurred if:

- (a) the Company defaults in the payment of principal of any Security of that series when due and payable on the Maturity Date with respect thereto;
- (b) the Company fails to pay an installment of interest on any Security of that series when due, if such failure continues for 30 days after the date when due;
- (c) upon exercise of a Holder’s conversion right with respect to any Security of that series in accordance with Article 12, the Company fails to deliver, or cause the Trustee to deliver, to such Holder the full amount of conversion consideration deliverable in respect of the Securities surrendered for conversion when due, in accordance with this Indenture and the terms of such Securities;
- (d) the Company fails to comply with its obligations under Section 5.01(a) and (b) and Section 5.02;
- (e) the Company fails to comply with any other covenant or agreement contained in the terms of the Securities of that series or this Indenture, if such failure is not cured within 90 days after notice to the Company by the Trustee or to the Trustee and the Company by Holders of at least 25% in aggregate principal amount of the then outstanding Securities of all series affected by that failure, treating those series as a single class, in accordance with this Indenture, other than a covenant or agreement with respect to which a failure to observe or perform is otherwise expressly provided for in this Indenture or is expressly included in this Indenture solely for the benefit of a series of the Securities other than such series of Securities;
- (f) default (i) in any scheduled payment of principal of any Indebtedness of the Company or any of its Subsidiaries (other than the outstanding Securities of that series and other than non-recourse Indebtedness), aggregating more than \$10,000,000 in principal amount, when due and payable after giving effect to any applicable grace period or (ii) in the performance of any other term or provision of any Indebtedness of the Company or any of its Subsidiaries (other than the outstanding Securities of that series and other than non-recourse Indebtedness) in excess of \$10,000,000 principal amount that results in such Indebtedness becoming or being declared due and payable before the date on which it would otherwise become due and payable, and such acceleration is not rescinded or annulled, or such Indebtedness is not discharged, within a period of 20 days after there has been given, by registered or certified mail, to the Company by the Trustee or to the Company and the Trustee by the Holders of at least 25% in principal amount of the outstanding Securities of all series, treating those series as a single class, a written notice specifying such default(s) and stating that such notice is a “*Notice of Default*” under this Indenture;

(g) one or more final, non-appealable judgments against the Company or any of its Subsidiaries, the aggregate uninsured portion of which is at least \$5,000,000, if such judgments are not paid or discharged within 120 days;

(h) the Company shall commence a voluntary case or other proceeding seeking liquidation, reorganization or other relief with respect to the Company or its debts under any bankruptcy, insolvency or other similar law now or hereafter in effect or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official of the Company, or shall consent to any such relief or to the appointment of or taking possession by any such official in an involuntary case or other proceeding commenced against it, or shall make a general assignment for the benefit of creditors, or admits, in writing, its inability to pay its debts as they become due; or

(i) an involuntary case or other proceeding shall be commenced against the Company seeking liquidation, reorganization or other relief with respect to the Company or its debts under any bankruptcy, insolvency or other similar law now or hereafter in effect or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official of the Company, and such involuntary case or other proceeding shall remain undismissed and unstayed for a period of 90 consecutive days.

Section 6.02 ACCELERATION; RESCISSION AND ANNULMENT.

In case one or more Events of Default shall have occurred and be continuing with respect to one or more series of Securities then, and in each and every such case (other than an Event of Default specified in Section 6.01(h) or Section 6.01(i)), unless the principal of all of the Securities of all series with respect to which an Event or Events of Default shall have occurred, shall have already become due and payable, either the Trustee or the Holders of at least 25% in aggregate principal amount of the then outstanding Securities of all series affected by that failure, treating those series as a single class, by notice in writing to the Company (and to the Trustee if given by Holders), may, and the Trustee at the request of Holders of at least 25% in aggregate principal amount of the then outstanding Securities of all series affected by that failure, treating those series as a single class, shall, declare 100% of the principal of, and any accrued and unpaid interest on, all of such outstanding Securities to be due and payable immediately, and upon any such declaration the same shall become and shall automatically be due and payable immediately, notwithstanding any provision in this Indenture or in the terms of the Securities to the contrary. In the case of an Event of Default specified in Section 6.01(h) or Section 6.01(i), the principal of, and accrued and unpaid interest, if any, on, all outstanding Securities shall automatically become due and payable immediately.

The immediately preceding paragraph, however, is subject to the conditions that if, at any time after the principal of and interest on the outstanding Securities of any series shall have been so declared due and payable, and before any judgment or decree for the payment of the monies due shall have been obtained or entered as hereinafter provided, (1) the Company shall pay or shall deposit with the Trustee a sum sufficient to pay installments of accrued and unpaid interest upon all outstanding Securities of such series and the principal of any and all outstanding Securities of such series that shall have become due otherwise than by acceleration (with interest on overdue installments of accrued and unpaid interest to the extent that payment of such interest is enforceable under applicable law, and on such principal, at the rate borne by the outstanding Securities plus one percent at such time) and amounts due to the Trustee pursuant to Section 7.06, and (2) rescission would not conflict with any order or decree of a court of competent jurisdiction and (3) any and all existing Events of Default under this Indenture with respect to the Securities of such series, other than the nonpayment of the principal of and accrued and unpaid interest, if any, on such Securities that shall have become due solely by such acceleration, shall have been cured or waived pursuant to Section 6.09, then and in every such case the Holders of a majority in aggregate principal amount of the then outstanding Securities of all series affected by that failure, treating those series as a single class may, by written notice to the Company and to the Trustee, rescind and annul any consequence of any such Default or Event of Default, including, without limitation, acceleration of the obligations, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such rescission and annulment shall extend to or shall affect any subsequent Default or Event of Default, or shall impair any right consequent thereon.

Section 6.03 ADDITIONAL INTEREST.

Notwithstanding any provisions of this Indenture to the contrary, if the Company so elects, the sole remedy for an Event of Default relating to (i) its failure to file with the Trustee pursuant to Section 314(a)(1) of the Trust Indenture Act any documents or reports that it is required to file with the SEC pursuant to Section 13 or 15(d) of the Exchange Act or (ii) its failure to comply with its reporting obligations set forth in Section 4.03, shall for the 180 days after the occurrence of such an Event of Default consist exclusively of the right to receive additional interest on the Securities at a rate equal to 0.25% per annum of the principal amount of the outstanding Securities (“*Additional Interest*”) for each day during the 90-day period beginning on, and including, the occurrence of such an Event of Default during which such Event of Default is continuing, which Additional Interest rate shall be increased by an additional 0.25% per annum, on the 91st day after the occurrence of such Event of Default (if such Event of Default is not cured or waived prior to such 91st day); *provided* that the rate at which such Additional Interest accrues may in no event exceed 0.50% per annum. If the Company elects to pay Additional Interest on account of such an Event of Default, such Additional Interest shall be payable in the same manner and on the same dates as the stated interest payable on the Securities. On the 181st day after such Event of Default occurs (if such Event of Default is not cured or waived on or prior to such 181st day), the Securities shall be subject to acceleration as provided in Section 6.02. This Section 6.03 shall not affect the rights of Holders of Securities in the event of the occurrence of any other Event of Default. In the event the Company does not elect to pay Additional Interest following an Event of Default in accordance with this Section 6.03, the Securities shall be subject to acceleration as provided in Section 6.02.

In order to elect to pay Additional Interest as the sole remedy during the first 180 days after the occurrence of an Event of Default described in the immediately preceding paragraph, the Company must give notice to Holders of the Securities, the Trustee and the Paying Agent of such election prior to the 91st day after the occurrence of such Event of Default. Upon the Company’s failure to timely give all Holders, the Trustee and the Paying Agent such notice, the Securities shall be immediately subject to acceleration as provided in Section 6.02.

If an Event of Default described in clause (a) or (b) of Section 6.01 shall have occurred with respect to the Securities of any series, the Company shall, upon demand of the Trustee, pay to it, for the benefit of the Holders of such Securities, the whole amount then due and payable on the Securities of such series for principal and interest, if any, with interest on any overdue principal and interest, if any, at the rate borne by such Securities plus one percent at such time, and, in addition thereto, such further amount as shall be sufficient to cover any amounts due to the Trustee under Section 7.06. If the Company shall fail to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may institute a judicial proceeding for the collection of the sums so due and unpaid, may prosecute such proceeding to judgment or final decree and may enforce the same against the Company or any other obligor upon the Securities of such series and collect the moneys adjudged or decreed to be payable in the manner provided by law out of the property of the Company or any other obligor upon such Securities, wherever situated.

In the event there shall be pending proceedings for the bankruptcy or for the reorganization of the Company or any other obligor on the Securities under title 11 of the United States Code, or any other applicable law, or in case a receiver, assignee or trustee in bankruptcy or reorganization, liquidator, sequestrator or similar official shall have been appointed for or taken possession of the Company or such other obligor, the property of the Company or such other obligor, or in the event of any other judicial proceedings relative to the Company or such other obligor upon the Securities, or to the creditors or property of the Company or such other obligor, the Trustee, irrespective of whether the principal of the Securities shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Trustee shall have made any demand pursuant to the provisions of this Section 6.04, shall be entitled and empowered, by intervention in such proceedings or otherwise, to file and prove a claim or claims for the whole amount of principal and accrued and unpaid interest, if any, in respect of the Securities, and, in case of any judicial proceedings, to file such proofs of claim and other papers or documents and to take such other actions as it may deem necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and of the Holders of the Securities of any series allowed in such judicial proceedings relative to the Company or any other obligor on the Securities, its or their creditors, or its or their property, and to collect and receive any monies or other property payable or deliverable on any such claims, and to distribute the same after the deduction of any amounts due the Trustee under Section 7.06; and any receiver, assignee or trustee in bankruptcy or reorganization, liquidator, custodian or similar official is hereby authorized by each of the Holders to make such payments to the Trustee, as administrative expenses, and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for reasonable compensation, expenses, advances and disbursements, including reasonable agents and counsel fees, and including any other amounts due to the Trustee under Section 7.06, incurred by it up to the date of such distribution. To the extent that such payment of reasonable compensation, expenses, advances and disbursements out of the estate in any such proceedings shall be denied for any reason, payment of the same shall be secured by a lien on, and shall be paid out of, any and all distributions, dividends, monies, securities and other property that the Holders may be entitled to receive in such proceedings, whether in liquidation or under any plan of reorganization or arrangement or otherwise.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Securities of any series or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

All rights of action and of asserting claims under this Indenture, or under any of the Securities, may be enforced by the Trustee without the possession of any of the Securities, or the production thereof at any trial or other proceeding relative thereto, and any such suit or proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Holders.

In any proceedings brought by the Trustee with respect to the Securities of any series (and in any proceedings involving the interpretation of any provision of this Indenture to which the Trustee shall be a party) the Trustee shall be held to represent all the Holders of the Securities affected thereby, and it shall not be necessary to make any Holders parties to any such proceedings.

In case the Trustee shall have proceeded to enforce any right under this Indenture and such proceedings shall have been discontinued or abandoned because of any waiver or rescission and annulment or for any other reason or shall have been determined adversely to the Trustee, then and in every such case the Company, the Holders, and the Trustee shall, subject to any determination in such proceeding, be restored respectively to their several positions and rights hereunder, and all rights, remedies and powers of the Company, the Holders, and the Trustee shall continue as though no such proceeding had been instituted.

Section 6.05 APPLICATION OF MONIES COLLECTED BY TRUSTEE.

If the Trustee collects any money or other property pursuant to this Article, it shall pay out the money or other property in the following order:

First: to the Trustee, its agents and attorneys for amounts due under Section 7.06 hereof, including payment of all compensation, expense and liabilities incurred, and all advances made, by the Trustee and the costs and expenses of collection;

Second: to Holders of Securities for amounts due and unpaid on the Securities for principal, premium, if any, interest and any other amounts, ratably, without preference or priority of any kind, according to the amounts due and payable on the Securities for principal, premium, if any, interest and other amounts, respectively; and

Third: to the Company or to such party as a court of competent jurisdiction shall direct.

The Trustee may fix a record date and payment date for any payment to Holders of Securities pursuant to this Section 6.05.

Section 6.06 PROCEEDINGS BY HOLDERS.

Except to enforce the right to receive payment of principal or interest when due, or the right to receive payment or delivery of the consideration due upon conversion, the Holder of a Security shall have the right to institute a suit, action or proceeding in equity or at law upon or under or with respect to this Indenture, or for the appointment of a receiver, trustee, liquidator, custodian or other similar official, or for any other remedy hereunder, if (and only if):

(a) such Holder previously shall have given to the Trustee written notice of an Event of Default with respect to such Securities and of the continuance thereof, as herein provided;

(b) Holders of at least 25% in aggregate principal amount of the then outstanding Securities of all series with respect to which such Event of Default has occurred and is continuing, treating those series as a single class, shall have made written request upon the Trustee to institute such action, suit or proceeding in its own name as Trustee hereunder;

(c) such Holder or Holders shall have offered, and, if requested, provided, to the Trustee such indemnity reasonably satisfactory to it against any loss, liability or expense to be incurred therein or thereby; and

(d) the Trustee shall have neglected or refused to institute any such action, suit or proceeding for 60 days after its receipt of such notice, request and offer of indemnity and does not receive, during those 60 days, from Holders of a majority in aggregate principal amount of the then outstanding Securities of all series with respect to which such Event of Default has occurred and is continuing, treating those series as a single class, a direction pursuant to Section 6.09 that is inconsistent with the request, it being understood and intended, and being expressly covenanted by the taker and Holder of every Security with every other taker and Holder and the Trustee that no one or more Holders of Securities of any series shall have any right in any manner whatever by virtue of or by availing of any provision of this Indenture to affect, disturb or prejudice the rights of any other Holder, or to obtain or seek to obtain priority over or preference to any other such Holder, or to enforce any right under this Indenture, except in the manner herein provided and for the equal, ratable and common benefit of all Holders of such Securities (except as otherwise provided herein). For the protection and enforcement of this Section 6.06, each and every Holder and the Trustee shall be entitled to such relief as can be given either at law or in equity.

Notwithstanding any other provision of this Indenture and any provision of any Security, the right of any Holder to receive payment or delivery, as the case may be, of (x) the principal of, (y) accrued and unpaid interest, if any, on, and (z) the consideration due upon conversion, if any, of, such Security, on or after the respective due dates expressed or provided for in such Security or in this Indenture, or to institute suit for the enforcement of any such payment or delivery, as the case may be, on or after such respective dates against the Company shall not be impaired or affected without the consent of such Holder.

Section 6.07 PROCEEDINGS BY TRUSTEE.

In case of an Event of Default the Trustee may, in its discretion, proceed to protect and enforce the rights vested in it by this Indenture by such appropriate judicial proceedings as are necessary to protect and enforce any of such rights, either by suit in equity or by action at law or by proceeding in bankruptcy or otherwise, whether for the specific enforcement of any covenant or agreement contained in this Indenture or in aid of the exercise of any power granted in this Indenture, or to enforce any other legal or equitable right vested in the Trustee by this Indenture or by law.

Section 6.08 REMEDIES CUMULATIVE AND CONTINUING.

All powers and remedies given by this Article 6 to the Trustee or to the Holders shall, to the extent permitted by law, be deemed cumulative and not exclusive of any thereof or of any other powers and remedies available to the Trustee or the Holders, by judicial proceedings or otherwise, to enforce the performance or observance of the covenants and agreements contained in this Indenture, and no delay or omission of the Trustee or of any Holder of any Securities to exercise any right or power accruing upon any Default or Event of Default shall impair any such right or power, or shall be construed to be a waiver of any such Default or Event of Default or any acquiescence therein; and, subject to the provisions of Section 6.06, every power and remedy given by this Article 6 or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders.

Section 6.09 DIRECTION OF PROCEEDINGS AND WAIVER OF DEFAULTS BY MAJORITY HOLDERS.

The Holders of a majority in aggregate principal amount of the then outstanding Securities of all series with respect to which a Default or Event of Default has occurred, treating those series as a single class, shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee with respect to the Securities of such series; *provided, however*, that the Trustee may refuse to follow any direction that conflicts with law or this Indenture or that the Trustee determines is unduly prejudicial to the rights of any other Holder or that would involve the Trustee in personal liability. The Holders of a majority of the aggregate principal amount of the then outstanding Securities of all series with respect to which a Default or Event of Default has occurred, treating those series as a single class, may on behalf of the Holders of all of the Securities of such series, treating those series as a single class, by written notice to the Trustee and the Company, waive any Default or Event of Default with respect to such Securities hereunder except that no such waiver shall be effective as to a Default or Event of Default (i) in the payment of the principal of, or accrued and unpaid interest, if any, on the Securities, (ii) arising from a failure by the Company to pay or deliver, as the case may be, or to cause the Trustee to deliver, to converting Holders the consideration, if any, due upon conversion of the Securities in accordance with this Indenture or (iii) in respect of a covenant or provision hereof that under Article 10 cannot be modified or amended without the consent of the Holder of each outstanding Security affected unless each affected Holder consents. Upon any such waiver the Company, the Trustee and the Holders of the Securities of such series shall be restored to their former positions and rights hereunder; but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereon. Whenever any Default or Event of Default hereunder shall have been waived as permitted by this Section 6.09, said Default or Event of Default shall for all purposes of the Securities of such series and this Indenture be deemed to have been cured and to be not continuing; but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereon.

Section 6.10 NOTICE OF DEFAULTS.

The Trustee shall, within 90 days after the occurrence of a Default of which a Responsible Officer has actual knowledge, if such Default is continuing, mail to all Holders of Securities of each series with respect to which the Default has occurred, as the names and addresses of such Holders appear upon the Security Register, notice of all such Defaults known to a Responsible Officer (a “*Notice of Default*” or “*Notice of Defaults*”), unless such Defaults shall have been cured or waived before the giving of such notice; *provided* that, except in the case of a Default in the payment of the principal of, or accrued and unpaid interest on, any of the Securities or a Default in the payment or delivery, as the case may be, of the consideration, if any, due upon conversion, the Trustee shall be protected in withholding such notice if and so long as the board of directors, the executive committee or a trust committee of directors and/or Responsible Officers of the Trustee in good faith determines that the withholding of such notice is in the interests of the Holders.

Section 6.11 STATEMENTS AS TO DEFAULTS.

The Company shall deliver to the Trustee, as soon as possible, and in any event within 30 days after the occurrence of any Event of Default or Default, an Officers’ Certificate setting forth the details of such Event of Default or Default, its status and the action that the Company is taking or proposes to take in respect thereof.

Section 6.12 FURTHER INSTRUMENTS AND ACTS.

Upon request of the Trustee, the Company will execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purposes of this Indenture.

Section 6.13 UNDERTAKING TO PAY COSTS.

All parties to this Indenture agree, and each Holder of any Security by its acceptance thereof shall be deemed to have agreed, that any court may, in its discretion, require, in any suit for the enforcement of any right or remedy under this Indenture or the Securities, or in any suit against the Trustee for any action taken or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit and that such court may in its discretion assess reasonable costs, including reasonable attorneys’ fees and expenses, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; *provided* that the provisions of this Section 6.13 (to the extent permitted by law) shall not apply to any suit instituted by the Trustee, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than 10% in principal amount of the then outstanding Securities of any series, or to any suit instituted by any Holder for the enforcement of the payment of the principal of or accrued and unpaid interest, if any, on any Security on or after the due date expressed or provided for in such Security or to any suit for the enforcement of the right to convert any Security in accordance with the provisions of Article 12.

ARTICLE 7

TRUSTEE

Section 7.01 DUTIES OF TRUSTEE.

(a) If an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture or an indenture supplemental hereto applicable to such Event of Default, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of its own affairs.

(b) Except during the continuance of an Event of Default:

(i) the duties of the Trustee shall be determined solely by the express provisions of this Indenture or an indenture supplemental hereto, and the Trustee need perform only those duties that are specifically set forth in this Indenture or an indenture supplemental hereto and no others, and no implied covenants or obligations shall be read into this Indenture or an indenture supplemental hereto against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture.

(c) The Trustee may not be relieved from liabilities for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this paragraph does not limit the effect of paragraph (b) of this Section 7.01;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proven that the Trustee was negligent in ascertaining the pertinent facts; and

(iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.09 hereof.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b), and (c) of this Section 7.01.

(e) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Company. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

Section 7.02 RIGHTS OF TRUSTEE.

(a) The Trustee may conclusively rely upon any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel or both. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officers' Certificate or Opinion of Counsel. The Trustee may consult with counsel, and the written advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee may act through its attorneys and agents and shall not be responsible for the misconduct or negligence of any agent appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Company shall be sufficient if signed by an Officer of the Company.

(f) No provision of this Indenture shall require the Trustee to expend or risk its own funds or incur any liability. The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders unless such Holders have offered to the Trustee reasonable security or indemnity satisfactory to it against the costs, expenses and liabilities that might be incurred by it in compliance with such request or direction.

Section 7.03 INDIVIDUAL RIGHTS OF TRUSTEE.

The Trustee in its individual or any other capacity may become the owner or pledgee of Securities and may otherwise deal with the Company or any Affiliate of the Company with the same rights it would have if it were not Trustee. However, in the event that the Trustee acquires any conflicting interest (within the meaning of TIA § 310(b)) it must eliminate such conflicting interest within 90 days after Default, apply to the SEC for permission to continue as trustee, or resign. Any Agent may do the same with like rights and duties.

Section 7.04 TRUSTEE'S DISCLAIMER.

The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Securities; it shall not be accountable for the Company's use of the proceeds from the Securities or any money paid to the Company or upon the Company's direction under any provision of this Indenture; it shall not be responsible for the use or application of any money received by any Paying Agent other than the Trustee; and it shall not be responsible for any statement or recital herein or any statement in the Securities or any other document in connection with the sale of the Securities or pursuant to this Indenture other than its certificate of authentication.

Section 7.05 REPORTS BY TRUSTEE TO HOLDERS OF THE SECURITIES.

On or before _____ of each year, beginning with the _____ following the date on which Securities are first issued under this Indenture, and for so long as Securities remain outstanding, the Trustee shall mail to the Holders of the Securities a brief report dated as of such reporting date that complies with TIA § 313(a) (but if no event described in TIA § 313(a) has occurred within the twelve months preceding the reporting date, no report need be transmitted). The Trustee also shall comply with TIA § 313(b)(2). The Trustee will also transmit by mail all reports as required by TIA § 313(c). A copy of each report at the time of its mailing to the Holders of Securities shall be mailed to the Company and filed with the SEC and each stock exchange on which the Securities are listed in accordance with TIA § 313(d). The Company shall promptly notify the Trustee when the Securities are listed on any stock exchange.

Section 7.06 COMPENSATION AND INDEMNITY.

The Company shall pay to the Trustee from time to time such compensation for its acceptance of this Indenture and services hereunder as the Company and Trustee have separately agreed. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Company shall reimburse the Trustee promptly upon request for all reasonable disbursements, advances and expenses incurred or made by it in addition to the compensation for its services. Such expenses shall include the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.

The Company shall indemnify the Trustee against any and all losses, liabilities or expenses incurred by it arising out of or in connection with the acceptance or administration of its duties under this Indenture, including the costs and expenses of enforcing this Indenture against the Company (including this Section 7.06) and defending itself against any claim (whether asserted by the Company or any Holder or any other person) or liability in connection with the exercise or performance of any of its powers or duties hereunder, except to the extent any such loss, liability or expense may be attributable to its negligence or willful misconduct. The Trustee shall notify the Company promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Company shall not relieve the Company of its obligations hereunder. The Company shall defend the claim, and the Trustee shall cooperate in the defense. The Trustee may have separate counsel, and the Company shall pay the reasonable fees and expenses of such counsel. The Company need not pay for any settlement made without its consent, which consent shall not be unreasonably withheld.

The obligations of the Company under this Section 7.06 shall survive the satisfaction and discharge of this Indenture, and the removal or resignation of the Trustee.

To secure the Company's payment obligations in this Section 7.06, the Trustee shall have a lien prior to the Securities on all money or property held or collected by the Trustee, except that held in trust to pay principal of, premium, if any, and interest on particular Securities. Such lien shall survive the satisfaction and discharge of this Indenture.

When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(h) or (i) hereof occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

Section 7.07 REPLACEMENT OF TRUSTEE.

A resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.07.

The Trustee may resign with respect to one or more or all series of Securities at any time and be discharged from the trust hereby created by so notifying the Company in writing. The Holders of a majority in principal amount of the then outstanding Securities of any series may remove the Trustee with respect to such series by so notifying the Trustee and the Company in writing. The Company may remove the Trustee if:

- (a) the Trustee ceases to be eligible in accordance with Section 7.09 hereof;
- (b) the Trustee is adjudged bankrupt or insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;
- (c) a custodian or public officer takes charge of the Trustee or its property; or
- (d) the Trustee becomes incapable of acting.

If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Company shall promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in principal amount of the then outstanding Securities of a series may appoint a successor Trustee to replace the successor Trustee appointed by the Company with respect to that series of Securities.

If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Company, or the Holders of at least 10% in principal amount of the then outstanding Securities of all series issued under this Indenture may petition any court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee, after written request by any Holder of a Security who has been a Holder of a Security for at least six months, ceases to be eligible in accordance with Section 7.09, such Holder of a Security may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Thereupon, the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to Holders of the Securities. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee subject to the lien provided for in Section 7.06 hereof. Notwithstanding replacement of the Trustee pursuant to this Section 7.07, the Company's obligations under Section 7.06 hereof shall continue for the benefit of the retiring Trustee.

If a successor Trustee is appointed with respect to the Securities of one or more (but not all) series, the Company, the retiring Trustee and each successor Trustee with respect to the Securities of any applicable series shall execute and deliver an indenture supplemental hereto that shall contain such provisions as shall be deemed necessary or desirable to confirm that all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of any series as to which the predecessor Trustee is not retiring shall continue to be vested in the predecessor Trustee, and shall add to or change any of the provisions of this Indenture as are necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee, it being understood that nothing herein or in such supplemental indenture shall constitute such Trustees as co-trustees of the same trust and that each such Trustee shall be Trustee of a trust or trusts hereunder separate and apart from any trust or trusts hereunder administered by any other such Trustee.

Section 7.08 SUCCESSOR TRUSTEE BY MERGER, ETC.

If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation, the successor corporation without any further act shall be the successor Trustee.

Section 7.09 ELIGIBILITY; DISQUALIFICATION.

There shall at all times be a Trustee hereunder that is a corporation organized and doing business under the laws of the United States of America or of any state thereof that is authorized under such laws to exercise corporate trust powers, that is subject to supervision or examination by federal or state authorities and that has a combined capital and surplus of at least \$500,000,000 as set forth in its most recent published annual report of condition.

This Indenture shall always have a Trustee who satisfies the requirements of TIA § 310(a)(1), (2) and (5). The Trustee is subject to TIA § 310(b); *provided, however*, that there shall be excluded from the operation of TIA § 310(b)(1) any indenture or indentures under which other securities, or certificates of interest or participation in other securities, of the Company are outstanding, if the requirements for such exclusion set forth in TIA § 310(b)(1) are met.

Section 7.10 PREFERENTIAL COLLECTION OF CLAIMS AGAINST COMPANY.

The Trustee is subject to TIA § 311(a), excluding any creditor relationship described in TIA § 311(b). A Trustee who has resigned or been removed shall be subject to TIA § 311(a) to the extent indicated therein.

ARTICLE 8

SATISFACTION AND DISCHARGE

Section 8.01 SATISFACTION AND DISCHARGE OF THE INDENTURE.

(a) The obligations of the Company under this Indenture shall terminate with respect to the Securities of one or more series (except those obligations referred to in Section 8.01(b)), (1) if (i) all Securities of such series theretofore authenticated and delivered (except Securities that have been replaced pursuant to Section 2.10 or paid and Securities whose payment in cash has theretofore been deposited with the Trustee or a Paying Agent or segregated and held in trust by the Company and thereafter repaid to the Company or discharged from such trust as provided in Section 8.04) have been delivered to the Trustee for cancellation; and (ii) the Company has paid all sums payable by it hereunder or under the applicable indenture supplemental hereto in respect of such series of Securities; or (2) if (i) either (A) in the case of a series of Securities redeemable prior to its Maturity Date, the Company, pursuant to Article 3, has given notice to the Trustee and mailed a notice of redemption to each Holder of Securities of such series of the redemption of all of such Securities under arrangements satisfactory to the Trustee for the giving of such notice or (B) all Securities of such series have otherwise become due and payable hereunder or will become due and payable within one year; (ii) the Company has irrevocably deposited or caused to be deposited with the Trustee or the Paying Agent (or if the Company is acting as Paying Agent, the Company has segregated and held), as trust funds in trust solely for the benefit of the Holders of Securities of such series for that purpose, either (A) an amount of cash in United States dollars, (B) non-callable U.S. Government Obligations which, through scheduled payment of principal and interest in respect thereof in accordance with their terms, will provide, not later than one Business Day before the due date of any payment of principal of, premium, if any, or interest on the Securities of such series, cash in an amount, or (C) a combination thereof, sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the entire indebtedness on such Securities not theretofore delivered to the Trustee for cancellation, for the principal of, premium, if any, and interest on the outstanding Securities of such series to the date of such deposit (in the case of Securities that have become due and payable) or to the stated maturity or redemption date, as the case may be; and (iii) the Company shall have paid all other sums payable by it hereunder in respect of Securities of such series (including any conversion consideration, if applicable).

(b) Notwithstanding Section 8.01(a), the Company's obligations in Sections 2.08, 2.09, 2.10, 2.11, 4.01 and 4.02 shall survive with respect to the Securities of the applicable series until the sums held in trust pursuant to Section 8.01(a) are made available to the Holders of the Securities of such series on the Stated Maturity Date. Sections 7.06, 8.04 and 9.06 shall survive such discharge of the Company's other obligations pursuant to the preceding sentence in respect of Securities of the applicable series.

(c) This Indenture shall upon request of the Company contained in an Officers' Certificate cease to be of further effect with respect to the Securities of any series, and the Trustee, at the expense of the Company, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture, when (a) (i) all Securities of such series theretofore authenticated and delivered have been delivered to the Trustee for cancellation; or (ii) the Company has deposited with the Trustee or delivered to Holders, as applicable, after the Securities of such series have become due and payable, whether at the Maturity Date, upon conversion or otherwise, cash and/or (in the case of conversion) other property sufficient to pay all of the outstanding Securities of such series or satisfy the Company's Conversion Obligation, as the case may be, and pay all other sums due and payable under this Indenture by the Company with respect to such Securities; and (b) the Company has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture with respect to such Securities have been complied with. For the avoidance of doubt, notwithstanding the satisfaction and discharge of this Indenture, the obligations of the Company to the Trustee under Section 7.06 shall survive. The Trustee upon request shall acknowledge in writing the discharge of the Company's obligations under the Securities of the applicable series and the Company's obligations under this Indenture with respect to the Securities of such series, except for those surviving obligations specified above.

Section 8.02 DEPOSITED MONIES TO BE HELD IN TRUST BY TRUSTEE.

Subject to Section 8.04, all monies and other property, if any, deposited with the Trustee pursuant to Section 8.01 or in accordance with Article 12 with respect to Securities of a series shall be held in trust for the sole benefit of the Holders of such Securities, and such monies and other property shall be applied by the Trustee to the payment, either directly or through any Paying Agent (including the Company if acting as its own Paying Agent), to the Holders of the particular Securities for the payment, settlement or redemption of which such monies or other property have been deposited with the Trustee, of all sums or amounts due and to become due thereon for principal and interest, if any.

Section 8.03 PAYING AGENT TO REPAY MONIES HELD.

Upon the satisfaction and discharge of this Indenture with respect to the Securities of a particular series, all monies and other property, if any, then held by any Paying Agent (if other than the Trustee) with respect to such Securities, shall, upon written request of the Company, be repaid to it or paid to the Trustee, and thereupon such Paying Agent shall be released from all further liability with respect to such monies and other property.

Section 8.04 RETURN OF UNCLAIMED MONIES.

Subject to the requirements of applicable law, any monies and other property deposited with or paid to the Trustee for payment on the Securities of a particular series and not applied but remaining unclaimed by the Holders of the Securities for one year after the date upon which the payment on such Securities shall have become due and payable, shall be repaid to the Company by the Trustee on demand, and all liability of the Trustee shall thereupon cease with respect to such monies and other property; and the Holder of any of the Securities shall thereafter look only to the Company for any payment or delivery that such Holder of the Securities may be entitled to collect unless an applicable abandoned property law designates another Person.

Section 8.05 REINSTATEMENT.

If the Trustee or the Paying Agent is unable to apply any money or other property in accordance with Section 8.02 by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company's obligations under this Indenture and the Securities shall be revived and reinstated as though no deposit had occurred pursuant to Section 8.01 until such time as the Trustee or the Paying Agent is permitted to apply all such money and other property in accordance with Section 8.02; provided, however, that if the Company makes any payment of interest on, principal of or payment or delivery in respect of any Security following the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Securities to receive such payment from the money or other property, if any, held by the Trustee or Paying Agent.

ARTICLE 9

LEGAL DEFEASANCE AND COVENANT DEFEASANCE

Section 9.01 OPTION TO EFFECT LEGAL DEFEASANCE OR COVENANT DEFEASANCE

The Company may, by written direction to the Trustee, at any time, elect to have either Section 9.02 or 9.03 hereof, with such modifications thereto as may be specified in the supplemental indenture establishing a particular series of Securities, be applied to all outstanding Securities of one or more series upon compliance with the conditions set forth below in this Article 9.

Section 9.02 LEGAL DEFEASANCE AND DISCHARGE.

Upon the Company's exercise under Section 9.01 hereof of the option applicable to this Section 9.02 relating to one or more series of Securities, the Company shall, upon the satisfaction of the conditions set forth in Section 9.04 hereof, be deemed to have been discharged from its obligations with respect to all outstanding Securities of such series on the date the conditions set forth below are satisfied (hereinafter, "*Legal Defeasance*"). For this purpose, Legal Defeasance means that the Company shall be deemed to have paid and discharged the entire indebtedness represented by the outstanding Securities of the applicable series, except as set forth in Section 9.05 hereof and the other Sections of this Indenture referred to in (a) and (b) below, and to have satisfied all of its other obligations under the Securities of the applicable series and under the provisions of this Indenture applicable to such series (and the Trustee, on demand of and at the expense of the Company, shall execute proper instruments acknowledging the same), except for the following provisions, which shall survive until otherwise terminated or discharged hereunder: (a) the rights of Holders of outstanding Securities of the applicable series to receive solely from the trust fund described in Section 9.04 hereof, and as more fully set forth in such Section, payments in respect of the principal of, premium, if any, and interest, on such Securities when such payments are due, (b) the Company's obligations with respect to such Securities under Section 4.02 hereof, (c) the rights, powers, trusts, duties and immunities of the Trustee hereunder, and the Company's obligations in connection therewith and (d) this Article 9. The Securities of the applicable series shall cease to be outstanding for all purposes except as set forth in the preceding sentence. Subject to compliance with this Article 9, the Company may exercise its option under this Section 9.02 notwithstanding the prior exercise of its option under Section 9.03 hereof.

Section 9.03 COVENANT DEFEASANCE.

Upon the Company's exercise under Section 9.01 hereof of the option applicable to this Section 9.03 relating to one or more series of Securities, the Company shall, upon the satisfaction of the conditions set forth in Section 9.04 hereof, be released from its obligations under the covenants contained in Sections 4.03, 4.04, 5.01, and 13.08 hereof with respect to the outstanding Securities of the applicable series, and under any other covenants specified in the supplemental indenture with respect to such Securities or other terms of the applicable series as covenants to which this Section 9.03 apply, on and after the date the conditions set forth below are satisfied (hereinafter, "*Covenant Defeasance*"), and the Securities of the applicable series shall thereafter not be deemed outstanding for the purposes of any direction, waiver, consent or declaration or act of Holders (or the consequences of any thereof) in connection with such covenants, but shall continue to be deemed outstanding for all other purposes hereunder. For this purpose, Covenant Defeasance means that, with respect to the outstanding Securities of the applicable series, the Company may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default under Section 6.01 hereof, but, except as specified above, the remainder of this Indenture and such Securities shall be unaffected thereby.

Section 9.04 CONDITIONS TO LEGAL OR COVENANT DEFEASANCE.

The following shall be the conditions to the application of either Section 9.02 or 9.03 hereof to the outstanding Securities of one or more series:

In order to exercise either Legal Defeasance or Covenant Defeasance:

(a) the Company must irrevocably deposit with the Trustee (or another trustee satisfying the requirements of Section 7.09, who shall agree to comply with the provisions of this Article 9 applicable to it) in trust, for the benefit of the Holders of the Securities of the applicable series, (i) an amount of cash in U.S. dollars, (ii) non-callable U.S. Government Obligations, which, through scheduled payment of principal and interest in respect thereof in accordance with their terms, will provide, not later than one Business Day before the due date of any payment of principal of, premium, if any, or interest on the Securities of such series (including any conversion consideration, if applicable), cash in an amount, or (iii) a combination thereof, sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the principal of, interest and premium, if any, on the outstanding Securities of the applicable series on the Stated Maturity or on the applicable redemption date, as the case may be, and any mandatory sinking fund payments applicable to the Securities of such series on the day on which such payments are due, and the Company must specify whether the Securities of the applicable series are being defeased to maturity or to a particular redemption date;

(b) in the case of an election under Section 9.02 hereof, the Company shall have delivered to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that (i) the Company has received from, or there has been published by, the Internal Revenue Service a ruling or (ii) since the date of this Indenture, there has been a change in the applicable federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the Holders of the outstanding Securities of the applicable series will not recognize income, gain or loss for federal income tax purposes as a result of such Legal Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(c) in the case of an election under Section 9.03 hereof, the Company shall have delivered to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that the Holders of the outstanding Securities of the applicable series will not recognize income, gain or loss for federal income tax purposes as a result of such Covenant Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(d) no Default or Event of Default shall have occurred and be continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit); and

(e) the Company shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent provided for or relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

Section 9.05 DEPOSITED MONEY AND U.S. GOVERNMENT OBLIGATIONS TO BE HELD IN TRUST; OTHER MISCELLANEOUS PROVISIONS.

Subject to Section 8.04 hereof, all money and non-callable U.S. Government Obligations (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 9.05, the "*Trustee*") pursuant to Section 9.04 hereof in respect of the outstanding Securities of the applicable series shall be held in trust and applied by the Trustee, in accordance with the provisions of such Securities and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as Paying Agent) as the Trustee may determine, to the Holders of such Securities of all sums due and to become due thereon in respect of principal, premium, if any, and interest, but such money need not be segregated from other funds except to the extent required by law.

The Company shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or non-callable U.S. Government Obligations deposited pursuant to Section 9.04 hereof or the principal and interest received in respect thereof other than any such tax, fee or other charge that by law is for the account of the Holders of the outstanding Securities of the applicable series.

Anything in this Article 9 to the contrary notwithstanding, the Trustee shall deliver or pay to the Company from time to time upon the request of the Company any money or non-callable U.S. Government Obligations held by it as provided in Section 9.04 hereof which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 9.04(a) hereof), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance of the applicable series.

Section 9.06 REINSTATEMENT.

If the Trustee or Paying Agent is unable to apply any U. S. dollars or non-callable U.S. Government Obligations deposited pursuant to Section 9.02 or 9.03 hereof, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, or if any amounts previously applied are required to be returned to the Company or to any trustee in connection with any proceeding referred to in Section 6.01(h) or (i) then the obligations of the Company under this Indenture and the Securities shall be revived and reinstated as though no deposit had occurred pursuant to Section 9.02 or 9.03 hereof until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 9.02 or 9.03 hereof, as the case may be; *provided, however*, that, if the Company makes any payment of principal of, premium, if any, or interest on any Security following the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Securities to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE 10

SUPPLEMENTAL INDENTURES

Section 10.01 SUPPLEMENTAL INDENTURES WITHOUT CONSENT OF HOLDERS.

Notwithstanding Section 10.02 of this Indenture, the Company and the Trustee may amend or supplement this Indenture or the Securities (including any supplemental indenture) without notice to or the consent of any Holder of a Security:

- (a) to provide for the assumption by a Successor Company of the Company's obligations under the terms of the Securities and this Indenture pursuant to Article 5;
- (b) to add guarantees with respect to the Securities of any series;
- (c) to secure the Securities of any series;
- (d) to add to the covenants for the benefit of the Holders of Securities of any or all series or surrender any right or power conferred upon the Company;
- (e) make any change, including to cure any omission, ambiguity, manifest error or defect or to correct any defect or inconsistency in this Indenture that does not adversely affect the rights of any Holder in any material respect;

(f) comply with any requirement of the SEC in connection with the qualification of this Indenture under the Trust Indenture Act or with the rules of any applicable securities depository;

(g) to provide for the issuance of and establish the form and terms and conditions of the Securities of any series, to establish the form of any certifications required to be furnished pursuant to the terms of this Indenture or any series of Securities, or to add to the rights of the Holders of any series of Securities;

(h) add additional Events of Default with respect to the Securities of any or all series;

(i) evidence the acceptance or appointment of a successor Trustee or to add an additional trustee or agent in accordance with this Indenture, or

(j) conform the provisions of this Indenture and the Securities of a particular series to the "Description of Notes" section as set forth in a preliminary prospectus supplement related to the offering and sale of such Securities, as supplemented by the related pricing term sheet.

