PROXY STATEMENT

Annual Meeting of Stockholders to be held on December 20, 2019

GENERAL INFORMATION

This proxy statement is furnished to stockholders of Ocean Power Technologies, Inc., a Delaware corporation (the "Company"), in connection with the solicitation by our Board of Directors of proxies for use at our 2019 Annual Meeting of Stockholders (the "Meeting"). The Meeting is scheduled to be held on Friday, December 20, 2019, at 9:00 a.m., Eastern Standard Time, at the office of the Company, 28 Engelhard Drive, Suite B, Monroe Township, NJ 08831. We anticipate that this proxy statement and the enclosed form of proxy will be mailed to stockholders on or about November 8, 2019.

At the Meeting, stockholders will be asked to vote upon: (1) the election of six directors; (2) an amendment to the 2015 Plan to increase the number of shares of our common stock available for grant under the 2015 Plan from 132,036 to 732,036 in order to ensure that adequate shares will be available under the 2015 Plan for future grants, as well as certain other amendments regarding award threshold limitations as specified in Proposal 2; (3) the ratification of the selection of our independent registered public accounting firm for fiscal year 2020; (4) an advisory resolution to approve our executive officer compensation; (5) the issuance of additional shares of common stock to Aspire Capital Fund, LLC under the Company's equity line of credit pursuant to Nasdaq Listing Rule 5635(d) and (6) such other business as may properly come before the Meeting and at any adjournments thereof.

Voting Rights and Votes Required

The close of business on November 4, 2019 has been fixed as the record date (the "Record Date") for the determination of stockholders entitled to receive notice of, and to vote at, the Meeting. As of the close of business on such date, we had outstanding and entitled to vote _____ shares of Common Stock. The closing price of our Common Stock on The Nasdaq Capital Market ("Nasdaq") on the Record Date was \$_____ per share. Because stockholders often cannot attend the meeting in person, a large number of shares is usually represented by proxy. You may vote your shares by completing the enclosed proxy card and mailing it in the envelope provided or by telephone or internet as instructed on the proxy card. Stockholders who hold shares in "street name" should refer to their proxy card or the information forwarded by their bank, broker or other holder of record for instructions on the voting options available to them.

A majority of the shares of Common Stock entitled to vote at the Meeting must be represented in person or by proxy at the Meeting in order to constitute a quorum for the transaction of business. The record holder of each share of Common Stock entitled to vote at the Meeting will have one vote for each share so held. Abstentions and broker non-votes will count as present for the purpose of determining the presence of a quorum.

Assuming the presence of a quorum at the Meeting, the following votes are required for approval of the following proposals:

- Directors are elected by a plurality of the votes cast (Proposal 1). This means that the six nominees with the highest number of "FOR" votes will be elected as directors. Stockholders may not cumulate their votes. If the shares you own are held in "street name" by a bank or brokerage firm, that bank or brokerage firm, as the record holder of your shares, is required to vote your shares according to your instructions. **If you do not instruct your bank or broker how to vote with respect to this item, your bank or broker may not vote with respect to the election of directors.** In tabulating the votes, withheld votes for the election of one or more nominees and broker non-votes, if any, are not treated as votes cast, and therefore will have no effect on the outcome of the vote.

- The proposal to approve the amendments to the 2015 Plan (Proposal 2), the proposal to ratify the selection of our independent registered public accounting firm (Proposal 3), the advisory resolution to approve our executive officer compensation (Proposal 4) and the proposal to approve the issuance of additional shares of common stock to Aspire Capital Fund, LLC under the Company's equity line of credit pursuant to Nasdaq Listing Rule 5635(d) (Proposal 5) each require the affirmative vote of the holders of a majority of the shares of our Common Stock present or represented at the Meeting and voting on the proposal. Abstentions and broker non-votes are not considered votes cast and therefore will have no effect on the outcome of the vote on these proposals.

Our Board of Directors has retained Regan & Associates, Inc., an independent proxy solicitation firm, to assist it in soliciting proxies, for approximately \$50,000. Proxies may be solicited in person or by mail, telephone or other electronic means.

Voting of Proxies

If the accompanying proxy is properly executed and returned, the shares represented by the proxy will be voted at the Meeting as specified in the proxy. If no instructions are specified, the shares represented by any properly executed proxy will be voted **FOR** the election of the nominees listed below under "Proposal One - Election of Directors," **FOR** the amendments to the 2015 Plan, **FOR** the ratification of the selection of our independent registered public accounting firm, **FOR** the approval of the advisory resolution to approve our executive compensation, and **FOR** the issuance of additional shares of common stock to Aspire Capital Fund, LLC under the Company's equity line of credit pursuant to Nasdaq Listing Rule 5635(d).