Upon the request of the Company accompanied by written direction to the Trustee, and upon receipt by the Trustee of the documents described in Section 7.02(b) hereof, the Trustee shall join with the Company in the execution of any amended or supplemental indenture authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee shall not be obligated to enter into any such amended or supplemental indenture that affects its own rights, duties, liabilities or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but will not be obligated to, enter into such amended or supplemental indenture.

Section 10.02 SUPPLEMENTAL INDENTURES WITH CONSENT OF HOLDERS.

Except as provided in Section 10.01, the Company and the Trustee may amend or supplement this Indenture or the terms of the Securities only with the written consent of the Trustee and the Holders of at least a majority in aggregate principal amount of the outstanding Securities of all series affected by such amendment or supplement (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Securities), treating those series as a single class. Notwithstanding the foregoing, no amendment or supplemental indenture may without the written consent of the Holder of each Security affected:

(a) change the Maturity Date, or the payment date of any installment interest on, any Security;

(b) reduce the principal amount of, or interest on, any Security;

(c) change the place, manner or currency of payment of principal of, or interest on, any Security;

(d) impair the right to institute a suit for the enforcement of any payment on, or with respect to, or of the conversion of, any Security;

(e) change the ranking of the Securities in a manner adverse to the Holders of Securities;

(f) adversely affect the right of Holders of Securities that are convertible pursuant to Article 12 to convert their Securities in accordance with Article 12, or reduce the amount of consideration due upon conversion;

(g) reduce the percentage in aggregate principal amount of outstanding Securities whose Holders must consent to a modification or amendment of this Indenture or the Securities;

(h) reduce the percentage in aggregate principal amount of outstanding Securities whose Holders must consent to a waiver of compliance with any provision in this Indenture or the Securities or a waiver of any Default or Event of Default; or

(i) modify Section 6.09 or this Article 10, except to increase the percentage required for modification or waiver or to provide for the consent of each affected Holder.

Holders do not need under this Section 10.02 to approve the particular form of any proposed amendment to this Indenture or any proposed supplemental indenture; it shall be sufficient if the required Holders approve the substance thereof.

Section 10.03 NOTICE OF AMENDMENT OR SUPPLEMENT.

After an amendment or supplement under this Article 10 becomes effective, the Company shall mail to the Holders a notice briefly describing such amendment or supplement. However, the failure to give such notice to all the Holders, or any defect in the notice, shall not impair or affect the validity of the amendment or supplement.

Section 10.04 REVOCATION AND EFFECT OF CONSENTS.

Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Security is a continuing consent by the Holder of a Security and every subsequent Holder of a Security or portion of a Security that evidences the same debt as the consenting Holder's Securities, even if notation of the consent is not made on any Securities. However, any such Holder of a Security or subsequent Holder of a Security may revoke the consent as to its Securities if the Trustee receives written notice of revocation before the date the amendment, supplement or waiver becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder, except as otherwise provided herein.

Section 10.05 NOTATION ON OR EXCHANGE OF SECURITIES.

The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Securities thereafter authenticated. The Company in exchange for all Securities may issue and the Trustee shall authenticate new Securities that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or to issue new Securities shall not affect the validity and effect of such amendment, supplement or waiver.

Section 10.06 TRUSTEE TO SIGN AMENDMENTS, ETC.

The Company may not sign an amendment or supplemental indenture until its Board of Directors approves it. The Trustee shall sign any amendment or supplemental indenture authorized pursuant to this Article 10 if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee. In signing such amendment or supplemental indenture, the Trustee shall be entitled to receive and shall be fully protected in relying upon, an Officers' Certificate and an Opinion of Counsel as conclusive evidence that such amendment or supplemental indenture is authorized or permitted by this Indenture, that it is not inconsistent herewith, and that it will be valid and binding upon the Company in accordance with its terms.

ARTICLE 11

MEETINGS OF HOLDERS

Section 11.01 PURPOSES FOR WHICH MEETING MAY BE CALLED.

A meeting of Holders of Securities of any series may be called at any time and from time to time pursuant to this Article 11 to make, give or take any request, demand, authorization, direction, notice, consent, waiver or other Act to be made, given or taken by Holders of Securities of such series.

Section 11.02 CALL, NOTICE AND PLACE OF MEETINGS.

(a) The Trustee may at any time call a meeting of Holders of Securities of any series for any purpose specified in Section 11.01, to be held at such time and at such place as the Trustee may determine. Notice of every meeting of Holders of Securities of any series, setting forth the time and the place of such meeting and in general terms the action proposed to be taken at such meeting, shall be given, in the manner provided in Section 13.02, not less than 20 nor more than 180 days prior to the date fixed for the meeting.

(b) In case at any time the Company, by written direction to the Trustee, or the Holders of at least 25% in principal amount of the outstanding Securities of any series shall have requested the Trustee to call a meeting of the Holders of Securities of such series for any purpose specified in Section 11.01 by written request setting forth in reasonable detail the Act or other action proposed to be taken at the meeting, and the Trustee shall not have mailed notice of such meeting within 20 days after receipt of such request or shall not thereafter proceed to cause the meeting to be held as provided herein, then the Company or the Holders of Securities of such series in the amount above specified, as the case may be, may determine the time and the place for such meeting and may call such meeting for such purposes by giving notice thereof as provided in clause (a) of this Section 11.02.

Section 11.03 PERSONS ENTITLED TO VOTE AT MEETINGS.

To be entitled to vote at any meeting of Holders of Securities of any series, a Person must be (a) a Holder of one or more outstanding Securities of such series, or (b) a Person appointed by an instrument in writing as proxy for a Holder or Holders of one or more outstanding Securities of such series by such Holder or Holders. No vote may be cast or counted at any meeting in respect of any Security challenged as not outstanding and ruled by the chairman of the meeting to be not outstanding. The chairman of the meeting will have no right to vote, except as a Holder of a Security of such series or proxy. The only Persons who shall be entitled to be present or to speak at any meeting of Holders of Securities of any series shall be the Persons entitled to vote at such meeting and their counsel, any representatives of the Trustee and its counsel and any representatives of the Company and its counsel.

Section 11.04 QUORUM; ACTION.

The Persons entitled to vote a majority in principal amount of the outstanding Securities of a series shall constitute a quorum for a meeting of Holders of Securities of such series; *provided, however*, that if any Act is to be taken at such meeting with respect to a consent or waiver which this Indenture (or any indenture supplemental hereto establishing a series of Securities hereunder) expressly provides may be given by the Holders of more or less than a majority in principal amount of the outstanding Securities of a series, the Persons entitled to vote such percentage in principal amount of the outstanding Securities of such series shall constitute a quorum. In the absence of a quorum within 30 minutes after the time appointed for any such meeting, the meeting shall, if convened at the request of Holders of Securities of such series, be dissolved. In any other case the meeting may be adjourned for a period determined by the chairman of the meeting prior to the adjournment of such meeting. In the absence of a quorum at any reconvened meeting, such reconvened meeting may be further adjourned as determined by the chairman of the meeting prior to the adjournment of such adjourned meeting. Notice of the reconvening of any such adjourned meeting shall be given as provided in Section 11.02(a), except that such notice need be given only once not less than five days prior to the date on which the meeting is scheduled to be reconvened. Notice of the reconvening of an adjourned meeting shall state expressly the percentage, as provided above, of the principal amount of the outstanding Securities of such series that shall constitute a quorum.

Except as otherwise provided in Section 6.02 or 10.02 (or in any indenture supplemental hereto establishing a series of Securities hereunder), any resolution presented to a meeting or adjourned meeting duly reconvened at which a quorum is present as aforesaid may be adopted only by the affirmative vote of the Holders of a majority in principal amount of the outstanding Securities of that series; *provided, however*, that, except as otherwise provided in Section 6.02 or 10.02 (or in any indenture supplemental hereto establishing a series of Securities hereunder), any resolution with respect to any request, demand, authorization, direction, notice, consent, waiver or other action that this Indenture or any supplemental indenture expressly provides may be made, given or taken by the Holders of a specified percentage in principal amount of the outstanding Securities of a series may be adopted at a meeting or an adjourned meeting duly reconvened and at which a quorum is present as aforesaid by the affirmative vote of the Holders of such specified percentage in principal amount of the outstanding Securities of such series.

Any resolution passed or decision taken at any meeting of Holders of Securities of any series duly held in accordance with this Section 11.04 or other Act duly taken shall be binding on all the Holders of Securities of such series, whether or not such Holders were present or represented at the meeting, if any.

Section 11.05 DETERMINATION OF VOTING RIGHTS; CONDUCT AND ADJOURNMENT OF MEETINGS.

Notwithstanding any other provisions of this Indenture, the Trustee may make such reasonable regulations as it may deem advisable for any meeting of Holders of Securities of a series in regard to proof of the holding of Securities of such series and of the appointment of proxies and in regard to the appointment and duties of inspectors of votes, the submission and examination of proxies, certificates and other evidence of the right to vote, and such other matters concerning the conduct of the meeting as it shall deem appropriate. Except as otherwise permitted or required by any such regulations, the holding of Securities shall be proved in the manner specified in Section 1.05 and the appointment of any proxy shall be proved in the manner specified in Section 1.05. Such regulations may provide that written instruments appointing proxies, regular on their face, may be presumed valid and genuine without the proof specified in Section 1.05 or other proof.

The Trustee shall, by an instrument in writing, appoint a temporary chairman of the meeting, unless the meeting shall have been called by the Company or by Holders of Securities as provided in Section 11.02(b), in which case the Company or the Holders of Securities of the series calling the meeting, as the case may be, shall in like manner appoint a temporary chairman. A permanent chairman and a permanent secretary of the meeting shall be elected by vote of the Persons entitled to vote at least a majority in principal amount of the outstanding Securities of such series represented at the meeting.

Any meeting of Holders of Securities of any series duly called pursuant to Section 11.02 at which a quorum is present may be adjourned from time to time by Persons entitled to vote at least a majority in principal amount of the outstanding Securities of such series represented at the meeting; and the meeting may be held as so adjourned without further notice.

Section 11.06 COUNTING VOTES AND RECORDING ACTION OF MEETINGS.

The vote upon any resolution submitted to any meeting of Holders of Securities of any series shall be by written ballots on which shall be subscribed the signatures of the Holders of Securities of such series or of their representatives by proxy and the principal amounts and serial numbers of the outstanding Securities of such series held or represented by them. The permanent chairman of the meeting shall appoint two inspectors of votes who shall count all votes cast at the meeting for or against any resolution and who shall make and file with the secretary of the meeting their verified written reports in duplicate of all votes cast at the meeting. A record, at least in duplicate, of the proceedings of each meeting of Holders of Securities of any series shall be prepared by the secretary of the meeting and there shall be attached to said record the original reports of the inspectors of votes on any vote by ballot taken thereat and affidavits by one or more persons having knowledge of the facts setting forth a copy of the notice of the meeting and showing that said notice was given as provided in Section 11.02 and, if applicable, Section 11.04. Each copy shall be signed and verified by the affidavits of the permanent chairman and secretary of the meeting and one such copy shall be delivered to the Company, and another to the Trustee to be preserved by the Trustee, the latter to have attached thereto the ballots voted at the meeting. Any record so signed and verified shall be conclusive evidence of the matters therein stated.

Section 11.07 ARTICLE SUBJECT TO OTHER PROVISIONS.

Each provision of this Article 11 (whether or not expressly so stated) is subject to any other provision of this Indenture (or any supplemental indenture establishing a series of Securities hereunder) that provides that Securities of different series constitute a single class.

ARTICLE 12

CONVERSION OF SECURITIES

Section 12.01 APPLICABILITY OF ARTICLE.

The provisions of this Article shall be applicable to the Securities of any series that are convertible into shares of Common Stock of the Company, and the issuance of such shares of Common Stock upon the conversion of such Securities, except as otherwise specified as contemplated by Section 2.02 for the Securities of such series. This Article shall not be applicable to Securities of any series that are not convertible into shares of Common Stock of the Company.

Section 12.02 EXERCISE OF CONVERSION PRIVILEGE.

(a) In order to exercise a conversion privilege, the Holder of a Security of a series with such a privilege must surrender such Security to the Company at the office or agency maintained for that purpose pursuant to Section 4.02, accompanied by a duly executed Conversion Notice to the Company substantially in the form set forth on Attachment 1 to Exhibit A stating that the Holder elects to convert such Security or a specified portion thereof. Such Conversion Notice shall also state, if different from the name and address of such Holder, the name or names (with address) in which the certificate or certificates for shares of Common Stock that shall be issuable on such conversion shall be issued. Securities surrendered for conversion shall (if so required by the Company or the Trustee) be duly endorsed by, or accompanied by instruments of transfer satisfactory to the Company and the Trustee duly executed by, the registered Holder or its attorney duly authorized in writing.

(b) To the extent provided in Section 2.03(e), Securities surrendered for conversion during the period from the close of business on any Regular Record Date to the opening of business on the next succeeding Interest Payment Date (except in the case of any Security whose Maturity Date is prior to such Interest Payment Date) shall be accompanied by payment by such Holder in immediately available funds to the Company of an amount equal to the interest to be received on such Interest Payment Date on the principal amount of the Securities being surrendered for conversion. However, to the extent provided in Section 2.03(b), Securities that have been called for redemption on a redemption date, or that are repurchasable on a redemption date that occurs between the close of business on a Regular Record Date and the close of business on the Business Day immediately preceding such Interest Payment Date, shall not require such concurrent payment to the Company upon surrender for conversion, and, if such Securities are converted during the time period set forth in the preceding sentence, the Holders of such converted Securities shall be entitled to receive (and retain) any accrued interest on the Principal amount of such surrendered Securities, if any.

(c) To convert a Security a Holder must deliver to the Conversion Agent (i) a Conversion Notice, (ii) any payment required pursuant to Section 12.02(b) or pursuant to and/or established in one or more indentures supplemental hereto setting forth the terms of such series of Security, (iii) any payment in respect of transfer or similar taxes, if required by Section 12.07, and (iv) the Security duly endorsed in accordance with such reasonable regulations as the Company may prescribe. The date on which the Holder satisfies all of those requirements is the “*Conversion Date*” for such Security. As soon as practicable after the Conversion Date, the Company shall issue and shall deliver or cause to be issued and delivered, at the office or agency at which such Security is surrendered, to such Holder or on its written order, a certificate or certificates for the number of full shares of Common Stock issuable upon the conversion of such Security (or specified portion thereof), in accordance with the provisions of such supplemental indenture, and cash as provided therein in respect of any fractional share of such Common Stock otherwise issuable upon such conversion. Except as set forth above and subject to Section 2.14, no payment or adjustment shall be made upon any conversion on account of any interest accrued on the Securities (or any part thereof) surrendered for conversion or on account of any dividends on the Common Stock of the Company issued upon such conversion. The person in whose name the shares of Common Stock issued upon conversion is registered shall be deemed to be a holder of record of such Common Stock on the Conversion Date; *provided, however*, that no surrender of a Security on any Conversion Date when the stock transfer books of the Company shall be closed shall be effective to constitute the person or persons entitled to receive the shares of Common Stock upon conversion as the record holder or holders of such shares of Common Stock on such date, but such surrender shall be effective to constitute the person or persons thereof for all purposes at the close of business on the next succeeding day on which such stock transfer books are open; *provided, further*, that such conversion shall be at the conversion date in effect on the Conversion Date as if the stock transfer books of the Company had not been closed. Upon conversion of a Security, such person shall no longer be a Holder of such Security.

In the case of any Security that is converted in part only, upon such conversion the Company shall execute and the Trustee shall authenticate and deliver to or on the order of the Holder thereof, at the expense of the Company, a new Security or Securities of the same series, of authorized denominations, in aggregate principal amount equal to the unconverted portion of such Security.

Section 12.03 NO FRACTIONAL SHARES.

No fractional share of Common Stock of the Company shall be issued upon conversions of Securities of any series. If more than one Security shall be surrendered for conversion at one time by the same Holder, the number of full shares that shall be issuable upon conversion shall be computed on the basis of the aggregate principal amount of the Securities (or specified portions thereof to the extent permitted hereby) so surrendered. If, except for the provisions of this Section 12.03, any Holder of a Security or Securities would be entitled to a fractional share of Common Stock of the Company upon the conversion of such Security or Securities, or specified portions thereof, the Company shall pay to such Holder an amount in cash equal to the current market value of such fractional share computed, (i) if such Common Stock is listed or admitted to unlisted trading privileges on a national securities exchange, on the basis of the last reported sale price regular way on such exchange on the last trading day prior to the date of conversion upon which such a sale shall have been effected, or (ii) if such Common Stock is not at the time so listed or admitted to unlisted trading privileges on a national securities exchange, on the basis of the average of the bid and asked prices of such Common Stock in the over-the-counter market, on the last trading day prior to the date of conversion, as reported by the National Quotation Bureau, Incorporated or similar organization if the National Quotation Bureau, Incorporated is no longer reporting such information, or if not so available, the fair market price as determined by the Board of Directors. For purposes of this Section 12.03, “*trading day*” means each Monday, Tuesday, Wednesday, Thursday and Friday other than any day on which the Common Stock is not traded on the New York Stock Exchange, or if the Common Stock is not traded on the New York Stock Exchange, on the principal exchange or market on which the Common Stock is traded or quoted.

Section 12.04 ADJUSTMENT OF CONVERSION PRICE.

The conversion price of Securities of any series that is convertible into Common Stock of the Company shall be adjusted for any stock dividends, stock splits, reverse stock splits, reclassifications, combinations or similar transactions in accordance with the terms of the supplemental indenture or Board Resolutions setting forth the terms of the Securities of such series.

Whenever the conversion price is adjusted, the Company shall compute the adjusted conversion price in accordance with terms of the applicable supplemental indenture and shall prepare an Officers' Certificate setting forth the adjusted conversion price and showing in reasonable detail the facts upon which such adjustment is based, and such certificate shall forthwith be filed at each office or agency maintained for the purpose of conversion of Securities pursuant to Section 4.02 and, if different, with the Trustee.

Section 12.05 NOTICE OF CERTAIN CORPORATE ACTIONS.

In case:

- (1) the Company shall declare a dividend (or any other distribution) on its Common Stock payable otherwise than in cash out of its retained earnings, that would require an adjustment to the conversion price of the Securities; or
 - (2) the Company authorizes the granting to the holders of all or substantially all of its Common Stock of rights, options or warrants to subscribe for or purchase any shares of capital stock of any class or of any other rights; or
 - (3) of any reclassification of the Common Stock of the Company (other than a subdivision or combination of its outstanding shares of Common Stock), or of any consolidation, merger or share exchange to which the Company is a party and for which approval of any shareholders of the Company is required, or of the sale of all or substantially all of the assets of the Company;
-

then the Company shall cause to be filed with the Trustee, and shall cause to be mailed to all Holders at their last addresses as they appear in the Securities Register, at least 20 days (or 10 days in any case specified in Clause (1) or (2) above) prior to the applicable record date hereinafter specified, a notice stating (i) the date on which a record is to be taken for the purpose of such dividend, distribution, rights, options or warrants, or, if a record is not to be taken, the date as of which the holders of Common Stock of record to be entitled to such dividend, distribution, rights, options or warrants are to be determined, or (ii) the date on which such reclassification, consolidation, merger, share exchange, sale, dissolution, liquidation or winding up is expected to become effective, and the date as of which it is expected that holders of Common Stock of record shall be entitled to exchange their shares of Common Stock for securities, cash or other property deliverable upon such reclassification, consolidation, merger, share exchange, sale, dissolution, liquidation or winding up. If at any time the Trustee shall not be the Conversion Agent, a copy of such notice shall also forthwith be filed by the Company with the Conversion Agent. Failure to give any such notice or any defect therein shall not affect the legality or validity of the proceedings described in clauses (1) through (3) of this Section 12.05.

Section 12.06 RESERVATION OF SHARES OF COMMON STOCK.

The Company shall at all times reserve and keep available, free from preemptive rights, out of its authorized but unissued Common Stock, for the purpose of effecting the conversion of Securities, the full number of shares of Common Stock of the Company then issuable upon the conversion of all outstanding Securities of any series that has conversion rights.

Section 12.07 PAYMENT OF CERTAIN TAXES UPON CONVERSION.

Upon conversion, the Company shall pay any documentary, stamp or similar issue or transfer tax due on the issue of shares of Common Stock upon the conversion. However, the Holder shall pay any withholding tax or any tax that is due because the shares are issued in a name other than the Holder's name.

Section 12.08 NONASSESSABILITY.

The Company covenants that all shares of its Common Stock that may be issued upon conversion of Securities will upon issue in accordance with the terms hereof be duly and validly issued and fully paid and nonassessable.

Section 12.09 EFFECT OF CONSOLIDATION OR MERGER ON CONVERSION PRIVILEGE.

In case of any consolidation of the Company with, or merger of the Company into or with any other Person, or in case of any sale of all or substantially all of the assets of the Company, the company or the Person formed by such consolidation or the Person into which the Company shall have been merged or the Person which shall have acquired such assets, as the case may be, shall execute and deliver to the Trustee a supplemental indenture providing that the Holder of each Security then outstanding of any series that is convertible into Common Stock of the Company shall have the right, which right shall be the exclusive conversion right thereafter available to said Holder (until the expiration of the conversion right of such Security), to convert such Security into the kind and amount of shares of stock or other securities or property (including cash) receivable upon such consolidation, merger or sale by a holder of the number of shares of Common Stock of the Company into which such Security might have been converted immediately prior to such consolidation, merger or sale, subject to compliance with the other provisions of this Indenture, such Security and such supplemental indenture. Such supplemental indenture shall provide for adjustments that shall be as nearly equivalent as may be practicable to the adjustments provided for in such Security. The above provisions of this Section 12.09 shall similarly apply to successive consolidations, mergers or sales. It is expressly agreed and understood that anything in this Indenture to the contrary notwithstanding, if, pursuant to such merger, consolidation or sale, holders of outstanding shares of Common Stock of the Company do not receive shares of common stock of the surviving corporation but receive other securities, cash or other property or any combination thereof, Holders of Securities shall not have the right to thereafter convert their Securities into common stock of the surviving corporation or the corporation that shall have acquired such assets, but rather, shall have the right upon such conversion to receive the other securities, cash or other property receivable by a holder of the number of shares of Common Stock of the Company into which the Securities held by such holder might have been converted immediately prior to such consolidation, merger or sale, all as more fully provided in the first sentence of this Section 12.09. Anything in this Section 12.09 to the contrary notwithstanding, the provisions of this Section 12.09 shall not apply to a merger or consolidation of another corporation with or into the Company pursuant to which both of the following conditions are applicable: (i) the Company is the surviving corporation and (ii) the outstanding shares of Common Stock of the Company are not changed or converted into any other securities or property (including cash) or changed in number or character or reclassified pursuant to the terms of such merger or consolidation.

As evidence of the kind and amount of shares of stock or other securities or property (including cash) into which Securities may properly be convertible after any such consolidation, merger or sale, or as to the appropriate adjustments of the conversion prices applicable with respect thereto, the Trustee shall be furnished with and may accept the certificate or opinion of an independent certified public accountant with respect thereto; and, in the absence of bad faith on the part of the Trustee, the Trustee may conclusively rely thereon, and shall not be responsible or accountable to any Holder of Securities for any provision in conformity therewith or approved by such independent certified accountant that may be contained in said supplemental indenture.

Section 12.10 DUTIES OF TRUSTEE REGARDING CONVERSION.

Neither the Trustee nor any Conversion Agent shall at any time be under any duty or responsibility to any Holder of Securities of any series that is convertible into Common Stock of the Company to determine whether any facts exist which may require any adjustment of the conversion price, or with respect to the nature or extent of any such adjustment when made, or with respect to the method employed, whether herein or in any supplemental indenture, any resolutions of the Board of Directors or written instrument executed by one or more officers of the Company provided to be employed in making the same. Neither the Trustee nor any Conversion Agent shall be accountable with respect to the validity or value (or the kind or amount) of any shares of Common Stock of the Company, or of any securities or property, which may at any time be issued or delivered upon the conversion of any Securities and neither the Trustee nor any Conversion Agent makes any representation with respect thereto. Subject to the provisions of Section 7.01, neither the Trustee nor any Conversion Agent shall be responsible for any failure of the Company to issue, transfer or deliver any shares of its Common Stock or stock certificates or other securities or property upon the surrender of any Security for the purpose of conversion or to comply with any of the covenants of the Company contained in this Article 12 or in a supplemental indenture with respect to such Securities.

Section 12.11 REPAYMENT OF CERTAIN FUNDS UPON CONVERSION.

Any funds that at any time have been deposited by the Company or on its behalf with the Trustee or any other Paying Agent for the purpose of paying the principal of, and premium, if any, and interest, if any, on any of the Securities (including, but not limited to, funds deposited pursuant to Article 8 hereof) and which shall not be required for such purposes because of the conversion of such Securities as provided in this Article 12 shall after such conversion be repaid to the Company by the Trustee upon the Company's written request.

Section 12.12 STOCKHOLDER RIGHTS PLAN.

If the Company has a stockholder rights plan in effect upon a conversion of any Security and the Company delivers any shares of Common Stock upon such conversion, the converting Holder shall receive, in addition to such shares of Common Stock, the appropriate number of rights, if any, and the certificates representing the Common Stock issued upon such conversion shall bear such legends, if any, in each case as may be provided by the terms of any stockholder rights plan adopted by the Company and in effect upon conversion of such Securities, as the same may be amended from time to time. Notwithstanding the foregoing, if prior to such conversion the rights have separated from the shares of Common Stock in accordance with the provisions of the applicable stockholder rights agreement, the conversion rate with respect to such series shall be adjusted as provided in the supplemental indenture with respect to such series of Securities.

9. *DENOMINATIONS, TRANSFER, EXCHANGE.* The Notes are in registered form without coupons in all appropriate denominations. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Company may require a Holder to pay any taxes, fees or expenses required by law or permitted by the Indenture. The Company need not transfer or exchange any Note selected for redemption, except for the unredeemed portion of any Note being redeemed in part. Also, it need not transfer or exchange any Note for a period of 15 days before a selection of Notes to be redeemed.

10. *PERSONS DEEMED OWNERS.* Prior to due presentment of this Note for registration of transfer, the Company, the Trustee and any agent of the Company or Trustee may treat the Person in whose name the Note is registered as the owner hereof for all purposes, whether or not this Note be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

11. *AMENDMENT, SUPPLEMENT AND WAIVER.* The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Notes to be effected under the Indenture at any time by the Company and the Trustee with the consent of the Holders of a majority in principal amount of the Notes at the time outstanding and other series of Securities affected (treating the Notes and such other series as a single class). The Indenture also contains provisions permitting the Holders of specified percentages in principal amount of the Notes at the time outstanding and other series of Securities affected (treating the Notes and such other series as a single class), on behalf of the Holders of all Notes and such other series, if any, to waive compliance by the Company with certain provisions of the Indenture and certain past Defaults under the Indenture and their consequences with respect to the Notes and such other series. In addition, as provided in the Indenture, the Company may make certain amendments to the Indenture without the consent of any Holder. Any such consent or waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Note issued upon the registration of transfer hereof or in exchange hereof or in lieu hereof, whether or not notation of such consent or waiver is made upon this Note.

12. *EVENTS OF DEFAULT.* Each of the following constitutes an Event of Default: (i) default in the payment of principal of the Note when due and payable on the Maturity Date; (ii) failure by the Company to pay an installment of interest on the Note when due, if such failure continues for 30 days after the date when due; (iii) upon exercise of a Holder's conversion right in accordance with Article 12 of the Indenture, failure by the Company to deliver, or cause the Trustee to deliver, to such Holder the full amount of conversion consideration deliverable in respect of the Notes surrendered for conversion when due, in accordance with the Indenture and the terms of such Securities; (iv) failure by the Company to comply with its obligations under Section 5.01(a) and (b) and Section 5.02 of the Indenture; (v) failure by the Company to comply with any other covenant or agreement contained in the Note or the Indenture, if such failure is not cured within 90 days after notice to the Company by the Trustee or to the Trustee and the Company by Holders of at least 25% in aggregate principal amount of the Notes then outstanding and any other affected Securities outstanding under the Indenture (treating the Notes and such other series as a single class), in accordance with the Indenture; (vi) certain defaults with respect to the Indebtedness of the Company or any of its Subsidiaries, as provided in the Indenture; (vii) one or more final, non-appealable judgments against the Company or any of its Subsidiaries, the aggregate uninsured portion of which is at least \$5,000,000, if such judgments are not paid or discharged within 120 days; and (viii) certain events of bankruptcy or insolvency with respect to the Company. In case an Event of Default shall have occurred and be continuing, the principal of and interest on all Notes may be declared due and payable, by either the Trustee or Holders of not less than 25% in aggregate principal amount of Notes then outstanding and other series of Securities affected (treating the Notes and such other series as a single class), and upon said declaration shall become due and payable, in the manner, with the effect and subject to the conditions provided in the Indenture. Notwithstanding the foregoing, in the case of an Event of Default arising from certain events of bankruptcy or insolvency with respect to the Company, all outstanding Notes will become due and payable without further action or notice. Holders of the Notes may not enforce the Indenture or the Notes except as provided in the Indenture. Subject to certain limitations, Holders of a majority in aggregate principal amount of the then-outstanding Notes and other series of Securities affected (treating the Notes and such other series as a single class) may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders of the Notes notice of any continuing Default or Event of Default (except a Default or Event of Default relating to the payment of principal or interest) if it determines that withholding notice is in their interest. The Holders of a majority in aggregate principal amount of the Notes and other series of Securities affected (treating the Notes and such other series as a single class) and other series of Securities affected (treating the Notes and such other series as a single class) then outstanding by notice to the Trustee may on behalf of the Holders of all of the Notes and such other Securities waive any existing Default or Event of Default and its consequences under the Indenture except a continuing Default or Event of Default in the payment of principal, interest or premium, if any, on the Notes. The Company is required to deliver to the Trustee annually a statement regarding compliance with the Indenture.

13. *TRUSTEE DEALINGS WITH THE COMPANY.* The Trustee, in its individual or any other capacity, may make loans to, accept deposits from, and perform services for the Company or its Affiliates, and may otherwise deal with the Company or its Affiliates, as if it were not the Trustee.

14. *NO RECOURSE AGAINST OTHERS.* No director, officer, employee, incorporator or stockholder of the Company will have any liability for any obligations of the Company under the Notes or the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for the issuance of the Notes.

15. *AUTHENTICATION.* This Note shall not be valid until authenticated by the manual signature of the Trustee or an authenticating agent.

16. *ABBREVIATIONS.* Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

17. *CUSIP NUMBERS.* Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Company has caused CUSIP numbers to be printed on the Notes and the Trustee may use CUSIP numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

18. *SERVICE CHARGES.* No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith to the extent provided in the Indenture.

The Company will furnish to any Holder upon written request and without charge a copy of the Indenture. Requests may be made to:

Section 2.03 PAYMENT OF INTEREST.

Except as otherwise specified in any Security issued hereunder, or in any supplemental indenture with respect to Securities of a particular series, interest shall be due and payable on a Security as follows:

- (a) A Holder of such Security as of the close of business on a Regular Record Date shall be entitled to receive and shall receive (except as otherwise indicated in this Section 2.03), accrued and unpaid interest on such Security from the date specified in such Security to the Interest Payment Date next succeeding such Regular Record Date, other than any Security whose Maturity Date is prior to such Interest Payment Date.
- (b) In the event that a Security of any series becomes subject to redemption pursuant to Article 3 and the redemption date occurs after a Regular Record Date but on or prior to the next succeeding Interest Payment Date, the person whose Security becomes subject to redemption (and only such Person rather than the Holder as of such Regular Record Date) shall be entitled to receive and shall receive accrued and unpaid interest from the preceding Interest Payment Date (or such earlier date on which interest was last paid) to, but excluding, the redemption date of such Security, even if such Person is not the Holder of such Security on the Regular Record Date. In the event that a Security of any series becomes subject to redemption pursuant to Article 3 and the redemption date occurs on an Interest Payment Date, the Holder as of the Regular Record Date corresponding to such Interest Payment Date shall be entitled to receive and shall receive accrued and unpaid interest from the preceding Interest Payment Date (or such earlier date on which interest was last paid or as otherwise provided in the Security) to, but excluding, the redemption date of such Security, even if such Person is not the Holder of such Security.
- (c) The Company shall pay the principal of and interest on any Global Security registered in the name of or held by the Depositary or its nominee in immediately available funds to the Depositary or its nominee, as the case may be, as the registered Holder of such Global Security. The Company shall pay the principal of any Physical Securities at the office or agency designated by the Company for that purpose.
- (d) The Company shall pay interest on any Physical Securities (A) to Holders having an aggregate principal amount of \$10,000,000 or less, by check mailed to the Holders of such Securities at their address as it appears in the Security Register and (B) to Holders having an aggregate principal amount of more than \$10,000,000, either by check mailed to each such Holder or, upon application by a Holder to the Registrar not later than the relevant Regular Record Date, by wire transfer in immediately available funds to that Holder's account within the United States, which application shall remain in effect until the Holder notifies the Registrar, in writing, to the contrary.

(e) In the event that Securities of any series are convertible and if, in such case, a Security is converted pursuant to Article 13, the Holder who converts such Security on any date other than an Interest Payment Date (except in the case of a Security whose Maturity Date is after the immediately preceding Record Date but prior to such Interest Payment Date) shall not be entitled to receive unpaid interest on such Security from the preceding Interest Payment Date until the conversion date, such amounts being deemed to have been paid by receipt of shares of Common Stock in full rather than canceled, extinguished or forfeited. As a result, if a Security is converted between a Regular Record Date and an Interest Payment Date (but not including on the Interest Payment Date), the Holder of record on the Regular Record Date will receive accrued and unpaid interest on such Security for such period on such Interest Payment Date but the Holder that converts the Security will be required to remit to the Company an amount equal to that interest at the time such Holder surrenders the Security for conversion, pursuant to Article 13; *provided, however*, that such Holder will not be required to remit such interest if (1) the Company has specified a redemption date that occurs during the period from the close of business on a Regular Record Date to the close of business on the Business Day immediately preceding the Interest Payment Date to which such record date relates or (2) any overdue interest exists on the Conversion Date with respect to the Securities converted, but only to the extent of overdue interest.

Section 2.04 DENOMINATIONS.

Unless otherwise specified in any Security issued hereunder or in any supplemental indenture, Securities of a series denominated in U.S. dollars shall be issuable in denominations of U.S. \$1,000 and any integral multiple thereof. Securities denominated in a foreign currency shall be issuable in such denominations as are established with respect to such Securities in or pursuant to this Indenture.

Section 2.05 EXECUTION AND AUTHENTICATION.

An Officer shall sign the Securities for the Company by manual or facsimile signature.

If an Officer whose signature is on a Security no longer holds that office at the time a Security is authenticated, the Security shall nevertheless be valid.

A Security shall not be valid until authenticated by the manual signature of the Trustee (or its authenticating agent as provided below). The signature shall be conclusive evidence that the Security has been authenticated under this Indenture.

The Trustee shall, upon a written order of the Company signed by an Officer (an "*Authentication Order*"), together with an Officers' Certificate and an Opinion of Counsel, authenticate Securities for original issue in the aggregate principal amount stated in the Authentication Order. The Officers' Certificate and Opinion of Counsel shall each state that all conditions precedent provided for or relating to the issuance of such Securities have been complied with.

If all of the Securities of a series are not to be originally issued at the same time, then the documents required to be delivered pursuant to this Section 2.05 must be delivered only once, prior to the authentication and delivery of the first Security of such series; *provided, however*, that any subsequent request by the Company to the Trustee to authenticate additional Securities of such series upon original issuance shall constitute a representation and warranty by the Company that, as of the date of such request, the statements made in the Officers' Certificate delivered pursuant to this Section 2.05 shall be true and correct as if made on such date and that all the conditions precedent, if any, provided for in this Indenture or the terms of the Securities of such series relating to the authentication and delivery of additional Securities of such series have been complied with.

The Trustee may appoint an authenticating agent acceptable to the Company to authenticate Securities. An authenticating agent may authenticate Securities whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as an Agent to deal with Holders or an Affiliate of the Company.

Notwithstanding the foregoing, if any Security shall have been authenticated and delivered hereunder but never issued and sold by the Company, and the Company shall deliver such Security to the Trustee for cancellation as provided in Section 2.13 together with a written statement stating that such Security has never been issued and sold by the Company, for all purposes of this Indenture such Security shall be deemed never to have been authenticated and delivered hereunder and shall not be entitled to the benefits of this Indenture.

The Company shall, in accordance with Section 4.02, maintain an office or agency where Securities may be presented for registration of transfer or for exchange ("*Registrar*"), (if Securities of any series are convertible) an office or agency where Securities may be presented for conversion ("*Conversion Agent*"), and an office or agency where Securities may be presented for payment ("*Paying Agent*"). The Registrar shall keep a register of the Securities and of their transfer and exchange. The Company may appoint one or more co-registrars, one or more additional paying agents and one or more Conversion Agents. The term "*Registrar*" includes any co-registrar, the term "*Paying Agent*" includes any additional paying agent and the term "*Conversion Agent*" includes any additional Conversion Agent. The Company may change any Paying Agent or Registrar without notice to any Holder. The Company shall promptly notify the Trustee in writing of the name and address of any Agent not a party to this Indenture. If the Company fails to appoint or maintain another entity as Registrar or Paying Agent or, if the Securities of any series are convertible, a Conversion Agent, the Trustee shall act as such. The Company or any of its Subsidiaries may act as Paying Agent, Conversion Agent or Registrar.

The Company initially appoints The Depository Trust Company to act as Depository with respect to the Global Securities.

The Company initially appoints the Trustee to act as the Registrar and Paying Agent with respect to the Securities and to act as Custodian with respect to the Global Securities.

Section 2.07 PAYING AGENT TO HOLD MONEY IN TRUST.

The Company shall require each Paying Agent other than the Trustee to agree in writing that the Paying Agent will hold in trust for the benefit of Holders or the Trustee all money held by the Paying Agent for the payment of principal, premium, if any, or interest on the Securities or other payment in respect of the Securities or otherwise held by it as Paying Agent, and will notify the Trustee of any default by the Company in making any such payment when due. While any such default continues, the Trustee may require a Paying Agent to pay all money held by it to the Trustee. The Company at any time may require a Paying Agent to pay all money held by it to the Trustee. Upon payment over to the Trustee, the Paying Agent (if other than the Company or a Subsidiary) shall have no further liability for the money. If the Company or a Subsidiary acts as Paying Agent, it shall segregate and hold in a separate trust fund for the benefit of the Holders all money held by it as Paying Agent. Upon any bankruptcy or reorganization proceedings relating to the Company, the Trustee shall serve as Paying Agent for the Securities.

Section 2.08 HOLDER LISTS.

(a) The Company shall furnish or cause to be furnished to the Trustee, semiannually, and at such other times as the Trustee may request in writing, within 30 days after receipt by the Company of any such request (or such lesser time as the Trustee may reasonably request in order to enable it to timely provide any notice to be provided by it hereunder), a list in such form as the Trustee may reasonably require of the names and addresses of the Holders as of a date not more than 15 days (or such other date as the Trustee may reasonably request in order to so provide any such notices) prior to the time such information is furnished, except that no such list need be furnished so long as the Trustee is acting as Registrar. In addition, the Trustee and the Company shall comply with TIA § 312.

(b) The Trustee shall preserve, in as current a form as is reasonably practicable, all information as to the names and addresses of the Holders contained in the most recent list furnished to it as provided in this Section 2.08 or maintained by the Trustee in its capacity as Registrar, if so acting. The Trustee shall destroy any list furnished to it as provided in this Section 2.08 upon receipt of a new list so furnished.

Section 2.09 TRANSFER AND EXCHANGE.

(a) Upon surrender for registration of transfer of any Physical Security of any series at the office or agency maintained pursuant to Section 4.02, the Company shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Physical Securities of the same series, of any authorized denominations and of a same aggregate principal amount and like tenor and containing identical terms and provisions.

(b) At the option of the Holder, Securities of any series (except a Security in global form) may be exchanged for other Securities of the same series, of any authorized denominations, of a same aggregate principal amount and like tenor and containing identical terms and provisions, upon surrender of the Securities to be exchanged at such office or agency. Whenever any Securities are so surrendered for exchange, the Company shall execute, and the Trustee shall authenticate and deliver, the Securities that the Holder making the exchange is entitled to receive.

(c) Notwithstanding any other provision of this Section 2.09, unless and until it is exchanged in whole or in part for Physical Securities, a Security in global form representing all or a portion of the Securities of a series may not be transferred except as a whole by the Depositary for such series to a nominee of such Depositary or by a nominee of such Depositary to such Depositary or another nominee of such Depositary or by such Depositary or any such nominee to a successor Depositary for such series or a nominee of such successor Depositary.

(d) If at any time: (i) the Depositary for the Securities of a series notifies the Company that the Depositary is unwilling or unable to continue as Depositary for the Securities of such series and a successor Depositary is not appointed within 60 days; (ii) the Depositary ceases to be registered as a clearing agency under the Exchange Act and a successor Depositary is not appointed within 60 days; or (iii) an Event of Default with respect to the Securities of such series has occurred and is continuing and any beneficial owner requests that its Securities be issued as Physical Securities; then, in such cases, the Company shall execute, and the Trustee, upon receipt of an Officers' Certificate and an Authentication Order for the authentication and delivery of Physical Securities of such series of like tenor, shall authenticate and deliver (x) in the case of clause (iii), a Physical Security of such series to such beneficial owner in a principal amount equal to the principal amount of such Securities corresponding to such beneficial owner's beneficial interest and (y) in the case of clause (i) or (ii), Physical Securities of such series to the beneficial owners of the related Securities (or a portion thereof) in an aggregate principal amount equal to the principal amount of such Global Security, in exchange for such Global Security, and upon delivery of the Global Security to the Trustee such Global Security shall be cancelled.

(e) The Company may at any time in its sole discretion determine that all (but not less than all) Securities of a series issued in global form shall no longer be represented by such a Security or Securities in global form. In such event the Company shall execute, and the Trustee, upon receipt of an Authentication Order for the authentication and delivery of Physical Securities of such series of like tenor, shall authenticate and deliver in accordance with Section 2.02(g), Physical Securities of such series of like tenor, in authorized denominations and in an aggregate principal amount equal to the principal amount of the Security or Securities of such series of like tenor in global form in exchange for such Security or Securities in global form.

(f) If specified by the Company pursuant to Section 2.02 or this Section 2.09, with respect to a series of Securities, the Depositary for such series may surrender a Security in global form of such series in exchange in whole or in part for Physical Securities of such series on such terms as are acceptable to the Company and such Depositary. Thereupon, the Company shall execute, and the Trustee shall authenticate and deliver, without service charge,

(i) to each Person specified by such Depositary a new Physical Security or Securities of the same series of like tenor, of any authorized denomination as requested by such Person in aggregate principal amount equal to and in exchange for such Person's beneficial interest in the Security in global form; and

(ii) to such Depositary a new Security in global form of like tenor in a denomination equal to the difference, if any, between the principal amount of the surrendered Security in global form and the aggregate principal amount of Physical Securities delivered to Holders thereof.

(g) Upon the exchange of a Security in global form for Physical Securities, such Security in global form shall be canceled by the Trustee. Physical Securities issued in exchange for a Security in global form pursuant to this Section shall be registered in such names and in such authorized denominations as the Depositary for such Security in global form, pursuant to instructions from its direct or Indirect Participants or otherwise, shall instruct the Trustee in writing. The Trustee shall deliver such Securities to the Persons in whose names such Securities are so registered.

(h) Whenever any Securities are surrendered for exchange, the Company shall execute, and the Trustee shall authenticate and deliver, the Securities that the Holder making the exchange is entitled to receive.

(i) All Securities issued upon any registration of transfer or upon any exchange of Securities shall be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as were the Securities surrendered upon such registration of transfer or exchange.

(j) Every Security presented or surrendered for registration of transfer or for exchange shall (if so required by the Company, the Registrar or the Trustee) be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Company, the Registrar and the Trustee duly executed by the Holder thereof or his attorney duly authorized in writing.

(k) No service charge shall be imposed by the Company, the Trustee or any Registrar for any exchange or registration of transfer of Securities, but the Company, the Trustee or any Registrar may require a Holder to pay a sum sufficient to cover any documentary, stamp or similar issue or transfer tax required by law or permitted pursuant to a supplemental indenture with respect to such Securities. None of the Company, the Trustee or any Registrar shall be required to exchange or register a transfer of any Securities surrendered for conversion or, if a portion of any Security is surrendered for conversion, such portion thereof surrendered for conversion.

(l) The Company shall not be required (i) to issue, register the transfer of or exchange Securities of any series during a period beginning at the opening of business 15 days before the day of the mailing of a notice of redemption of Securities of that series selected for redemption under Section 3.02 and ending at the close of business on the day of such mailing, or (ii) to register the transfer of or exchange any security so selected for redemption in whole or in part, except the unredeemed portion of any Security being redeemed in part.

(m) The provisions of this Section 2.09 may be modified, supplemented or superseded with respect to any series of Securities by a Board Resolution or in one or more indentures supplemental hereto.

(n) At such time as all beneficial interests in a particular Global Security have been exchanged for Physical Securities or a particular Global Security has been redeemed, repurchased or canceled in whole and not in part, each such Global Security shall be returned to or retained and canceled by the Trustee in accordance with Section 2.13 hereof. At any time prior to such cancellation, if any beneficial interest in a Global Security is exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Security or for Physical Securities, the principal amount of Securities represented by such Global Security shall be reduced accordingly and an endorsement shall be made on such Global Security by the Trustee or by the Depository at the direction of the Trustee to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Security, such other Global Security shall be increased accordingly and an endorsement shall be made on such Global Security by the Trustee or by the Depository at the direction of the Trustee to reflect such increase.

(o) Prior to due presentment for the registration of a transfer of any Security, the Trustee, any Agent and the Company may deem and treat the Person in whose name any Security is registered as the absolute owner of such Security for the purpose of receiving payment of principal of and interest on such Securities and for all other purposes, and neither the Trustee, any Agent nor the Company shall be affected by notice to the contrary.

Section 2.10 REPLACEMENT SECURITIES.

If any mutilated Security is surrendered to the Trustee or the Company or the Trustee receives evidence to its satisfaction of the destruction, loss or theft of any Security, the Company shall issue and the Trustee, upon receipt of an Authentication Order, shall authenticate a replacement Security, *provided that* if required by the Trustee or the Company, an indemnity bond must be supplied by the Holder that is sufficient in the judgment of the Trustee and the Company to protect the Company, the Trustee, any Agent and any authenticating agent from any loss that any of them may suffer if a Security is replaced. The Company may charge for its expenses in replacing a Security.

Every replacement Security is an obligation of the Company and will be entitled to all of the benefits of this Indenture equally and proportionately with all other Securities duly issued hereunder.

Section 2.11 OUTSTANDING SECURITIES.

For purposes of this Indenture and the Securities, except as otherwise specified in any Security of any series or supplemental indenture with respect to such Securities, any Security authenticated and delivered under this Indenture shall, as of any date of determination, be deemed to be “*outstanding*” except:

(i) Securities theretofore cancelled by the Trustee or delivered to the Trustee for cancellation or reductions in the interest in any Global Security effected by the Trustee in accordance with the provisions hereof;

(ii) Securities for the payment or redemption of which money or U.S. Government Obligations in the necessary amount has been theretofore deposited with the Trustee or any Paying Agent (other than the Company) in trust or set aside and segregated in trust by the Company (if the Company acts as its own Paying Agent) for the Holders of such Securities; *provided, however*, that, if such Securities are to be redeemed, notice of such redemption has been duly given pursuant to this Indenture or provision therefore satisfactory to the Trustee has been made;

(iii) Securities that have been paid pursuant to Section 4.01; and

(iv) Securities that have been replaced pursuant to Section 2.10, other than any such Securities in respect of which there shall have been presented to the Trustee proof satisfactory to it that such Securities are held by a protected purchaser (as defined in Article 8 of the Uniform Commercial Code as in effect from time to time in the State of New York) in whose hands such Securities are valid obligations of the Company;

provided, however, that in determining whether the Holders of the requisite principal amount of the outstanding Securities have given or concurred with any request, demand, authorization, direction, notice, consent or waiver hereunder, Securities owned by the Company or any other obligor upon the Securities or any Subsidiary of the Company or of such other obligor shall be disregarded and deemed not to be outstanding, except that, for purposes of determining whether the Trustee shall be protected in relying upon any such request, demand, authorization, direction, notice, consent or waiver, only Securities that the Trustee knows to be so owned shall be so disregarded. Securities so owned that have been pledged in good faith may be regarded as outstanding if the pledgee establishes to the satisfaction of the Trustee the pledgee's right so to act with respect to such Securities and that the pledgee is not the Company or any other obligor upon the Securities or any Affiliate of the Company or of such other obligor.

Section 2.12 TEMPORARY SECURITIES.

Until certificates representing Securities are ready for delivery, the Company may prepare and the Trustee, upon receipt of an Authentication Order, shall authenticate temporary Securities. Temporary Securities shall be substantially in the form of Physical Securities but may have variations that the Company considers appropriate for temporary Securities and as shall be reasonably acceptable to the Trustee. Without unreasonable delay, the Company shall prepare and the Trustee shall authenticate definitive Securities in exchange for temporary Securities.

Holders of temporary Securities will be entitled to all of the benefits of this Indenture.

Section 2.13 PURCHASE AND CANCELLATION.

The Company shall cause all Securities surrendered for payment, repurchase, registration of transfer or exchange or conversion, if surrendered to any Person other than the Trustee (including any of the Company's Agents, Subsidiaries or Affiliates), to be delivered to the Trustee for cancellation. All Securities delivered to the Trustee shall be canceled promptly by the Trustee. No Securities shall be authenticated in exchange for any Securities cancelled, as provided herein. The Company may, to the extent permitted by law, and directly or indirectly (regardless of whether such Securities are surrendered to the Company), repurchase Securities in the open market or otherwise, without giving prior notice to Holders, whether by the Company or the Company's Subsidiaries or through a private or public tender or exchange offer or through counterparties to private agreements, including by cash-settled swaps or other derivatives. The Company may cause any Securities so repurchased (other than Securities repurchased pursuant to cash-settled swaps or other derivatives) to be surrendered to the Trustee for cancellation in accordance with this Section 2.13 and any such Securities shall no longer be considered outstanding under this Indenture upon such repurchase. Any Securities surrendered for cancellation by the Company shall not be reissued or resold.

Section 2.14 DEFAULTED INTEREST.

If the Company defaults in a payment of interest on the Securities, it shall pay the defaulted interest in any lawful manner to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Securities. The Company shall notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Security and the date of the proposed payment. The Company shall fix or cause to be fixed each such special record date and payment date, *provided, however*, that no such special record date shall be less than 10 days prior to the related payment date for such defaulted interest. At least 15 days before the special record date, the Company (or, upon the written request of the Company, the Trustee in the name and at the expense of the Company) shall mail or cause to be mailed to Holders a notice that states the special record date, the related payment date and the amount of such interest to be paid. Except as otherwise expressly provided in Section 2.03 or a supplemental indenture with respect to such Securities, in the case of any Security (or any part thereof) that is converted, interest payable on an Interest Payment Date after the date of conversion of such Security (or such part thereof) shall not be payable. Subject to the foregoing provisions of this Section, each Security delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Security shall carry the rights to interest accrued and unpaid, and to accrue, that were carried by such other Security.

Section 2.15 BOOK-ENTRY PROVISIONS FOR GLOBAL SECURITIES.

(a) Except as otherwise specified in any Security of any series or supplemental indenture with respect to such Securities, the Securities of each series issued hereunder shall initially be issued in the form of one or more Global Securities without interest coupons (i) registered in the name of Cede & Co., as nominee of the Depositary and (ii) delivered to the Trustees as custodian for the Depositary.

(b) Members of, or participants in, the Depositary (“*Agent Members*”) shall have no rights under this Indenture with respect to any Global Security held on their behalf by the Depositary, or the Trustee as its custodian, or under the Global Security, and Cede & Co., or such other Person designated by the Depositary as its nominee, may be treated by the Company, the Trustee and any agent of the Company or the Trustee as the absolute owner of the Global Security for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Company, the Trustee or any agent of the Company or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depositary or impair, as between the Depositary and its Agent Members, the operation of customary practices governing the exercise of the rights of any Holder.

(c) The Holder of Global Securities may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action that a Holder is entitled to take under this Indenture or the Securities.

(d) A legend in substantially the following form shall appear on the face of all Global Securities:

THIS SECURITY IS A GLOBAL SECURITY WITHIN THE MEANING OF THE INDENTURE HEREINAFTER REFERRED TO AND IS REGISTERED IN THE NAME OF A DEPOSITARY OR A NOMINEE OF A DEPOSITARY. THIS SECURITY IS EXCHANGEABLE FOR SECURITIES REGISTERED IN THE NAME OF A PERSON OTHER THAN THE DEPOSITARY OR ITS NOMINEE ONLY IN THE LIMITED CIRCUMSTANCES DESCRIBED IN THE INDENTURE, AND NO TRANSFER OF THIS SECURITY (OTHER THAN A TRANSFER OF THIS SECURITY AS A WHOLE BY THE DEPOSITARY TO A NOMINEE OF THE DEPOSITARY OR BY A NOMINEE OF THE DEPOSITARY TO THE DEPOSITARY OR ANOTHER NOMINEE OF THE DEPOSITARY) MAY BE REGISTERED EXCEPT IN LIMITED CIRCUMSTANCES.

UNLESS THIS SECURITY IS PRESENTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITARY TRUST COMPANY, A NEW YORK CORPORATION ("DTC"), TO THE COMPANY OR ITS AGENT FOR REGISTRATION OF TRANSFER, EXCHANGE OR PAYMENT, AND ANY SECURITY ISSUED IS REGISTERED IN THE NAME OF CEDE & CO. OR IN SUCH OTHER NAME AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF DTC (AND ANY PAYMENT HEREON IS MADE TO CEDE & CO. OR TO SUCH OTHER ENTITY AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF DTC), ANY TRANSFER, PLEDGE OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL INASMUCH AS THE REGISTERED OWNER HEREOF, CEDE & CO., HAS AN INTEREST HEREIN.

ARTICLE 3

REDEMPTION AND PREPAYMENT

Section 3.01 APPLICABILITY OF ARTICLE.

The provisions of this Article are applicable to the Securities of any series that are redeemable before their maturity except as otherwise contemplated by Section 2.02 for Securities of such series or in any supplemental indenture with respect to such Securities.

Section 3.02 SELECTION OF SECURITIES TO BE REDEEMED.

If less than all of the Securities of any series are to be redeemed at any time, the Trustee will select the Securities of such series to be redeemed among the Holders of the Securities of such series in compliance with the requirements of the principal national securities exchange, if any, on which the Securities of such series are listed or, if the Securities of such series are not so listed, and except as may be otherwise specified in a supplemental indenture with respect to the Securities of such series, by lot or by such other method as the Trustee deems fair and appropriate; *provided, however*, that no Securities of \$1,000 or less shall be redeemed in part. In the event of partial redemption by lot, the particular Securities of such series to be redeemed shall be selected, unless otherwise provided herein or in the Securities of such series or in a supplemental indenture with respect to such Securities or otherwise agreed by the Company and the Trustee, by the Trustee from the outstanding Securities of the series not previously called for redemption.

The Trustee shall promptly notify the Company in writing of the Securities selected for redemption and, in the case of any Security selected for partial redemption, the principal amount thereof to be redeemed. Securities and portions of Securities selected shall be in amounts of \$1,000 or whole multiples of \$1,000; except that if all of the Securities of a series of a Holder are to be redeemed, the entire outstanding amount of Securities of such series held by such Holder, even if not a multiple of \$1,000, shall be redeemed. A new Security of the same series in principal amount equal to the unredeemed portion thereof shall be issued in the name of the Holder thereof upon cancellation of the original Security. Securities called for redemption shall become due on the redemption date. On and after the redemption date, interest will cease to accrue on the Securities or portions of them called for redemption. Except as provided in this Section 3.02, provisions of this Indenture that apply to Securities called for redemption shall also apply to portions of Securities called for redemption.

Section 3.03 NOTICE OF REDEMPTION.

At least 30 days but not more than 60 days before a redemption date, the Company shall mail or cause to be mailed, by first class mail, a notice of redemption to each Holder whose Securities are to be redeemed at its registered address.

The notice shall identify the Securities to be redeemed, including the series thereof, and shall state:

- (i) the redemption date;
- (ii) the redemption price;
- (iii) the name and address of the Paying Agent;
- (iv) that Securities called for redemption must be surrendered to the Paying Agent to collect the redemption price;

(v) that, unless the Company defaults in making such redemption payment, interest on Securities called for redemption will cease to accrue on and after the redemption date;

(vi) as to any Security being redeemed in part, the portion of the principal amount of such Security to be redeemed and that, after the redemption date upon surrender of such Security, a new Security or Securities of the same series in principal amount equal to the unredeemed portion shall be issued upon cancellation of the original;

(vii) the paragraph of the Securities and/or Section of this Indenture, any supplemental indenture with respect to such Securities or any Securities pursuant to which the Securities called for redemption are being redeemed; and

(viii) that no representation is made as to the correctness or accuracy of the CUSIP number, if any, listed in such notice or printed on the Securities.

At the Company's request, the Trustee shall give the notice of redemption in the Company's name and at the Company's expense; *provided, however*, that the Company shall have delivered to the Trustee, at least 45 days prior to the redemption date (unless a shorter period is satisfactory to the Trustee), an Officers' Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph.

Section 3.04 EFFECT OF NOTICE OF REDEMPTION.

Once notice of redemption is mailed in accordance with Section 3.03 hereof, Securities called for redemption become irrevocably due and payable on the redemption date at the redemption price.

Section 3.05 DEPOSIT OF REDEMPTION PRICE.

No later than 12:00 p.m. (noon), Eastern Time, on any redemption date, the Company shall deposit with the Trustee or with the Paying Agent (or if the Company is acting as Paying Agent, the Company shall segregate and hold in trust for the Persons entitled to such sums) money in immediately available funds sufficient to pay the redemption price of and accrued interest, if any, on all Securities to be redeemed on that date. The Trustee or the Paying Agent shall promptly return to the Company any money deposited with the Trustee or the Paying Agent by the Company in excess of the amounts necessary to pay the redemption price of, and accrued interest on, all Securities to be redeemed.

Section 3.06 SECURITIES REDEEMED OR PURCHASED IN PART.

Upon surrender of a Security that is redeemed in part, the Company shall issue and, upon the Company's written request, the Trustee shall authenticate for the Holder at the expense of the Company a new Security of the same series equal in principal amount to the unredeemed portion of the Security surrendered.

Section 3.07 MANDATORY REDEMPTION; SINKING FUND.

The Company shall not be required to make mandatory redemption or sinking fund payments with respect to the Securities, unless otherwise specified in the terms of a particular series of Securities or in a supplemental indenture with respect to such Securities.

ARTICLE 4

COVENANTS

Section 4.01 PAYMENT OF SECURITIES.

The Company shall pay or cause to be paid the principal of, premium, if any, and interest on the Securities on the dates and in the manner provided in the Securities. Principal, premium, if any, and interest shall be considered paid on the date due if the Paying Agent, if other than the Company or a Subsidiary thereof, holds as of 12:00 p.m. (noon), Eastern Time, on the due date money deposited by the Company in immediately available funds and designated for and sufficient to pay all principal, premium, if any, and interest then due. If the Company is the Paying Agent, principal, premium, if any, and interest shall be considered paid on the date due if it has segregated and held in trust for the benefit of the Persons entitled thereto a sum sufficient to pay the principal, premium, if any, and interest so becoming due until such sums are paid to such Persons.

Section 4.02 MAINTENANCE OF OFFICE OR AGENCY.

In satisfaction of Section 2.06, the Company shall maintain a Registrar or co-Registrar, which shall be an office or agency (and which may be an office of the Trustee or an affiliate of the Trustee) where Securities may be surrendered for registration of transfer, or for exchange, and where notices and demands to or upon the Company in respect of the Securities and this Indenture may be served. The Company shall maintain a Paying Agent (which may be an office of the Trustee or an affiliate of the Trustee or the Registrar or a co-Registrar) where Securities may be surrendered for payment. If, but only if, Securities of any series are convertible, the Company shall maintain a Conversion Agent (which may be an office of the Trustee or the Registrar or a co-Registrar or the Paying Agent) where such Securities may be surrendered for conversion. The Company shall give prompt written notice to the Trustee of the location, and any change in the location, of any such office or agency. If at any time the Company shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Trustee's principal agency, which currently is located at _____.

The Company may also from time to time designate one or more other offices or agencies where the Securities may be presented or surrendered for any or all such purposes and may from time to time rescind such designations. The Company shall give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

Section 4.03 REPORTING REQUIREMENT.

The Company shall file with the Trustee within 15 days after the Company is required to file the same with the SEC (after giving effect to any grace period afforded to the Company pursuant to Rule 12b-25 under the Exchange Act), copies of the annual reports and of the information, documents and other reports, and such summaries thereof, as may be required pursuant to the TIA at the times and in the manner provided pursuant to the TIA (or copies of such portions of any of the foregoing as the SEC may from time to time by rules and regulations prescribe) that the Company is required to file with the SEC pursuant to Section 13 or 15(d) of the Exchange Act.

Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates). Any such document or report that the Company files with the SEC via the EDGAR system shall be deemed to be filed with the Trustee for purposes of this Section 4.03 as of the time such documents are filed via the EDGAR system.

Section 4.04 COMPLIANCE CERTIFICATE.

The Company will deliver to the Trustee, within 120 days after the end of each fiscal year of the Company ending after the date hereof, an Officers' Certificate, stating whether or not to the best knowledge of the signers thereof the Company is in default in the performance and observance of any of the terms, provisions and conditions of this Indenture (without regard to any period of grace or requirement of notice provided hereunder) and, if the Company shall be in default, specifying all such defaults and the nature and status thereof of which they may have knowledge.

Section 4.05 EXISTENCE.

Subject to Article 5 hereof, the Company shall do or cause to be done all things necessary to preserve and keep in full force and effect its existence and rights (charter and statutory rights) as a corporation; *provided, however*, that the Company shall not be required to preserve any such right as a corporation, if the Board of Directors shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Company, taken as a whole, and that the loss thereof is not adverse in any material respect to the Holders of the Securities.

Section 4.06 NO SENIOR SUBORDINATED DEBT.

Notwithstanding any provision hereof, the Company shall not incur, create, issue, assume, guarantee or otherwise become liable directly or indirectly for any Indebtedness that is both contractually subordinate or junior in right of payment to any Senior Debt of the Company and senior in any respect in right of payment to the Securities. Indebtedness is not "contractually subordinate or junior" to other Indebtedness for purposes of this covenant solely because the Indebtedness is secured.

ARTICLE 5

SUCCESSOR COMPANY

Section 5.01 CONSOLIDATION, MERGER AND SALE OF ASSETS.

The Company shall not consolidate with or merge with or into, or sell, transfer, lease or otherwise convey all or substantially all of its consolidated assets to, another Person, unless:

(a) the resulting, surviving or transferee Person (if not the Company) (the "*Successor Company*") is a corporation organized and existing under the laws of the United States, any State thereof or the District of Columbia and such Successor Company (if not the Company) expressly assumes by supplemental indenture all of the Company's obligations under the Securities and this Indenture;

(b) immediately after giving effect to such transaction (and treating such resulting, surviving or transferee Person as the Company for all such purposes hereunder), no Default or Event of Default shall occur and be continuing under this Indenture; and

(c) the Company delivers to the Trustee the Officers' Certificate and Opinion of Counsel pursuant to Section 5.03.

For purposes of this Section 5.01, the sale, conveyance, transfer or lease of all or substantially all of the properties and assets of one or more Subsidiaries of the Company to another Person that is not a Subsidiary of the Company, which properties and assets, if held by the Company instead of such Subsidiaries, would constitute all or substantially all of the properties and assets of the Company on a consolidated basis, shall be deemed to be the sale, conveyance, transfer or lease of all or substantially all of the properties and assets of the Company to another Person.

Section 5.02 SUCCESSOR PERSON SUBSTITUTED.

In the case of any consolidation, merger, sale, transfer, lease or other conveyance pursuant to Section 5.01 in which the Company is not the Successor Company, and upon the assumption by the Successor Company, by supplemental indenture, executed and delivered to the Trustee, of the due and punctual payment of the principal of and interest on all of the then outstanding Securities, and the due and punctual performance and observance of all of the covenants and conditions of this Indenture to be performed or satisfied by the Company, such Successor Company shall succeed to, and be substituted for, and may exercise every right and power of, the Company, with the same effect as if it had been named herein as the party of the first part, and the Company shall be discharged from its obligations under the terms of the Securities and this Indenture, except in the case of a lease of all or substantially all of the Company's properties and assets. Such Successor Company thereupon may cause to be signed, and may issue either in its own name or in the name of the Company any or all of the Securities issuable hereunder that theretofore shall not have been signed by the Company and delivered to the Trustee; and, upon the order of such Successor Company instead of the Company and subject to all the terms, conditions and limitations in this Indenture prescribed, the Trustee shall authenticate and shall deliver, or cause to be authenticated and delivered, any Securities that previously shall have been signed and delivered by the Officers of the Company to the Trustee for authentication, and any Securities that such Successor Company thereafter shall cause to be signed and delivered to the Trustee for that purpose. All the Securities so issued shall in all respects rank equally and have the same benefit under this Indenture as the Securities theretofore or thereafter issued in accordance with the terms of this Indenture as though all of such Securities had been issued at the date of the execution hereof. In the event of any such consolidation, merger, sale, transfer or conveyance (but not in the case of a lease) upon compliance with this Article 5 the Person named as the "Company" in the first paragraph of this Indenture or any successor that shall thereafter have become such in the manner prescribed in this Article 5 shall be discharged from its liabilities as obligor and maker of the Securities and from its obligations under this Indenture.

In case of any such consolidation, merger, sale, transfer, or other conveyance or lease, such changes in phraseology and form (but not in substance) may be made in the Securities thereafter to be issued as may be appropriate.

Section 5.03 OPINION OF COUNSEL TO BE GIVEN TO TRUSTEE.

Prior to execution of any supplemental indenture pursuant to this Article 5, the Trustee shall receive an Officers' Certificate and an Opinion of Counsel in accordance with Section 14.05 as conclusive evidence that any such consolidation, merger, sale, transfer, or other conveyance or lease, and any such assumption by the Successor Company of the obligations of the Company hereunder, complies with the provisions of this Article 5.

ARTICLE 6

EVENTS OF DEFAULT

Section 6.01 EVENTS OF DEFAULT.

Except as may otherwise be provided in the Securities of any series or a supplemental indenture with respect to such Securities, an "Event of Default," with respect to Securities of any series shall have occurred if:

- (a) the Company defaults in the payment of principal of any Security of that series when due and payable on the Maturity Date with respect thereto;
- (b) the Company fails to pay an installment of interest on any Security of that series when due, if such failure continues for 30 days after the date when due;
- (c) upon exercise of a Holder's conversion right with respect to any Security of that series in accordance with Article 13, the Company fails to deliver, or cause the Trustee to deliver, to such Holder the full amount of conversion consideration deliverable in respect of the Securities surrendered for conversion when due, in accordance with this Indenture and the terms of such Securities;
- (d) the Company fails to comply with its obligations under Section 5.01(a) and (b) and Section 5.02;
- (e) the Company fails to comply with any other covenant or agreement contained in the terms of the Securities of that series or this Indenture, if such failure is not cured within 90 days after notice to the Company by the Trustee or to the Trustee and the Company by Holders of at least 25% in aggregate principal amount of the then outstanding Securities of all series affected by that failure, treating those series as a single class, in accordance with this Indenture, other than a covenant or agreement with respect to which a failure to observe or perform is otherwise expressly provided for in this Indenture or is expressly included in this Indenture solely for the benefit of a series of the Securities other than such series of Securities;
- (f) default (i) in any scheduled payment of principal of any Indebtedness of the Company or any of its Subsidiaries (other than the outstanding Securities of that series and other than non-recourse Indebtedness), aggregating more than \$10,000,000 in principal amount, when due and payable after giving effect to any applicable grace period or (ii) in the performance of any other term or provision of any Indebtedness of the Company or any of its Subsidiaries (other than the outstanding Securities of that series and other than non-recourse Indebtedness) in excess of \$10,000,000 principal amount that results in such Indebtedness becoming or being declared due and payable before the date on which it would otherwise become due and payable, and such acceleration is not rescinded or annulled, or such Indebtedness is not discharged, within a period of 20 days after there has been given, by registered or certified mail, to the Company by the Trustee or to the Company and the Trustee by the Holders of at least 25% in principal amount of the outstanding Securities of all series, treating those series as a single class, a written notice specifying such default(s) and stating that such notice is a "Notice of Default" under this Indenture;

(g) one or more final, non-appealable judgments against the Company or any of its Subsidiaries, the aggregate uninsured portion of which is at least \$5,000,000, if such judgments are not paid or discharged within 120 days;

(h) the Company shall commence a voluntary case or other proceeding seeking liquidation, reorganization or other relief with respect to the Company or its debts under any bankruptcy, insolvency or other similar law now or hereafter in effect or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official of the Company, or shall consent to any such relief or to the appointment of or taking possession by any such official in an involuntary case or other proceeding commenced against it, or shall make a general assignment for the benefit of creditors, or admits, in writing, its inability to pay its debts as they become due; or

(i) an involuntary case or other proceeding shall be commenced against the Company seeking liquidation, reorganization or other relief with respect to the Company or its debts under any bankruptcy, insolvency or other similar law now or hereafter in effect or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official of the Company, and such involuntary case or other proceeding shall remain undismissed and unstayed for a period of 90 consecutive days.

Section 6.02 ACCELERATION; RESCISSION AND ANNULMENT.

In case one or more Events of Default shall have occurred and be continuing with respect to one or more series of Securities then, and in each and every such case (other than an Event of Default specified in Section 6.01(h) or Section 6.01(i)), unless the principal of all of the Securities of all series with respect to which an Event or Events of Default shall have occurred, shall have already become due and payable, either the Trustee or the Holders of at least 25% in aggregate principal amount of the then outstanding Securities of all series affected by that failure, treating those series as a single class, by notice in writing to the Company (and to the Trustee if given by Holders), may, and the Trustee at the request of Holders of at least 25% in aggregate principal amount of the then outstanding Securities of all series affected by that failure, treating those series as a single class, shall, declare 100% of the principal of, and any accrued and unpaid interest on, all of such outstanding Securities to be due and payable immediately, and upon any such declaration the same shall become and shall automatically be due and payable immediately, notwithstanding any provision in this Indenture or in the terms of the Securities to the contrary. In the case of an Event of Default specified in Section 6.01(h) or Section 6.01(i), the principal of, and accrued and unpaid interest, if any, on, all outstanding Securities shall automatically become due and payable immediately.

The immediately preceding paragraph, however, is subject to the conditions that if, at any time after the principal of and interest on the outstanding Securities of any series shall have been so declared due and payable, and before any judgment or decree for the payment of the monies due shall have been obtained or entered as hereinafter provided, (1) the Company shall pay or shall deposit with the Trustee a sum sufficient to pay installments of accrued and unpaid interest upon all outstanding Securities of such series and the principal of any and all outstanding Securities of such series that shall have become due otherwise than by acceleration (with interest on overdue installments of accrued and unpaid interest to the extent that payment of such interest is enforceable under applicable law, and on such principal, at the rate borne by the outstanding Securities plus one percent at such time) and amounts due to the Trustee pursuant to Section 7.06, and (2) rescission would not conflict with any order or decree of a court of competent jurisdiction and (3) any and all existing Events of Default under this Indenture with respect to the Securities of such series, other than the nonpayment of the principal of and accrued and unpaid interest, if any, on such Securities that shall have become due solely by such acceleration, shall have been cured or waived pursuant to Section 6.09, then and in every such case the Holders of a majority in aggregate principal amount of the then outstanding Securities of all series affected by that failure, treating those series as a single class may, by written notice to the Company and to the Trustee, rescind and annul any consequence of any such Default or Event of Default, including, without limitation, acceleration of the obligations, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such rescission and annulment shall extend to or shall affect any subsequent Default or Event of Default, or shall impair any right consequent thereon.

Section 6.03 ADDITIONAL INTEREST.

Notwithstanding any provisions of this Indenture to the contrary, if the Company so elects, the sole remedy for an Event of Default relating to (i) its failure to file with the Trustee pursuant to Section 314(a)(1) of the Trust Indenture Act any documents or reports that it is required to file with the SEC pursuant to Section 13 or 15(d) of the Exchange Act or (ii) its failure to comply with its reporting obligations set forth in Section 4.03, shall for the 180 days after the occurrence of such an Event of Default consist exclusively of the right to receive additional interest on the Securities at a rate equal to 0.25% per annum of the principal amount of the outstanding Securities (“*Additional Interest*”) for each day during the 90-day period beginning on, and including, the occurrence of such an Event of Default during which such Event of Default is continuing, which Additional Interest rate shall be increased by an additional 0.25% per annum, on the 91st day after the occurrence of such Event of Default (if such Event of Default is not cured or waived prior to such 91st day); *provided* that the rate at which such Additional Interest accrues may in no event exceed 0.50% per annum. If the Company elects to pay Additional Interest on account of such an Event of Default, such Additional Interest shall be payable in the same manner and on the same dates as the stated interest payable on the Securities. On the 181st day after such Event of Default occurs (if such Event of Default is not cured or waived on or prior to such 181st day), the Securities shall be subject to acceleration as provided in Section 6.02. This Section 6.03 shall not affect the rights of Holders of Securities in the event of the occurrence of any other Event of Default. In the event the Company does not elect to pay Additional Interest following an Event of Default in accordance with this Section 6.03, the Securities shall be subject to acceleration as provided in Section 6.02.

In order to elect to pay Additional Interest as the sole remedy during the first 180 days after the occurrence of an Event of Default described in the immediately preceding paragraph, the Company must give notice to Holders of the Securities, the Trustee and the Paying Agent of such election prior to the 91st day after the occurrence of such Event of Default. Upon the Company's failure to timely give all Holders, the Trustee and the Paying Agent such notice, the Securities shall be immediately subject to acceleration as provided in Section 6.02.

Section 6.04 PAYMENTS OF SECURITIES ON DEFAULT; SUIT THEREFOR.

If an Event of Default described in clause (a) or (b) of Section 6.01 shall have occurred with respect to the Securities of any series, the Company shall, upon demand of the Trustee, pay to it, for the benefit of the Holders of such Securities, the whole amount then due and payable on the Securities of such series for principal and interest, if any, with interest on any overdue principal and interest, if any, at the rate borne by such Securities plus one percent at such time, and, in addition thereto, such further amount as shall be sufficient to cover any amounts due to the Trustee under Section 7.06. If the Company shall fail to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may institute a judicial proceeding for the collection of the sums so due and unpaid, may prosecute such proceeding to judgment or final decree and may enforce the same against the Company or any other obligor upon the Securities of such series and collect the moneys adjudged or decreed to be payable in the manner provided by law out of the property of the Company or any other obligor upon such Securities, wherever situated.

In the event there shall be pending proceedings for the bankruptcy or for the reorganization of the Company or any other obligor on the Securities under title 11 of the United States Code, or any other applicable law, or in case a receiver, assignee or trustee in bankruptcy or reorganization, liquidator, sequesteror or similar official shall have been appointed for or taken possession of the Company or such other obligor, the property of the Company or such other obligor, or in the event of any other judicial proceedings relative to the Company or such other obligor upon the Securities, or to the creditors or property of the Company or such other obligor, the Trustee, irrespective of whether the principal of the Securities shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Trustee shall have made any demand pursuant to the provisions of this Section 6.04, shall be entitled and empowered, by intervention in such proceedings or otherwise, to file and prove a claim or claims for the whole amount of principal and accrued and unpaid interest, if any, in respect of the Securities, and, in case of any judicial proceedings, to file such proofs of claim and other papers or documents and to take such other actions as it may deem necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and of the Holders of the Securities of any series allowed in such judicial proceedings relative to the Company or any other obligor on the Securities, its or their creditors, or its or their property, and to collect and receive any monies or other property payable or deliverable on any such claims, and to distribute the same after the deduction of any amounts due the Trustee under Section 7.06; and any receiver, assignee or trustee in bankruptcy or reorganization, liquidator, custodian or similar official is hereby authorized by each of the Holders to make such payments to the Trustee, as administrative expenses, and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for reasonable compensation, expenses, advances and disbursements, including reasonable agents and counsel fees, and including any other amounts due to the Trustee under Section 7.06, incurred by it up to the date of such distribution. To the extent that such payment of reasonable compensation, expenses, advances and disbursements out of the estate in any such proceedings shall be denied for any reason, payment of the same shall be secured by a lien on, and shall be paid out of, any and all distributions, dividends, monies, securities and other property that the Holders may be entitled to receive in such proceedings, whether in liquidation or under any plan of reorganization or arrangement or otherwise.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Securities of any series or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

All rights of action and of asserting claims under this Indenture, or under any of the Securities, may be enforced by the Trustee without the possession of any of the Securities, or the production thereof at any trial or other proceeding relative thereto, and any such suit or proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Holders.

In any proceedings brought by the Trustee with respect to the Securities of any series (and in any proceedings involving the interpretation of any provision of this Indenture to which the Trustee shall be a party) the Trustee shall be held to represent all the Holders of the Securities affected thereby, and it shall not be necessary to make any Holders parties to any such proceedings.

In case the Trustee shall have proceeded to enforce any right under this Indenture and such proceedings shall have been discontinued or abandoned because of any waiver or rescission and annulment or for any other reason or shall have been determined adversely to the Trustee, then and in every such case the Company, the Holders, and the Trustee shall, subject to any determination in such proceeding, be restored respectively to their several positions and rights hereunder, and all rights, remedies and powers of the Company, the Holders, and the Trustee shall continue as though no such proceeding had been instituted.

Section 6.05 APPLICATION OF MONIES COLLECTED BY TRUSTEE.

If the Trustee collects any money or other property pursuant to this Article, it shall pay out the money or other property in the following order:

First: to the Trustee, its agents and attorneys for amounts due under Section 7.06 hereof, including payment of all compensation, expense and liabilities incurred, and all advances made, by the Trustee and the costs and expenses of collection;

Second: to Holders of Securities for amounts due and unpaid on the Securities for principal, premium, if any, interest and any other amounts, ratably, without preference or priority of any kind, according to the amounts due and payable on the Securities for principal, premium, if any, interest and other amounts, respectively; and

Third: to the Company or to such party as a court of competent jurisdiction shall direct.

The Trustee may fix a record date and payment date for any payment to Holders of Securities pursuant to this Section 6.05.

Section 6.06 PROCEEDINGS BY HOLDERS.

Except to enforce the right to receive payment of principal or interest when due, or the right to receive payment or delivery of the consideration due upon conversion, the Holder of a Security shall have the right to institute a suit, action or proceeding in equity or at law upon or under or with respect to this Indenture, or for the appointment of a receiver, trustee, liquidator, custodian or other similar official, or for any other remedy hereunder, if (and only if):

- (a) such Holder previously shall have given to the Trustee written notice of an Event of Default with respect to such Securities and of the continuance thereof, as herein provided;
- (b) Holders of at least 25% in aggregate principal amount of the then outstanding Securities of all series with respect to which such Event of Default has occurred and is continuing, treating those series as a single class, shall have made written request upon the Trustee to institute such action, suit or proceeding in its own name as Trustee hereunder;
- (c) such Holder or Holders shall have offered, and, if requested, provided, to the Trustee such indemnity reasonably satisfactory to it against any loss, liability or expense to be incurred therein or thereby; and
- (d) the Trustee shall have neglected or refused to institute any such action, suit or proceeding for 60 days after its receipt of such notice, request and offer of indemnity and does not receive, during those 60 days, from Holders of a majority in aggregate principal amount of the then outstanding Securities of all series with respect to which such Event of Default has occurred and is continuing, treating those series as a single class, a direction pursuant to Section 6.09 that is inconsistent with the request, it being understood and intended, and being expressly covenanted by the taker and Holder of every Security with every other taker and Holder and the Trustee that no one or more Holders of Securities of any series shall have any right in any manner whatever by virtue of or by availing of any provision of this Indenture to affect, disturb or prejudice the rights of any other Holder, or to obtain or seek to obtain priority over or preference to any other such Holder, or to enforce any right under this Indenture, except in the manner herein provided and for the equal, ratable and common benefit of all Holders of such Securities (except as otherwise provided herein). For the protection and enforcement of this Section 6.06, each and every Holder and the Trustee shall be entitled to such relief as can be given either at law or in equity.

Notwithstanding any other provision of this Indenture and any provision of any Security, the right of any Holder to receive payment or delivery, as the case may be, of (x) the principal of, (y) accrued and unpaid interest, if any, on, and (z) the consideration due upon conversion, if any, of, such Security, on or after the respective due dates expressed or provided for in such Security or in this Indenture, or to institute suit for the enforcement of any such payment or delivery, as the case may be, on or after such respective dates against the Company shall not be impaired or affected without the consent of such Holder.

Section 6.07 PROCEEDINGS BY TRUSTEE.

In case of an Event of Default the Trustee may, in its discretion, proceed to protect and enforce the rights vested in it by this Indenture by such appropriate judicial proceedings as are necessary to protect and enforce any of such rights, either by suit in equity or by action at law or by proceeding in bankruptcy or otherwise, whether for the specific enforcement of any covenant or agreement contained in this Indenture or in aid of the exercise of any power granted in this Indenture, or to enforce any other legal or equitable right vested in the Trustee by this Indenture or by law.