Broker Non-Votes

A "broker non-vote" occurs when a broker, bank, or other holder of record holding shares for a beneficial owner does not vote on a particular proposal because that holder (i) has not received instructions from the beneficial owner and (ii) does not have discretionary voting power for that particular item.

If you are a beneficial owner and you do not give instructions to your broker, bank, or other holder of record, such holder of record will be entitled to vote the shares with respect to "routine" items but will not be permitted to vote the shares with respect to "non-routine" items (those shares are treated as "broker non-votes"). If you are a beneficial owner, your broker, bank, or other holder of record has discretion to vote your shares on the proposal to ratify the appointment of KPMG as our independent registered public accounting firm if the holder of record does not receive voting instructions from you. However, such holder of record may not vote your shares on the election of directors, the amendments to the 2015 Plan, the advisory resolution regarding executive compensation or the issuance of additional shares of common stock to Aspire Capital Fund, LLC under the Company's equity line of credit pursuant to Nasdaq Listing Rule 5635(d) without your voting instructions on those proposals. Accordingly, without your voting instructions on those proposals, a broker non-vote will occur.

We encourage you to provide instructions to your bank, brokerage firm, or other nominee by voting your proxy. This action ensures that your shares will be voted in accordance with your wishes at the Meeting.

Revocation of Proxies

Any proxy given pursuant to this solicitation may be revoked by a stockholder at any time before it is exercised by: (i) providing written notice to our Secretary, (ii) delivery to us of a properly executed proxy bearing a later date, or (iii) voting in person at the Meeting.

Solicitation of Proxies

We will bear the cost of this solicitation, including amounts paid to banks, brokers, proxy solicitors, and other record owners to reimburse them for their expenses in forwarding solicitation materials regarding the Meeting to beneficial owners of Common Stock. The solicitation will be by mail, with the materials being forwarded to stockholders of record and certain other beneficial owners of Common Stock, and by our officers and other regular employees (at no additional compensation). Our officers, employees and proxy solicitors may also solicit proxies from stockholders by personal contact, by telephone, or by other means if necessary in order to ensure sufficient representation at the Meeting. Computershare Investor Services has been retained to receive and tabulate proxies. Regan & Associates, Inc. has been retained to assist in soliciting proxies.

Our Board has determined that all of our current directors are "independent directors" within the meaning of the applicable listing standards of the Nasdaq, except for George H. Kirby III who is our President and Chief Executive Officer.

Meetings of the Board of Directors

As of the date of this proxy statement, our Board has six members. The Board of Directors held 12 meetings during fiscal 2019. During fiscal 2019, each director attended at least 75% of the aggregate of the total number of meetings of (a) the Board of Directors and (b) the committees on which such director served.

Our corporate governance guidelines provide that directors are expected to attend the Meeting. All directors attended our 2018 Annual Meeting of Stockholders.

Board Leadership Structure

The Board of Directors is led by the chairman, which currently is Mr. Cryan. The Board of Directors has established the position of Vice Chairman, which currently is Mr. Glover. The Board of Directors has also established the position of Chief Executive Officer (CEO), and currently Mr. Kirby is serving as CEO. The Board of Directors recognizes that, depending on the circumstances, other leadership structures might be appropriate. Accordingly, the Board of Directors periodically reviews its leadership structure.

Board Committees

As of the date of this proxy statement, our Board of Directors has established four standing committees: an Audit Committee, a Compensation Committee, a Nominating and Corporate Governance Committee and a Health, Safety and Environment Committee. For an interim period of time from October 20, 2017 until September 10, 2018, the Health, Safety and Environment Committee had no members and its functions were handled directly by the Board. Each committee operates under a charter that has been approved by the Board. The charters of all Board committees are available on our website at www.oceanpowertechnologies.com.

Our Board has determined that all of the current members of the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee are “independent directors” within the meaning of the applicable rules of Nasdaq. Our Board has also determined that all current Audit Committee members meet the independence requirements contemplated by Rule 5605(c) of the Nasdaq and Rule 10A-3 under the Securities Exchange Act of 1934, as amended (the “Exchange Act”).