Section 6.08 REMEDIES CUMULATIVE AND CONTINUING.

All powers and remedies given by this Article 6 to the Trustee or to the Holders shall, to the extent permitted by law, be deemed cumulative and not exclusive of any thereof or of any other powers and remedies available to the Trustee or the Holders, by judicial proceedings or otherwise, to enforce the performance or observance of the covenants and agreements contained in this Indenture, and no delay or omission of the Trustee or of any Holder of any Securities to exercise any right or power accruing upon any Default or Event of Default shall impair any such right or power, or shall be construed to be a waiver of any such Default or Event of Default or any acquiescence therein; and, subject to the provisions of Section 6.06, every power and remedy given by this Article 6 or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders.

Section 6.09 DIRECTION OF PROCEEDINGS AND WAIVER OF DEFAULTS BY MAJORITY HOLDERS.

The Holders of a majority in aggregate principal amount of the then outstanding Securities of all series with respect to which a Default or Event of Default has occurred, treating those series as a single class, shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee with respect to the Securities of such series; *provided, however*, that the Trustee may refuse to follow any direction that conflicts with law or this Indenture or that the Trustee determines is unduly prejudicial to the rights of any other Holder or that would involve the Trustee in personal liability. The Holders of a majority of the aggregate principal amount of the then outstanding Securities of all series with respect to which a Default or Event of Default has occurred, treating those series as a single class, may on behalf of the Holders of all of the Securities of such series, treating those series as a single class, by written notice to the Trustee and the Company, waive any Default or Event of Default with respect to such Securities hereunder except that no such waiver shall be effective as to a Default or Event of Default (i) in the payment of the principal of, or accrued and unpaid interest, if any, on the Securities, (ii) arising from a failure by the Company to pay or deliver, as the case may be, or to cause the Trustee to deliver, to converting Holders the consideration, if any, due upon conversion of the Securities in accordance with this Indenture or (iii) in respect of a covenant or provision hereof that under Article 10 cannot be modified or amended without the consent of the Holder of each outstanding Security affected unless each affected Holder consents. Upon any such waiver the Company, the Trustee and the Holders of the Securities of such series shall be restored to their former positions and rights hereunder; but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereon. Whenever any Default or Event of Default hereunder shall have been waived as permitted by this Section 6.09, said Default or Event of Default shall for all purposes of the Securities of such series and this Indenture be deemed to have been cured and to be not continuing; but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereon.

Section 6.10 NOTICE OF DEFAULTS.

The Trustee shall, within 90 days after the occurrence of a Default of which a Responsible Officer has actual knowledge, if such Default is continuing, mail to all Holders of Securities of each series with respect to which the Default has occurred, as the names and addresses of such Holders appear upon the Security Register, notice of all such Defaults known to a Responsible Officer (a “*Notice of Default*” or “*Notice of Defaults*”), unless such Defaults shall have been cured or waived before the giving of such notice; *provided* that, except in the case of a Default in the payment of the principal of, or accrued and unpaid interest on, any of the Securities or a Default in the payment or delivery, as the case may be, of the consideration, if any, due upon conversion, the Trustee shall be protected in withholding such notice if and so long as the board of directors, the executive committee or a trust committee of directors and/or Responsible Officers of the Trustee in good faith determines that the withholding of such notice is in the interests of the Holders.

Section 6.11 STATEMENTS AS TO DEFAULTS.

The Company shall deliver to the Trustee, as soon as possible, and in any event within 30 days after the occurrence of any Event of Default or Default, an Officers’ Certificate setting forth the details of such Event of Default or Default, its status and the action that the Company is taking or proposes to take in respect thereof.

Section 6.12 FURTHER INSTRUMENTS AND ACTS.

Upon request of the Trustee, the Company will execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purposes of this Indenture.

Section 6.13 UNDERTAKING TO PAY COSTS.

All parties to this Indenture agree, and each Holder of any Security by its acceptance thereof shall be deemed to have agreed, that any court may, in its discretion, require, in any suit for the enforcement of any right or remedy under this Indenture or the Securities, or in any suit against the Trustee for any action taken or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit and that such court may in its discretion assess reasonable costs, including reasonable attorneys’ fees and expenses, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; *provided* that the provisions of this Section 6.13 (to the extent permitted by law) shall not apply to any suit instituted by the Trustee, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than 10% in principal amount of the then outstanding Securities of any series, or to any suit instituted by any Holder for the enforcement of the payment of the principal of or accrued and unpaid interest, if any, on any Security on or after the due date expressed or provided for in such Security or to any suit for the enforcement of the right to convert any Security in accordance with the provisions of Article 13.

ARTICLE 7

TRUSTEE

Section 7.01 DUTIES OF TRUSTEE.

(a) If an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture or an indenture supplemental hereto applicable to such Event of Default, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of its own affairs.

(b) Except during the continuance of an Event of Default:

(i) the duties of the Trustee shall be determined solely by the express provisions of this Indenture or an indenture supplemental hereto, and the Trustee need perform only those duties that are specifically set forth in this Indenture or an indenture supplemental hereto and no others, and no implied covenants or obligations shall be read into this Indenture or an indenture supplemental hereto against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture.

(c) The Trustee may not be relieved from liabilities for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this paragraph does not limit the effect of paragraph (b) of this Section 7.01;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proven that the Trustee was negligent in ascertaining the pertinent facts; and

(iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.09 hereof.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b), and (c) of this Section 7.01.

(e) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Company. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

Section 7.02 RIGHTS OF TRUSTEE.

(a) The Trustee may conclusively rely upon any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel or both. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officers' Certificate or Opinion of Counsel. The Trustee may consult with counsel, and the written advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee may act through its attorneys and agents and shall not be responsible for the misconduct or negligence of any agent appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Company shall be sufficient if signed by an Officer of the Company.

(f) No provision of this Indenture shall require the Trustee to expend or risk its own funds or incur any liability. The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders unless such Holders have offered to the Trustee reasonable security or indemnity satisfactory to it against the costs, expenses and liabilities that might be incurred by it in compliance with such request or direction.

Section 7.03 INDIVIDUAL RIGHTS OF TRUSTEE.

The Trustee in its individual or any other capacity may become the owner or pledgee of Securities and may otherwise deal with the Company or any Affiliate of the Company with the same rights it would have if it were not Trustee. However, in the event that the Trustee acquires any conflicting interest (within the meaning of TIA § 310(b)) it must eliminate such conflicting interest within 90 days after Default, apply to the SEC for permission to continue as trustee, or resign. Any Agent may do the same with like rights and duties.

Section 7.04 TRUSTEE'S DISCLAIMER.

The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Securities; it shall not be accountable for the Company's use of the proceeds from the Securities or any money paid to the Company or upon the Company's direction under any provision of this Indenture; it shall not be responsible for the use or application of any money received by any Paying Agent other than the Trustee; and it shall not be responsible for any statement or recital herein or any statement in the Securities or any other document in connection with the sale of the Securities or pursuant to this Indenture other than its certificate of authentication.

Section 7.05 REPORTS BY TRUSTEE TO HOLDERS OF THE SECURITIES.

On or before _____ of each year, beginning with the _____ following the date on which Securities are first issued under this Indenture, and for so long as Securities remain outstanding, the Trustee shall mail to the Holders of the Securities a brief report dated as of such reporting date that complies with TIA § 313(a) (but if no event described in TIA § 313(a) has occurred within the twelve months preceding the reporting date, no report need be transmitted). The Trustee also shall comply with TIA § 313(b)(2). The Trustee will also transmit by mail all reports as required by TIA § 313(c). A copy of each report at the time of its mailing to the Holders of Securities shall be mailed to the Company and filed with the SEC and each stock exchange on which the Securities are listed in accordance with TIA § 313(d). The Company shall promptly notify the Trustee when the Securities are listed on any stock exchange.

Section 7.06 COMPENSATION AND INDEMNITY.

The Company shall pay to the Trustee from time to time such compensation for its acceptance of this Indenture and services hereunder as the Company and Trustee have separately agreed. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Company shall reimburse the Trustee promptly upon request for all reasonable disbursements, advances and expenses incurred or made by it in addition to the compensation for its services. Such expenses shall include the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.

The Company shall indemnify the Trustee against any and all losses, liabilities or expenses incurred by it arising out of or in connection with the acceptance or administration of its duties under this Indenture, including the costs and expenses of enforcing this Indenture against the Company (including this Section 7.06) and defending itself against any claim (whether asserted by the Company or any Holder or any other person) or liability in connection with the exercise or performance of any of its powers or duties hereunder, except to the extent any such loss, liability or expense may be attributable to its negligence or willful misconduct. The Trustee shall notify the Company promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Company shall not relieve the Company of its obligations hereunder. The Company shall defend the claim, and the Trustee shall cooperate in the defense. The Trustee may have separate counsel, and the Company shall pay the reasonable fees and expenses of such counsel. The Company need not pay for any settlement made without its consent, which consent shall not be unreasonably withheld.

The obligations of the Company under this Section 7.06 shall survive the satisfaction and discharge of this Indenture, and the removal or resignation of the Trustee.

To secure the Company's payment obligations in this Section 7.06, the Trustee shall have a lien prior to the Securities on all money or property held or collected by the Trustee, except that held in trust to pay principal of, premium, if any, and interest on particular Securities. Such lien shall survive the satisfaction and discharge of this Indenture.

When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(h) or (i) hereof occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

Section 7.07 REPLACEMENT OF TRUSTEE.

A resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.07.

The Trustee may resign with respect to one or more or all series of Securities at any time and be discharged from the trust hereby created by so notifying the Company in writing. The Holders of a majority in principal amount of the then outstanding Securities of any series may remove the Trustee with respect to such series by so notifying the Trustee and the Company in writing. The Company may remove the Trustee if:

- (a) the Trustee ceases to be eligible in accordance with Section 7.09 hereof;
- (b) the Trustee is adjudged bankrupt or insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;
- (c) a custodian or public officer takes charge of the Trustee or its property; or
- (d) the Trustee becomes incapable of acting.

If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Company shall promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in principal amount of the then outstanding Securities of a series may appoint a successor Trustee to replace the successor Trustee appointed by the Company with respect to that series of Securities.

If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Company, or the Holders of at least 10% in principal amount of the then outstanding Securities of all series issued under this Indenture may petition any court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee, after written request by any Holder of a Security who has been a Holder of a Security for at least six months, ceases to be eligible in accordance with Section 7.09, such Holder of a Security may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Thereupon, the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to Holders of the Securities. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee subject to the lien provided for in Section 7.06 hereof. Notwithstanding replacement of the Trustee pursuant to this Section 7.07, the Company's obligations under Section 7.06 hereof shall continue for the benefit of the retiring Trustee.

If a successor Trustee is appointed with respect to the Securities of one or more (but not all) series, the Company, the retiring Trustee and each successor Trustee with respect to the Securities of any applicable series shall execute and deliver an indenture supplemental hereto that shall contain such provisions as shall be deemed necessary or desirable to confirm that all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of any series as to which the predecessor Trustee is not retiring shall continue to be vested in the predecessor Trustee, and shall add to or change any of the provisions of this Indenture as are necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee, it being understood that nothing herein or in such supplemental indenture shall constitute such Trustees as co-trustees of the same trust and that each such Trustee shall be Trustee of a trust or trusts hereunder separate and apart from any trust or trusts hereunder administered by any other such Trustee.

Section 7.08 SUCCESSOR TRUSTEE BY MERGER, ETC.

If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation, the successor corporation without any further act shall be the successor Trustee.

Section 7.09 ELIGIBILITY; DISQUALIFICATION.

There shall at all times be a Trustee hereunder that is a corporation organized and doing business under the laws of the United States of America or of any state thereof that is authorized under such laws to exercise corporate trust powers, that is subject to supervision or examination by federal or state authorities and that has a combined capital and surplus of at least \$500,000,000 as set forth in its most recent published annual report of condition.

This Indenture shall always have a Trustee who satisfies the requirements of TIA § 310(a)(1), (2) and (5). The Trustee is subject to TIA § 310(b); *provided, however*, that there shall be excluded from the operation of TIA § 310(b)(1) any indenture or indentures under which other securities, or certificates of interest or participation in other securities, of the Company are outstanding, if the requirements for such exclusion set forth in TIA § 310(b)(1) are met.

Section 7.10 PREFERENTIAL COLLECTION OF CLAIMS AGAINST COMPANY.

The Trustee is subject to TIA § 311(a), excluding any creditor relationship described in TIA § 311(b). A Trustee who has resigned or been removed shall be subject to TIA § 311(a) to the extent indicated therein.

ARTICLE 8

SATISFACTION AND DISCHARGE

Section 8.01 SATISFACTION AND DISCHARGE OF THE INDENTURE.

(a) The obligations of the Company under this Indenture shall terminate with respect to the Securities of one or more series (except those obligations referred to in Section 8.01(b)), (1) if (i) all Securities of such series theretofore authenticated and delivered (except Securities that have been replaced pursuant to Section 2.10 or paid and Securities whose payment in cash has theretofore been deposited with the Trustee or a Paying Agent or segregated and held in trust by the Company and thereafter repaid to the Company or discharged from such trust as provided in Section 8.04) have been delivered to the Trustee for cancellation; and (ii) the Company has paid all sums payable by it hereunder or under the applicable indenture supplemental hereto in respect of such series of Securities; or (2) if (i) either (A) in the case of a series of Securities redeemable prior to its Maturity Date, the Company, pursuant to Article 3, has given notice to the Trustee and mailed a notice of redemption to each Holder of Securities of such series of the redemption of all of such Securities under arrangements satisfactory to the Trustee for the giving of such notice or (B) all Securities of such series have otherwise become due and payable hereunder or will become due and payable within one year; (ii) the Company has irrevocably deposited or caused to be deposited with the Trustee or the Paying Agent (or if the Company is acting as Paying Agent, the Company has segregated and held), as trust funds in trust solely for the benefit of the Holders of Securities of such series for that purpose, either (A) an amount of cash in United States dollars, (B) non-callable U.S. Government Obligations which, through scheduled payment of principal and interest in respect thereof in accordance with their terms, will provide, not later than one Business Day before the due date of any payment of principal of, premium, if any, or interest on the Securities of such series, cash in an amount, or (C) a combination thereof, sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the entire indebtedness on such Securities not theretofore delivered to the Trustee for cancellation, for the principal of, premium, if any, and interest on the outstanding Securities of such series to the date of such deposit (in the case of Securities that have become due and payable) or to the stated maturity or redemption date, as the case may be; and (iii) the Company shall have paid all other sums payable by it hereunder in respect of Securities of such series (including any conversion consideration, if applicable).

(b) Notwithstanding Section 8.01(a), the Company's obligations in Sections 2.08, 2.09, 2.10, 2.11, 4.01 and 4.02 shall survive with respect to the Securities of the applicable series until the sums held in trust pursuant to Section 8.01(a) are made available to the Holders of the Securities of such series on the Stated Maturity Date. Sections 7.06, 8.04 and 9.06 shall survive such discharge of the Company's other obligations pursuant to the preceding sentence in respect of Securities of the applicable series.

(c) This Indenture shall upon request of the Company contained in an Officers' Certificate cease to be of further effect with respect to the Securities of any series, and the Trustee, at the expense of the Company, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture, when (a) (i) all Securities of such series theretofore authenticated and delivered have been delivered to the Trustee for cancellation; or (ii) the Company has deposited with the Trustee or delivered to Holders, as applicable, after the Securities of such series have become due and payable, whether at the Maturity Date, upon conversion or otherwise, cash and/or (in the case of conversion) other property sufficient to pay all of the outstanding Securities of such series or satisfy the Company's Conversion Obligation, as the case may be, and pay all other sums due and payable under this Indenture by the Company with respect to such Securities; and (b) the Company has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture with respect to such Securities have been complied with. For the avoidance of doubt, notwithstanding the satisfaction and discharge of this Indenture, the obligations of the Company to the Trustee under Section 7.06 shall survive. The Trustee upon request shall acknowledge in writing the discharge of the Company's obligations under the Securities of the applicable series and the Company's obligations under this Indenture with respect to the Securities of such series, except for those surviving obligations specified above.

Section 8.02 DEPOSITED MONEYS TO BE HELD IN TRUST BY TRUSTEE.

Subject to Section 8.04, all monies and other property, if any, deposited with the Trustee pursuant to Section 8.01 or in accordance with Article 12 with respect to Securities of a series shall be held in trust for the sole benefit of the Holders of such Securities, and such monies and other property shall be applied by the Trustee to the payment, either directly or through any Paying Agent (including the Company if acting as its own Paying Agent), to the Holders of the particular Securities for the payment, settlement or redemption of which such monies or other property have been deposited with the Trustee, of all sums or amounts due and to become due thereon for principal and interest, if any.

Section 8.03 PAYING AGENT TO REPAY MONIES HELD.

Upon the satisfaction and discharge of this Indenture with respect to the Securities of a particular series, all monies and other property, if any, then held by any Paying Agent (if other than the Trustee) with respect to such Securities, shall, upon written request of the Company, be repaid to it or paid to the Trustee, and thereupon such Paying Agent shall be released from all further liability with respect to such monies and other property.

Section 8.04 RETURN OF UNCLAIMED MONIES.

Subject to the requirements of applicable law, any monies and other property deposited with or paid to the Trustee for payment on the Securities of a particular series and not applied but remaining unclaimed by the Holders of the Securities for one year after the date upon which the payment on such Securities shall have become due and payable, shall be repaid to the Company by the Trustee on demand, and all liability of the Trustee shall thereupon cease with respect to such monies and other property; and the Holder of any of the Securities shall thereafter look only to the Company for any payment or delivery that such Holder of the Securities may be entitled to collect unless an applicable abandoned property law designates another Person.

Section 8.05 REINSTATEMENT.

If the Trustee or the Paying Agent is unable to apply any money or other property in accordance with Section 8.02 by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company's obligations under this Indenture and the Securities shall be revived and reinstated as though no deposit had occurred pursuant to Section 8.01 until such time as the Trustee or the Paying Agent is permitted to apply all such money and other property in accordance with Section 8.02; provided, however, that if the Company makes any payment of interest on, principal of or payment or delivery in respect of any Security following the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Securities to receive such payment from the money or other property, if any, held by the Trustee or Paying Agent.

ARTICLE 9

LEGAL DEFEASANCE AND COVENANT DEFEASANCE

Section 9.01 OPTION TO EFFECT LEGAL DEFEASANCE OR COVENANT DEFEASANCE

The Company may, by written direction to the Trustee, at any time, elect to have either Section 9.02 or 9.03 hereof, with such modifications thereto as may be specified in the supplemental indenture establishing a particular series of Securities, be applied to all outstanding Securities of one or more series upon compliance with the conditions set forth below in this Article 9.

Section 9.02 LEGAL DEFEASANCE AND DISCHARGE.

Upon the Company's exercise under Section 9.01 hereof of the option applicable to this Section 9.02 relating to one or more series of Securities, the Company shall, upon the satisfaction of the conditions set forth in Section 9.04 hereof, be deemed to have been discharged from its obligations with respect to all outstanding Securities of such series on the date the conditions set forth below are satisfied (hereinafter, "*Legal Defeasance*"). For this purpose, Legal Defeasance means that the Company shall be deemed to have paid and discharged the entire indebtedness represented by the outstanding Securities of the applicable series, except as set forth in Section 9.05 hereof and the other Sections of this Indenture referred to in (a) and (b) below, and to have satisfied all of its other obligations under the Securities of the applicable series and under the provisions of this Indenture applicable to such series (and the Trustee, on demand of and at the expense of the Company, shall execute proper instruments acknowledging the same), except for the following provisions, which shall survive until otherwise terminated or discharged hereunder: (a) the rights of Holders of outstanding Securities of the applicable series to receive solely from the trust fund described in Section 9.04 hereof, and as more fully set forth in such Section, payments in respect of the principal of, premium, if any, and interest, on such Securities when such payments are due, (b) the Company's obligations with respect to such Securities under Section 4.02 hereof, (c) the rights, powers, trusts, duties and immunities of the Trustee hereunder, and the Company's obligations in connection therewith and (d) this Article 9. The Securities of the applicable series shall cease to be outstanding for all purposes except as set forth in the preceding sentence. Subject to compliance with this Article 9, the Company may exercise its option under this Section 9.02 notwithstanding the prior exercise of its option under Section 9.03 hereof.

Section 9.03 COVENANT DEFEASANCE.

Upon the Company's exercise under Section 9.01 hereof of the option applicable to this Section 9.03 relating to one or more series of Securities, the Company shall, upon the satisfaction of the conditions set forth in Section 9.04 hereof, be released from its obligations under the covenants contained in Sections 4.03, 4.04, 5.01, and 14.08 hereof with respect to the outstanding Securities of the applicable series, and under any other covenants specified in the supplemental indenture with respect to such Securities or other terms of the applicable series as covenants to which this Section 9.03 apply, on and after the date the conditions set forth below are satisfied (hereinafter, "*Covenant Defeasance*"), and the Securities of the applicable series shall thereafter not be deemed outstanding for the purposes of any direction, waiver, consent or declaration or act of Holders (or the consequences of any thereof) in connection with such covenants, but shall continue to be deemed outstanding for all other purposes hereunder. For this purpose, Covenant Defeasance means that, with respect to the outstanding Securities of the applicable series, the Company may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default under Section 6.01 hereof, but, except as specified above, the remainder of this Indenture and such Securities shall be unaffected thereby.

Section 9.04 CONDITIONS TO LEGAL OR COVENANT DEFEASANCE.

The following shall be the conditions to the application of either Section 9.02 or 9.03 hereof to the outstanding Securities of one or more series:

In order to exercise either Legal Defeasance or Covenant Defeasance:

(a) the Company must irrevocably deposit with the Trustee (or another trustee satisfying the requirements of Section 7.09, who shall agree to comply with the provisions of this Article 9 applicable to it) in trust, for the benefit of the Holders of the Securities of the applicable series, (i) an amount of cash in U.S. dollars, (ii) non-callable U.S. Government Obligations, which, through scheduled payment of principal and interest in respect thereof in accordance with their terms, will provide, not later than one Business Day before the due date of any payment of principal of, premium, if any, or interest on the Securities of such series (including any conversion consideration, if applicable), cash in an amount, or (iii) a combination thereof, sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the principal of, interest and premium, if any, on the outstanding Securities of the applicable series on the Stated Maturity or on the applicable redemption date, as the case may be, and any mandatory sinking fund payments applicable to the Securities of such series on the day on which such payments are due, and the Company must specify whether the Securities of the applicable series are being defeased to maturity or to a particular redemption date;

(b) in the case of an election under Section 9.02 hereof, the Company shall have delivered to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that (i) the Company has received from, or there has been published by, the Internal Revenue Service a ruling or (ii) since the date of this Indenture, there has been a change in the applicable federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the Holders of the outstanding Securities of the applicable series will not recognize income, gain or loss for federal income tax purposes as a result of such Legal Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(c) in the case of an election under Section 9.03 hereof, the Company shall have delivered to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that the Holders of the outstanding Securities of the applicable series will not recognize income, gain or loss for federal income tax purposes as a result of such Covenant Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(d) no Default or Event of Default shall have occurred and be continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit); and

(e) the Company shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent provided for or relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

Section 9.05 DEPOSITED MONEY AND U.S. GOVERNMENT OBLIGATIONS TO BE HELD IN TRUST; OTHER MISCELLANEOUS PROVISIONS.

Subject to Section 8.04 hereof, all money and non-callable U.S. Government Obligations (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 9.05, the "*Trustee*") pursuant to Section 9.04 hereof in respect of the outstanding Securities of the applicable series shall be held in trust and applied by the Trustee, in accordance with the provisions of such Securities and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as Paying Agent) as the Trustee may determine, to the Holders of such Securities of all sums due and to become due thereon in respect of principal, premium, if any, and interest, but such money need not be segregated from other funds except to the extent required by law. Any amounts so deposited with the Trustee in compliance with Article 11 shall be held in trust by the Trustee for the purposes set forth in the preceding sentence and shall not be subject to the subordination provisions of Article 11.

The Company shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or non-callable U.S. Government Obligations deposited pursuant to Section 9.04 hereof or the principal and interest received in respect thereof other than any such tax, fee or other charge that by law is for the account of the Holders of the outstanding Securities of the applicable series.

Anything in this Article 9 to the contrary notwithstanding, the Trustee shall deliver or pay to the Company from time to time upon the request of the Company any money or non-callable U.S. Government Obligations held by it as provided in Section 9.04 hereof which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 9.04(a) hereof), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance of the applicable series.

Section 9.06 REINSTATEMENT.

If the Trustee or Paying Agent is unable to apply any U. S. dollars or non-callable U.S. Government Obligations deposited pursuant to Section 9.02 or 9.03 hereof, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, or if any amounts previously applied are required to be returned to the Company or to any trustee in connection with any proceeding referred to in Section 6.01(h) or (i) then the obligations of the Company under this Indenture and the Securities shall be revived and reinstated as though no deposit had occurred pursuant to Section 9.02 or 9.03 hereof until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 9.02 or 9.03 hereof, as the case may be; *provided, however*, that, if the Company makes any payment of principal of, premium, if any, or interest on any Security following the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Securities to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE 10

SUPPLEMENTAL INDENTURES

Section 10.01 SUPPLEMENTAL INDENTURES WITHOUT CONSENT OF HOLDERS.

Notwithstanding Section 10.02 of this Indenture, the Company and the Trustee may amend or supplement this Indenture or the Securities (including any supplemental indenture) without notice to or the consent of any Holder of a Security:

- (a) to provide for the assumption by a Successor Company of the Company's obligations under the terms of the Securities and this Indenture pursuant to Article 5;
- (b) to add guarantees with respect to the Securities of any series;
- (c) to secure the Securities of any series;

(d) to add to the covenants for the benefit of the Holders of Securities of any or all series or surrender any right or power conferred upon the Company;

(e) make any change, including to cure any omission, ambiguity, manifest error or defect or to correct any defect or inconsistency in this Indenture that does not adversely affect the rights of any Holder in any material respect;

(f) comply with any requirement of the SEC in connection with the qualification of this Indenture under the Trust Indenture Act or with the rules of any applicable securities depository;

(g) to provide for the issuance of and establish the form and terms and conditions of the Securities of any series, to establish the form of any certifications required to be furnished pursuant to the terms of this Indenture or any series of Securities, or to add to the rights of the Holders of any series of Securities;

(h) add additional Events of Default with respect to the Securities of any or all series;

(i) evidence the acceptance or appointment of a successor Trustee or to add an additional trustee or agent in accordance with this Indenture; or

(j) conform the provisions of this Indenture and the Securities of a particular series to the "Description of Notes" section as set forth in a preliminary prospectus supplement related to the offering and sale of such Securities, as supplemented by the related pricing term sheet.

Upon the request of the Company accompanied by written direction to the Trustee, and upon receipt by the Trustee of the documents described in Section 7.02(b) hereof, the Trustee shall join with the Company in the execution of any amended or supplemental indenture authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee shall not be obligated to enter into any such amended or supplemental indenture that affects its own rights, duties, liabilities or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but will not be obligated to, enter into such amended or supplemental indenture.

Section 10.02 SUPPLEMENTAL INDENTURES WITH CONSENT OF HOLDERS.

Except as provided in Section 10.01, the Company and the Trustee may amend or supplement this Indenture or the terms of the Securities only with the written consent of the Trustee and the Holders of at least a majority in aggregate principal amount of the outstanding Securities of all series affected by such amendment or supplement (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Securities), treating those series as a single class. Notwithstanding the foregoing, no amendment or supplemental indenture may without the written consent of the Holder of each Security affected:

(a) change the Maturity Date, or the payment date of any installment interest on, any Security;

- (b) reduce the principal amount of, or interest on, any Security;
- (c) change the place, manner or currency of payment of principal of, or interest on, any Security;
- (d) impair the right to institute a suit for the enforcement of any payment on, or with respect to, or of the conversion of, any Security;
- (e) change the ranking of the Securities in a manner adverse to the Holders of Securities;
- (f) adversely affect the right of Holders of Securities that are convertible pursuant to Article 12 to convert their Securities in accordance with Article 12, or reduce the amount of consideration due upon conversion;
- (g) reduce the percentage in aggregate principal amount of outstanding Securities whose Holders must consent to a modification or amendment of this Indenture or the Securities;
- (h) reduce the percentage in aggregate principal amount of outstanding Securities whose Holders must consent to a waiver of compliance with any provision in this Indenture or the Securities or a waiver of any Default or Event of Default; or
- (i) modify Section 6.09 or this Article 10, except to increase the percentage required for modification or waiver or to provide for the consent of each affected Holder.

Holders do not need under this Section 10.02 to approve the particular form of any proposed amendment to this Indenture or any proposed supplemental indenture; it shall be sufficient if the required Holders approve the substance thereof.

Section 10.03 NOTICE OF AMENDMENT OR SUPPLEMENT.

After an amendment or supplement under this Article 10 becomes effective, the Company shall mail to the Holders a notice briefly describing such amendment or supplement. However, the failure to give such notice to all the Holders, or any defect in the notice, shall not impair or affect the validity of the amendment or supplement.

Section 10.04 REVOCATION AND EFFECT OF CONSENTS.

Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Security is a continuing consent by the Holder of a Security and every subsequent Holder of a Security or portion of a Security that evidences the same debt as the consenting Holder's Securities, even if notation of the consent is not made on any Securities. However, any such Holder of a Security or subsequent Holder of a Security may revoke the consent as to its Securities if the Trustee receives written notice of revocation before the date the amendment, supplement or waiver becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder, except as otherwise provided herein.

Section 10.05 NOTATION ON OR EXCHANGE OF SECURITIES.

The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Securities thereafter authenticated. The Company in exchange for all Securities may issue and the Trustee shall authenticate new Securities that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or to issue new Securities shall not affect the validity and effect of such amendment, supplement or waiver.

Section 10.06 TRUSTEE TO SIGN AMENDMENTS, ETC.

The Company may not sign an amendment or supplemental indenture until its Board of Directors approves it. The Trustee shall sign any amendment or supplemental indenture authorized pursuant to this Article 10 if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee. In signing such amendment or supplemental indenture, the Trustee shall be entitled to receive and shall be fully protected in relying upon, an Officers' Certificate and an Opinion of Counsel as conclusive evidence that such amendment or supplemental indenture is authorized or permitted by this Indenture, that it is not inconsistent herewith, and that it will be valid and binding upon the Company in accordance with its terms.

ARTICLE 11

SUBORDINATION

Section 11.01 AGREEMENT TO SUBORDINATE.

(a) The Company agrees, and each Holder by accepting a Security agrees, that the Indebtedness evidenced by the Securities is subordinated in right of payment, to the extent and in the manner provided in this Article 11, to the prior payment in full of all Senior Debt (whether outstanding on the date hereof or hereafter created, incurred, assumed or guaranteed), and that the subordination is for the benefit of the holders of Senior Debt.

(b) If any holder of Senior Debt is required by any court or otherwise to return to the Company, or any Custodian, trustee, or similar official acting in relation to the Company, any amount paid by the Company to such holder of Senior Debt, the provisions of this Article 11, to the extent theretofore discharged, shall be reinstated in full force and effect.

Section 11.02 CERTAIN DEFINITIONS RELATED TO SUBORDINATION.

"Designated Senior Debt" means (i) the Senior Bank Debt and (ii) any other Senior Debt that has been designated by the Company as "Designated Senior Debt."

"Representative" means (i) the indenture trustee or other trustee, agent or representative for holders of Senior Debt or (ii) with respect to any Senior Debt that does not have any such trustee, agent or other representative, (a) in the case of such Senior Debt issued pursuant to an agreement providing for voting arrangements as among the holders or owners of such Senior Debt, any holder or owner of such Senior Debt acting with the consent of the required persons necessary to bind such holders or owners of such Senior Debt and (b) in the case of all other such Senior Debt, the holder or owner of such Senior Debt.

A “distribution” may consist of cash, securities or other property, by set-off or otherwise.

Section 11.03 LIQUIDATION; DISSOLUTION; BANKRUPTCY.

Upon any distribution to creditors of the Company in a liquidation or dissolution of the Company or in a bankruptcy, reorganization, insolvency, receivership or similar proceeding relating to the Company or its property, an assignment for the benefit of creditors or any marshalling of the Company’s assets and liabilities:

(a) holders of Senior Debt shall be entitled to receive payment in full of all Obligations due in respect of such Senior Debt (including interest after the commencement of any such proceeding at the rate specified in the applicable Senior Debt) before the Holders of Securities shall be entitled to receive any payment with respect to the Securities (except that Holders may receive (i) securities that are subordinated to at least the same extent as the Securities to (a) Senior Debt and (b) any securities issued in exchange for Senior Debt, and (ii) payments and other distributions made from any defeasance trust created pursuant to Section 9.05 hereof and any amount deposited with the Trustee pursuant to Section 8.01); and

(b) until all Obligations with respect to Senior Debt (as provided in subsection (a) above) are paid in full, any distribution to which the Holders of Securities would be entitled but for this Article 11 shall be made to holders of Senior Debt (except that Holders may receive (i) securities that are subordinated to at least the same extent as the Securities to (A) Senior Debt and (B) any securities issued in exchange for Senior Debt, and (ii) payments and other distributions made from any defeasance trust created pursuant to Section 9.05 hereof and any amount deposited with the Trustee pursuant to Section 8.01).

Section 11.04 DEFAULT ON DESIGNATED SENIOR DEBT.

(a) The Company may not make any payment or distribution to the Trustee or any Holder in respect of the Securities and may not acquire from the Trustee or any Holder any Securities for cash or property (other than (1) securities that are subordinated to at least the same extent as the Securities to (A) Senior Debt and (B) any securities issued in exchange for Senior Debt, and (2) payments and other distributions made from any defeasance trust created pursuant to Section 9.05 hereof and any amount deposited with the Trustee pursuant to Section 8.01) until all principal and other Obligations with respect to the Senior Debt have been paid in full if:

(1) a default in the payment of the principal of, interest or premium, if any, on Designated Senior Debt occurs and is continuing beyond any applicable grace period in the agreement, indenture or other document governing such Designated Senior Debt; or

(2) a default, other than a default specified in Section 11.04(a)(1), on Designated Senior Debt occurs and is continuing with respect to Designated Senior Debt that then permits holders of the Designated Senior Debt as to which such default relates to accelerate its maturity and the Trustee receives a notice of the default (a “Payment Blockage Notice”) from a Representative for such Designated Senior Debt. If the Trustee receives any such Payment Blockage Notice, no subsequent Payment Blockage Notice shall be effective for purposes of this Section 11.04(a)(2) unless and until at least 360 days shall have elapsed since the effectiveness of the immediately prior Payment Blockage Notice. No default described in this paragraph (2) that existed or was continuing on the date of delivery of any Payment Blockage Notice to the Trustee shall be, or be made to be, the basis for a subsequent Payment Blockage Notice.

(b) The Company will resume payments on and distributions in respect of the Securities and may acquire them:

(i) in the case of a default described in Section 11.04(a)(1) hereof, upon the date on which the default is cured or waived, and

(ii) in the case of a default referred to in Section 11.04(a)(2) hereof, the earlier of the date on which such default is cured or waived or 179 days after the date on which the applicable Payment Blockage Notice is received, unless the maturity of any Designated Senior Debt has been accelerated,

if this Article 11 otherwise permits the payment, distribution or acquisition at the time of such payment or acquisition.

Section 11.05 ACCELERATION OF SECURITIES.

If payment of the Securities is accelerated because of an Event of Default, the Company will promptly notify each Representative of Senior Debt of the acceleration.

Section 11.06 WHEN DISTRIBUTION MUST BE PAID OVER.

In the event that the Trustee or any Holder receives any payment of any Obligations with respect to the Securities at a time when the Trustee or such Holder, as applicable, has actual knowledge that such payment is prohibited by Section 11.04 hereof, such payment shall be held by the Trustee or such Holder, in trust for the benefit of, and shall be paid forthwith over and delivered, upon written request, to, the holders of Senior Debt as their interests may appear or their Representative under the indenture or other agreement (if any) pursuant to which Senior Debt may have been issued, as their respective interests may appear, for application to the payment of all Obligations with respect to Senior Debt remaining unpaid to the extent necessary to pay such Obligations in full in accordance with their terms, after giving effect to any concurrent payment or distribution to or for the holders of Senior Debt.

With respect to the holders of Senior Debt, the Trustee undertakes to perform only such obligations on the part of the Trustee as are specifically set forth in this Article 11, and no implied covenants or obligations with respect to the holders of Senior Debt shall be read into this Indenture against the Trustee. The Trustee shall not be deemed to owe any fiduciary duty to the holders of Senior Debt, and shall not be liable to any such holders if the Trustee shall pay over or distribute to or on behalf of Holders or the Company or any other Person money or assets to which any holders of Senior Debt shall be entitled by virtue of this Article 11, except if such payment is made as a result of the willful misconduct or negligence of the Trustee.

Section 11.07 NOTICE BY COMPANY.

The Company shall promptly notify the Trustee and the Paying Agent of any facts known to the Company that would cause a payment of any Obligations with respect to the Securities to violate this Article 11, but failure to give such notice shall not affect the subordination of the Securities to the Senior Debt as provided in this Article 11.

Section 11.08 SUBROGATION.

After all Senior Debt is paid in full and until the Securities are paid in full, Holders shall be subrogated (equally and ratably with all other Indebtedness pari passu with the Securities) to the rights of holders of Senior Debt to receive distributions applicable to Senior Debt to the extent that distributions otherwise payable to the Holders (and any holders of Indebtedness pari passu with the Securities) have been applied to the payment of Senior Debt. A distribution made under this Article 11 to holders of Senior Debt that otherwise would have been made to Holders is not, as between the Company and Holders, a payment by the Company on the Senior Debt.

Section 11.09 RELATIVE RIGHTS.

This Article 11 defines the relative rights of Holders and holders of Senior Debt. Nothing in this Indenture shall:

- (i) impair, as between the Company and Holders, the obligation of the Company, which is absolute and unconditional, to pay principal of, premium, if any, and interest on the Securities in accordance with their terms;
- (ii) affect the relative rights of Holders and creditors of the Company other than rights of Holders of the Securities in relation to holders of Senior Debt; or
- (iii) prevent the Trustee or any Holder from exercising its available remedies upon a Default or Event of Default, subject to the rights of holders and owners of Senior Debt to receive distributions and payments otherwise payable to Holders.

If the Company fails because of this Article 11 to pay principal of or interest on a Security on the due date, the failure is still a Default or Event of Default, as applicable.

Section 11.10 SUBORDINATION MAY NOT BE IMPAIRED BY COMPANY.

No right of any holder of Senior Debt to enforce the subordination of the Indebtedness evidenced by the Securities shall be impaired by any act or failure to act by the Company or any Holder or by the failure of the Company or any Holder to comply with this Indenture.

Section 11.11 DISTRIBUTION OR NOTICE TO REPRESENTATIVE.

Whenever a distribution is to be made or a notice given to holders of Senior Debt, the distribution may be made or the notice given to their Representative on their behalf. Upon any payment or distribution of assets of the Company referred to in this Article 11, the Trustee and the Holders shall be entitled to rely upon any order or decree made by any court of competent jurisdiction or upon any certificate of any Representative for Senior Debt or of the liquidating trustee or agent or other Person making any distribution to the Trustee or to the Holders for the purpose of ascertaining the Persons entitled to participate in such distribution, the holders of the Senior Debt and other Indebtedness of the Company, the amount thereof or payable thereon, the amount or amounts paid or distributed thereon and all other facts pertinent thereto or to this Article 11.

Section 11.12 RIGHTS OF TRUSTEE AND PAYING AGENT.

Notwithstanding the provisions of this Article 11 or any other provision of this Indenture, the Trustee shall not be charged with knowledge of the existence of any facts that would prohibit the making of any payment or distribution by the Trustee, and the Trustee and any Paying Agent may continue to make payments on the Securities, unless the Trustee shall have received at the Corporate Trust Office of the Trustee at least five Business Days prior to the date of such payment written notice of facts that would cause the payment of any Obligations with respect to the Securities to violate this Article 11 or a Responsible Officer of the Trustee otherwise has actual knowledge of such facts. Only the Company or a Representative may give the notice. Nothing in this Article 11 shall impair the claims of, or payments to, the Trustee under or pursuant to Section 7.06 hereof.

The Trustee in its individual or any other capacity may hold Senior Debt with the same rights it would have if it were not Trustee. Any Agent may do the same with like rights.

Section 11.13 AUTHORIZATION TO EFFECT SUBORDINATION.

Each Holder of a Security by the Holder's acceptance thereof authorizes and directs the Trustee on the Holder's behalf to take such action as may be necessary or appropriate to effectuate the subordination as provided in this Article 11, and appoints the Trustee to act as the Holder's attorney-in-fact for any and all such purposes. If the Trustee does not file a proper proof of claim or proof of debt in the form required in any proceeding referred to in Section 6.04 hereof at least 30 days before the expiration of the time to file such claim, the agent under the Credit Facility (or in the absence of such agent, the lender) is hereby authorized to file an appropriate claim for and on behalf of the Holders of the Securities.

ARTICLE 12

MEETINGS OF HOLDERS

Section 12.01 PURPOSES FOR WHICH MEETING MAY BE CALLED.

A meeting of Holders of Securities of any series may be called at any time and from time to time pursuant to this Article 12 to make, give or take any request, demand, authorization, direction, notice, consent, waiver or other Act to be made, given or taken by Holders of Securities of such series.

Section 12.02 CALL, NOTICE AND PLACE OF MEETINGS.

(a) The Trustee may at any time call a meeting of Holders of Securities of any series for any purpose specified in Section 12.01, to be held at such time and at such place as the Trustee may determine. Notice of every meeting of Holders of Securities of any series, setting forth the time and the place of such meeting and in general terms the action proposed to be taken at such meeting, shall be given, in the manner provided in Section 14.02, not less than 20 nor more than 180 days prior to the date fixed for the meeting.

(b) In case at any time the Company, by written direction to the Trustee, or the Holders of at least 25% in principal amount of the outstanding Securities of any series shall have requested the Trustee to call a meeting of the Holders of Securities of such series for any purpose specified in Section 12.01 by written request setting forth in reasonable detail the Act or other action proposed to be taken at the meeting, and the Trustee shall not have mailed notice of such meeting within 20 days after receipt of such request or shall not thereafter proceed to cause the meeting to be held as provided herein, then the Company or the Holders of Securities of such series in the amount above specified, as the case may be, may determine the time and the place for such meeting and may call such meeting for such purposes by giving notice thereof as provided in clause (a) of this Section 12.02.

Section 12.03 PERSONS ENTITLED TO VOTE AT MEETINGS.

To be entitled to vote at any meeting of Holders of Securities of any series, a Person must be (a) a Holder of one or more outstanding Securities of such series, or (b) a Person appointed by an instrument in writing as proxy for a Holder or Holders of one or more outstanding Securities of such series by such Holder or Holders. No vote may be cast or counted at any meeting in respect of any Security challenged as not outstanding and ruled by the chairman of the meeting to be not outstanding. The chairman of the meeting will have no right to vote, except as a Holder of a Security of such series or proxy. The only Persons who shall be entitled to be present or to speak at any meeting of Holders of Securities of any series shall be the Persons entitled to vote at such meeting and their counsel, any representatives of the Trustee and its counsel and any representatives of the Company and its counsel.

Section 12.04 QUORUM; ACTION.

The Persons entitled to vote a majority in principal amount of the outstanding Securities of a series shall constitute a quorum for a meeting of Holders of Securities of such series; *provided, however*, that if any Act is to be taken at such meeting with respect to a consent or waiver which this Indenture (or any indenture supplemental hereto establishing a series of Securities hereunder) expressly provides may be given by the Holders of more or less than a majority in principal amount of the outstanding Securities of a series, the Persons entitled to vote such percentage in principal amount of the outstanding Securities of such series shall constitute a quorum. In the absence of a quorum within 30 minutes after the time appointed for any such meeting, the meeting shall, if convened at the request of Holders of Securities of such series, be dissolved. In any other case the meeting may be adjourned for a period determined by the chairman of the meeting prior to the adjournment of such meeting. In the absence of a quorum at any reconvened meeting, such reconvened meeting may be further adjourned as determined by the chairman of the meeting prior to the adjournment of such adjourned meeting. Notice of the reconvening of any such adjourned meeting shall be given as provided in Section 12.02(a), except that such notice need be given only once not less than five days prior to the date on which the meeting is scheduled to be reconvened. Notice of the reconvening of an adjourned meeting shall state expressly the percentage, as provided above, of the principal amount of the outstanding Securities of such series that shall constitute a quorum.

Except as otherwise provided in Section 6.02 or 10.02 (or in any indenture supplemental hereto establishing a series of Securities hereunder), any resolution presented to a meeting or adjourned meeting duly reconvened at which a quorum is present as aforesaid may be adopted only by the affirmative vote of the Holders of a majority in principal amount of the outstanding Securities of that series; *provided, however*, that, except as otherwise provided in Section 6.02 or 10.02 (or in any indenture supplemental hereto establishing a series of Securities hereunder), any resolution with respect to any request, demand, authorization, direction, notice, consent, waiver or other action that this Indenture or any supplemental indenture expressly provides may be made, given or taken by the Holders of a specified percentage in principal amount of the outstanding Securities of a series may be adopted at a meeting or an adjourned meeting duly reconvened and at which a quorum is present as aforesaid by the affirmative vote of the Holders of such specified percentage in principal amount of the outstanding Securities of such series.

Any resolution passed or decision taken at any meeting of Holders of Securities of any series duly held in accordance with this Section 12.04 or other Act duly taken shall be binding on all the Holders of Securities of such series, whether or not such Holders were present or represented at the meeting, if any.

Section 12.05 DETERMINATION OF VOTING RIGHTS; CONDUCT AND ADJOURNMENT OF MEETINGS.

Notwithstanding any other provisions of this Indenture, the Trustee may make such reasonable regulations as it may deem advisable for any meeting of Holders of Securities of a series in regard to proof of the holding of Securities of such series and of the appointment of proxies and in regard to the appointment and duties of inspectors of votes, the submission and examination of proxies, certificates and other evidence of the right to vote, and such other matters concerning the conduct of the meeting as it shall deem appropriate. Except as otherwise permitted or required by any such regulations, the holding of Securities shall be proved in the manner specified in Section 1.05 and the appointment of any proxy shall be proved in the manner specified in Section 1.05. Such regulations may provide that written instruments appointing proxies, regular on their face, may be presumed valid and genuine without the proof specified in Section 1.05 or other proof.

The Trustee shall, by an instrument in writing, appoint a temporary chairman of the meeting, unless the meeting shall have been called by the Company or by Holders of Securities as provided in Section 12.02(b), in which case the Company or the Holders of Securities of the series calling the meeting, as the case may be, shall in like manner appoint a temporary chairman. A permanent chairman and a permanent secretary of the meeting shall be elected by vote of the Persons entitled to vote at least a majority in principal amount of the outstanding Securities of such series represented at the meeting.

Any meeting of Holders of Securities of any series duly called pursuant to Section 12.02 at which a quorum is present may be adjourned from time to time by Persons entitled to vote at least a majority in principal amount of the outstanding Securities of such series represented at the meeting; and the meeting may be held as so adjourned without further notice.

Section 12.06 COUNTING VOTES AND RECORDING ACTION OF MEETINGS.

The vote upon any resolution submitted to any meeting of Holders of Securities of any series shall be by written ballots on which shall be subscribed the signatures of the Holders of Securities of such series or of their representatives by proxy and the principal amounts and serial numbers of the outstanding Securities of such series held or represented by them. The permanent chairman of the meeting shall appoint two inspectors of votes who shall count all votes cast at the meeting for or against any resolution and who shall make and file with the secretary of the meeting their verified written reports in duplicate of all votes cast at the meeting. A record, at least in duplicate, of the proceedings of each meeting of Holders of Securities of any series shall be prepared by the secretary of the meeting and there shall be attached to said record the original reports of the inspectors of votes on any vote by ballot taken thereat and affidavits by one or more persons having knowledge of the facts setting forth a copy of the notice of the meeting and showing that said notice was given as provided in Section 12.02 and, if applicable, Section 12.04. Each copy shall be signed and verified by the affidavits of the permanent chairman and secretary of the meeting and one such copy shall be delivered to the Company, and another to the Trustee to be preserved by the Trustee, the latter to have attached thereto the ballots voted at the meeting. Any record so signed and verified shall be conclusive evidence of the matters therein stated.

Section 12.07 ARTICLE SUBJECT TO OTHER PROVISIONS.

Each provision of this Article 12 (whether or not expressly so stated) is subject to any other provision of this Indenture (or any supplemental indenture establishing a series of Securities hereunder) that provides that Securities of different series constitute a single class.

ARTICLE 13

CONVERSION OF SECURITIES

Section 13.01 APPLICABILITY OF ARTICLE.

The provisions of this Article 13 shall be applicable to the Securities of any series that are convertible into shares of Common Stock of the Company, and the issuance of such shares of Common Stock upon the conversion of such Securities, except as otherwise specified as contemplated by Section 2.02 for the Securities of such series. This Article 13 shall not be applicable to Securities of any series that are not convertible into shares of Common Stock of the Company.

Section 13.02 EXERCISE OF CONVERSION PRIVILEGE.

(a) In order to exercise a conversion privilege, the Holder of a Security of a series with such a privilege must surrender such Security to the Company at the office or agency maintained for that purpose pursuant to Section 4.02, accompanied by a duly executed Conversion Notice to the Company substantially in the form set forth on Attachment 1 to Exhibit A stating that the Holder elects to convert such Security or a specified portion thereof. Such Conversion Notice shall also state, if different from the name and address of such Holder, the name or names (with address) in which the certificate or certificates for shares of Common Stock that shall be issuable on such conversion shall be issued. Securities surrendered for conversion shall (if so required by the Company or the Trustee) be duly endorsed by, or accompanied by instruments of transfer satisfactory to the Company and the Trustee duly executed by, the registered Holder or its attorney duly authorized in writing.

(b) To the extent provided in Section 2.03(e), Securities surrendered for conversion during the period from the close of business on any Regular Record Date to the opening of business on the next succeeding Interest Payment Date (except in the case of any Security whose Maturity Date is prior to such Interest Payment Date) shall be accompanied by payment by such Holder in immediately available funds to the Company of an amount equal to the interest to be received on such Interest Payment Date on the principal amount of the Securities being surrendered for conversion. However, to the extent provided in Section 2.03(b), Securities that have been called for redemption on a redemption date, or that are repurchasable on a redemption date that occurs between the close of business on a Regular Record Date and the close of business on the Business Day immediately preceding such Interest Payment Date, shall not require such concurrent payment to the Company upon surrender for conversion, and, if such Securities are converted during the time period set forth in the preceding sentence, the Holders of such converted Securities shall be entitled to receive (and retain) any accrued interest on the Principal amount of such surrendered Securities, if any.

(c) To convert a Security a Holder must deliver to the Conversion Agent (i) a Conversion Notice, (ii) any payment required pursuant to Section 13.02(b) or pursuant to and/or established in one or more indentures supplemental hereto setting forth the terms of such series of Security, (iii) any payment in respect of transfer or similar taxes, if required by Section 13.07, and (iv) the Security duly endorsed in accordance with such reasonable regulations as the Company may prescribe. The date on which the Holder satisfies all of those requirements is the "*Conversion Date*" for such Security. As soon as practicable after the Conversion Date, the Company shall issue and shall deliver or cause to be issued and delivered, at the office or agency at which such Security is surrendered, to such Holder or on its written order, a certificate or certificates for the number of full shares of Common Stock issuable upon the conversion of such Security (or specified portion thereof), in accordance with the provisions of such supplemental indenture, and cash as provided therein in respect of any fractional share of such Common Stock otherwise issuable upon such conversion. Except as set forth above and subject to Section 2.14, no payment or adjustment shall be made upon any conversion on account of any interest accrued on the Securities (or any part thereof) surrendered for conversion or on account of any dividends on the Common Stock of the Company issued upon such conversion. The person in whose name the shares of Common Stock issued upon conversion is registered shall be deemed to be a holder of record of such Common Stock on the Conversion Date; *provided, however*, that no surrender of a Security on any Conversion Date when the stock transfer books of the Company shall be closed shall be effective to constitute the person or persons entitled to receive the shares of Common Stock upon conversion as the record holder or holders of such shares of Common Stock on such date, but such surrender shall be effective to constitute the person or persons thereof for all purposes at the close of business on the next succeeding day on which such stock transfer books are open; *provided, further*, that such conversion shall be at the conversion date in effect on the Conversion Date as if the stock transfer books of the Company had not been closed. Upon conversion of a Security, such person shall no longer be a Holder of such Security.

In the case of any Security that is converted in part only, upon such conversion the Company shall execute and the Trustee shall authenticate and deliver to or on the order of the Holder thereof, at the expense of the Company, a new Security or Securities of the same series, of authorized denominations, in aggregate principal amount equal to the unconverted portion of such Security.

Section 13.03 NO FRACTIONAL SHARES.

No fractional share of Common Stock of the Company shall be issued upon conversions of Securities of any series. If more than one Security shall be surrendered for conversion at one time by the same Holder, the number of full shares that shall be issuable upon conversion shall be computed on the basis of the aggregate principal amount of the Securities (or specified portions thereof to the extent permitted hereby) so surrendered. If, except for the provisions of this Section 13.03, any Holder of a Security or Securities would be entitled to a fractional share of Common Stock of the Company upon the conversion of such Security or Securities, or specified portions thereof, the Company shall pay to such Holder an amount in cash equal to the current market value of such fractional share computed, (i) if such Common Stock is listed or admitted to unlisted trading privileges on a national securities exchange, on the basis of the last reported sale price regular way on such exchange on the last trading day prior to the date of conversion upon which such a sale shall have been effected, or (ii) if such Common Stock is not at the time so listed or admitted to unlisted trading privileges on a national securities exchange, on the basis of the average of the bid and asked prices of such Common Stock in the over-the-counter market, on the last trading day prior to the date of conversion, as reported by the National Quotation Bureau, Incorporated or similar organization if the National Quotation Bureau, Incorporated is no longer reporting such information, or if not so available, the fair market price as determined by the Board of Directors. For purposes of this Section 13.03, "*trading day*" means each Monday, Tuesday, Wednesday, Thursday and Friday other than any day on which the Common Stock is not traded on the New York Stock Exchange, or if the Common Stock is not traded on the New York Stock Exchange, on the principal exchange or market on which the Common Stock is traded or quoted.

Section 13.04 ADJUSTMENT OF CONVERSION PRICE.

The conversion price of Securities of any series that is convertible into Common Stock of the Company shall be adjusted for any stock dividends, stock splits, reverse stock splits, reclassifications, combinations or similar transactions in accordance with the terms of the supplemental indenture or Board Resolutions setting forth the terms of the Securities of such series.

Whenever the conversion price is adjusted, the Company shall compute the adjusted conversion price in accordance with terms of the applicable supplemental indenture and shall prepare an Officers' Certificate setting forth the adjusted conversion price and showing in reasonable detail the facts upon which such adjustment is based, and such certificate shall forthwith be filed at each office or agency maintained for the purpose of conversion of Securities pursuant to Section 4.02 and, if different, with the Trustee.

Section 13.05 NOTICE OF CERTAIN CORPORATE ACTIONS.

In case:

- (1) the Company shall declare a dividend (or any other distribution) on its Common Stock payable otherwise than in cash out of its retained earnings, that would require an adjustment to the conversion price of the Securities; or
- (2) the Company authorizes the granting to the holders of all or substantially all of its Common Stock of rights, options or warrants to subscribe for or purchase any shares of capital stock of any class or of any other rights; or
- (3) of any reclassification of the Common Stock of the Company (other than a subdivision or combination of its outstanding shares of Common Stock), or of any consolidation, merger or share exchange to which the Company is a party and for which approval of any shareholders of the Company is required, or of the sale of all or substantially all of the assets of the Company;

then the Company shall cause to be filed with the Trustee, and shall cause to be mailed to all Holders at their last addresses as they appear in the Securities Register, at least 20 days (or 10 days in any case specified in Clause (1) or (2) above) prior to the applicable record date hereinafter specified, a notice stating (i) the date on which a record is to be taken for the purpose of such dividend, distribution, rights, options or warrants, or, if a record is not to be taken, the date as of which the holders of Common Stock of record to be entitled to such dividend, distribution, rights, options or warrants are to be determined, or (ii) the date on which such reclassification, consolidation, merger, share exchange, sale, dissolution, liquidation or winding up is expected to become effective, and the date as of which it is expected that holders of Common Stock of record shall be entitled to exchange their shares of Common Stock for securities, cash or other property deliverable upon such reclassification, consolidation, merger, share exchange, sale, dissolution, liquidation or winding up. If at any time the Trustee shall not be the Conversion Agent, a copy of such notice shall also forthwith be filed by the Company with the Conversion Agent. Failure to give any such notice or any defect therein shall not affect the legality or validity of the proceedings described in clauses (1) through (3) of this Section 13.05.

Section 13.06 RESERVATION OF SHARES OF COMMON STOCK.

The Company shall at all times reserve and keep available, free from preemptive rights, out of its authorized but unissued Common Stock, for the purpose of effecting the conversion of Securities, the full number of shares of Common Stock of the Company then issuable upon the conversion of all outstanding Securities of any series that has conversion rights.

Section 13.07 PAYMENT OF CERTAIN TAXES UPON CONVERSION.

Upon conversion, the Company shall pay any documentary, stamp or similar issue or transfer tax due on the issue of shares of Common Stock upon the conversion. However, the Holder shall pay any withholding tax or any tax that is due because the shares are issued in a name other than the Holder's name.

Section 13.08 NONASSESSABILITY.

The Company covenants that all shares of its Common Stock that may be issued upon conversion of Securities will upon issue in accordance with the terms hereof be duly and validly issued and fully paid and nonassessable.

Section 13.09 EFFECT OF CONSOLIDATION OR MERGER ON CONVERSION PRIVILEGE.

In case of any consolidation of the Company with, or merger of the Company into or with any other Person, or in case of any sale of all or substantially all of the assets of the Company, the company or the Person formed by such consolidation or the Person into which the Company shall have been merged or the Person which shall have acquired such assets, as the case may be, shall execute and deliver to the Trustee a supplemental indenture providing that the Holder of each Security then outstanding of any series that is convertible into Common Stock of the Company shall have the right, which right shall be the exclusive conversion right thereafter available to said Holder (until the expiration of the conversion right of such Security), to convert such Security into the kind and amount of shares of stock or other securities or property (including cash) receivable upon such consolidation, merger or sale by a holder of the number of shares of Common Stock of the Company into which such Security might have been converted immediately prior to such consolidation, merger or sale, subject to compliance with the other provisions of this Indenture, such Security and such supplemental indenture. Such supplemental indenture shall provide for adjustments that shall be as nearly equivalent as may be practicable to the adjustments provided for in such Security. The above provisions of this Section 13.09 shall similarly apply to successive consolidations, mergers or sales. It is expressly agreed and understood that anything in this Indenture to the contrary notwithstanding, if, pursuant to such merger, consolidation or sale, holders of outstanding shares of Common Stock of the Company do not receive shares of common stock of the surviving corporation but receive other securities, cash or other property or any combination thereof, Holders of Securities shall not have the right to thereafter convert their Securities into common stock of the surviving corporation or the corporation that shall have acquired such assets, but rather, shall have the right upon such conversion to receive the other securities, cash or other property receivable by a holder of the number of shares of Common Stock of the Company into which the Securities held by such holder might have been converted immediately prior to such consolidation, merger or sale, all as more fully provided in the first sentence of this Section 13.09. Anything in this Section 13.09 to the contrary notwithstanding, the provisions of this Section 13.09 shall not apply to a merger or consolidation of another corporation with or into the Company pursuant to which both of the following conditions are applicable: (i) the Company is the surviving corporation and (ii) the outstanding shares of Common Stock of the Company are not changed or converted into any other securities or property (including cash) or changed in number or character or reclassified pursuant to the terms of such merger or consolidation.

As evidence of the kind and amount of shares of stock or other securities or property (including cash) into which Securities may properly be convertible after any such consolidation, merger or sale, or as to the appropriate adjustments of the conversion prices applicable with respect thereto, the Trustee shall be furnished with and may accept the certificate or opinion of an independent certified public accountant with respect thereto; and, in the absence of bad faith on the part of the Trustee, the Trustee may conclusively rely thereon, and shall not be responsible or accountable to any Holder of Securities for any provision in conformity therewith or approved by such independent certified accountant that may be contained in said supplemental indenture.

Section 13.10 DUTIES OF TRUSTEE REGARDING CONVERSION.

Neither the Trustee nor any Conversion Agent shall at any time be under any duty or responsibility to any Holder of Securities of any series that is convertible into Common Stock of the Company to determine whether any facts exist which may require any adjustment of the conversion price, or with respect to the nature or extent of any such adjustment when made, or with respect to the method employed, whether herein or in any supplemental indenture, any resolutions of the Board of Directors or written instrument executed by one or more officers of the Company provided to be employed in making the same. Neither the Trustee nor any Conversion Agent shall be accountable with respect to the validity or value (or the kind or amount) of any shares of Common Stock of the Company, or of any securities or property, which may at any time be issued or delivered upon the conversion of any Securities and neither the Trustee nor any Conversion Agent makes any representation with respect thereto. Subject to the provisions of Section 7.01, neither the Trustee nor any Conversion Agent shall be responsible for any failure of the Company to issue, transfer or deliver any shares of its Common Stock or stock certificates or other securities or property upon the surrender of any Security for the purpose of conversion or to comply with any of the covenants of the Company contained in this Article 13 or in a supplemental indenture with respect to such Securities.

Section 13.11 REPAYMENT OF CERTAIN FUNDS UPON CONVERSION.

Any funds that at any time have been deposited by the Company or on its behalf with the Trustee or any other Paying Agent for the purpose of paying the principal of, and premium, if any, and interest, if any, on any of the Securities (including, but not limited to, funds deposited pursuant to Article 8 hereof) and which shall not be required for such purposes because of the conversion of such Securities as provided in this Article 13 shall after such conversion be repaid to the Company by the Trustee upon the Company's written request.

Section 13.12 STOCKHOLDER RIGHTS PLAN.

If the Company has a stockholder rights plan in effect upon a conversion of any Security and the Company delivers any shares of Common Stock upon such conversion, the converting Holder shall receive, in addition to such shares of Common Stock, the appropriate number of rights, if any, and the certificates representing the Common Stock issued upon such conversion shall bear such legends, if any, in each case as may be provided by the terms of any stockholder rights plan adopted by the Company and in effect upon conversion of such Securities, as the same may be amended from time to time. Notwithstanding the foregoing, if prior to such conversion the rights have separated from the shares of Common Stock in accordance with the provisions of the applicable stockholder rights agreement, the conversion rate with respect to such series shall be adjusted as provided in the supplemental indenture with respect to such series of Securities.

1. *INTEREST.* This Note shall bear interest at a rate of ____% per annum from _____ or from the most recent date to which interest had been paid or provided to, but excluding, the next scheduled Interest Payment Date, until the principal hereof shall be repaid. Interest on this Note will be computed on the basis of a 360-day year composed of twelve 30-day months. Interest is payable semiannually in arrears on each _____ and _____, commencing on _____, to the Person in whose name this Note (or one or more predecessor securities) is registered at the close of business on the Regular Record Date for such interest. 2. *METHOD OF PAYMENT.* The Company shall pay principal of and interest on this Note, so long as such Note is a Global Note, in immediately available funds to the Depositary or its nominee, as the case may be, as the registered Holder of such Note. Such payment shall be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

3. *PAYING AGENT AND REGISTRAR.* Initially, _____, the Trustee under the Indenture, will act as Paying Agent and Registrar. The Company may change any Paying Agent or Registrar without notice to any Holder. The Company may act in any such capacity.

(c) Notwithstanding the foregoing, prior to _____, the Company may, on any one or more occasions, use the net proceeds of one or more offerings of its capital stock to redeem up to _____% of the aggregate principal amount of all notes that had been issued under the Indenture up to the time of redemption at a redemption price of _____% the principal amount of the notes redeemed, plus accrued and unpaid interest, to the date of redemption; provided that, after any such redemption, the aggregate principal amount of the Notes outstanding (excluding Notes held by the Company and its Subsidiaries) must equal at least _____% of the Notes that had been issued under the Indenture up to the time of redemption; and provided further, that any such redemption shall occur within 90 days of the date of closing of such offering of capital stock of the Company.]

1. *MANDATORY REDEMPTION.* [The Company shall not be required to make mandatory redemption or sinking fund payments with respect to the Notes.] or [Describe mandatory redemption or sinking fund provisions.]

On and after the redemption date interest shall cease to accrue on Notes or the portion thereof called for redemption.

3. [CONVERSION.

(d) As provided in and subject to the provisions of the Indenture, the Holder hereof has the right, at its option (i) during certain periods and upon the occurrence of certain conditions specified in the Indenture, prior to the close of business on the Business Day immediately preceding _____, 20__, and (ii) on or after _____, 20__, at any time prior to the close of business on the second scheduled trading day immediately preceding the Maturity Date, to convert this Note or a portion thereof that is \$1,000 or an integral multiple thereof, into cash up to the aggregate principal amount of the Notes to be converted and cash, shares of Common Stock or a combination thereof, at the Company's election, in respect of the remainder, if any, of the Company's Conversion Obligation, at the applicable conversion rate specified in the Indenture, as adjusted from time to time as provided in the Indenture.

(e) In order to exercise the conversion privilege with respect to a beneficial interest in a Global Note, the holder of such beneficial interest must comply with the procedures of the Depositary for converting a beneficial interest in a global note and, if required, pay funds equal to any interest payable on the next Interest Payment Date and any documentary, stamp or similar issue or transfer taxes, if any, to the extent required by Section 13.07 of the Indenture. In order to exercise the conversion privilege with respect to any Physical Note, the Holder of any such Notes to be converted must (1) complete, manually sign and deliver the Conversion Notice at the office of the Conversion Agent and state in writing therein the principal amount of Notes to be converted and the name(s) (with addresses) in which such Holder wishes the certificate(s) for any shares of Common Stock to be delivered upon settlement of the Conversion Obligation to be registered, (2) surrender the Notes at the office of the Conversion Agent, (3) furnish appropriate endorsements and transfer documents if required, (4) pay any documentary, stamp or similar issue or transfer taxes if required, and (5) make any payment under Article 13 of the Indenture, if required. A Holder may convert all or any portion (if the portion to be converted is an integral multiple of \$1,000) of the Note.]

1. *DENOMINATIONS, TRANSFER, EXCHANGE.* The Notes are in registered form without coupons in all appropriate denominations. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Company may require a Holder to pay any taxes, fees or expenses required by law or permitted by the Indenture. The Company need not transfer or exchange any Note selected for redemption, except for the unredeemed portion of any Note being redeemed in part. Also, it need not transfer or exchange any Note for a period of 15 days before a selection of Notes to be redeemed.

2. *PERSONS DEEMED OWNERS.* Prior to due presentment of this Note for registration of transfer, the Company, the Trustee and any agent of the Company or Trustee may treat the Person in whose name the Note is registered as the owner hereof for all purposes, whether or not this Note be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

3. *AMENDMENT, SUPPLEMENT AND WAIVER.* The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Notes to be effected under the Indenture at any time by the Company and the Trustee with the consent of the Holders of a majority in principal amount of the Notes at the time outstanding and other series of Securities affected (treating the Notes and such other series as a single class). The Indenture also contains provisions permitting the Holders of specified percentages in principal amount of the Notes at the time outstanding and other series of Securities affected (treating the Notes and such other series as a single class), on behalf of the Holders of all Notes and such other series, if any, to waive compliance by the Company with certain provisions of the Indenture and certain past Defaults under the Indenture and their consequences with respect to the Notes and such other series. In addition, as provided in the Indenture, the Company may make certain amendments to the Indenture without the consent of any Holder. Any such consent or waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Note issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Note.

4. *EVENTS OF DEFAULT.* Each of the following constitutes an Event of Default: (i) default in the payment of principal of the Note when due and payable on the Maturity Date; (ii) failure by the Company to pay an installment of interest on the Note when due, if such failure continues for 30 days after the date when due; (iii) upon exercise of a Holder's conversion right in accordance with Article 13 of the Indenture, failure by the Company to deliver, or cause the Trustee to deliver, to such Holder the full amount of conversion consideration deliverable in respect of the Notes surrendered for conversion when due, in accordance with the Indenture and the terms of such Securities; (iv) failure by the Company to comply with its obligations under Section 5.01(a) and (b) and Section 5.02 of the Indenture; (v) failure by the Company to comply with any other covenant or agreement contained in the Note or the Indenture, if such failure is not cured within 90 days after notice to the Company by the Trustee or to the Trustee and the Company by Holders of at least 25% in aggregate principal amount of the Notes then outstanding and any other affected Securities outstanding under the Indenture (treating the Notes and such other series as a single class), in accordance with the Indenture; (vi) certain defaults with respect to the Indebtedness of the Company or any of its Subsidiaries, as provided in the Indenture; (vii) one or more final, non-appealable judgments against the Company or any of its Subsidiaries, the aggregate uninsured portion of which is at least \$5,000,000, if such judgments are not paid or discharged within 120 days; and (viii) certain events of bankruptcy or insolvency with respect to the Company. In case an Event of Default shall have occurred and be continuing, the principal of and interest on all Notes may be declared due and payable, by either the Trustee or Holders of not less than 25% in aggregate principal amount of Notes then outstanding and other series of Securities affected (treating the Notes and such other series as a single class), and upon said declaration shall become due and payable, in the manner, with the effect and subject to the conditions provided in the Indenture. Notwithstanding the foregoing, in the case of an Event of Default arising from certain events of bankruptcy or insolvency with respect to the Company, all outstanding Notes will become due and payable without further action or notice. Holders of the Notes may not enforce the Indenture or the Notes except as provided in the Indenture. Subject to certain limitations, Holders of a majority in aggregate principal amount of the then-outstanding Notes and other series of Securities affected (treating the Notes and such other series as a single class) may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders of the Notes notice of any continuing Default or Event of Default (except a Default or Event of Default relating to the payment of principal or interest) if it determines that withholding notice is in their interest. The Holders of a majority in aggregate principal amount of the Notes and other series of Securities affected (treating the Notes and such other series as a single class) and other series of Securities affected (treating the Notes and such other series as a single class) then outstanding by notice to the Trustee may on behalf of the Holders of all of the Notes and such other Securities waive any existing Default or Event of Default and its consequences under the Indenture except a continuing Default or Event of Default in the payment of principal, interest or premium, if any, on the Notes. The Company is required to deliver to the Trustee annually a statement regarding compliance with the Indenture.

5. *SUBORDINATION*. Each Holder by accepting a Note agrees that the payment of principal of, premium, if any, and interest on each Note is subordinated in right of payment, to the extent and in the manner provided in the Indenture, to the prior payment in full of all Senior Debt (whether outstanding on the date of the Indenture or thereafter created, incurred, assumed or guaranteed), and that the subordination is for the benefit of the holders of Senior Debt.

6. *TRUSTEE DEALINGS WITH THE COMPANY*. The Trustee, in its individual or any other capacity, may make loans to, accept deposits from, and perform services for the Company or its Affiliates, and may otherwise deal with the Company or its Affiliates, as if it were not the Trustee.

7. *NO RECOURSE AGAINST OTHERS*. No director, officer, employee, incorporator or stockholder of the Company will have any liability for any obligations of the Company under the Notes or the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for the issuance of the Notes.

10. *CUSIP NUMBERS*. Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Company has caused CUSIP numbers to be printed on the Notes and the Trustee may use CUSIP numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

11. *SERVICE CHARGES*. No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith to the extent provided in the Indenture.

The Company will furnish to any Holder upon written request and without charge a copy of the Indenture. Requests may be made to:

(xx) if the Securities of the series will be issued in whole or in part in global form, (A) the Depositary for such Global Securities, (B) whether beneficial owners of interests in any Securities of the series in global form may exchange such interests for Physical Securities of such series, to be registered in the names of or to be held by such beneficial owners or their nominees and to be of like tenor of any authorized form and denomination, and (C) if other than as provided in Section 2.09, the circumstances under which any such exchange may occur;

(xxi) the designation of the initial Depository with respect to the Securities of the series pursuant to Section 2.06;

(xxii) any restrictions on the registration, transfer or exchange of the Securities of the series; if the Securities of the series may be issued or delivered (whether upon original issuance or upon exchange of a temporary Security of such series or otherwise), or any installment of principal or interest is payable, only upon receipt of certain certificates or other documents or satisfaction of other conditions in addition to those specified in this Indenture, the form and terms of such certificates, documents or conditions;

(xxiii) if the Securities of the series will be convertible into or for other securities or property of the Company, and any deletions from, modifications of or additions to the terms and conditions of any right to convert, exercise or exchange Securities of the series into or for other securities or property of the Company set forth in Article 13;

(xxiv) whether the Securities of the series are secured or unsecured, and if secured, the security and related terms in connection therewith (which will be provided for in a separate security agreement and/or other appropriate documentation);

(xxv) any modification of the subordination provisions of this Indenture (including applicable definitions) that are to apply to Securities of the series; and

(xxvi) any other terms of the series including any terms which may be required by or advisable under United States laws or regulations or advisable (as determined by the Company) in connection with the marketing of Securities of the series.

(c) All Securities of any one series will be substantially identical except as to denomination and except as may otherwise be provided (i) by a Board Resolution, (ii) by action taken pursuant to a Board Resolution and set forth, or determined in the manner provided, in the related Officers' Certificate or (iii) in an indenture supplemental hereto. All Securities of any one series need not be issued at the same time and, unless otherwise provided, a series may be reopened, without the consent of the Holders, for issuances of additional Securities of such series.

Section 2.03 PAYMENT OF INTEREST

Except as otherwise specified in any Security issued hereunder, or in any supplemental indenture with respect to Securities of a particular series, interest shall be due and payable on a Security as follows:

(a) A Holder of such Security as of the close of business on a Regular Record Date shall be entitled to receive and shall receive (except as otherwise indicated in this Section 2.03), accrued and unpaid interest on such Security from the date specified in such Security to the Interest Payment Date next succeeding such Regular Record Date, other than any Security whose Maturity Date is prior to such Interest Payment Date.

(b) In the event that a Security of any series becomes subject to redemption pursuant to Article 3 and the redemption date occurs after a Regular Record Date but on or prior to the next succeeding Interest Payment Date, the person whose Security becomes subject to redemption (and only such Person rather than the Holder as of such Regular Record Date) shall be entitled to receive and shall receive accrued and unpaid interest from the preceding Interest Payment Date (or such earlier date on which interest was last paid) to, but excluding, the redemption date of such Security, even if such Person is not the Holder of such Security on the Regular Record Date. In the event that a Security of any series becomes subject to redemption pursuant to Article 3 and the redemption date occurs on an Interest Payment Date, the Holder as of the Regular Record Date corresponding to such Interest Payment Date shall be entitled to receive and shall receive accrued and unpaid interest from the preceding Interest Payment Date (or such earlier date on which interest was last paid or as otherwise provided in the Security) to, but excluding, the redemption date of such Security, even if such Person is not the Holder of such Security.

(c) The Company shall pay the principal of and interest on any Global Security registered in the name of or held by the Depositary or its nominee in immediately available funds to the Depositary or its nominee, as the case may be, as the registered Holder of such Global Security. The Company shall pay the principal of any Physical Securities at the office or agency designated by the Company for that purpose.

(d) The Company shall pay interest on any Physical Securities (A) to Holders having an aggregate principal amount of \$10,000,000 or less, by check mailed to the Holders of such Securities at their address as it appears in the Security Register and (B) to Holders having an aggregate principal amount of more than \$10,000,000, either by check mailed to each such Holder or, upon application by a Holder to the Registrar not later than the relevant Regular Record Date, by wire transfer in immediately available funds to that Holder's account within the United States, which application shall remain in effect until the Holder notifies the Registrar, in writing, to the contrary.

(e) In the event that Securities of any series are convertible and if, in such case, a Security is converted pursuant to Article 13, the Holder who converts such Security on any date other than an Interest Payment Date (except in the case of a Security whose Maturity Date is after the immediately preceding Record Date but prior to such Interest Payment Date) shall not be entitled to receive unpaid interest on such Security from the preceding Interest Payment Date until the conversion date, such amounts being deemed to have been paid by receipt of shares of Common Stock in full rather than canceled, extinguished or forfeited. As a result, if a Security is converted between a Regular Record Date and an Interest Payment Date (but not including on the Interest Payment Date), the Holder of record on the Regular Record Date will receive accrued and unpaid interest on such Security for such period on such Interest Payment Date but the Holder that converts the Security will be required to remit to the Company an amount equal to that interest at the time such Holder surrenders the Security for conversion, pursuant to Article 13; *provided, however*, that such Holder will not be required to remit such interest if (1) the Company has specified a redemption date that occurs during the period from the close of business on a Regular Record Date to the close of business on the Business Day immediately preceding the Interest Payment Date to which such record date relates or (2) any overdue interest exists on the Conversion Date with respect to the Securities converted, but only to the extent of overdue interest.

Section 2.04 DENOMINATIONS.

Unless otherwise specified in any Security issued hereunder or in any supplemental indenture, Securities of a series denominated in U.S. dollars shall be issuable in denominations of U.S. \$1,000 and any integral multiple thereof. Securities denominated in a foreign currency shall be issuable in such denominations as are established with respect to such Securities in or pursuant to this Indenture.

Section 2.05 EXECUTION AND AUTHENTICATION.

An Officer shall sign the Securities for the Company by manual or facsimile signature.

If an Officer whose signature is on a Security no longer holds that office at the time a Security is authenticated, the Security shall nevertheless be valid.

A Security shall not be valid until authenticated by the manual signature of the Trustee (or its authenticating agent as provided below). The signature shall be conclusive evidence that the Security has been authenticated under this Indenture.

The Trustee shall, upon a written order of the Company signed by an Officer (an "*Authentication Order*"), together with an Officers' Certificate and an Opinion of Counsel, authenticate Securities for original issue in the aggregate principal amount stated in the Authentication Order. The Officers' Certificate and Opinion of Counsel shall each state that all conditions precedent provided for or relating to the issuance of such Securities have been complied with.

If all of the Securities of a series are not to be originally issued at the same time, then the documents required to be delivered pursuant to this Section 2.05 must be delivered only once, prior to the authentication and delivery of the first Security of such series; *provided, however*, that any subsequent request by the Company to the Trustee to authenticate additional Securities of such series upon original issuance shall constitute a representation and warranty by the Company that, as of the date of such request, the statements made in the Officers' Certificate delivered pursuant to this Section 2.05 shall be true and correct as if made on such date and that all the conditions precedent, if any, provided for in this Indenture or the terms of the Securities of such series relating to the authentication and delivery of additional Securities of such series have been complied with.

The Trustee may appoint an authenticating agent acceptable to the Company to authenticate Securities. An authenticating agent may authenticate Securities whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as an Agent to deal with Holders or an Affiliate of the Company.

Notwithstanding the foregoing, if any Security shall have been authenticated and delivered hereunder but never issued and sold by the Company, and the Company shall deliver such Security to the Trustee for cancellation as provided in Section 2.13 together with a written statement stating that such Security has never been issued and sold by the Company, for all purposes of this Indenture such Security shall be deemed never to have been authenticated and delivered hereunder and shall not be entitled to the benefits of this Indenture.

Section 2.06 REGISTRAR AND PAYING AGENT; APPOINTMENT OF DEPOSITARY.

The Company shall, in accordance with Section 4.02, maintain an office or agency where Securities may be presented for registration of transfer or for exchange (“*Registrar*”), (if Securities of any series are convertible) an office or agency where Securities may be presented for conversion (“*Conversion Agent*”), and an office or agency where Securities may be presented for payment (“*Paying Agent*”). The Registrar shall keep a register of the Securities and of their transfer and exchange. The Company may appoint one or more co-registrars, one or more additional paying agents and one or more Conversion Agents. The term “*Registrar*” includes any co-registrar, the term “*Paying Agent*” includes any additional paying agent and the term “*Conversion Agent*” includes any additional Conversion Agent. The Company may change any Paying Agent or Registrar without notice to any Holder. The Company shall promptly notify the Trustee in writing of the name and address of any Agent not a party to this Indenture. If the Company fails to appoint or maintain another entity as Registrar or Paying Agent or, if the Securities of any series are convertible, a Conversion Agent, the Trustee shall act as such. The Company or any of its Subsidiaries may act as Paying Agent, Conversion Agent or Registrar.

The Company initially appoints The Depository Trust Company to act as Depository with respect to the Global Securities.

The Company initially appoints the Trustee to act as the Registrar and Paying Agent with respect to the Securities and to act as Custodian with respect to the Global Securities.

Section 2.07 PAYING AGENT TO HOLD MONEY IN TRUST.

The Company shall require each Paying Agent other than the Trustee to agree in writing that the Paying Agent will hold in trust for the benefit of Holders or the Trustee all money held by the Paying Agent for the payment of principal, premium, if any, or interest on the Securities or other payment in respect of the Securities or otherwise held by it as Paying Agent, and will notify the Trustee of any default by the Company in making any such payment when due. While any such default continues, the Trustee may require a Paying Agent to pay all money held by it to the Trustee. The Company at any time may require a Paying Agent to pay all money held by it to the Trustee. Upon payment over to the Trustee, the Paying Agent (if other than the Company or a Subsidiary) shall have no further liability for the money. If the Company or a Subsidiary acts as Paying Agent, it shall segregate and hold in a separate trust fund for the benefit of the Holders all money held by it as Paying Agent. Upon any bankruptcy or reorganization proceedings relating to the Company, the Trustee shall serve as Paying Agent for the Securities.

Section 2.08 HOLDER LISTS.