Audit Committee. The members of our Audit Committee are Dean J. Glover, Steven M. Fludder and Robert K. Winters. Mr. Glover is the chair of the Audit Committee. The Board of Directors has determined that Mr. Glover is an “audit committee financial expert” within the meaning of the regulations of the Securities and Exchange Commission (the “SEC”). The Audit Committee met four times in fiscal 2019.

Our Audit Committee assists our Board of Directors in its oversight of the integrity of our consolidated financial statements, our independent registered public accounting firm’s qualifications, independence and performance.

Compensation Committee. The current members of our Compensation Committee are Terence J. Cryan, Robert K. Winters and Steven M. Fludder. Mr. Fludder is the chair of the Compensation Committee. The Compensation Committee met three times in fiscal 2019.

The Compensation Committee has the authority to retain compensation consultants and other outside advisors to assist in the evaluation of executive officer compensation and any such compensation consultants and other advisors retained by the Compensation Committee will report directly to the committee, which has the authority to select, retain and terminate any such consultants or advisors. In determining and approving executive compensation for fiscal year 2019, the Compensation Committee principally relied on independent salary surveys and other publicly available compensation and online survey data to assist in their evaluation of appropriate levels of executive officer compensation. The Compensation Committee retained an outside consultant to provide certain limited data and information relevant to its determination of compensation for our executive officers for fiscal year 2017 and future years.

Additional information regarding compensation of executive officers is provided on pages 17 through 24 of this proxy statement.

Nominating and Corporate Governance Committee. The current members of our Nominating and Corporate Governance Committee are Terence J. Cryan and Dean J. Glover. Mr. Cryan is the chair of the Nominating and Corporate Governance Committee.

Our Nominating and Corporate Governance Committee's responsibilities include: recommending to the Board of Directors the persons to be nominated for election as directors or to fill vacancies on the Board of Directors and to be appointed to each of the Board's committees; overseeing an annual review by the Board of Directors with respect to management succession planning; developing and recommending to the Board of Directors corporate governance principles and guidelines; overseeing periodic evaluations of the Board of Directors; and reviewing and making recommendations to the Board of Directors with respect to director compensation. The Nominating and Corporate Governance Committee met two times in fiscal 2019.

Health, Safety and Environment Committee. The current members of our Health, Safety and Environment Committee are Kristine S. Moore, George H. Kirby III and two members of the Company's senior management team. Ms. Moore is the chair of the Health, Safety and Environment Committee. The committee assists the Board of Directors in fulfilling its oversight responsibilities by assessing the effectiveness of the Company's programs and initiatives that support the health, safety, and environment, sustainability, and security policies, programs, and practices of the Company. In addition, the Health, Safety and Environment Committee advises the Board on matters impacting the Company's health, safety and environment responsibilities and the Company's public reputation. For an interim period of time from October 20, 2017 until September 10, 2018, the responsibilities of the committee were performed by the full Board. On September 10, 2018, the committee was reconstituted under its prior mandate. The Health, Safety and Environment Committee met one time in fiscal year 2019.

Risk Oversight

The Board of Directors has an active role, as a whole and also at the committee level, in overseeing management of the Company's risks. At each Board meeting, the Directors review the Company's significant risks and management's plans for addressing or mitigating those risks. The Board of Directors regularly reviews information regarding the Company's financial position and operations, as well as the risks associated with each. While the Board of Directors is ultimately responsible for risk oversight at the Company, our Board committees assist the Board of Directors in fulfilling its oversight responsibilities in certain areas of risk. The Audit Committee assists the Board of Directors in fulfilling its oversight responsibilities with respect to risk management in the areas of financial reporting, internal controls and compliance with legal and regulatory requirements. The Compensation Committee assists the Board of Directors in fulfilling its oversight responsibilities with respect to the management of risks arising from our compensation policies and programs. The Nominating and Corporate Governance Committee assists the Board of Directors in fulfilling its oversight responsibilities with respect to the management of risks associated with the Board organization, membership and structure of the Board of Directors, succession planning for our directors and executive officers, and corporate governance. Our Health, Safety and Environment Committee assists the Board of Directors in fulfilling its oversight responsibilities with respect to the Company's health, safety and environment policies, programs and practices.

Director Nomination Process

The current nominees for election to the Board were recommended for the Board's nomination by our Nominating and Corporate Governance Committee, which is comprised solely of independent directors, and based on such recommendation, were nominated by the full Board of Directors. At the Meeting, stockholders will be asked to consider the election of Terence J. Cryan, Dean J. Glover, George H. Kirby III, Steven M. Fludder, Robert K. Winters and Kristine S. Moore.