(a) The Company shall furnish or cause to be furnished to the Trustee, semiannually, and at such other times as the Trustee may request in writing, within 30 days after receipt by the Company of any such request (or such lesser time as the Trustee may reasonably request in order to enable it to timely provide any notice to be provided by it hereunder), a list in such form as the Trustee may reasonably require of the names and addresses of the Holders as of a date not more than 15 days (or such other date as the Trustee may reasonably request in order to so provide any such notices) prior to the time such information is furnished, except that no such list need be furnished so long as the Trustee is acting as Registrar. In addition, the Trustee and the Company shall comply with TIA § 312.

(b) The Trustee shall preserve, in as current a form as is reasonably practicable, all information as to the names and addresses of the Holders contained in the most recent list furnished to it as provided in this Section 2.08 or maintained by the Trustee in its capacity as Registrar, if so acting. The Trustee shall destroy any list furnished to it as provided in this Section 2.08 upon receipt of a new list so furnished.

Section 2.09 TRANSFER AND EXCHANGE.

(a) Upon surrender for registration of transfer of any Physical Security of any series at the office or agency maintained pursuant to Section 4.02, the Company shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Physical Securities of the same series, of any authorized denominations and of a same aggregate principal amount and like tenor and containing identical terms and provisions.

(b) At the option of the Holder, Securities of any series (except a Security in global form) may be exchanged for other Securities of the same series, of any authorized denominations, of a same aggregate principal amount and like tenor and containing identical terms and provisions, upon surrender of the Securities to be exchanged at such office or agency. Whenever any Securities are so surrendered for exchange, the Company shall execute, and the Trustee shall authenticate and deliver, the Securities that the Holder making the exchange is entitled to receive.

(c) Notwithstanding any other provision of this Section 2.09, unless and until it is exchanged in whole or in part for Physical Securities, a Security in global form representing all or a portion of the Securities of a series may not be transferred except as a whole by the Depositary for such series to a nominee of such Depositary or by a nominee of such Depositary to such Depositary or another nominee of such Depositary or by such Depositary or any such nominee to a successor Depositary for such series or a nominee of such successor Depositary.

(d) If at any time: (i) the Depositary for the Securities of a series notifies the Company that the Depositary is unwilling or unable to continue as Depositary for the Securities of such series and a successor Depositary is not appointed within 60 days; (ii) the Depositary ceases to be registered as a clearing agency under the Exchange Act and a successor Depositary is not appointed within 60 days; or (iii) an Event of Default with respect to the Securities of such series has occurred and is continuing and any beneficial owner requests that its Securities be issued as Physical Securities; then, in such cases, the Company shall execute, and the Trustee, upon receipt of an Officers' Certificate and an Authentication Order for the authentication and delivery of Physical Securities of such series of like tenor, shall authenticate and deliver (x) in the case of clause (iii), a Physical Security of such series to such beneficial owner in a principal amount equal to the principal amount of such Securities corresponding to such beneficial owner's beneficial interest and (y) in the case of clause (i) or (ii), Physical Securities of such series to the beneficial owners of the related Securities (or a portion thereof) in an aggregate principal amount equal to the principal amount of such Global Security, in exchange for such Global Security, and upon delivery of the Global Security to the Trustee such Global Security shall be cancelled.

(e) The Company may at any time in its sole discretion determine that all (but not less than all) Securities of a series issued in global form shall no longer be represented by such a Security or Securities in global form. In such event the Company shall execute, and the Trustee, upon receipt of an Authentication Order for the authentication and delivery of Physical Securities of such series of like tenor, shall authenticate and deliver in accordance with Section 2.02(g), Physical Securities of such series of like tenor, in authorized denominations and in an aggregate principal amount equal to the principal amount of the Security or Securities of such series of like tenor in global form in exchange for such Security or Securities in global form.

(f) If specified by the Company pursuant to Section 2.02 or this Section 2.09, with respect to a series of Securities, the Depository for such series may surrender a Security in global form of such series in exchange in whole or in part for Physical Securities of such series on such terms as are acceptable to the Company and such Depository. Thereupon, the Company shall execute, and the Trustee shall authenticate and deliver, without service charge,

(i) to each Person specified by such Depository a new Physical Security or Securities of the same series of like tenor, of any authorized denomination as requested by such Person in aggregate principal amount equal to and in exchange for such Person's beneficial interest in the Security in global form; and

(ii) to such Depository a new Security in global form of like tenor in a denomination equal to the difference, if any, between the principal amount of the surrendered Security in global form and the aggregate principal amount of Physical Securities delivered to Holders thereof.

(g) Upon the exchange of a Security in global form for Physical Securities, such Security in global form shall be canceled by the Trustee. Physical Securities issued in exchange for a Security in global form pursuant to this Section shall be registered in such names and in such authorized denominations as the Depository for such Security in global form, pursuant to instructions from its direct or Indirect Participants or otherwise, shall instruct the Trustee in writing. The Trustee shall deliver such Securities to the Persons in whose names such Securities are so registered.

(h) Whenever any Securities are surrendered for exchange, the Company shall execute, and the Trustee shall authenticate and deliver, the Securities that the Holder making the exchange is entitled to receive.

(i) All Securities issued upon any registration of transfer or upon any exchange of Securities shall be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as were the Securities surrendered upon such registration of transfer or exchange.

(j) Every Security presented or surrendered for registration of transfer or for exchange shall (if so required by the Company, the Registrar or the Trustee) be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Company, the Registrar and the Trustee duly executed by the Holder thereof or his attorney duly authorized in writing.

(k) No service charge shall be imposed by the Company, the Trustee or any Registrar for any exchange or registration of transfer of Securities, but the Company, the Trustee or any Registrar may require a Holder to pay a sum sufficient to cover any documentary, stamp or similar issue or transfer tax required by law or permitted pursuant to a supplemental indenture with respect to such Securities. None of the Company, the Trustee or any Registrar shall be required to exchange or register a transfer of any Securities surrendered for conversion or, if a portion of any Security is surrendered for conversion, such portion thereof surrendered for conversion.

(l) The Company shall not be required (i) to issue, register the transfer of or exchange Securities of any series during a period beginning at the opening of business 15 days before the day of the mailing of a notice of redemption of Securities of that series selected for redemption under Section 3.02 and ending at the close of business on the day of such mailing, or (ii) to register the transfer of or exchange any security so selected for redemption in whole or in part, except the unredeemed portion of any Security being redeemed in part.

(m) The provisions of this Section 2.09 may be modified, supplemented or superseded with respect to any series of Securities by a Board Resolution or in one or more indentures supplemental hereto.

(n) At such time as all beneficial interests in a particular Global Security have been exchanged for Physical Securities or a particular Global Security has been redeemed, repurchased or canceled in whole and not in part, each such Global Security shall be returned to or retained and canceled by the Trustee in accordance with Section 2.13 hereof. At any time prior to such cancellation, if any beneficial interest in a Global Security is exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Security or for Physical Securities, the principal amount of Securities represented by such Global Security shall be reduced accordingly and an endorsement shall be made on such Global Security by the Trustee or by the Depository at the direction of the Trustee to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Security, such other Global Security shall be increased accordingly and an endorsement shall be made on such Global Security by the Trustee or by the Depository at the direction of the Trustee to reflect such increase.

(o) Prior to due presentment for the registration of a transfer of any Security, the Trustee, any Agent and the Company may deem and treat the Person in whose name any Security is registered as the absolute owner of such Security for the purpose of receiving payment of principal of and interest on such Securities and for all other purposes, and neither the Trustee, any Agent nor the Company shall be affected by notice to the contrary.

Section 2.10 REPLACEMENT SECURITIES.

If any mutilated Security is surrendered to the Trustee or the Company or the Trustee receives evidence to its satisfaction of the destruction, loss or theft of any Security, the Company shall issue and the Trustee, upon receipt of an Authentication Order, shall authenticate a replacement Security, *provided that* if required by the Trustee or the Company, an indemnity bond must be supplied by the Holder that is sufficient in the judgment of the Trustee and the Company to protect the Company, the Trustee, any Agent and any authenticating agent from any loss that any of them may suffer if a Security is replaced. The Company may charge for its expenses in replacing a Security. Every replacement Security is an obligation of the Company and will be entitled to all of the benefits of this Indenture equally and proportionately with all other Securities duly issued hereunder.

Section 2.11 OUTSTANDING SECURITIES.

For purposes of this Indenture and the Securities, except as otherwise specified in any Security of any series or supplemental indenture with respect to such Securities, any Security authenticated and delivered under this Indenture shall, as of any date of determination, be deemed to be “*outstanding*” except:

(i) Securities theretofore cancelled by the Trustee or delivered to the Trustee for cancellation or reductions in the interest in any Global Security effected by the Trustee in accordance with the provisions hereof;

(ii) Securities for the payment or redemption of which money or U.S. Government Obligations in the necessary amount has been theretofore deposited with the Trustee or any Paying Agent (other than the Company) in trust or set aside and segregated in trust by the Company (if the Company acts as its own Paying Agent) for the Holders of such Securities; *provided, however*, that, if such Securities are to be redeemed, notice of such redemption has been duly given pursuant to this Indenture or provision therefore satisfactory to the Trustee has been made;

(iii) Securities that have been paid pursuant to Section 4.01; and

(iv) Securities that have been replaced pursuant to Section 2.10, other than any such Securities in respect of which there shall have been presented to the Trustee proof satisfactory to it that such Securities are held by a protected purchaser (as defined in Article 8 of the Uniform Commercial Code as in effect from time to time in the State of New York) in whose hands such Securities are valid obligations of the Company;

provided, however, that in determining whether the Holders of the requisite principal amount of the outstanding Securities have given or concurred with any request, demand, authorization, direction, notice, consent or waiver hereunder, Securities owned by the Company or any other obligor upon the Securities or any Subsidiary of the Company or of such other obligor shall be disregarded and deemed not to be outstanding, except that, for purposes of determining whether the Trustee shall be protected in relying upon any such request, demand, authorization, direction, notice, consent or waiver, only Securities that the Trustee knows to be so owned shall be so disregarded. Securities so owned that have been pledged in good faith may be regarded as outstanding if the pledgee establishes to the satisfaction of the Trustee the pledgee’s right so to act with respect to such Securities and that the pledgee is not the Company or any other obligor upon the Securities or any Affiliate of the Company or of such other obligor.

Section 2.12 TEMPORARY SECURITIES.

Until certificates representing Securities are ready for delivery, the Company may prepare and the Trustee, upon receipt of an Authentication Order, shall authenticate temporary Securities. Temporary Securities shall be substantially in the form of Physical Securities but may have variations that the Company considers appropriate for temporary Securities and as shall be reasonably acceptable to the Trustee. Without unreasonable delay, the Company shall prepare and the Trustee shall authenticate definitive Securities in exchange for temporary Securities. Holders of temporary Securities will be entitled to all of the benefits of this Indenture.

Section 2.13 PURCHASE AND CANCELLATION.

The Company shall cause all Securities surrendered for payment, repurchase, registration of transfer or exchange or conversion, if surrendered to any Person other than the Trustee (including any of the Company's Agents, Subsidiaries or Affiliates), to be delivered to the Trustee for cancellation. All Securities delivered to the Trustee shall be canceled promptly by the Trustee. No Securities shall be authenticated in exchange for any Securities cancelled, as provided herein. The Company may, to the extent permitted by law, and directly or indirectly (regardless of whether such Securities are surrendered to the Company), repurchase Securities in the open market or otherwise, without giving prior notice to Holders, whether by the Company or the Company's Subsidiaries or through a private or public tender or exchange offer or through counterparties to private agreements, including by cash-settled swaps or other derivatives. The Company may cause any Securities so repurchased (other than Securities repurchased pursuant to cash-settled swaps or other derivatives) to be surrendered to the Trustee for cancellation in accordance with this Section 2.13 and any such Securities shall no longer be considered outstanding under this Indenture upon such repurchase. Any Securities surrendered for cancellation by the Company shall not be reissued or resold.

Section 2.14 DEFAULTED INTEREST.

If the Company defaults in a payment of interest on the Securities, it shall pay the defaulted interest in any lawful manner to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Securities. The Company shall notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Security and the date of the proposed payment. The Company shall fix or cause to be fixed each such special record date and payment date, *provided, however*, that no such special record date shall be less than 10 days prior to the related payment date for such defaulted interest. At least 15 days before the special record date, the Company (or, upon the written request of the Company, the Trustee in the name and at the expense of the Company) shall mail or cause to be mailed to Holders a notice that states the special record date, the related payment date and the amount of such interest to be paid. Except as otherwise expressly provided in Section 2.03 or a supplemental indenture with respect to such Securities, in the case of any Security (or any part thereof) that is converted, interest payable on an Interest Payment Date after the date of conversion of such Security (or such part thereof) shall not be payable. Subject to the foregoing provisions of this Section, each Security delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Security shall carry the rights to interest accrued and unpaid, and to accrue, that were carried by such other Security.

(a) Except as otherwise specified in any Security of any series or supplemental indenture with respect to such Securities, the Securities of each series issued hereunder shall initially be issued in the form of one or more Global Securities without interest coupons (i) registered in the name of Cede & Co., as nominee of the Depository and (ii) delivered to the Trustees as custodian for the Depository.

(b) Members of, or participants in, the Depository (“*Agent Members*”) shall have no rights under this Indenture with respect to any Global Security held on their behalf by the Depository, or the Trustee as its custodian, or under the Global Security, and Cede & Co., or such other Person designated by the Depository as its nominee, may be treated by the Company, the Trustee and any agent of the Company or the Trustee as the absolute owner of the Global Security for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Company, the Trustee or any agent of the Company or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depository or impair, as between the Depository and its Agent Members, the operation of customary practices governing the exercise of the rights of any Holder.

(c) The Holder of Global Securities may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action that a Holder is entitled to take under this Indenture or the Securities.

(d) A legend in substantially the following form shall appear on the face of all Global Securities:

THIS SECURITY IS A GLOBAL SECURITY WITHIN THE MEANING OF THE INDENTURE HEREINAFTER REFERRED TO AND IS REGISTERED IN THE NAME OF A DEPOSITARY OR A NOMINEE OF A DEPOSITARY. THIS SECURITY IS EXCHANGEABLE FOR SECURITIES REGISTERED IN THE NAME OF A PERSON OTHER THAN THE DEPOSITARY OR ITS NOMINEE ONLY IN THE LIMITED CIRCUMSTANCES DESCRIBED IN THE INDENTURE, AND NO TRANSFER OF THIS SECURITY (OTHER THAN A TRANSFER OF THIS SECURITY AS A WHOLE BY THE DEPOSITARY TO A NOMINEE OF THE DEPOSITARY OR BY A NOMINEE OF THE DEPOSITARY TO THE DEPOSITARY OR ANOTHER NOMINEE OF THE DEPOSITARY) MAY BE REGISTERED EXCEPT IN LIMITED CIRCUMSTANCES.

UNLESS THIS SECURITY IS PRESENTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITORY TRUST COMPANY, A NEW YORK CORPORATION (“DTC”), TO THE COMPANY OR ITS AGENT FOR REGISTRATION OF TRANSFER, EXCHANGE OR PAYMENT, AND ANY SECURITY ISSUED IS REGISTERED IN THE NAME OF CEDE & CO. OR IN SUCH OTHER NAME AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF DTC (AND ANY PAYMENT HEREON IS MADE TO CEDE & CO. OR TO SUCH OTHER ENTITY AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF DTC), ANY TRANSFER, PLEDGE OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL INASMUCH AS THE REGISTERED OWNER HEREOF, CEDE & CO., HAS AN INTEREST HEREIN.

ARTICLE 3

REDEMPTION AND PREPAYMENT

Section 3.01 APPLICABILITY OF ARTICLE.

The provisions of this Article are applicable to the Securities of any series that are redeemable before their maturity except as otherwise contemplated by Section 2.02 for Securities of such series or in any supplemental indenture with respect to such Securities.

Section 3.02 SELECTION OF SECURITIES TO BE REDEEMED

If less than all of the Securities of any series are to be redeemed at any time, the Trustee will select the Securities of such series to be redeemed among the Holders of the Securities of such series in compliance with the requirements of the principal national securities exchange, if any, on which the Securities of such series are listed or, if the Securities of such series are not so listed, and except as may be otherwise specified in a supplemental indenture with respect to the Securities of such series, by lot or by such other method as the Trustee deems fair and appropriate; *provided, however*, that no Securities of \$1,000 or less shall be redeemed in part. In the event of partial redemption by lot, the particular Securities of such series to be redeemed shall be selected, unless otherwise provided herein or in the Securities of such series or in a supplemental indenture with respect to such Securities or otherwise agreed by the Company and the Trustee, by the Trustee from the outstanding Securities of the series not previously called for redemption.

The Trustee shall promptly notify the Company in writing of the Securities selected for redemption and, in the case of any Security selected for partial redemption, the principal amount thereof to be redeemed. Securities and portions of Securities selected shall be in amounts of \$1,000 or whole multiples of \$1,000; except that if all of the Securities of a series of a Holder are to be redeemed, the entire outstanding amount of Securities of such series held by such Holder, even if not a multiple of \$1,000, shall be redeemed. A new Security of the same series in principal amount equal to the unredeemed portion thereof shall be issued in the name of the Holder thereof upon cancellation of the original Security. Securities called for redemption shall become due on the redemption date. On and after the redemption date, interest will cease to accrue on the Securities or portions of them called for redemption. Except as provided in this Section 3.02, provisions of this Indenture that apply to Securities called for redemption shall also apply to portions of Securities called for redemption.

Section 3.03 NOTICE OF REDEMPTION

At least 30 days but not more than 60 days before a redemption date, the Company shall mail or cause to be mailed, by first class mail, a notice of redemption to each Holder whose Securities are to be redeemed at its registered address.

The notice shall identify the Securities to be redeemed, including the series thereof, and shall state:

- (i) the redemption date;
- (ii) the redemption price;
- (iii) the name and address of the Paying Agent;
- (iv) that Securities called for redemption must be surrendered to the Paying Agent to collect the redemption price;
- (v) that, unless the Company defaults in making such redemption payment, interest on Securities called for redemption will cease to accrue on and after the redemption date;

(vi) as to any Security being redeemed in part, the portion of the principal amount of such Security to be redeemed and that, after the redemption date upon surrender of such Security, a new Security or Securities of the same series in principal amount equal to the unredeemed portion shall be issued upon cancellation of the original;

(vii) the paragraph of the Securities and/or Section of this Indenture, any supplemental indenture with respect to such Securities or any Securities pursuant to which the Securities called for redemption are being redeemed; and

(viii) that no representation is made as to the correctness or accuracy of the CUSIP number, if any, listed in such notice or printed on the Securities.

At the Company's request, the Trustee shall give the notice of redemption in the Company's name and at the Company's expense; *provided, however*, that the Company shall have delivered to the Trustee, at least 45 days prior to the redemption date (unless a shorter period is satisfactory to the Trustee), an Officers' Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph.

Section 3.04 EFFECT OF NOTICE OF REDEMPTION.

Once notice of redemption is mailed in accordance with Section 3.03 hereof, Securities called for redemption become irrevocably due and payable on the redemption date at the redemption price.

Section 3.05 DEPOSIT OF REDEMPTION PRICE.

No later than 12:00 p.m. (noon), Eastern Time, on any redemption date, the Company shall deposit with the Trustee or with the Paying Agent (or if the Company is acting as Paying Agent, the Company shall segregate and hold in trust for the Persons entitled to such sums) money in immediately available funds sufficient to pay the redemption price of and accrued interest, if any, on all Securities to be redeemed on that date. The Trustee or the Paying Agent shall promptly return to the Company any money deposited with the Trustee or the Paying Agent by the Company in excess of the amounts necessary to pay the redemption price of, and accrued interest on, all Securities to be redeemed.

Section 3.06 SECURITIES REDEEMED OR PURCHASED IN PART.

Upon surrender of a Security that is redeemed in part, the Company shall issue and, upon the Company's written request, the Trustee shall authenticate for the Holder at the expense of the Company a new Security of the same series equal in principal amount to the unredeemed portion of the Security surrendered.

Section 3.07 MANDATORY REDEMPTION; SINKING FUND

The Company shall not be required to make mandatory redemption or sinking fund payments with respect to the Securities, unless otherwise specified in the terms of a particular series of Securities or in a supplemental indenture with respect to such Securities.

ARTICLE 4

COVENANTS

Section 4.01 PAYMENT OF SECURITIES.

The Company shall pay or cause to be paid the principal of, premium, if any, and interest on the Securities on the dates and in the manner provided in the Securities. Principal, premium, if any, and interest shall be considered paid on the date due if the Paying Agent, if other than the Company or a Subsidiary thereof, holds as of 12:00 p.m. (noon), Eastern Time, on the due date money deposited by the Company in immediately available funds and designated for and sufficient to pay all principal, premium, if any, and interest then due. If the Company is the Paying Agent, principal, premium, if any, and interest shall be considered paid on the date due if it has segregated and held in trust for the benefit of the Persons entitled thereto a sum sufficient to pay the principal, premium, if any, and interest so becoming due until such sums are paid to such Persons.

Section 4.02 MAINTENANCE OF OFFICE OR AGENCY.

In satisfaction of Section 2.06, the Company shall maintain a Registrar or co-Registrar, which shall be an office or agency (and which may be an office of the Trustee or an affiliate of the Trustee) where Securities may be surrendered for registration of transfer, or for exchange, and where notices and demands to or upon the Company in respect of the Securities and this Indenture may be served. The Company shall maintain a Paying Agent (which may be an office of the Trustee or an affiliate of the Trustee or the Registrar or a co-Registrar) where Securities may be surrendered for payment. If, but only if, Securities of any series are convertible, the Company shall maintain a Conversion Agent (which may be an office of the Trustee or the Registrar or a co-Registrar or the Paying Agent) where such Securities may be surrendered for conversion. The Company shall give prompt written notice to the Trustee of the location, and any change in the location, of any such office or agency. If at any time the Company shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Trustee's principal agency, which currently is located at _____.

The Company may also from time to time designate one or more other offices or agencies where the Securities may be presented or surrendered for any or all such purposes and may from time to time rescind such designations. The Company shall give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

Section 4.03 REPORTING REQUIREMENT

The Company shall file with the Trustee within 15 days after the Company is required to file the same with the SEC (after giving effect to any grace period afforded to the Company pursuant to Rule 12b-25 under the Exchange Act), copies of the annual reports and of the information, documents and other reports, and such summaries thereof, as may be required pursuant to the TIA at the times and in the manner provided pursuant to the TIA (or copies of such portions of any of the foregoing as the SEC may from time to time by rules and regulations prescribe) that the Company is required to file with the SEC pursuant to Section 13 or 15(d) of the Exchange Act.

Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates). Any such document or report that the Company files with the SEC via the EDGAR system shall be deemed to be filed with the Trustee for purposes of this Section 4.03 as of the time such documents are filed via the EDGAR system.

Section 4.04 COMPLIANCE CERTIFICATE.

The Company will deliver to the Trustee, within 120 days after the end of each fiscal year of the Company ending after the date hereof, an Officers' Certificate, stating whether or not to the best knowledge of the signers thereof the Company is in default in the performance and observance of any of the terms, provisions and conditions of this Indenture (without regard to any period of grace or requirement of notice provided hereunder) and, if the Company shall be in default, specifying all such defaults and the nature and status thereof of which they may have knowledge.

Section 4.05 EXISTENCE.

Subject to Article 5 hereof, the Company shall do or cause to be done all things necessary to preserve and keep in full force and effect its existence and rights (charter and statutory rights) as a corporation; *provided, however*, that the Company shall not be required to preserve any such right as a corporation, if the Board of Directors shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Company, taken as a whole, and that the loss thereof is not adverse in any material respect to the Holders of the Securities

ARTICLE 5

SUCCESSOR COMPANY

Section 5.01 CONSOLIDATION, MERGER AND SALE OF ASSETS.

The Company shall not consolidate with or merge with or into, or sell, transfer, lease or otherwise convey all or substantially all of its consolidated assets to, another Person, unless:

(a) the resulting, surviving or transferee Person (if not the Company) (the “*Successor Company*”) is a corporation organized and existing under the laws of the United States, any State thereof or the District of Columbia and such Successor Company (if not the Company) expressly assumes by supplemental indenture all of the Company’s obligations under the Securities and this Indenture;

(b) immediately after giving effect to such transaction (and treating such resulting, surviving or transferee Person as the Company for all such purposes hereunder), no Default or Event of Default shall occur and be continuing under this Indenture; and

(c) the Company delivers to the Trustee the Officers’ Certificate and Opinion of Counsel pursuant to Section 5.03.

For purposes of this Section 5.01, the sale, conveyance, transfer or lease of all or substantially all of the properties and assets of one or more Subsidiaries of the Company to another Person that is not a Subsidiary of the Company, which properties and assets, if held by the Company instead of such Subsidiaries, would constitute all or substantially all of the properties and assets of the Company on a consolidated basis, shall be deemed to be the sale, conveyance, transfer or lease of all or substantially all of the properties and assets of the Company to another Person.

Section 5.02 SUCCESSOR PERSON SUBSTITUTED.

In the case of any consolidation, merger, sale, transfer, lease or other conveyance pursuant to Section 5.01 in which the Company is not the Successor Company, and upon the assumption by the Successor Company, by supplemental indenture, executed and delivered to the Trustee, of the due and punctual payment of the principal of and interest on all of the then outstanding Securities, and the due and punctual performance and observance of all of the covenants and conditions of this Indenture to be performed or satisfied by the Company, such Successor Company shall succeed to, and be substituted for, and may exercise every right and power of, the Company, with the same effect as if it had been named herein as the party of the first part, and the Company shall be discharged from its obligations under the terms of the Securities and this Indenture, except in the case of a lease of all or substantially all of the Company's properties and assets. Such Successor Company thereupon may cause to be signed, and may issue either in its own name or in the name of the Company any or all of the Securities issuable hereunder that theretofore shall not have been signed by the Company and delivered to the Trustee; and, upon the order of such Successor Company instead of the Company and subject to all the terms, conditions and limitations in this Indenture prescribed, the Trustee shall authenticate and shall deliver, or cause to be authenticated and delivered, any Securities that previously shall have been signed and delivered by the Officers of the Company to the Trustee for authentication, and any Securities that such Successor Company thereafter shall cause to be signed and delivered to the Trustee for that purpose. All the Securities so issued shall in all respects rank equally and have the same benefit under this Indenture as the Securities theretofore or thereafter issued in accordance with the terms of this Indenture as though all of such Securities had been issued at the date of the execution hereof. In the event of any such consolidation, merger, sale, transfer or conveyance (but not in the case of a lease) upon compliance with this Article 5 the Person named as the "Company" in the first paragraph of this Indenture or any successor that shall thereafter have become such in the manner prescribed in this Article 5 shall be discharged from its liabilities as obligor and maker of the Securities and from its obligations under this Indenture.

In case of any such consolidation, merger, sale, transfer, or other conveyance or lease, such changes in phraseology and form (but not in substance) may be made in the Securities thereafter to be issued as may be appropriate.

Section 5.03 OPINION OF COUNSEL TO BE GIVEN TO TRUSTEE.

Prior to execution of any supplemental indenture pursuant to this Article 5, the Trustee shall receive an Officers' Certificate and an Opinion of Counsel in accordance with Section 14.05 as conclusive evidence that any such consolidation, merger, sale, transfer, or other conveyance or lease, and any such assumption by the Successor Company of the obligations of the Company hereunder, complies with the provisions of this Article 5.

ARTICLE 6

EVENTS OF DEFAULT

Section 6.01 EVENTS OF DEFAULT.

Except as may otherwise be provided in the Securities of any series or a supplemental indenture with respect to such Securities, an "Event of Default," with respect to Securities of any series shall have occurred if:

- (a) the Company defaults in the payment of principal of any Security of that series when due and payable on the Maturity Date with respect thereto;
- (b) the Company fails to pay an installment of interest on any Security of that series when due, if such failure continues for 30 days after the date when due;

(c) upon exercise of a Holder's conversion right with respect to any Security of that series in accordance with Article 13, the Company fails to deliver, or cause the Trustee to deliver, to such Holder the full amount of conversion consideration deliverable in respect of the Securities surrendered for conversion when due, in accordance with this Indenture and the terms of such Securities;

(d) the Company fails to comply with its obligations under Section 5.01(a) and (b) and Section 5.02;

(e) the Company fails to comply with any other covenant or agreement contained in the terms of the Securities of that series or this Indenture, if such failure is not cured within 90 days after notice to the Company by the Trustee or to the Trustee and the Company by Holders of at least 25% in aggregate principal amount of the then outstanding Securities of all series affected by that failure, treating those series as a single class, in accordance with this Indenture, other than a covenant or agreement with respect to which a failure to observe or perform is otherwise expressly provided for in this Indenture or is expressly included in this Indenture solely for the benefit of a series of the Securities other than such series of Securities;

(f) default (i) in any scheduled payment of principal of any Indebtedness of the Company or any of its Subsidiaries (other than the outstanding Securities of that series and other than non-recourse Indebtedness), aggregating more than \$10,000,000 in principal amount, when due and payable after giving effect to any applicable grace period or (ii) in the performance of any other term or provision of any Indebtedness of the Company or any of its Subsidiaries (other than the outstanding Securities of that series and other than non-recourse Indebtedness) in excess of \$10,000,000 principal amount that results in such Indebtedness becoming or being declared due and payable before the date on which it would otherwise become due and payable, and such acceleration is not rescinded or annulled, or such Indebtedness is not discharged, within a period of 20 days after there has been given, by registered or certified mail, to the Company by the Trustee or to the Company and the Trustee by the Holders of at least 25% in principal amount of the outstanding Securities of all series, treating those series as a single class, a written notice specifying such default(s) and stating that such notice is a "Notice of Default" under this Indenture;

(g) one or more final, non-appealable judgments against the Company or any of its Subsidiaries, the aggregate uninsured portion of which is at least \$5,000,000, if such judgments are not paid or discharged within 120 days;

(h) the Company shall commence a voluntary case or other proceeding seeking liquidation, reorganization or other relief with respect to the Company or its debts under any bankruptcy, insolvency or other similar law now or hereafter in effect or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official of the Company, or shall consent to any such relief or to the appointment of or taking possession by any such official in an involuntary case or other proceeding commenced against it, or shall make a general assignment for the benefit of creditors, or admits, in writing, its inability to pay its debts as they become due; or

(i) an involuntary case or other proceeding shall be commenced against the Company seeking liquidation, reorganization or other relief with respect to the Company or its debts under any bankruptcy, insolvency or other similar law now or hereafter in effect or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official of the Company, and such involuntary case or other proceeding shall remain undismissed and unstayed for a period of 90 consecutive days.

Section 6.02 ACCELERATION; RESCISSION AND ANNULMENT.

In case one or more Events of Default shall have occurred and be continuing with respect to one or more series of Securities then, and in each and every such case (other than an Event of Default specified in Section 6.01(h) or Section 6.01(i)), unless the principal of all of the Securities of all series with respect to which an Event or Events of Default shall have occurred, shall have already become due and payable, either the Trustee or the Holders of at least 25% in aggregate principal amount of the then outstanding Securities of all series affected by that failure, treating those series as a single class, by notice in writing to the Company (and to the Trustee if given by Holders), may, and the Trustee at the request of Holders of at least 25% in aggregate principal amount of the then outstanding Securities of all series affected by that failure, treating those series as a single class, shall, declare 100% of the principal of, and any accrued and unpaid interest on, all of such outstanding Securities to be due and payable immediately, and upon any such declaration the same shall become and shall automatically be due and payable immediately, notwithstanding any provision in this Indenture or in the terms of the Securities to the contrary. In the case of an Event of Default specified in Section 6.01(h) or Section 6.01(i), the principal of, and accrued and unpaid interest, if any, on, all outstanding Securities shall automatically become due and payable immediately.

The immediately preceding paragraph, however, is subject to the conditions that if, at any time after the principal of and interest on the outstanding Securities of any series shall have been so declared due and payable, and before any judgment or decree for the payment of the monies due shall have been obtained or entered as hereinafter provided, (1) the Company shall pay or shall deposit with the Trustee a sum sufficient to pay installments of accrued and unpaid interest upon all outstanding Securities of such series and the principal of any and all outstanding Securities of such series that shall have become due otherwise than by acceleration (with interest on overdue installments of accrued and unpaid interest to the extent that payment of such interest is enforceable under applicable law, and on such principal, at the rate borne by the outstanding Securities plus one percent at such time) and amounts due to the Trustee pursuant to Section 7.06, and (2) rescission would not conflict with any order or decree of a court of competent jurisdiction and (3) any and all existing Events of Default under this Indenture with respect to the Securities of such series, other than the nonpayment of the principal of and accrued and unpaid interest, if any, on such Securities that shall have become due solely by such acceleration, shall have been cured or waived pursuant to Section 6.09, then and in every such case the Holders of a majority in aggregate principal amount of the then outstanding Securities of all series affected by that failure, treating those series as a single class may, by written notice to the Company and to the Trustee, rescind and annul any consequence of any such Default or Event of Default, including, without limitation, acceleration of the obligations, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such rescission and annulment shall extend to or shall affect any subsequent Default or Event of Default, or shall impair any right consequent thereon.

Section 6.03 ADDITIONAL INTEREST.

Notwithstanding any provisions of this Indenture to the contrary, if the Company so elects, the sole remedy for an Event of Default relating to (i) its failure to file with the Trustee pursuant to Section 314(a)(1) of the Trust Indenture Act any documents or reports that it is required to file with the SEC pursuant to Section 13 or 15(d) of the Exchange Act or (ii) its failure to comply with its reporting obligations set forth in Section 4.03, shall for the 180 days after the occurrence of such an Event of Default consist exclusively of the right to receive additional interest on the Securities at a rate equal to 0.25% per annum of the principal amount of the outstanding Securities (“*Additional Interest*”) for each day during the 90-day period beginning on, and including, the occurrence of such an Event of Default during which such Event of Default is continuing, which Additional Interest rate shall be increased by an additional 0.25% per annum, on the 91st day after the occurrence of such Event of Default (if such Event of Default is not cured or waived prior to such 91st day); *provided* that the rate at which such Additional Interest accrues may in no event exceed 0.50% per annum. If the Company elects to pay Additional Interest on account of such an Event of Default, such Additional Interest shall be payable in the same manner and on the same dates as the stated interest payable on the Securities. On the 181st day after such Event of Default occurs (if such Event of Default is not cured or waived on or prior to such 181st day), the Securities shall be subject to acceleration as provided in Section 6.02. This Section 6.03 shall not affect the rights of Holders of Securities in the event of the occurrence of any other Event of Default. In the event the Company does not elect to pay Additional Interest following an Event of Default in accordance with this Section 6.03, the Securities shall be subject to acceleration as provided in Section 6.02.

In order to elect to pay Additional Interest as the sole remedy during the first 180 days after the occurrence of an Event of Default described in the immediately preceding paragraph, the Company must give notice to Holders of the Securities, the Trustee and the Paying Agent of such election prior to the 91st day after the occurrence of such Event of Default. Upon the Company’s failure to timely give all Holders, the Trustee and the Paying Agent such notice, the Securities shall be immediately subject to acceleration as provided in Section 6.02.

Section 6.04 PAYMENTS OF SECURITIES ON DEFAULT; SUIT THEREFOR.

If an Event of Default described in clause (a) or (b) of Section 6.01 shall have occurred with respect to the Securities of any series, the Company shall, upon demand of the Trustee, pay to it, for the benefit of the Holders of such Securities, the whole amount then due and payable on the Securities of such series for principal and interest, if any, with interest on any overdue principal and interest, if any, at the rate borne by such Securities plus one percent at such time, and, in addition thereto, such further amount as shall be sufficient to cover any amounts due to the Trustee under Section 7.06. If the Company shall fail to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may institute a judicial proceeding for the collection of the sums so due and unpaid, may prosecute such proceeding to judgment or final decree and may enforce the same against the Company or any other obligor upon the Securities of such series and collect the moneys adjudged or decreed to be payable in the manner provided by law out of the property of the Company or any other obligor upon such Securities, wherever situated.

In the event there shall be pending proceedings for the bankruptcy or for the reorganization of the Company or any other obligor on the Securities under title 11 of the United States Code, or any other applicable law, or in case a receiver, assignee or trustee in bankruptcy or reorganization, liquidator, sequestrator or similar official shall have been appointed for or taken possession of the Company or such other obligor, the property of the Company or such other obligor, or in the event of any other judicial proceedings relative to the Company or such other obligor upon the Securities, or to the creditors or property of the Company or such other obligor, the Trustee, irrespective of whether the principal of the Securities shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Trustee shall have made any demand pursuant to the provisions of this Section 6.04, shall be entitled and empowered, by intervention in such proceedings or otherwise, to file and prove a claim or claims for the whole amount of principal and accrued and unpaid interest, if any, in respect of the Securities, and, in case of any judicial proceedings, to file such proofs of claim and other papers or documents and to take such other actions as it may deem necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and of the Holders of the Securities of any series allowed in such judicial proceedings relative to the Company or any other obligor on the Securities, its or their creditors, or its or their property, and to collect and receive any monies or other property payable or deliverable on any such claims, and to distribute the same after the deduction of any amounts due the Trustee under Section 7.06; and any receiver, assignee or trustee in bankruptcy or reorganization, liquidator, custodian or similar official is hereby authorized by each of the Holders to make such payments to the Trustee, as administrative expenses, and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for reasonable compensation, expenses, advances and disbursements, including reasonable agents and counsel fees, and including any other amounts due to the Trustee under Section 7.06, incurred by it up to the date of such distribution. To the extent that such payment of reasonable compensation, expenses, advances and disbursements out of the estate in any such proceedings shall be denied for any reason, payment of the same shall be secured by a lien on, and shall be paid out of, any and all distributions, dividends, monies, securities and other property that the Holders may be entitled to receive in such proceedings, whether in liquidation or under any plan of reorganization or arrangement or otherwise.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Securities of any series or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

All rights of action and of asserting claims under this Indenture, or under any of the Securities, may be enforced by the Trustee without the possession of any of the Securities, or the production thereof at any trial or other proceeding relative thereto, and any such suit or proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Holders.

In any proceedings brought by the Trustee with respect to the Securities of any series (and in any proceedings involving the interpretation of any provision of this Indenture to which the Trustee shall be a party) the Trustee shall be held to represent all the Holders of the Securities affected thereby, and it shall not be necessary to make any Holders parties to any such proceedings.

In case the Trustee shall have proceeded to enforce any right under this Indenture and such proceedings shall have been discontinued or abandoned because of any waiver or rescission and annulment or for any other reason or shall have been determined adversely to the Trustee, then and in every such case the Company, the Holders, and the Trustee shall, subject to any determination in such proceeding, be restored respectively to their several positions and rights hereunder, and all rights, remedies and powers of the Company, the Holders, and the Trustee shall continue as though no such proceeding had been instituted.

Section 6.05 APPLICATION OF MONIES COLLECTED BY TRUSTEE.

If the Trustee collects any money or other property pursuant to this Article, it shall pay out the money or other property in the following order:

First: to the Trustee, its agents and attorneys for amounts due under Section 7.06 hereof, including payment of all compensation, expense and liabilities incurred, and all advances made, by the Trustee and the costs and expenses of collection;

Second: to Holders of Securities for amounts due and unpaid on the Securities for principal, premium, if any, interest and any other amounts, ratably, without preference or priority of any kind, according to the amounts due and payable on the Securities for principal, premium, if any, interest and other amounts, respectively; and

Third: to the Company or to such party as a court of competent jurisdiction shall direct.

The Trustee may fix a record date and payment date for any payment to Holders of Securities pursuant to this Section 6.05.

Section 6.06 PROCEEDINGS BY HOLDERS.

Except to enforce the right to receive payment of principal or interest when due, or the right to receive payment or delivery of the consideration due upon conversion, the Holder of a Security shall have the right to institute a suit, action or proceeding in equity or at law upon or under or with respect to this Indenture, or for the appointment of a receiver, trustee, liquidator, custodian or other similar official, or for any other remedy hereunder, if (and only if):

(a) such Holder previously shall have given to the Trustee written notice of an Event of Default with respect to such Securities and of the continuance thereof, as herein provided;

(b) Holders of at least 25% in aggregate principal amount of the then outstanding Securities of all series with respect to which such Event of Default has occurred and is continuing, treating those series as a single class, shall have made written request upon the Trustee to institute such action, suit or proceeding in its own name as Trustee hereunder;

(c) such Holder or Holders shall have offered, and, if requested, provided, to the Trustee such indemnity reasonably satisfactory to it against any loss, liability or expense to be incurred therein or thereby; and

(d) the Trustee shall have neglected or refused to institute any such action, suit or proceeding for 60 days after its receipt of such notice, request and offer of indemnity and does not receive, during those 60 days, from Holders of a majority in aggregate principal amount of the then outstanding Securities of all series with respect to which such Event of Default has occurred and is continuing, treating those series as a single class, a direction pursuant to Section 6.09 that is inconsistent with the request, it being understood and intended, and being expressly covenanted by the taker and Holder of every Security with every other taker and Holder and the Trustee that no one or more Holders of Securities of any series shall have any right in any manner whatever by virtue of or by availing of any provision of this Indenture to affect, disturb or prejudice the rights of any other Holder, or to obtain or seek to obtain priority over or preference to any other such Holder, or to enforce any right under this Indenture, except in the manner herein provided and for the equal, ratable and common benefit of all Holders of such Securities (except as otherwise provided herein). For the protection and enforcement of this Section 6.06, each and every Holder and the Trustee shall be entitled to such relief as can be given either at law or in equity.