The process followed by our Nominating and Corporate Governance Committee to identify and evaluate director candidates includes requests to Board members and others for recommendations, meetings from time to time to evaluate biographical information and background material relating to potential candidates and interviews of selected candidates by members of the Nominating and Corporate Governance Committee and the Board.

In considering whether to recommend any particular candidate for inclusion in the Board's slate of recommended director nominees, our Nominating and Corporate Governance Committee applies the criteria set forth in our corporate governance guidelines. These criteria include the candidate's integrity, business acumen, knowledge of our business and industry or of other industries with comparable risks and issues, experience, diligence, potential conflicts of interest and the ability to act in the interests of all stockholders. The Nominating and Corporate Governance Committee considers the value of diversity when recommending candidates. The committee views diversity broadly to include diversity of experience, skills and viewpoint. The Nominating and Corporate Governance Committee does not assign specific weights to particular criteria and no particular criterion is a prerequisite for each prospective nominee. Our Board believes that the backgrounds and qualifications of its directors, considered as a group, should provide a composite mix of experience, knowledge and abilities that will allow it to fulfill its responsibilities.

Stockholders may recommend individuals to our Nominating and Corporate Governance Committee for consideration as potential director candidates. The Nominating and Corporate Governance Committee will evaluate stockholder-recommended candidates by following the same process and applying the same criteria as it follows for candidates submitted by others.

Stockholders may directly nominate a person for election to our Board by complying with the procedures set forth in Article I, Section 1.10 of our by-laws, and with the rules and regulations of the SEC. Under our by-laws, only persons nominated in accordance with the procedures set forth in the by-laws will be eligible to serve as directors. In order to nominate a candidate for service as a director, you must be a stockholder at the time you give the Board notice of your nomination, and you must be entitled to vote for the election of directors at the meeting at which your nominee will be considered. In accordance with our by-laws, director nominations generally must be made pursuant to notice to our Secretary delivered to or mailed and received at our principal executive offices at 28 Engelhard Drive, Suite B, Monroe Township, NJ 08831, not later than the 90th day, nor earlier than the 120th day, prior to the first anniversary of the prior year's annual meeting of stockholders. Your notice must set forth (i) the name, age, business address and residence address of the nominee, (ii) the principal occupation or employment of the nominee, (iii) the class and number of shares of capital stock of Ocean Power Technologies, Inc. owned beneficially or of record by the nominee and (iv) all other information relating to the nominee that is required to be disclosed in solicitations of proxies for the election of directors in an election contest, or is otherwise required, in each case, pursuant to Section 14 of the Exchange Act and the rules and regulations promulgated thereunder. The stockholder making the nomination must include his or her name and address, a statement as to the class and amount of shares beneficially owned by the stockholder, a description of any arrangements or understandings between the stockholder and the nominee, a representation that the stockholder intends to appear in person or by proxy at the annual meeting and a representation as to whether such stockholder intends, or is part of a group that intends, to deliver a proxy statement/and or solicit proxies.

Communicating with the Independent Directors

Our Board will give appropriate attention to written communications that are submitted by stockholders and will respond if and as appropriate. The chairman (if an independent director), or the lead independent director (if one is appointed), or otherwise the chairman of the Nominating and Corporate Governance Committee, is primarily responsible for monitoring communications from stockholders and for providing copies or summaries to the other directors as he or she considers appropriate.

Communications are forwarded to all directors if they relate to important substantive matters and include suggestions or comments considered to be important for the directors to know. In general, communications relating to corporate governance and corporate strategy are more likely to be forwarded than communications relating to ordinary business affairs, personal grievances and matters as to which we receive repetitive or duplicative communications.

Stockholders who wish to send communications on any topic to our Board should address such communications to Board of Directors c/o Secretary, Ocean Power Technologies, Inc., 28 Engelhard Drive, Suite B, Monroe Township, NJ 08831.

Code of Ethics

We have adopted a Code of Business Conduct and Ethics that applies to our employees, officers (including our principal executive officer and principal financial officer) and directors. The Code of Business Conduct and Ethics is posted on our website at www.oceanpowertechnologies.com and can also be obtained free of charge by sending a request to our Secretary at 28 Engelhard Drive, Suite B, Monroe Township, NJ 08831. Any changes to or waivers under the Code of Business Conduct and Ethics as it relates to our chief executive officer, chief financial officer, controller or persons performing similar functions must be approved by our Board of Directors and will be disclosed in a Current Report on Form 8-K within four business days of the change or waiver.

Section 16(a) Beneficial Ownership Reporting Compliance

Pursuant to Section 16(a) of the Exchange Act and the rules issued thereunder, our executive officers and directors are required to file with the SEC reports of ownership and changes in ownership of Common Stock. Copies of such reports are required to be furnished to us. Based solely on a review of the copies of such reports furnished to us, or written representations that no other reports were required, we believe that all required reports were filed in fiscal 2019 in a timely manner, other than Ms. Moore's Form 3, which was delayed as a result of Hurricane Florence.

PROPOSAL TWO
APPROVAL OF AN AMENDMENT TO THE
OCEAN POWER TECHNOLOGIES, INC. 2015 OMNIBUS INCENTIVE PLAN

General

As of October 24, 2019, the 2015 Plan only had 60,276 shares remaining available for future issuance for awards. Effective October 24, 2019, our Board approved and adopted an amendment to the 2015 Plan, subject to stockholder approval, to increase the number of shares available for grant under the 2015 Plan from 132,036 to 732,036 in order to ensure that adequate shares will be available for future grants.

We believe that substantial equity participation by employees is important in creating an environment in which employees will be motivated to remain employed and be productive for long periods of time in helping us to achieve our goals. We further believe that the attraction, retention and motivation of highly qualified personnel is essential to our continued growth and success and that continued awards under the 2015 Plan are necessary for us to remain competitive in our compensation practices. In addition, we believe that the 2015 Plan is an effective way to ensure alignment of employees' and stockholders' interests and believe all such equity incentives are in the best interest of the stockholders. In addition, our directors receive annual compensation in restricted shares or stock option awards. Additional shares are needed under the 2015 Plan to ensure that grants to our directors can continue to be made on an annual basis.

In addition, our Board has approved an amendment to the 2015 Plan to increase the maximum award issuable to an employee from 3,750 shares to 200,000 shares in any one year. This current threshold is the result of a reverse split which we completed in March 2019. Due to the reverse split, this threshold was automatically reduced to a level which we believe is too low to adequately provide incentive compensation to our employees as contemplated in the preceding paragraph.

A copy of the amendments are attached to this proxy statement as Annex A. The amendments to the 2015 Plan are being submitted for your approval pursuant to the rules and regulations of the SEC and the Nasdaq.

Description of 2015 Plan

A summary description of the 2015 Plan is included in this proxy statement under "Executive Compensation – Stock Option and Other Compensation Plans – 2015 Omnibus Incentive Plan".

Plan Benefits

No determination has been made as to any awards that will be made to directors, officers or other employees upon approval of the proposed amendment of the 2015 Plan.

Vote Required

The approval of the amendments to the 2015 Plan requires the affirmative vote of the holders of a majority of the shares represented at the Annual Meeting, in person or by proxy, and entitled to vote. For the approval of the amendments to the 2015 Plan, you may vote "FOR" or "AGAINST" or "ABSTAIN" from voting. Abstentions will have the same effect as a vote "AGAINST" this proposal. Broker non-votes will have no effect on the approval of this proposal.

Board Recommendation

THE BOARD RECOMMENDS A VOTE FOR THE AMENDMENTS TO THE 2015 PLAN.

PROPOSAL THREE
RATIFICATION OF THE SELECTION OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Board of Directors, in accordance with the recommendation of the Audit Committee, has selected KPMG LLP to audit our consolidated financial statements for fiscal 2020. KPMG LLP has audited our consolidated financial statements since fiscal 2004.

Although stockholder approval of the selection of KPMG LLP is not required by law, our Board of Directors believes it is advisable to give stockholders an opportunity to ratify this selection. If this proposal is not approved at the Meeting, the Board will reconsider its selection of KPMG LLP.

We expect representatives of KPMG LLP to attend the Meeting, to be available to respond to appropriate questions from stockholders, and to have the opportunity to make a statement if so desired.

(2) Tax Fees include fees for the tax return preparation assistance and review.

(3) All Other Fees for fiscal years 2019 and 2018 include subscription fees for KPMG's accounting research tool.