Notwithstanding any other provision of this Indenture and any provision of any Security, the right of any Holder to receive payment or delivery, as the case may be, of (x) the principal of, (y) accrued and unpaid interest, if any, on, and (z) the consideration due upon conversion, if any, of, such Security, on or after the respective due dates expressed or provided for in such Security or in this Indenture, or to institute suit for the enforcement of any such payment or delivery, as the case may be, on or after such respective dates against the Company shall not be impaired or affected without the consent of such Holder.

Section 6.07 PROCEEDINGS BY TRUSTEE.

In case of an Event of Default the Trustee may, in its discretion, proceed to protect and enforce the rights vested in it by this Indenture by such appropriate judicial proceedings as are necessary to protect and enforce any of such rights, either by suit in equity or by action at law or by proceeding in bankruptcy or otherwise, whether for the specific enforcement of any covenant or agreement contained in this Indenture or in aid of the exercise of any power granted in this Indenture, or to enforce any other legal or equitable right vested in the Trustee by this Indenture or by law.

Section 6.08 REMEDIES CUMULATIVE AND CONTINUING.

All powers and remedies given by this Article 6 to the Trustee or to the Holders shall, to the extent permitted by law, be deemed cumulative and not exclusive of any thereof or of any other powers and remedies available to the Trustee or the Holders, by judicial proceedings or otherwise, to enforce the performance or observance of the covenants and agreements contained in this Indenture, and no delay or omission of the Trustee or of any Holder of any Securities to exercise any right or power accruing upon any Default or Event of Default shall impair any such right or power, or shall be construed to be a waiver of any such Default or Event of Default or any acquiescence therein; and, subject to the provisions of Section 6.06, every power and remedy given by this Article 6 or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders.

Section 6.09 DIRECTION OF PROCEEDINGS AND WAIVER OF DEFAULTS BY MAJORITY HOLDERS.

The Holders of a majority in aggregate principal amount of the then outstanding Securities of all series with respect to which a Default or Event of Default has occurred, treating those series as a single class, shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee with respect to the Securities of such series; *provided, however*, that the Trustee may refuse to follow any direction that conflicts with law or this Indenture or that the Trustee determines is unduly prejudicial to the rights of any other Holder or that would involve the Trustee in personal liability. The Holders of a majority of the aggregate principal amount of the then outstanding Securities of all series with respect to which a Default or Event of Default has occurred, treating those series as a single class, may on behalf of the Holders of all of the Securities of such series, treating those series as a single class, by written notice to the Trustee and the Company, waive any Default or Event of Default with respect to such Securities hereunder except that no such waiver shall be effective as to a Default or Event of Default (i) in the payment of the principal of, or accrued and unpaid interest, if any, on the Securities, (ii) arising from a failure by the Company to pay or deliver, as the case may be, or to cause the Trustee to deliver, to converting Holders the consideration, if any, due upon conversion of the Securities in accordance with this Indenture or (iii) in respect of a covenant or provision hereof that under Article 10 cannot be modified or amended without the consent of the Holder of each outstanding Security affected unless each affected Holder consents. Upon any such waiver the Company, the Trustee and the Holders of the Securities of such series shall be restored to their former positions and rights hereunder; but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereon. Whenever any Default or Event of Default hereunder shall have been waived as permitted by this Section 6.09, said Default or Event of Default shall for all purposes of the Securities of such series and this Indenture be deemed to have been cured and to be not continuing; but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereon.

Section 6.10 NOTICE OF DEFAULTS.

The Trustee shall, within 90 days after the occurrence of a Default of which a Responsible Officer has actual knowledge, if such Default is continuing, mail to all Holders of Securities of each series with respect to which the Default has occurred, as the names and addresses of such Holders appear upon the Security Register, notice of all such Defaults known to a Responsible Officer (a “*Notice of Default*” or “*Notice of Defaults*”), unless such Defaults shall have been cured or waived before the giving of such notice; *provided* that, except in the case of a Default in the payment of the principal of, or accrued and unpaid interest on, any of the Securities or a Default in the payment or delivery, as the case may be, of the consideration, if any, due upon conversion, the Trustee shall be protected in withholding such notice if and so long as the board of directors, the executive committee or a trust committee of directors and/or Responsible Officers of the Trustee in good faith determines that the withholding of such notice is in the interests of the Holders.

Section 6.11 STATEMENTS AS TO DEFAULTS.

The Company shall deliver to the Trustee, as soon as possible, and in any event within 30 days after the occurrence of any Event of Default or Default, an Officers' Certificate setting forth the details of such Event of Default or Default, its status and the action that the Company is taking or proposes to take in respect thereof.

Section 6.12 FURTHER INSTRUMENTS AND ACTS

Upon request of the Trustee, the Company will execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purposes of this Indenture.

Section 6.13 UNDERTAKING TO PAY COSTS.

All parties to this Indenture agree, and each Holder of any Security by its acceptance thereof shall be deemed to have agreed, that any court may, in its discretion, require, in any suit for the enforcement of any right or remedy under this Indenture or the Securities, or in any suit against the Trustee for any action taken or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; *provided* that the provisions of this Section 6.13 (to the extent permitted by law) shall not apply to any suit instituted by the Trustee, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than 10% in principal amount of the then outstanding Securities of any series, or to any suit instituted by any Holder for the enforcement of the payment of the principal of or accrued and unpaid interest, if any, on any Security on or after the due date expressed or provided for in such Security or to any suit for the enforcement of the right to convert any Security in accordance with the provisions of Article 13.

ARTICLE 7

TRUSTEE

Section 7.01 DUTIES OF TRUSTEE.

(a) If an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture or an indenture supplemental hereto applicable to such Event of Default, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of its own affairs.

(b) Except during the continuance of an Event of Default:

(1) the duties of the Trustee shall be determined solely by the express provisions of this Indenture or an indenture supplemental hereto, and the Trustee need perform only those duties that are specifically set forth in this Indenture or an indenture supplemental hereto and no others, and no implied covenants or obligations shall be read into this Indenture or an indenture supplemental hereto against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture.

(c) The Trustee may not be relieved from liabilities for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(1) this paragraph does not limit the effect of paragraph (b) of this Section 7.01;

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proven that the Trustee was negligent in ascertaining the pertinent facts; and

(3) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.09 hereof.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b), and (c) of this Section 7.01.

(e) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Company. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

Section 7.02 RIGHTS OF TRUSTEE.

(a) The Trustee may conclusively rely upon any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel or both. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officers' Certificate or Opinion of Counsel. The Trustee may consult with counsel, and the written advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee may act through its attorneys and agents and shall not be responsible for the misconduct or negligence of any agent appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Company shall be sufficient if signed by an Officer of the Company.

(f) No provision of this Indenture shall require the Trustee to expend or risk its own funds or incur any liability. The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders unless such Holders have offered to the Trustee reasonable security or indemnity satisfactory to it against the costs, expenses and liabilities that might be incurred by it in compliance with such request or direction.

Section 7.03 INDIVIDUAL RIGHTS OF TRUSTEE.

The Trustee in its individual or any other capacity may become the owner or pledgee of Securities and may otherwise deal with the Company or any Affiliate of the Company with the same rights it would have if it were not Trustee. However, in the event that the Trustee acquires any conflicting interest (within the meaning of TIA § 310(b)) it must eliminate such conflicting interest within 90 days after Default, apply to the SEC for permission to continue as trustee, or resign. Any Agent may do the same with like rights and duties.

Section 7.04 TRUSTEE'S DISCLAIMER.

The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Securities; it shall not be accountable for the Company's use of the proceeds from the Securities or any money paid to the Company or upon the Company's direction under any provision of this Indenture; it shall not be responsible for the use or application of any money received by any Paying Agent other than the Trustee; and it shall not be responsible for any statement or recital herein or any statement in the Securities or any other document in connection with the sale of the Securities or pursuant to this Indenture other than its certificate of authentication.

Section 7.05 REPORTS BY TRUSTEE TO HOLDERS OF THE SECURITIES.

On or before _____ of each year, beginning with the _____ following the date on which Securities are first issued under this Indenture, and for so long as Securities remain outstanding, the Trustee shall mail to the Holders of the Securities a brief report dated as of such reporting date that complies with TIA § 313(a) (but if no event described in TIA § 313(a) has occurred within the twelve months preceding the reporting date, no report need be transmitted). The Trustee also shall comply with TIA § 313(b)(2). The Trustee will also transmit by mail all reports as required by TIA § 313(c). A copy of each report at the time of its mailing to the Holders of Securities shall be mailed to the Company and filed with the SEC and each stock exchange on which the Securities are listed in accordance with TIA § 313(d). The Company shall promptly notify the Trustee when the Securities are listed on any stock exchange.

Section 7.06 COMPENSATION AND INDEMNITY.

The Company shall pay to the Trustee from time to time such compensation for its acceptance of this Indenture and services hereunder as the Company and Trustee have separately agreed. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Company shall reimburse the Trustee promptly upon request for all reasonable disbursements, advances and expenses incurred or made by it in addition to the compensation for its services. Such expenses shall include the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.

The Company shall indemnify the Trustee against any and all losses, liabilities or expenses incurred by it arising out of or in connection with the acceptance or administration of its duties under this Indenture, including the costs and expenses of enforcing this Indenture against the Company (including this Section 7.06) and defending itself against any claim (whether asserted by the Company or any Holder or any other person) or liability in connection with the exercise or performance of any of its powers or duties hereunder, except to the extent any such loss, liability or expense may be attributable to its negligence or willful misconduct. The Trustee shall notify the Company promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Company shall not relieve the Company of its obligations hereunder. The Company shall defend the claim, and the Trustee shall cooperate in the defense. The Trustee may have separate counsel, and the Company shall pay the reasonable fees and expenses of such counsel. The Company need not pay for any settlement made without its consent, which consent shall not be unreasonably withheld.

The obligations of the Company under this Section 7.06 shall survive the satisfaction and discharge of this Indenture, and the removal or resignation of the Trustee.

To secure the Company's payment obligations in this Section 7.06, the Trustee shall have a lien prior to the Securities on all money or property held or collected by the Trustee, except that held in trust to pay principal of, premium, if any, and interest on particular Securities. Such lien shall survive the satisfaction and discharge of this Indenture.

When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(h) or (i) hereof occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

Section 7.07 REPLACEMENT OF TRUSTEE.

A resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.07.

The Trustee may resign with respect to one or more or all series of Securities at any time and be discharged from the trust hereby created by so notifying the Company in writing. The Holders of a majority in principal amount of the then outstanding Securities of any series may remove the Trustee with respect to such series by so notifying the Trustee and the Company in writing. The Company may remove the Trustee if:

- (a) the Trustee ceases to be eligible in accordance with Section 7.09 hereof;

- (b) the Trustee is adjudged bankrupt or insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;
- (c) a custodian or public officer takes charge of the Trustee or its property; or
- (d) the Trustee becomes incapable of acting.

If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Company shall promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in principal amount of the then outstanding Securities of a series may appoint a successor Trustee to replace the successor Trustee appointed by the Company with respect to that series of Securities.

If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Company, or the Holders of at least 10% in principal amount of the then outstanding Securities of all series issued under this Indenture may petition any court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee, after written request by any Holder of a Security who has been a Holder of a Security for at least six months, ceases to be eligible in accordance with Section 7.09, such Holder of a Security may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Thereupon, the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to Holders of the Securities. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee subject to the lien provided for in Section 7.06 hereof. Notwithstanding replacement of the Trustee pursuant to this Section 7.07, the Company's obligations under Section 7.06 hereof shall continue for the benefit of the retiring Trustee.

If a successor Trustee is appointed with respect to the Securities of one or more (but not all) series, the Company, the retiring Trustee and each successor Trustee with respect to the Securities of any applicable series shall execute and deliver an indenture supplemental hereto that shall contain such provisions as shall be deemed necessary or desirable to confirm that all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of any series as to which the predecessor Trustee is not retiring shall continue to be vested in the predecessor Trustee, and shall add to or change any of the provisions of this Indenture as are necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee, it being understood that nothing herein or in such supplemental indenture shall constitute such Trustees as co-trustees of the same trust and that each such Trustee shall be Trustee of a trust or trusts hereunder separate and apart from any trust or trusts hereunder administered by any other such Trustee.

Section 7.08 SUCCESSOR TRUSTEE BY MERGER, ETC.

If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation, the successor corporation without any further act shall be the successor Trustee.

Section 7.09 ELIGIBILITY; DISQUALIFICATION.

There shall at all times be a Trustee hereunder that is a corporation organized and doing business under the laws of the United States of America or of any state thereof that is authorized under such laws to exercise corporate trust powers, that is subject to supervision or examination by federal or state authorities and that has a combined capital and surplus of at least \$500,000,000 as set forth in its most recent published annual report of condition.

This Indenture shall always have a Trustee who satisfies the requirements of TIA § 310(a)(1), (2) and (5). The Trustee is subject to TIA § 310(b); *provided, however*, that there shall be excluded from the operation of TIA § 310(b)(1) any indenture or indentures under which other securities, or certificates of interest or participation in other securities, of the Company are outstanding, if the requirements for such exclusion set forth in TIA § 310(b)(1) are met.

Section 7.10 PREFERENTIAL COLLECTION OF CLAIMS AGAINST COMPANY.

The Trustee is subject to TIA § 311(a), excluding any creditor relationship described in TIA § 311(b). A Trustee who has resigned or been removed shall be subject to TIA § 311(a) to the extent indicated therein.

ARTICLE 8

SATISFACTION AND DISCHARGE

Section 8.01 SATISFACTION AND DISCHARGE OF THE INDENTURE.

(a) The obligations of the Company under this Indenture shall terminate with respect to the Securities of one or more series (except those obligations referred to in Section 8.01(b)), (1) if (i) all Securities of such series theretofore authenticated and delivered (except Securities that have been replaced pursuant to Section 2.10 or paid and Securities whose payment in cash has theretofore been deposited with the Trustee or a Paying Agent or segregated and held in trust by the Company and thereafter repaid to the Company or discharged from such trust as provided in Section 8.04) have been delivered to the Trustee for cancellation; and (ii) the Company has paid all sums payable by it hereunder or under the applicable indenture supplemental hereto in respect of such series of Securities; or (2) if (i) either (A) in the case of a series of Securities redeemable prior to its Maturity Date, the Company, pursuant to Article 3, has given notice to the Trustee and mailed a notice of redemption to each Holder of Securities of such series of the redemption of all of such Securities under arrangements satisfactory to the Trustee for the giving of such notice or (B) all Securities of such series have otherwise become due and payable hereunder or will become due and payable within one year; (ii) the Company has irrevocably deposited or caused to be deposited with the Trustee or the Paying Agent (or if the Company is acting as Paying Agent, the Company has segregated and held), as trust funds in trust solely for the benefit of the Holders of Securities of such series for that purpose, either (A) an amount of cash in United States dollars, (B) non-callable U.S. Government Obligations which, through scheduled payment of principal and interest in respect thereof in accordance with their terms, will provide, not later than one Business Day before the due date of any payment of principal of, premium, if any, or interest on the Securities of such series, cash in an amount, or (C) a combination thereof, sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the entire indebtedness on such Securities not theretofore delivered to the Trustee for cancellation, for the principal of, premium, if any, and interest on the outstanding Securities of such series to the date of such deposit (in the case of Securities that have become due and payable) or to the stated maturity or redemption date, as the case may be; and (iii) the Company shall have paid all other sums payable by it hereunder in respect of Securities of such series (including any conversion consideration, if applicable).

(b) Notwithstanding Section 8.01(a), the Company's obligations in Sections 2.08, 2.09, 2.10, 2.11, 4.01 and 4.02 shall survive with respect to the Securities of the applicable series until the sums held in trust pursuant to Section 8.01(a) are made available to the Holders of the Securities of such series on the Stated Maturity Date. Sections 7.06, 8.04 and 9.06 shall survive such discharge of the Company's other obligations pursuant to the preceding sentence in respect of Securities of the applicable series.

(c) This Indenture shall upon request of the Company contained in an Officers' Certificate cease to be of further effect with respect to the Securities of any series, and the Trustee, at the expense of the Company, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture, when (a) (i) all Securities of such series theretofore authenticated and delivered have been delivered to the Trustee for cancellation; or (ii) the Company has deposited with the Trustee or delivered to Holders, as applicable, after the Securities of such series have become due and payable, whether at the Maturity Date, upon conversion or otherwise, cash and/or (in the case of conversion) other property sufficient to pay all of the outstanding Securities of such series or satisfy the Company's Conversion Obligation, as the case may be, and pay all other sums due and payable under this Indenture by the Company with respect to such Securities; and (b) the Company has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture with respect to such Securities have been complied with. For the avoidance of doubt, notwithstanding the satisfaction and discharge of this Indenture, the obligations of the Company to the Trustee under Section 7.06 shall survive. The Trustee upon request shall acknowledge in writing the discharge of the Company's obligations under the Securities of the applicable series and the Company's obligations under this Indenture with respect to the Securities of such series, except for those surviving obligations specified above.

Section 8.02 DEPOSITED MONEYS TO BE HELD IN TRUST BY TRUSTEE.

Subject to Section 8.04, all monies and other property, if any, deposited with the Trustee pursuant to Section 8.01 or in accordance with Article 12 with respect to Securities of a series shall be held in trust for the sole benefit of the Holders of such Securities, and such monies and other property shall be applied by the Trustee to the payment, either directly or through any Paying Agent (including the Company if acting as its own Paying Agent), to the Holders of the particular Securities for the payment, settlement or redemption of which such monies or other property have been deposited with the Trustee, of all sums or amounts due and to become due thereon for principal and interest, if any.

Section 8.03 PAYING AGENT TO REPAY MONIES HELD

Upon the satisfaction and discharge of this Indenture with respect to the Securities of a particular series, all monies and other property, if any, then held by any Paying Agent (if other than the Trustee) with respect to such Securities, shall, upon written request of the Company, be repaid to it or paid to the Trustee, and thereupon such Paying Agent shall be released from all further liability with respect to such monies and other property.

Section 8.04 RETURN OF UNCLAIMED MONIES.

Subject to the requirements of applicable law, any monies and other property deposited with or paid to the Trustee for payment on the Securities of a particular series and not applied but remaining unclaimed by the Holders of the Securities for one year after the date upon which the payment on such Securities shall have become due and payable, shall be repaid to the Company by the Trustee on demand, and all liability of the Trustee shall thereupon cease with respect to such monies and other property; and the Holder of any of the Securities shall thereafter look only to the Company for any payment or delivery that such Holder of the Securities may be entitled to collect unless an applicable abandoned property law designates another Person.

Section 8.05 REINSTATEMENT.

If the Trustee or the Paying Agent is unable to apply any money or other property in accordance with Section 8.02 by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company's obligations under this Indenture and the Securities shall be revived and reinstated as though no deposit had occurred pursuant to Section 8.01 until such time as the Trustee or the Paying Agent is permitted to apply all such money and other property in accordance with Section 8.02; provided, however, that if the Company makes any payment of interest on, principal of or payment or delivery in respect of any Security following the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Securities to receive such payment from the money or other property, if any, held by the Trustee or Paying Agent.

ARTICLE 9

LEGAL DEFEASANCE AND COVENANT DEFEASANCE

Section 9.01 OPTION TO EFFECT LEGAL DEFEASANCE OR COVENANT DEFEASANCE

The Company may, by written direction to the Trustee, at any time, elect to have either Section 9.02 or 9.03 hereof, with such modifications thereto as may be specified in the supplemental indenture establishing a particular series of Securities, be applied to all outstanding Securities of one or more series upon compliance with the conditions set forth below in this Article 9.

Section 9.02 LEGAL DEFEASANCE AND DISCHARGE.

Upon the Company's exercise under Section 9.01 hereof of the option applicable to this Section 9.02 relating to one or more series of Securities, the Company shall, upon the satisfaction of the conditions set forth in Section 9.04 hereof, be deemed to have been discharged from its obligations with respect to all outstanding Securities of such series on the date the conditions set forth below are satisfied (hereinafter, "*Legal Defeasance*"). For this purpose, Legal Defeasance means that the Company shall be deemed to have paid and discharged the entire indebtedness represented by the outstanding Securities of the applicable series, except as set forth in Section 9.05 hereof and the other Sections of this Indenture referred to in (a) and (b) below, and to have satisfied all of its other obligations under the Securities of the applicable series and under the provisions of this Indenture applicable to such series (and the Trustee, on demand of and at the expense of the Company, shall execute proper instruments acknowledging the same), except for the following provisions, which shall survive until otherwise terminated or discharged hereunder: (a) the rights of Holders of outstanding Securities of the applicable series to receive solely from the trust fund described in Section 9.04 hereof, and as more fully set forth in such Section, payments in respect of the principal of, premium, if any, and interest, on such Securities when such payments are due, (b) the Company's obligations with respect to such Securities under Section 4.02 hereof, (c) the rights, powers, trusts, duties and immunities of the Trustee hereunder, and the Company's obligations in connection therewith and (d) this Article 9. The Securities of the applicable series shall cease to be outstanding for all purposes except as set forth in the preceding sentence. Subject to compliance with this Article 9, the Company may exercise its option under this Section 9.02 notwithstanding the prior exercise of its option under Section 9.03 hereof.

Section 9.03 COVENANT DEFEASANCE

Upon the Company's exercise under Section 9.01 hereof of the option applicable to this Section 9.03 relating to one or more series of Securities, the Company shall, upon the satisfaction of the conditions set forth in Section 9.04 hereof, be released from its obligations under the covenants contained in Sections 4.03, 4.04, 5.01, and 14.08 hereof with respect to the outstanding Securities of the applicable series, and under any other covenants specified in the supplemental indenture with respect to such Securities or other terms of the applicable series as covenants to which this Section 9.03 apply, on and after the date the conditions set forth below are satisfied (hereinafter, "*Covenant Defeasance*"), and the Securities of the applicable series shall thereafter not be deemed outstanding for the purposes of any direction, waiver, consent or declaration or act of Holders (or the consequences of any thereof) in connection with such covenants, but shall continue to be deemed outstanding for all other purposes hereunder. For this purpose, Covenant Defeasance means that, with respect to the outstanding Securities of the applicable series, the Company may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default under Section 6.01 hereof, but, except as specified above, the remainder of this Indenture and such Securities shall be unaffected thereby.

Section 9.04 CONDITIONS TO LEGAL OR COVENANT DEFEASANCE.

The following shall be the conditions to the application of either Section 9.02 or 9.03 hereof to the outstanding Securities of one or more series: In order to exercise either Legal Defeasance or Covenant Defeasance:

(a) the Company must irrevocably deposit with the Trustee (or another trustee satisfying the requirements of Section 7.09, who shall agree to comply with the provisions of this Article 9 applicable to it) in trust, for the benefit of the Holders of the Securities of the applicable series, (i) an amount of cash in U.S. dollars, (ii) non-callable U.S. Government Obligations, which, through scheduled payment of principal and interest in respect thereof in accordance with their terms, will provide, not later than one Business Day before the due date of any payment of principal of, premium, if any, or interest on the Securities of such series (including any conversion consideration, if applicable), cash in an amount, or (iii) a combination thereof, sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the principal of, interest and premium, if any, on the outstanding Securities of the applicable series on the Stated Maturity or on the applicable redemption date, as the case may be, and any mandatory sinking fund payments applicable to the Securities of such series on the day on which such payments are due, and the Company must specify whether the Securities of the applicable series are being defeased to maturity or to a particular redemption date;

(b) in the case of an election under Section 9.02 hereof, the Company shall have delivered to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that (i) the Company has received from, or there has been published by, the Internal Revenue Service a ruling or (ii) since the date of this Indenture, there has been a change in the applicable federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the Holders of the outstanding Securities of the applicable series will not recognize income, gain or loss for federal income tax purposes as a result of such Legal Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(c) in the case of an election under Section 9.03 hereof, the Company shall have delivered to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that the Holders of the outstanding Securities of the applicable series will not recognize income, gain or loss for federal income tax purposes as a result of such Covenant Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(d) no Default or Event of Default shall have occurred and be continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit); and

(e) the Company shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent provided for or relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

Section 9.05 DEPOSITED MONEY AND U.S. GOVERNMENT OBLIGATIONS TO BE HELD IN TRUST; OTHER MISCELLANEOUS PROVISIONS.

Subject to Section 8.04 hereof, all money and non-callable U.S. Government Obligations (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 9.05, the “Trustee”) pursuant to Section 9.04 hereof in respect of the outstanding Securities of the applicable series shall be held in trust and applied by the Trustee, in accordance with the provisions of such Securities and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as Paying Agent) as the Trustee may determine, to the Holders of such Securities of all sums due and to become due thereon in respect of principal, premium, if any, and interest, but such money need not be segregated from other funds except to the extent required by law. Any amounts so deposited with the Trustee in compliance with Article 11 shall be held in trust by the Trustee for the purposes set forth in the preceding sentence and shall not be subject to the subordination provisions of Article 11.

The Company shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or non-callable U.S. Government Obligations deposited pursuant to Section 9.04 hereof or the principal and interest received in respect thereof other than any such tax, fee or other charge that by law is for the account of the Holders of the outstanding Securities of the applicable series.

Anything in this Article 9 to the contrary notwithstanding, the Trustee shall deliver or pay to the Company from time to time upon the request of the Company any money or non-callable U.S. Government Obligations held by it as provided in Section 9.04 hereof which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 9.04(a) hereof), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance of the applicable series.

Section 9.06 REINSTATEMENT.

If the Trustee or Paying Agent is unable to apply any U. S. dollars or non-callable U.S. Government Obligations deposited pursuant to Section 9.02 or 9.03 hereof, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, or if any amounts previously applied are required to be returned to the Company or to any trustee in connection with any proceeding referred to in Section 6.01(h) or (i) then the obligations of the Company under this Indenture and the Securities shall be revived and reinstated as though no deposit had occurred pursuant to Section 9.02 or 9.03 hereof until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 9.02 or 9.03 hereof, as the case may be; *provided, however*, that, if the Company makes any payment of principal of, premium, if any, or interest on any Security following the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Securities to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE 10

Upon the request of the Company accompanied by written direction to the Trustee, and upon receipt by the Trustee of the documents described in Section 7.02(b) hereof, the Trustee shall join with the Company in the execution of any amended or supplemental indenture authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee shall not be obligated to enter into any such amended or supplemental indenture that affects its own rights, duties, liabilities or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but will not be obligated to, enter into such amended or supplemental indenture.

Section 10.02 SUPPLEMENTAL INDENTURES WITH CONSENT OF HOLDERS.

Except as provided in Section 10.01, the Company and the Trustee may amend or supplement this Indenture or the terms of the Securities only with the written consent of the Trustee and the Holders of at least a majority in aggregate principal amount of the outstanding Securities of all series affected by such amendment or supplement (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Securities), treating those series as a single class. Notwithstanding the foregoing, no amendment or supplemental indenture may without the written consent of the Holder of each Security affected:

- (a) change the Maturity Date, or the payment date of any installment interest on, any Security;
- (b) reduce the principal amount of, or interest on, any Security;
- (c) change the place, manner or currency of payment of principal of, or interest on, any Security;
- (d) impair the right to institute a suit for the enforcement of any payment on, or with respect to, or of the conversion of, any Security;
- (e) change the ranking of the Securities in a manner adverse to the Holders of Securities;
- (f) adversely affect the right of Holders of Securities that are convertible pursuant to Article 12 to convert their Securities in accordance with Article 12, or reduce the amount of consideration due upon conversion;
- (g) reduce the percentage in aggregate principal amount of outstanding Securities whose Holders must consent to a modification or amendment of this Indenture or the Securities;
- (h) reduce the percentage in aggregate principal amount of outstanding Securities whose Holders must consent to a waiver of compliance with any provision in this Indenture or the Securities or a waiver of any Default or Event of Default; or
- (i) modify Section 6.09 or this Article 10, except to increase the percentage required for modification or waiver or to provide for the consent of each affected Holder.

Holders do not need under this Section 10.02 to approve the particular form of any proposed amendment to this Indenture or any proposed supplemental indenture; it shall be sufficient if the required Holders approve the substance thereof.

Section 10.03 NOTICE OF AMENDMENT OR SUPPLEMENT.

After an amendment or supplement under this Article 10 becomes effective, the Company shall mail to the Holders a notice briefly describing such amendment or supplement. However, the failure to give such notice to all the Holders, or any defect in the notice, shall not impair or affect the validity of the amendment or supplement.

Section 10.04 REVOCATION AND EFFECT OF CONSENTS.

Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Security is a continuing consent by the Holder of a Security and every subsequent Holder of a Security or portion of a Security that evidences the same debt as the consenting Holder's Securities, even if notation of the consent is not made on any Securities. However, any such Holder of a Security or subsequent Holder of a Security may revoke the consent as to its Securities if the Trustee receives written notice of revocation before the date the amendment, supplement or waiver becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder, except as otherwise provided herein.

Section 10.05 NOTATION ON OR EXCHANGE OF SECURITIES.

The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Securities thereafter authenticated. The Company in exchange for all Securities may issue and the Trustee shall authenticate new Securities that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or to issue new Securities shall not affect the validity and effect of such amendment, supplement or waiver.

Section 10.06 TRUSTEE TO SIGN AMENDMENTS, ETC.

The Company may not sign an amendment or supplemental indenture until its Board of Directors approves it. The Trustee shall sign any amendment or supplemental indenture authorized pursuant to this Article 10 if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee. In signing such amendment or supplemental indenture, the Trustee shall be entitled to receive and shall be fully protected in relying upon, an Officers' Certificate and an Opinion of Counsel as conclusive evidence that such amendment or supplemental indenture is authorized or permitted by this Indenture, that it is not inconsistent herewith, and that it will be valid and binding upon the Company in accordance with its terms.

ARTICLE 11

SUBORDINATION

Section 11.01 AGREEMENT TO SUBORDINATE.

(a) The Company agrees, and each Holder by accepting a Security agrees, that the Indebtedness evidenced by the Securities is subordinated in right of payment, to the extent and in the manner provided in this Article 11, to the prior payment in full of all Senior Debt (whether outstanding on the date hereof or hereafter created, incurred, assumed or guaranteed), and that the subordination is for the benefit of the holders of Senior Debt.

(b) If any holder of Senior Debt is required by any court or otherwise to return to the Company, or any Custodian, trustee, or similar official acting in relation to the Company, any amount paid by the Company to such holder of Senior Debt, the provisions of this Article 11, to the extent theretofore discharged, shall be reinstated in full force and effect.

Section 11.02 CERTAIN DEFINITIONS RELATED TO SUBORDINATION.

“*Designated Senior Debt*” means (i) the Senior Bank Debt and (ii) any other Senior Debt that has been designated by the Company as “Designated Senior Debt.”

“*Representative*” means (i) the indenture trustee or other trustee, agent or representative for holders of Senior Debt or (ii) with respect to any Senior Debt that does not have any such trustee, agent or other representative, (A) in the case of such Senior Debt issued pursuant to an agreement providing for voting arrangements as among the holders or owners of such Senior Debt, any holder or owner of such Senior Debt acting with the consent of the required persons necessary to bind such holders or owners of such Senior Debt and (B) in the case of all other such Senior Debt, the holder or owner of such Senior Debt.

A “*distribution*” may consist of cash, securities or other property, by set-off or otherwise.

Section 11.03 LIQUIDATION; DISSOLUTION; BANKRUPTCY.

Upon any distribution to creditors of the Company in a liquidation or dissolution of the Company or in a bankruptcy, reorganization, insolvency, receivership or similar proceeding relating to the Company or its property, an assignment for the benefit of creditors or any marshalling of the Company’s assets and liabilities:

(a) holders of Senior Debt shall be entitled to receive payment in full of all Obligations due in respect of such Senior Debt (including interest after the commencement of any such proceeding at the rate specified in the applicable Senior Debt) before the Holders of Securities shall be entitled to receive any payment with respect to the Securities (except that Holders may receive (i) securities that are subordinated to at least the same extent as the Securities to (a) Senior Debt and (b) any securities issued in exchange for Senior Debt, and (ii) payments and other distributions made from any defeasance trust created pursuant to Section 9.05 hereof and any amount deposited with the Trustee pursuant to Section 8.01); and

(b) until all Obligations with respect to Senior Debt (as provided in subsection (a) above) are paid in full, any distribution to which the Holders of Securities would be entitled but for this Article 11 shall be made to holders of Senior Debt (except that Holders may receive (i) securities that are subordinated to at least the same extent as the Securities to (A) Senior Debt and (B) any securities issued in exchange for Senior Debt, and (ii) payments and other distributions made from any defeasance trust created pursuant to Section 9.05 hereof and any amount deposited with the Trustee pursuant to Section 8.01).

Section 11.04 DEFAULT ON DESIGNATED SENIOR DEBT.

(a) The Company may not make any payment or distribution to the Trustee or any Holder in respect of the Securities and may not acquire from the Trustee or any Holder any Securities for cash or property (other than (1) securities that are subordinated to at least the same extent as the Securities to (A) Senior Debt and (B) any securities issued in exchange for Senior Debt, and (2) payments and other distributions made from any defeasance trust created pursuant to Section 9.05 hereof and any amount deposited with the Trustee pursuant to Section 8.01) until all principal and other Obligations with respect to the Senior Debt have been paid in full if:

(1) a default in the payment of the principal of, interest or premium, if any, on Designated Senior Debt occurs and is continuing beyond any applicable grace period in the agreement, indenture or other document governing such Designated Senior Debt; or

(2) a default, other than a default specified in Section 11.04(a)(1), on Designated Senior Debt occurs and is continuing with respect to Designated Senior Debt that then permits holders of the Designated Senior Debt as to which such default relates to accelerate its maturity and the Trustee receives a notice of the default (a "*Payment Blockage Notice*") from a Representative for such Designated Senior Debt. If the Trustee receives any such Payment Blockage Notice, no subsequent Payment Blockage Notice shall be effective for purposes of this Section 11.04(a)(2) unless and until at least 360 days shall have elapsed since the effectiveness of the immediately prior Payment Blockage Notice. No default described in this paragraph (2) that existed or was continuing on the date of delivery of any Payment Blockage Notice to the Trustee shall be, or be made to be, the basis for a subsequent Payment Blockage Notice.

(b) The Company will resume payments on and distributions in respect of the Securities and may acquire them:

(i) in the case of a default described in Section 11.04(a)(1) hereof, upon the date on which the default is cured or waived, and

(ii) in the case of a default referred to in Section 11.04(a)(2) hereof, the earlier of the date on which such default is cured or waived or 179 days after the date on which the applicable Payment Blockage Notice is received, unless the maturity of any Designated Senior Debt has been accelerated, if this Article 11 otherwise permits the payment, distribution or acquisition at the time of such payment or acquisition.

Section 11.05 ACCELERATION OF SECURITIES.

If payment of the Securities is accelerated because of an Event of Default, the Company will promptly notify each Representative of Senior Debt of the acceleration.

Section 11.06 WHEN DISTRIBUTION MUST BE PAID OVER.

In the event that the Trustee or any Holder receives any payment of any Obligations with respect to the Securities at a time when the Trustee or such Holder, as applicable, has actual knowledge that such payment is prohibited by Section 11.04 hereof, such payment shall be held by the Trustee or such Holder, in trust for the benefit of, and shall be paid forthwith over and delivered, upon written request, to, the holders of Senior Debt as their interests may appear or their Representative under the indenture or other agreement (if any) pursuant to which Senior Debt may have been issued, as their respective interests may appear, for application to the payment of all Obligations with respect to Senior Debt remaining unpaid to the extent necessary to pay such Obligations in full in accordance with their terms, after giving effect to any concurrent payment or distribution to or for the holders of Senior Debt.

With respect to the holders of Senior Debt, the Trustee undertakes to perform only such obligations on the part of the Trustee as are specifically set forth in this Article 11, and no implied covenants or obligations with respect to the holders of Senior Debt shall be read into this Indenture against the Trustee. The Trustee shall not be deemed to owe any fiduciary duty to the holders of Senior Debt, and shall not be liable to any such holders if the Trustee shall pay over or distribute to or on behalf of Holders or the Company or any other Person money or assets to which any holders of Senior Debt shall be entitled by virtue of this Article 11, except if such payment is made as a result of the willful misconduct or negligence of the Trustee.

Section 11.07 NOTICE BY COMPANY.

The Company shall promptly notify the Trustee and the Paying Agent of any facts known to the Company that would cause a payment of any Obligations with respect to the Securities to violate this Article 11, but failure to give such notice shall not affect the subordination of the Securities to the Senior Debt as provided in this Article 11.

Section 11.08 SUBROGATION.

After all Senior Debt is paid in full and until the Securities are paid in full, Holders shall be subrogated (equally and ratably with all other Indebtedness pari passu with the Securities) to the rights of holders of Senior Debt to receive distributions applicable to Senior Debt to the extent that distributions otherwise payable to the Holders (and any holders of Indebtedness pari passu with the Securities) have been applied to the payment of Senior Debt. A distribution made under this Article 11 to holders of Senior Debt that otherwise would have been made to Holders is not, as between the Company and Holders, a payment by the Company on the Senior Debt.

Section 11.09 RELATIVE RIGHTS.

This Article 11 defines the relative rights of Holders and holders of Senior Debt. Nothing in this Indenture shall:

- (i) impair, as between the Company and Holders, the obligation of the Company, which is absolute and unconditional, to pay principal of, premium, if any, and interest on the Securities in accordance with their terms;
- (ii) affect the relative rights of Holders and creditors of the Company other than rights of Holders of the Securities in relation to holders of Senior Debt; or
- (iii) prevent the Trustee or any Holder from exercising its available remedies upon a Default or Event of Default, subject to the rights of holders and owners of Senior Debt to receive distributions and payments otherwise payable to Holders.

If the Company fails because of this Article 11 to pay principal of or interest on a Security on the due date, the failure is still a Default or Event of Default, as applicable.

Section 11.10 SUBORDINATION MAY NOT BE IMPAIRED BY COMPANY.

No right of any holder of Senior Debt to enforce the subordination of the Indebtedness evidenced by the Securities shall be impaired by any act or failure to act by the Company or any Holder or by the failure of the Company or any Holder to comply with this Indenture.

Section 11.11 DISTRIBUTION OR NOTICE TO REPRESENTATIVE.

Whenever a distribution is to be made or a notice given to holders of Senior Debt, the distribution may be made or the notice given to their Representative on their behalf.

Upon any payment or distribution of assets of the Company referred to in this Article 11, the Trustee and the Holders shall be entitled to rely upon any order or decree made by any court of competent jurisdiction or upon any certificate of any Representative for Senior Debt or of the liquidating trustee or agent or other Person making any distribution to the Trustee or to the Holders for the purpose of ascertaining the Persons entitled to participate in such distribution, the holders of the Senior Debt and other Indebtedness of the Company, the amount thereof or payable thereon, the amount or amounts paid or distributed thereon and all other facts pertinent thereto or to this Article 11.

Section 11.12 RIGHTS OF TRUSTEE AND PAYING AGENT.

Notwithstanding the provisions of this Article 11 or any other provision of this Indenture, the Trustee shall not be charged with knowledge of the existence of any facts that would prohibit the making of any payment or distribution by the Trustee, and the Trustee and any Paying Agent may continue to make payments on the Securities, unless the Trustee shall have received at the Corporate Trust Office of the Trustee at least five Business Days prior to the date of such payment written notice of facts that would cause the payment of any Obligations with respect to the Securities to violate this Article 11 or a Responsible Officer of the Trustee otherwise has actual knowledge of such facts. Only the Company or a Representative may give the notice. Nothing in this Article 11 shall impair the claims of, or payments to, the Trustee under or pursuant to Section 7.06 hereof.

The Trustee in its individual or any other capacity may hold Senior Debt with the same rights it would have if it were not Trustee. Any Agent may do the same with like rights.

Section 11.13 AUTHORIZATION TO EFFECT SUBORDINATION.

Each Holder of a Security by the Holder's acceptance thereof authorizes and directs the Trustee on the Holder's behalf to take such action as may be necessary or appropriate to effectuate the subordination as provided in this Article 11, and appoints the Trustee to act as the Holder's attorney-in-fact for any and all such purposes. If the Trustee does not file a proper proof of claim or proof of debt in the form required in any proceeding referred to in Section 6.04 hereof at least 30 days before the expiration of the time to file such claim, the agent under the Credit Facility (or in the absence of such agent, the lender) is hereby authorized to file an appropriate claim for and on behalf of the Holders of the Securities.

ARTICLE 12

MEETINGS OF HOLDERS

Section 12.01 PURPOSES FOR WHICH MEETING MAY BE CALLED.

A meeting of Holders of Securities of any series may be called at any time and from time to time pursuant to this Article 12 to make, give or take any request, demand, authorization, direction, notice, consent, waiver or other Act to be made, given or taken by Holders of Securities of such series.

Section 12.02 CALL, NOTICE AND PLACE OF MEETINGS.