Pre-Approval Policies and Procedures

The Audit Committee's policy is that all audit services and all non-audit services to be provided to us by our independent registered public accounting firm must be approved in advance by our Audit Committee. The Audit Committee's approval procedures include the review and approval of a description of the services that documents the fees for all audit services and non-audit services, primarily tax advice and tax return preparation and review.

All audit services and all non-audit services in fiscal years 2019 and 2018 were pre-approved by the Audit Committee. The Audit Committee has determined that the provision of the non-audit services for which these fees were rendered is compatible with maintaining the independent auditor's independence.

Board Recommendation

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE PROPOSAL TO RATIFY THE SELECTION OF KPMG LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR FISCAL 2020.

REPORT OF AUDIT COMMITTEE

Based on the review and discussions referred to above, the Audit Committee recommended to the Company's Board of Directors that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended April 30, 2019. We have concluded that the independent registered public accounting firm for the fiscal 2019 is independent from the Company and its management.

CERTAIN RELATIONSHIPS AND RELATED PERSON TRANSACTIONS

Review and Approval of Related Person Transactions

The Audit Committee is charged with the responsibility of reviewing and approving all related person transactions (as defined in SEC regulations), and periodically reassessing any related person transaction entered into by the Company to ensure continued appropriateness. This responsibility is set forth in our Audit Committee charter. A related party transaction will only be approved if the members of the Audit Committee determine that the transaction is in the best interests of the Company. If a director is involved in the transaction, he or she will recuse himself or herself from all decisions regarding the transaction.

Board Determination of Independence

Under applicable Nasdaq rules, a director will only qualify as an “independent director” if they are not an executive officer or employee of the Company, and, in the opinion of our Board of Directors, that person does not have a relationship which would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

Our Board has determined that all of our current directors are “independent directors” within the meaning of the applicable listing standards of the Nasdaq, except for George H. Kirby III who is our President and Chief Executive Officer.

EXECUTIVE COMPENSATION

Overview of Executive Compensation

Our Compensation Committee is responsible for overseeing the compensation of all of our executive officers. In this capacity, the Compensation Committee designs, implements, reviews and approves all compensation for our named executive officers. The goal of the Compensation Committee is to ensure that our compensation programs are aligned with our business goals and objectives and that the total compensation paid to each of our named executive officers is fair, reasonable and competitive.

Compensation Objectives and Philosophy

Our compensation programs are designed to attract and retain qualified and talented executives, motivating them to achieve our business goals and rewarding them for superior short- and long-term performance. In particular, our compensation programs are intended to reward the achievement of specified predetermined quantitative and qualitative goals and to align our executives’ interests with those of our stockholders in order to attain the ultimate objective of increasing stockholder value.

Elements of Total Compensation and Relationship to Performance

Key elements of these programs include:

- base salary compensation designed to reward annual achievements, with consideration given to the executive’s qualifications, scope of responsibility, leadership abilities and management experience and effectiveness;
- cash bonus awards designed to align executive compensation with business objectives and performance; and
- equity-based incentive compensation, primarily in the form of stock options and restricted stock, the value of which is dependent upon the performance of our Common Stock, and which is subject to multi-year vesting that requires continued service and/or the attainment of certain performance goals.

Determining and Setting Executive Compensation

Our management develops our compensation plans by utilizing publicly available compensation and on-line survey data for a broad selection of national and regional companies, which we believe are generally comparable to the Company in terms of public ownership, organizational structure, size and stage of development, and against which we believe we may compete for executive talent. The results of these analyses are reviewed with and approved by the Compensation Committee annually. We believe that these compensation practices provide us with appropriate compensation guidelines. The Compensation Committee generally targets compensation for our executives near the median range of compensation paid to similarly situated executives in comparable companies covered by the on-line survey data. Other considerations, including market factors, the unique nature of our business and the experience level of an executive, may dictate variations to this general target.

Our business is characterized by a long product development cycle, including a lengthy engineering and product-testing period and regulatory approval and licensing. Because of this, many of the traditional benchmarking metrics, such as product sales, revenues and profits are inappropriate for our Company. Instead, the specific factors the Compensation Committee considers when determining our named executive officers' compensation include:

- key product development initiatives;
- technology advancements;
- achievement of regulatory and other commercial milestones;
- establishment and maintenance of key strategic relationships;
- implementation of appropriate financing strategies; and
- financial and operating performance.

Stock Option and Other Compensation Plans

2006 Stock Incentive Plan

Our 2006 Stock Incentive Plan was adopted by our Board of Directors on December 7, 2006, was approved by our stockholders on January 12, 2007 and became effective on April 24, 2007. The 2006 Stock Incentive Plan provides for the grant of incentive stock options, non-statutory stock options, restricted stock awards and other stock-unit awards. On October 2, 2009, an amendment to the 2006 Stock Incentive Plan was approved, increasing the aggregate number of shares authorized for issuance by 42,500 shares to 82,661 shares. In 2010, our Board of Directors approved amending and restating the 2006 Stock Incentive Plan to make certain adjustments, including imposing minimum performance periods for performance awards and minimum vesting periods for time-based awards, a requirement that we obtain stockholder approval prior to certain option and stock appreciation right repricing actions, and limiting the situations in which vesting periods may be waived or accelerated. This amendment and restatement did not require the approval of our stockholders. On October 2, 2013, a further amendment to the 2006 Stock Incentive Plan was approved by our stockholders, increasing the aggregate number of shares authorized for issuance by an additional 40,000 shares to 122,661.

Our employees, officers, directors, consultants and advisors are eligible to receive awards under our 2006 Stock Incentive Plan; however, incentive stock options may only be granted to our employees. The maximum number of shares of Common Stock with respect to which awards may be granted to any participant under our 2006 Stock Incentive Plan is 10,000 per calendar year.

Our 2006 Stock Incentive Plan was administered by our Board of Directors. Pursuant to the terms of our 2006 Stock Incentive Plan, and to the extent permitted by law, our Board of Directors could delegate authority to one or more committees or subcommittees of the Board of Directors or to our officers. Our Board of Directors or any committee to whom the Board of Directors delegates authority selected the recipients of awards and determined:

- the number of shares of Common Stock covered by options and the dates upon which the options become exercisable;
- the exercise price of options; provided, however, that the exercise price shall not be less than 100% of the fair market value of the underlying Common Stock on the date the option is granted;
- the duration of the options; and
- the number of shares of Common Stock subject to any restricted stock or other stock-unit awards and the terms and conditions of such awards, including conditions for repurchase, issue price and repurchase price.

If our Board of Directors delegated authority to an officer, the officer had the power to make awards to all of our employees, except to executive officers. Our Board of Directors fixed the terms of the awards to be granted by such officer, including the exercise price of such awards, and the maximum number of shares subject to awards that such officer could make.

If a merger or other reorganization event occurred, our Board of Directors could provide that all of our outstanding options are to be assumed or substituted by the successor corporation. Our Board of Directors could also provide that, in the event the succeeding corporation did not agree to assume, or substitute for, outstanding options, then all unexercised options would become exercisable in full prior to the completion of the event and that these options would terminate immediately prior to the completion of the merger or other reorganization event if not previously exercised. Our Board of Directors could also provide for cashing out the value of any outstanding options.

No awards could be granted under our 2006 Stock Incentive Plan after December 6, 2016, but the vesting and effectiveness of awards granted before that date could extend beyond that date. Our Board of Directors could amend, suspend or terminate our 2006 Stock Incentive Plan at any time, except that stockholder approval would be required for any revision that would materially increase the number of shares reserved for issuance, expand the types of awards available under the plan, materially modify plan eligibility requirements, extend the term of the plan or materially modify the method of determining the exercise price of options granted under the plan, or otherwise as required to comply with applicable law or stock market requirements.

As of April 30, 2019, options to purchase 701 shares of our Common Stock at a weighted average exercise price of \$566.62 were outstanding under our 2006 Stock Incentive Plan.

As of April 30, 2019, we had granted 5,701 shares of restricted Common Stock under our 2006 Stock Incentive Plan, of which zero remain outstanding as of April 30, 2019.

Once the 2015 Omnibus Incentive Plan (discussed below) was approved by the stockholders on October 22, 2015, no further stock options or other awards were awarded under the 2006 Stock Incentive Plan and it was terminated.

2015 Omnibus Incentive Plan

On August 17, 2015, the Board of Directors approved, subject to the receipt of stockholder approval, the Ocean Power Technologies, Inc. 2015 Omnibus Incentive Plan (the "2015 Plan"). On October 22, 2015, the stockholders approved the 2015 Plan and the 2006 Stock Incentive Plan was terminated. Effective August 17, 2016, our Board approved and adopted an amendment to the 2015 Plan, subject to stockholder approval, to increase the number of shares available for grant under the 2015 Plan from 12,036 to 32,036 in order to assure that adequate shares will be available for future grants. On October 21, 2016, the stockholders approved the amendment to the 2015 Plan. Effective September 28, 2018, our Board approved and adopted an amendment to the 2015 Plan, subject to stockholder approval, to increase the number of shares available for grant under the 2015 Plan from 32,036 to 132,036 in order to assure that adequate shares will be available for future grants. On December 7, 2018, the stockholders approved the amendment to the 2015 Plan.