(a) The Trustee may at any time call a meeting of Holders of Securities of any series for any purpose specified in Section 12.01, to be held at such time and at such place as the Trustee may determine. Notice of every meeting of Holders of Securities of any series, setting forth the time and the place of such meeting and in general terms the action proposed to be taken at such meeting, shall be given, in the manner provided in Section 14.02, not less than 20 nor more than 180 days prior to the date fixed for the meeting.

(b) In case at any time the Company, by written direction to the Trustee, or the Holders of at least 25% in principal amount of the outstanding Securities of any series shall have requested the Trustee to call a meeting of the Holders of Securities of such series for any purpose specified in Section 12.01 by written request setting forth in reasonable detail the Act or other action proposed to be taken at the meeting, and the Trustee shall not have mailed notice of such meeting within 20 days after receipt of such request or shall not thereafter proceed to cause the meeting to be held as provided herein, then the Company or the Holders of Securities of such series in the amount above specified, as the case may be, may determine the time and the place for such meeting and may call such meeting for such purposes by giving notice thereof as provided in clause (a) of this Section 12.02.

Section 12.03 PERSONS ENTITLED TO VOTE AT MEETINGS.

To be entitled to vote at any meeting of Holders of Securities of any series, a Person must be (a) a Holder of one or more outstanding Securities of such series, or (b) a Person appointed by an instrument in writing as proxy for a Holder or Holders of one or more outstanding Securities of such series by such Holder or Holders. No vote may be cast or counted at any meeting in respect of any Security challenged as not outstanding and ruled by the chairman of the meeting to be not outstanding. The chairman of the meeting will have no right to vote, except as a Holder of a Security of such series or proxy. The only Persons who shall be entitled to be present or to speak at any meeting of Holders of Securities of any series shall be the Persons entitled to vote at such meeting and their counsel, any representatives of the Trustee and its counsel and any representatives of the Company and its counsel.

Section 12.04 QUORUM; ACTION.

The Persons entitled to vote a majority in principal amount of the outstanding Securities of a series shall constitute a quorum for a meeting of Holders of Securities of such series; *provided, however*, that if any Act is to be taken at such meeting with respect to a consent or waiver which this Indenture (or any indenture supplemental hereto establishing a series of Securities hereunder) expressly provides may be given by the Holders of more or less than a majority in principal amount of the outstanding Securities of a series, the Persons entitled to vote such percentage in principal amount of the outstanding Securities of such series shall constitute a quorum. In the absence of a quorum within 30 minutes after the time appointed for any such meeting, the meeting shall, if convened at the request of Holders of Securities of such series, be dissolved. In any other case the meeting may be adjourned for a period determined by the chairman of the meeting prior to the adjournment of such meeting. In the absence of a quorum at any reconvened meeting, such reconvened meeting may be further adjourned as determined by the chairman of the meeting prior to the adjournment of such adjourned meeting. Notice of the reconvening of any such adjourned meeting shall be given as provided in Section 12.02(a), except that such notice need be given only once not less than five days prior to the date on which the meeting is scheduled to be reconvened. Notice of the reconvening of an adjourned meeting shall state expressly the percentage, as provided above, of the principal amount of the outstanding Securities of such series that shall constitute a quorum.

Except as otherwise provided in Section 6.02 or 10.02 (or in any indenture supplemental hereto establishing a series of Securities hereunder), any resolution presented to a meeting or adjourned meeting duly reconvened at which a quorum is present as aforesaid may be adopted only by the affirmative vote of the Holders of a majority in principal amount of the outstanding Securities of that series; *provided, however*, that, except as otherwise provided in Section 6.02 or 10.02 (or in any indenture supplemental hereto establishing a series of Securities hereunder), any resolution with respect to any request, demand, authorization, direction, notice, consent, waiver or other action that this Indenture or any supplemental indenture expressly provides may be made, given or taken by the Holders of a specified percentage in principal amount of the outstanding Securities of a series may be adopted at a meeting or an adjourned meeting duly reconvened and at which a quorum is present as aforesaid by the affirmative vote of the Holders of such specified percentage in principal amount of the outstanding Securities of such series.

Any resolution passed or decision taken at any meeting of Holders of Securities of any series duly held in accordance with this Section 12.04 or other Act duly taken shall be binding on all the Holders of Securities of such series, whether or not such Holders were present or represented at the meeting, if any.

Section 12.05 DETERMINATION OF VOTING RIGHTS; CONDUCT AND ADJOURNMENT OF MEETINGS.

Notwithstanding any other provisions of this Indenture, the Trustee may make such reasonable regulations as it may deem advisable for any meeting of Holders of Securities of a series in regard to proof of the holding of Securities of such series and of the appointment of proxies and in regard to the appointment and duties of inspectors of votes, the submission and examination of proxies, certificates and other evidence of the right to vote, and such other matters concerning the conduct of the meeting as it shall deem appropriate. Except as otherwise permitted or required by any such regulations, the holding of Securities shall be proved in the manner specified in Section 1.05 and the appointment of any proxy shall be proved in the manner specified in Section 1.05. Such regulations may provide that written instruments appointing proxies, regular on their face, may be presumed valid and genuine without the proof specified in Section 1.05 or other proof.

The Trustee shall, by an instrument in writing, appoint a temporary chairman of the meeting, unless the meeting shall have been called by the Company or by Holders of Securities as provided in Section 12.02(b), in which case the Company or the Holders of Securities of the series calling the meeting, as the case may be, shall in like manner appoint a temporary chairman. A permanent chairman and a permanent secretary of the meeting shall be elected by vote of the Persons entitled to vote at least a majority in principal amount of the outstanding Securities of such series represented at the meeting.

Any meeting of Holders of Securities of any series duly called pursuant to Section 12.02 at which a quorum is present may be adjourned from time to time by Persons entitled to vote at least a majority in principal amount of the outstanding Securities of such series represented at the meeting; and the meeting may be held as so adjourned without further notice.

Section 12.06 COUNTING VOTES AND RECORDING ACTION OF MEETINGS.

The vote upon any resolution submitted to any meeting of Holders of Securities of any series shall be by written ballots on which shall be subscribed the signatures of the Holders of Securities of such series or of their representatives by proxy and the principal amounts and serial numbers of the outstanding Securities of such series held or represented by them. The permanent chairman of the meeting shall appoint two inspectors of votes who shall count all votes cast at the meeting for or against any resolution and who shall make and file with the secretary of the meeting their verified written reports in duplicate of all votes cast at the meeting. A record, at least in duplicate, of the proceedings of each meeting of Holders of Securities of any series shall be prepared by the secretary of the meeting and there shall be attached to said record the original reports of the inspectors of votes on any vote by ballot taken thereat and affidavits by one or more persons having knowledge of the facts setting forth a copy of the notice of the meeting and showing that said notice was given as provided in Section 12.02 and, if applicable, Section 12.04. Each copy shall be signed and verified by the affidavits of the permanent chairman and secretary of the meeting and one such copy shall be delivered to the Company, and another to the Trustee to be preserved by the Trustee, the latter to have attached thereto the ballots voted at the meeting. Any record so signed and verified shall be conclusive evidence of the matters therein stated.

Section 12.07 ARTICLE SUBJECT TO OTHER PROVISIONS.

Each provision of this Article 12 (whether or not expressly so stated) is subject to any other provision of this Indenture (or any supplemental indenture establishing a series of Securities hereunder) that provides that Securities of different series constitute a single class.

ARTICLE 13

CONVERSION OF SECURITIES

Section 13.01 APPLICABILITY OF ARTICLE.

The provisions of this Article 13 shall be applicable to the Securities of any series that are convertible into shares of Common Stock of the Company, and the issuance of such shares of Common Stock upon the conversion of such Securities, except as otherwise specified as contemplated by Section 2.02 for the Securities of such series. This Article 13 shall not be applicable to Securities of any series that are not convertible into shares of Common Stock of the Company.

Section 13.02 EXERCISE OF CONVERSION PRIVILEGE.

(a) In order to exercise a conversion privilege, the Holder of a Security of a series with such a privilege must surrender such Security to the Company at the office or agency maintained for that purpose pursuant to Section 4.02, accompanied by a duly executed Conversion Notice to the Company substantially in the form set forth on Attachment 1 to Exhibit A stating that the Holder elects to convert such Security or a specified portion thereof. Such Conversion Notice shall also state, if different from the name and address of such Holder, the name or names (with address) in which the certificate or certificates for shares of Common Stock that shall be issuable on such conversion shall be issued. Securities surrendered for conversion shall (if so required by the Company or the Trustee) be duly endorsed by, or accompanied by instruments of transfer satisfactory to the Company and the Trustee duly executed by, the registered Holder or its attorney duly authorized in writing.

(b) To the extent provided in Section 2.03(e), Securities surrendered for conversion during the period from the close of business on any Regular Record Date to the opening of business on the next succeeding Interest Payment Date (except in the case of any Security whose Maturity Date is prior to such Interest Payment Date) shall be accompanied by payment by such Holder in immediately available funds to the Company of an amount equal to the interest to be received on such Interest Payment Date on the principal amount of the Securities being surrendered for conversion. However, to the extent provided in Section 2.03(b), Securities that have been called for redemption on a redemption date, or that are repurchasable on a redemption date that occurs between the close of business on a Regular Record Date and the close of business on the Business Day immediately preceding such Interest Payment Date, shall not require such concurrent payment to the Company upon surrender for conversion, and, if such Securities are converted during the time period set forth in the preceding sentence, the Holders of such converted Securities shall be entitled to receive (and retain) any accrued interest on the Principal amount of such surrendered Securities, if any.

(c) To convert a Security a Holder must deliver to the Conversion Agent (i) a Conversion Notice, (ii) any payment required pursuant to Section 13.02(b) or pursuant to and/or established in one or more indentures supplemental hereto setting forth the terms of such series of Security, (iii) any payment in respect of transfer or similar taxes, if required by Section 13.07, and (iv) the Security duly endorsed in accordance with such reasonable regulations as the Company may prescribe. The date on which the Holder satisfies all of those requirements is the “*Conversion Date*” for such Security. As soon as practicable after the Conversion Date, the Company shall issue and shall deliver or cause to be issued and delivered, at the office or agency at which such Security is surrendered, to such Holder or on its written order, a certificate or certificates for the number of full shares of Common Stock issuable upon the conversion of such Security (or specified portion thereof), in accordance with the provisions of such supplemental indenture, and cash as provided therein in respect of any fractional share of such Common Stock otherwise issuable upon such conversion. Except as set forth above and subject to Section 2.14, no payment or adjustment shall be made upon any conversion on account of any interest accrued on the Securities (or any part thereof) surrendered for conversion or on account of any dividends on the Common Stock of the Company issued upon such conversion. The person in whose name the shares of Common Stock issued upon conversion is registered shall be deemed to be a holder of record of such Common Stock on the Conversion Date; *provided, however*, that no surrender of a Security on any Conversion Date when the stock transfer books of the Company shall be closed shall be effective to constitute the person or persons entitled to receive the shares of Common Stock upon conversion as the record holder or holders of such shares of Common Stock on such date, but such surrender shall be effective to constitute the person or persons thereof for all purposes at the close of business on the next succeeding day on which such stock transfer books are open; *provided, further*, that such conversion shall be at the conversion date in effect on the Conversion Date as if the stock transfer books of the Company had not been closed. Upon conversion of a Security, such person shall no longer be a Holder of such Security.

In the case of any Security that is converted in part only, upon such conversion the Company shall execute and the Trustee shall authenticate and deliver to or on the order of the Holder thereof, at the expense of the Company, a new Security or Securities of the same series, of authorized denominations, in aggregate principal amount equal to the unconverted portion of such Security.

Section 13.03 NO FRACTIONAL SHARES.

No fractional share of Common Stock of the Company shall be issued upon conversions of Securities of any series. If more than one Security shall be surrendered for conversion at one time by the same Holder, the number of full shares that shall be issuable upon conversion shall be computed on the basis of the aggregate principal amount of the Securities (or specified portions thereof to the extent permitted hereby) so surrendered. If, except for the provisions of this Section 13.03, any Holder of a Security or Securities would be entitled to a fractional share of Common Stock of the Company upon the conversion of such Security or Securities, or specified portions thereof, the Company shall pay to such Holder an amount in cash equal to the current market value of such fractional share computed, (i) if such Common Stock is listed or admitted to unlisted trading privileges on a national securities exchange, on the basis of the last reported sale price regular way on such exchange on the last trading day prior to the date of conversion upon which such a sale shall have been effected, or (ii) if such Common Stock is not at the time so listed or admitted to unlisted trading privileges on a national securities exchange, on the basis of the average of the bid and asked prices of such Common Stock in the over-the-counter market, on the last trading day prior to the date of conversion, as reported by the National Quotation Bureau, Incorporated or similar organization if the National Quotation Bureau, Incorporated is no longer reporting such information, or if not so available, the fair market price as determined by the Board of Directors. For purposes of this Section 13.03, “*trading day*” means each Monday, Tuesday, Wednesday, Thursday and Friday other than any day on which the Common Stock is not traded on the New York Stock Exchange, or if the Common Stock is not traded on the New York Stock Exchange, on the principal exchange or market on which the Common Stock is traded or quoted.

Section 13.04 ADJUSTMENT OF CONVERSION PRICE.

The conversion price of Securities of any series that is convertible into Common Stock of the Company shall be adjusted for any stock dividends, stock splits, reverse stock splits, reclassifications, combinations or similar transactions in accordance with the terms of the supplemental indenture or Board Resolutions setting forth the terms of the Securities of such series.

Whenever the conversion price is adjusted, the Company shall compute the adjusted conversion price in accordance with terms of the applicable supplemental indenture and shall prepare an Officers' Certificate setting forth the adjusted conversion price and showing in reasonable detail the facts upon which such adjustment is based, and such certificate shall forthwith be filed at each office or agency maintained for the purpose of conversion of Securities pursuant to Section 4.02 and, if different, with the Trustee.

Section 13.05 NOTICE OF CERTAIN CORPORATE ACTIONS.

In case:

(1) the Company shall declare a dividend (or any other distribution) on its Common Stock payable otherwise than in cash out of its retained earnings, that would require an adjustment to the conversion price of the Securities; or

(2) the Company authorizes the granting to the holders of all or substantially all of its Common Stock of rights, options or warrants to subscribe for or purchase any shares of capital stock of any class or of any other rights; or

(3) of any reclassification of the Common Stock of the Company (other than a subdivision or combination of its outstanding shares of Common Stock), or of any consolidation, merger or share exchange to which the Company is a party and for which approval of any shareholders of the Company is required, or of the sale of all or substantially all of the assets of the Company;

then the Company shall cause to be filed with the Trustee, and shall cause to be mailed to all Holders at their last addresses as they appear in the Securities Register, at least 20 days (or 10 days in any case specified in Clause (1) or (2) above) prior to the applicable record date hereinafter specified, a notice stating (i) the date on which a record is to be taken for the purpose of such dividend, distribution, rights, options or warrants, or, if a record is not to be taken, the date as of which the holders of Common Stock of record to be entitled to such dividend, distribution, rights, options or warrants are to be determined, or (ii) the date on which such reclassification, consolidation, merger, share exchange, sale, dissolution, liquidation or winding up is expected to become effective, and the date as of which it is expected that holders of Common Stock of record shall be entitled to exchange their shares of Common Stock for securities, cash or other property deliverable upon such reclassification, consolidation, merger, share exchange, sale, dissolution, liquidation or winding up. If at any time the Trustee shall not be the Conversion Agent, a copy of such notice shall also forthwith be filed by the Company with the Conversion Agent. Failure to give any such notice or any defect therein shall not affect the legality or validity of the proceedings described in clauses (1) through (3) of this Section 13.05.

Section 13.06 RESERVATION OF SHARES OF COMMON STOCK.

The Company shall at all times reserve and keep available, free from preemptive rights, out of its authorized but unissued Common Stock, for the purpose of effecting the conversion of Securities, the full number of shares of Common Stock of the Company then issuable upon the conversion of all outstanding Securities of any series that has conversion rights.

Section 13.07 PAYMENT OF CERTAIN TAXES UPON CONVERSION.

Upon conversion, the Company shall pay any documentary, stamp or similar issue or transfer tax due on the issue of shares of Common Stock upon the conversion. However, the Holder shall pay any withholding tax or any tax that is due because the shares are issued in a name other than the Holder's name.

Section 13.08 NONASSESSABILITY.

The Company covenants that all shares of its Common Stock that may be issued upon conversion of Securities will upon issue in accordance with the terms hereof be duly and validly issued and fully paid and nonassessable.

Section 13.09 EFFECT OF CONSOLIDATION OR MERGER ON CONVERSION PRIVILEGE.

In case of any consolidation of the Company with, or merger of the Company into or with any other Person, or in case of any sale of all or substantially all of the assets of the Company, the company or the Person formed by such consolidation or the Person into which the Company shall have been merged or the Person which shall have acquired such assets, as the case may be, shall execute and deliver to the Trustee a supplemental indenture providing that the Holder of each Security then outstanding of any series that is convertible into Common Stock of the Company shall have the right, which right shall be the exclusive conversion right thereafter available to said Holder (until the expiration of the conversion right of such Security), to convert such Security into the kind and amount of shares of stock or other securities or property (including cash) receivable upon such consolidation, merger or sale by a holder of the number of shares of Common Stock of the Company into which such Security might have been converted immediately prior to such consolidation, merger or sale, subject to compliance with the other provisions of this Indenture, such Security and such supplemental indenture. Such supplemental indenture shall provide for adjustments that shall be as nearly equivalent as may be practicable to the adjustments provided for in such Security. The above provisions of this Section 13.09 shall similarly apply to successive consolidations, mergers or sales. It is expressly agreed and understood that anything in this Indenture to the contrary notwithstanding, if, pursuant to such merger, consolidation or sale, holders of outstanding shares of Common Stock of the Company do not receive shares of common stock of the surviving corporation but receive other securities, cash or other property or any combination thereof, Holders of Securities shall not have the right to thereafter convert their Securities into common stock of the surviving corporation or the corporation that shall have acquired such assets, but rather, shall have the right upon such conversion to receive the other securities, cash or other property receivable by a holder of the number of shares of Common Stock of the Company into which the Securities held by such holder might have been converted immediately prior to such consolidation, merger or sale, all as more fully provided in the first sentence of this Section 13.09. Anything in this Section 13.09 to the contrary notwithstanding, the provisions of this Section 13.09 shall not apply to a merger or consolidation of another corporation with or into the Company pursuant to which both of the following conditions are applicable: (i) the Company is the surviving corporation and (ii) the outstanding shares of Common Stock of the Company are not changed or converted into any other securities or property (including cash) or changed in number or character or reclassified pursuant to the terms of such merger or consolidation.

As evidence of the kind and amount of shares of stock or other securities or property (including cash) into which Securities may properly be convertible after any such consolidation, merger or sale, or as to the appropriate adjustments of the conversion prices applicable with respect thereto, the Trustee shall be furnished with and may accept the certificate or opinion of an independent certified public accountant with respect thereto; and, in the absence of bad faith on the part of the Trustee, the Trustee may conclusively rely thereon, and shall not be responsible or accountable to any Holder of Securities for any provision in conformity therewith or approved by such independent certified accountant that may be contained in said supplemental indenture.

Section 13.10 DUTIES OF TRUSTEE REGARDING CONVERSION.

Neither the Trustee nor any Conversion Agent shall at any time be under any duty or responsibility to any Holder of Securities of any series that is convertible into Common Stock of the Company to determine whether any facts exist which may require any adjustment of the conversion price, or with respect to the nature or extent of any such adjustment when made, or with respect to the method employed, whether herein or in any supplemental indenture, any resolutions of the Board of Directors or written instrument executed by one or more officers of the Company provided to be employed in making the same. Neither the Trustee nor any Conversion Agent shall be accountable with respect to the validity or value (or the kind or amount) of any shares of Common Stock of the Company, or of any securities or property, which may at any time be issued or delivered upon the conversion of any Securities and neither the Trustee nor any Conversion Agent makes any representation with respect thereto. Subject to the provisions of Section 7.01, neither the Trustee nor any Conversion Agent shall be responsible for any failure of the Company to issue, transfer or deliver any shares of its Common Stock or stock certificates or other securities or property upon the surrender of any Security for the purpose of conversion or to comply with any of the covenants of the Company contained in this Article 13 or in a supplemental indenture with respect to such Securities.

Section 13.11 REPAYMENT OF CERTAIN FUNDS UPON CONVERSION.

Any funds that at any time have been deposited by the Company or on its behalf with the Trustee or any other Paying Agent for the purpose of paying the principal of, and premium, if any, and interest, if any, on any of the Securities (including, but not limited to, funds deposited pursuant to Article 8 hereof) and which shall not be required for such purposes because of the conversion of such Securities as provided in this Article 13 shall after such conversion be repaid to the Company by the Trustee upon the Company's written request.

Section 13.12 STOCKHOLDER RIGHTS PLAN.

If the Company has a stockholder rights plan in effect upon a conversion of any Security and the Company delivers any shares of Common Stock upon such conversion, the converting Holder shall receive, in addition to such shares of Common Stock, the appropriate number of rights, if any, and the certificates representing the Common Stock issued upon such conversion shall bear such legends, if any, in each case as may be provided by the terms of any stockholder rights plan adopted by the Company and in effect upon conversion of such Securities, as the same may be amended from time to time. Notwithstanding the foregoing, if prior to such conversion the rights have separated from the shares of Common Stock in accordance with the provisions of the applicable stockholder rights agreement, the conversion rate with respect to such series shall be adjusted as provided in the supplemental indenture with respect to such series of Securities.

Such payment shall be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

3. *PAYING AGENT AND REGISTRAR.* Initially, _____, the Trustee under the Indenture, will act as Paying Agent and Registrar. The Company may change any Paying Agent or Registrar without notice to any Holder. The Company may act in any such capacity.

On and after the redemption date interest shall cease to accrue on Notes or the portion thereof called for redemption.

8. [CONVERSION.

(a) As provided in and subject to the provisions of the Indenture, the Holder hereof has the right, at its option (i) during certain periods and upon the occurrence of certain conditions specified in the Indenture, prior to the close of business on the Business Day immediately preceding _____, 20__, and (ii) on or after _____, 20__, at any time prior to the close of business on the second scheduled trading day immediately preceding the Maturity Date, to convert this Note or a portion thereof that is \$1,000 or an integral multiple thereof, into cash up to the aggregate principal amount of the Notes to be converted and cash, shares of Common Stock or a combination thereof, at the Company's election, in respect of the remainder, if any, of the Company's Conversion Obligation, at the applicable conversion rate specified in the Indenture, as adjusted from time to time as provided in the Indenture.

(b) In order to exercise the conversion privilege with respect to a beneficial interest in a Global Note, the holder of such beneficial interest must comply with the procedures of the Depository for converting a beneficial interest in a global note and, if required, pay funds equal to any interest payable on the next Interest Payment Date and any documentary, stamp or similar issue or transfer taxes, if any, to the extent required by Section 13.07 of the Indenture. In order to exercise the conversion privilege with respect to any Physical Note, the Holder of any such Notes to be converted must (1) complete, manually sign and deliver the Conversion Notice at the office of the Conversion Agent and state in writing therein the principal amount of Notes to be converted and the name(s) (with addresses) in which such Holder wishes the certificate(s) for any shares of Common Stock to be delivered upon settlement of the Conversion Obligation to be registered, (2) surrender the Notes at the office of the Conversion Agent, (3) furnish appropriate endorsements and transfer documents if required, (4) pay any documentary, stamp or similar issue or transfer taxes if required, and (5) make any payment under Article 13 of the Indenture, if required. 9. *DENOMINATIONS, TRANSFER, EXCHANGE.* The Notes are in registered form without coupons in all appropriate denominations. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Company may require a Holder to pay any taxes, fees or expenses required by law or permitted by the Indenture. The Company need not transfer or exchange any Note selected for redemption, except for the unredeemed portion of any Note being redeemed in part. Also, it need not transfer or exchange any Note for a period of 15 days before a selection of Notes to be redeemed.

10. *PERSONS DEEMED OWNERS.* Prior to due presentment of this Note for registration of transfer, the Company, the Trustee and any agent of the Company or Trustee may treat the Person in whose name the Note is registered as the owner hereof for all purposes, whether or not this Note be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

11. *AMENDMENT, SUPPLEMENT AND WAIVER.* The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Notes to be effected under the Indenture at any time by the Company and the Trustee with the consent of the Holders of a majority in principal amount of the Notes at the time outstanding and other series of Securities affected (treating the Notes and such other series as a single class). The Indenture also contains provisions permitting the Holders of specified percentages in principal amount of the Notes at the time outstanding and other series of Securities affected (treating the Notes and such other series as a single class), on behalf of the Holders of all Notes and such other series, if any, to waive compliance by the Company with certain provisions of the Indenture and certain past Defaults under the Indenture and their consequences with respect to the Notes and such other series. In addition, as provided in the Indenture, the Company may make certain amendments to the Indenture without the consent of any Holder. Any such consent or waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Note issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Note.

12. *EVENTS OF DEFAULT*. Each of the following constitutes an Event of Default: (i) default in the payment of principal of the Note when due and payable on the Maturity Date; (ii) failure by the Company to pay an installment of interest on the Note when due, if such failure continues for 30 days after the date when due; (iii) upon exercise of a Holder's conversion right in accordance with Article 13 of the Indenture, failure by the Company to deliver, or cause the Trustee to deliver, to such Holder the full amount of conversion consideration deliverable in respect of the Notes surrendered for conversion when due, in accordance with the Indenture and the terms of such Securities; (iv) failure by the Company to comply with its obligations under Section 5.01(a) and (b) and Section 5.02 of the Indenture; (v) failure by the Company to comply with any other covenant or agreement contained in the Note or the Indenture, if such failure is not cured within 90 days after notice to the Company by the Trustee or to the Trustee and the Company by Holders of at least 25% in aggregate principal amount of the Notes then outstanding and any other affected Securities outstanding under the Indenture (treating the Notes and such other series as a single class), in accordance with the Indenture; (vi) certain defaults with respect to the Indebtedness of the Company or any of its Subsidiaries, as provided in the Indenture; (vii) one or more final, non-appealable judgments against the Company or any of its Subsidiaries, the aggregate uninsured portion of which is at least \$5,000,000, if such judgments are not paid or discharged within 120 days; and (viii) certain events of bankruptcy or insolvency with respect to the Company. In case an Event of Default shall have occurred and be continuing, the principal of and interest on all Notes may be declared due and payable, by either the Trustee or Holders of not less than 25% in aggregate principal amount of Notes then outstanding and other series of Securities affected (treating the Notes and such other series as a single class), and upon said declaration shall become due and payable, in the manner, with the effect and subject to the conditions provided in the Indenture. Notwithstanding the foregoing, in the case of an Event of Default arising from certain events of bankruptcy or insolvency with respect to the Company, all outstanding Notes will become due and payable without further action or notice. Holders of the Notes may not enforce the Indenture or the Notes except as provided in the Indenture. Subject to certain limitations, Holders of a majority in aggregate principal amount of the then-outstanding Notes and other series of Securities affected (treating the Notes and such other series as a single class) may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders of the Notes notice of any continuing Default or Event of Default (except a Default or Event of Default relating to the payment of principal or interest) if it determines that withholding notice is in their interest. The Holders of a majority in aggregate principal amount of the Notes and other series of Securities affected (treating the Notes and such other series as a single class) and other series of Securities affected (treating the Notes and such other series as a single class) then outstanding by notice to the Trustee may on behalf of the Holders of all of the Notes and such other Securities waive any existing Default or Event of Default and its consequences under the Indenture except a continuing Default or Event of Default in the payment of principal, interest or premium, if any, on the Notes. The Company is required to deliver to the Trustee annually a statement regarding compliance with the Indenture.

13. *SUBORDINATION*. Each Holder by accepting a Note agrees that the payment of principal of, premium, if any, and interest on each Note is subordinated in right of payment, to the extent and in the manner provided in the Indenture, to the prior payment in full of all Senior Debt (whether outstanding on the date of the Indenture or thereafter created, incurred, assumed or guaranteed), and that the subordination is for the benefit of the holders of Senior Debt.

14. *TRUSTEE DEALINGS WITH THE COMPANY*. The Trustee, in its individual or any other capacity, may make loans to, accept deposits from, and perform services for the Company or its Affiliates, and may otherwise deal with the Company or its Affiliates, as if it were not the Trustee.

15. *NO RECOURSE AGAINST OTHERS*. No director, officer, employee, incorporator or stockholder of the Company will have any liability for any obligations of the Company under the Notes or the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for the issuance of the Notes.

16. *AUTHENTICATION*. This Note shall not be valid until authenticated by the manual signature of the Trustee or an authenticating agent.

17. *ABBREVIATIONS*. Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

18. *CUSIP NUMBERS*. Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Company has caused CUSIP numbers to be printed on the Notes and the Trustee may use CUSIP numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

19. *SERVICE CHARGES*. No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith to the extent provided in the Indenture.

The Company will furnish to any Holder upon written request and without charge a copy of the Indenture. Requests may be made to:

The Common Shares (including the ATM Shares), the Preferred Shares, the Debt Securities, the Warrants, the Rights and the Units, plus any additional Common Shares, Preferred Shares, Debt Securities, Warrants, Rights or Units that may be registered pursuant to any subsequent registration statement that the Company may hereafter file with the Commission pursuant to Rule 462(b) under the Securities Act in connection with the offering contemplated by the Registration Statement, are collectively referred to herein as the “Securities.” The Securities are being registered for offer and sale from time to time by the Company pursuant to Rule 415 under the Securities Act.

In addition, we have obtained from public officials and from officers and other representatives of the Company such other certificates and assurances as we consider necessary for purposes of this opinion.

In rendering the opinions set forth in this opinion letter, we assume the following:

a) the legal capacity of each natural person executing documents, the legal existence of all parties other than the Company to the transactions referred to in the ATM Agreement, the power and authority of each person, other than the Company or person(s) acting on behalf of the Company, to execute, deliver and perform each document executed and delivered, and to perform each other act done or to be done by such person;

b) the authorization, execution and delivery by each person, other than the Company or person(s) acting on behalf of the Company, of each document executed and delivered or to be executed and delivered by such person;

- j) that with respect to the ATM Agreement and to the transactions referred to therein, there has been no mutual mistake of fact and there exists no fraud or duress; and
- k) the constitutionality and validity of all relevant laws, regulations and agency actions unless a reported case has otherwise held.

For purposes of our opinion in paragraph (1), below, as to the Common Shares, we have assumed that no more than 9,803,921 shares of Common Stock will be sold based on a sale price of \$1.53 per share, representing the last reported sale price of the Common Stock on The NASDAQ Capital Market on February 11, 2016. For purposes of our opinion in paragraph (2), below as to the ATM Shares, we have assumed that the Corporation has complied and will continue to comply with General Instruction I.B.6. of Form S-3 relating to the limitation on sales of securities that may be offered and sold under Form S-3. For purposes of our opinion in paragraph (3) below as to the Preferred Shares, we have assumed that, as of the date of issuance and sale, a sufficient number of shares of Preferred Stock are authorized, designated and available for issuance. We also have assumed that any Debt Securities offered under the Registration Statement, and the related Indenture if applicable, will be executed in the forms filed as exhibits to the Registration Statement. We also have assumed that (i) with respect to the Securities being issued upon conversion of any convertible Preferred Stock, that the applicable convertible Preferred Stock will be duly authorized, validly issued, fully paid and nonassessable; and (ii) with respect to any Securities being issued upon conversion of any convertible Debt Securities or upon exercise of any Warrants or Rights, the Company will have corporate authority to issue the applicable convertible Debt Securities or Warrants or Rights, such convertible Debt Securities or Warrants or Rights will be duly authorized, and valid and legally binding obligations of the Company, enforceable against the Company in accordance with their terms, except as enforcement may be limited by applicable bankruptcy, insolvency, reorganization, fraudulent transfer, moratorium and other laws now or hereafter in effect affecting creditors' rights generally and general principles of equity (including, without limitation, standards of materiality, good faith, fair dealing and reasonableness), whether considered in a proceeding in equity or at law.

On the basis of the foregoing and subject to the qualifications and assumptions expressed below, we are of the opinion that:

1. The Common Shares (other than the ATM Shares) offered under the Registration Statement, when the terms of the issuance and sale thereof have been duly approved by the Board of Directors of the Company in conformity with the Company's then operative Certificate of Incorporation and Bylaws, and when issued and delivered against payment therefor as contemplated in the Registration Statement, and if issued upon the exercise, exchange or conversion of or otherwise pursuant to the terms of any Preferred Shares, Debt Securities, Warrants, Rights, or Units, when issued and delivered as contemplated by the terms thereof and of the applicable Preferred Share designation, Indenture, Warrant Agreement, Rights Agreement, or Unit Agreement, respectively, relating thereto, will be validly issued, fully paid and non-assessable by the Company; provided, that (i) the issuance of the Common Shares has been duly authorized by all necessary corporate action on the part of the Company; and (ii) the certificates representing the Common Shares have been duly executed by the Company, countersigned by the transfer agent therefor and duly delivered to the purchasers thereof against payment therefor.

2. The ATM Shares, when issued and paid for in accordance with the ATM Agreement and as contemplated in the Registration Statement, the Base Prospectus and the ATM Prospectus Supplement, will be validly issued, fully paid and nonassessable.

3. Upon the fixing of the designations and relative rights, preferences, privileges, qualifications, limitations and restrictions of any series of Preferred Shares by the Board of Directors of the Company and proper and valid filing with the Secretary of State of the State of Delaware of a Certificate of Designations or an amendment to the Company's Certificate of Incorporation setting forth such designations and relative rights, preferences, privileges, qualifications, limitations and restrictions, if any, with respect to such series of Preferred Shares, all in conformity with the Company's then operative Certificate of Incorporation and Bylaws and upon the approval by the Board of Directors of the Company of the terms of the issuance and sale thereof, all necessary corporate action on the part of the Company will have been taken to authorize the issuance and sale of such series of Preferred Shares, and when such Preferred Shares are issued and delivered against payment therefor, and, if issued upon the exercise, exchange or conversion of or otherwise pursuant to the terms of any Debt Securities, Warrants, Rights, or Units, when issued and delivered as contemplated by the terms thereof and of the applicable Indenture, Warrant Agreement, Rights Agreement, or Unit Agreement, respectively, relating thereto, such Preferred Shares will be validly issued, fully paid and non-assessable by the Company; provided, that (i) the terms and issuance of the Preferred Shares have been duly authorized by all necessary corporate action on the part of the Company; and (ii) the certificates representing the Preferred Shares have been duly executed by the Company, countersigned by the transfer agent therefor and duly delivered to the purchasers thereof against payment therefor.

4. When issued, and, if issued upon the exercise, exchange or conversion of or otherwise pursuant to the terms of any Warrants, Rights or Units, when issued and delivered as contemplated by the terms thereof and of the applicable Warrant Agreement, Rights Agreement or Unit Agreement, respectively, relating thereto, the Debt Securities will constitute valid and binding obligations of the Company, enforceable against the Company in accordance with their terms; provided, that (i) the terms of the Debt Securities, and the issuance, execution and delivery by the Company of the applicable Indenture and related Debt Securities, have been duly approved by all necessary corporate action on the part of the Company; (ii) the applicable Indenture, in substantially the form filed as an exhibit to the Registration Statement, shall have been duly executed and delivered by the Company and duly authorized, executed and delivered by the trustee of such Indenture; (iii) the terms of the Debt Securities and the issuance and sale of the Debt Securities has been duly established in conformity with the applicable Indenture; (iv) the Debt Securities have been duly executed and delivered by the Company and authenticated by the trustee under the Indenture and delivered against payment therefor as contemplated by the Registration Statement and the applicable Prospectus Supplement; and (v) such enforceability shall be subject to bankruptcy, insolvency, reorganization, fraudulent transfer, moratorium and other laws now or hereafter in effect affecting creditors' rights generally and general principles of equity (including, without limitation, standards of materiality, good faith, fair dealing and reasonableness), whether considered in a proceeding in equity or at law.

5. When issued, the Warrants will constitute valid and binding obligations of the Company, enforceable against the Company in accordance with their terms; provided, that (i) the terms of the Warrants, and the issuance, execution and delivery by the Company of the applicable Warrant Agreement and related Warrants, have been duly approved by all necessary corporate action on the part of the Company; (ii) the applicable Warrant Agreement shall have been duly executed and delivered by the Company and duly authorized, executed and delivered by the other party or parties thereto as contemplated by the Registration Statement, the Base Prospectus and the applicable Prospectus Supplement, and shall have been entered into in compliance with any applicable law or agreement binding on the Company; (iii) such Warrants and the issuance and sale of the Warrants have been duly established in conformity with the Warrant Agreement relating thereto and included in the Registration Statement (or, pursuant to the applicable rules of the Commission, on a Form 8-K); and (iv) such enforceability shall be subject to bankruptcy, insolvency, reorganization, fraudulent transfer, moratorium and other laws now or hereafter in effect affecting creditors' rights generally and general principles of equity (including, without limitation, standards of materiality, good faith, fair dealing and reasonableness), whether considered in a proceeding in equity or at law.

6. When issued, the Rights will constitute valid and binding obligations of the Company, enforceable against the Company in accordance with their terms; provided, that (i) the terms of the Rights, and the issuance, execution and delivery by the Company of the applicable Rights Agreement and related Rights, have been duly approved by all necessary corporate action on the part of the Company; (ii) the applicable Rights Agreement shall have been duly executed and delivered by the Company and duly authorized, executed and delivered by the other party or parties thereto as contemplated by the Registration Statement, the Base Prospectus and the applicable Prospectus Supplement, and shall have been entered into in compliance with any applicable law or agreement binding on the Company; (iii) such Rights shall have been duly executed and delivered by the Company and paid for as contemplated in the Registration Statement, the Base Prospectus and the applicable Prospectus Supplement and the Rights Agreement relating thereto included in the Registration Statement (or, pursuant to the applicable rules of the Commission, on a Form 8-K); and (iv) such enforceability shall be subject to bankruptcy, insolvency, reorganization, fraudulent transfer, moratorium and other laws now or hereafter in effect affecting creditors' rights generally and general principles of equity (including, without limitation, standards of materiality, good faith, fair dealing and reasonableness), whether considered in a proceeding in equity or at law.

7. When issued, the Units will constitute valid and binding obligations of the Company, enforceable against the Company in accordance with their terms; provided, that (i) the terms of the Units, and the issuance, execution and delivery by the Company of the applicable Unit Agreement and related Units, have been duly approved by all necessary corporate action on the part of the Company; (ii) the applicable Unit Agreement relating to such Units shall have been duly executed and delivered by the Company and duly authorized, executed and delivered by the other party or parties thereto as contemplated by the Registration Statement, the Base Prospectus and the applicable Prospectus Supplement, and shall have been entered into in compliance with any applicable law or agreement binding on the Company; (iii) such Units shall have been duly executed and delivered by the Company and paid for as contemplated in the Registration Statement, the Base Prospectus and the applicable Prospectus Supplement and the Unit Agreement relating thereto included in the Registration Statement (or, pursuant to the applicable rules of the Commission, on a Form 8-K); and (iv) such enforceability shall be subject to bankruptcy, insolvency, reorganization, fraudulent transfer, moratorium and other laws now or hereafter in effect affecting creditors' rights generally and general principles of equity (including, without limitation, standards of materiality, good faith, fair dealing and reasonableness), whether considered in a proceeding in equity or at law.

In connection with the opinions expressed above, we have assumed that, at or before the time of the delivery of any of the Securities, (i) the Registration Statement and any required post-effective amendment thereto have all become effective under the Securities Act and the Base Prospectus and any and all Prospectus Supplements required by applicable laws have been delivered and filed as required by such laws and such effectiveness shall not have been terminated or rescinded; (ii) there shall not have occurred any change in law affecting the validity or enforceability of any Securities; (iii) no Common Shares or Preferred Shares shall be issued for less than the par value thereof; and (iv) upon the issuance of any Common Shares or Preferred Shares, the total number of Common Shares and Preferred Shares, respectively, issued and outstanding will not exceed the total number of shares of Common Stock and Preferred Stock, respectively, that the Company is then authorized to issue under its Certificate of Incorporation. We have also assumed that none of the terms of any of the Securities to be established subsequent to the date hereof, the issuance and delivery of any of the Securities or the compliance by the Company with the terms of such Securities will violate any applicable law or will result in a violation of any provision of the then operative Certificate of Incorporation and Bylaws of the Company or any instrument or agreement then binding upon the Company, or any restriction imposed by any court or governmental body having jurisdiction over the Company. We express no opinion concerning the laws of any jurisdiction other than (a) the General Corporation Law of the State of Delaware and (b) solely with respect to the Indentures included as exhibits to the Registration Statement, the laws of the State of New York.

We hereby consent to the reference to our firm under the caption "Experts" in the base prospectus included in the Registration Statement and to the filing of this opinion as an exhibit to the Registration Statement. In giving this consent, we do not admit that we come within the categories of persons whose consent is required under Section 7 of the Securities Act or under the rules and regulations of the Commission issued thereunder.