Description of 2015 Plan

The following is a summary of the material provisions of the 2015 Plan, as amended, and is qualified in its entirety by reference to the complete text of the 2015 Plan, a copy of which is filed as [Annex A](#) to our Proxy Statement on Schedule 14A filed with the SEC on September 3, 2015.

Administration

The 2015 Plan is administered by a committee of the Board, which consists of not fewer than two directors of the Company designated by the Board, each of whom is a "non-employee director" within the meaning of Rule 16b-3 promulgated under the Exchange Act, an "outside director" within the meaning of Section 162(m) of the Internal Revenue Code as amended (as now in effect or later amended and any successor thereto, the "Code") and, for so long as our Common Stock is listed on the Nasdaq, an "independent director" within the meaning of the Nasdaq rules. Among other things, the committee administering the 2015 Plan has full power and authority to take all actions and to make all determinations required or provided for under the 2015 Plan, any award under the 2015 Plan or any award agreement under the 2015 Plan, not inconsistent with the specific terms and conditions of the 2015 Plan, which the committee deems to be necessary or appropriate to the administration of the 2015 Plan. The committee administering the 2015 Plan, may amend, modify or supplement the terms of any outstanding award, provided that no amendment, modification or supplement of the terms of any outstanding award shall impair a grantee's rights under an award without the consent of the grantee. The committee administering the 2015 Plan is also authorized to construe the award agreements and may prescribe rules relating to the 2015 Plan. Notwithstanding the foregoing, our full Board will conduct the general administration of the 2015 Plan with respect to all awards granted to our non-employee directors. In addition, in its sole discretion, our Board may at any time and from time to time exercise any and all rights and duties of the committee under the 2015 Plan except with respect to matters which are required to be determined in the sole discretion of the committee under Rule 16b-3 of the Exchange Act or Section 162(m) of the Code, or any regulations or rules issued thereunder.

Grant of Awards; Shares Available for Awards; Award Limits; Eligible Grantees

The 2015 Plan provides for the grant of stock options, SARs, restricted stock awards, stock unit awards and unrestricted stock awards, dividend equivalent rights, performance share awards or other performance-based awards, other equity-based awards or cash to eligible employees, officers and non-employee directors of the Company or any affiliate of the Company, or any consultant or adviser to the Company or an affiliate who is currently providing services to the Company or an affiliate, or to any other individual whose participation in the 2015 Plan is determined to be in the best interests of the Company by the committee administering the 2015 Plan. We have reserved a total of 10,000 shares of Common Stock for issuance as or under awards to be made under the 2015 Plan, plus (y) 2,036, which was the number of shares of Common Stock available for issuance under our 2006 Stock Incentive Plan as of the effective date of the 2015 Plan, plus (z) the number of shares of our Common Stock related to awards under the 2006 Stock Incentive Plan as of the effective date of the 2015 Plan which thereafter terminate by expiration, forfeiture, cancellation, or otherwise without the issuance of such shares. With the amendment to the Plan approved by the stockholders on October 21, 2016, the number of shares of Common Stock increased from 12,036 to 32,036. On December 7, 2018, the stockholders approved an amendment to the 2015 Plan whereby the number of shares of Common Stock increased from 32,036 to 132,036. If any award expires, is cancelled, or terminates unexercised or is forfeited, the number of shares subject thereto is again available for grant under the 2015 Plan. The maximum number of shares of stock that can be granted under the 2015 Plan pursuant to incentive stock option awards is currently ten thousand (10,000). The maximum number of shares of stock subject to awards that can be granted under the 2015 Plan in any one calendar year to any person, other than a non-employee director, is three thousand seven hundred fifty (3,750). The maximum fair market value of shares of stock that may be granted under the 2015 Plan in any one calendar year to any non-employee director is two hundred thousand dollars (\$200,000). The limitation on the amount of shares of stock issuable under the 2015 Plan is subject to adjustment in the event of certain changes in our capital stock, such as recapitalizations, reclassifications, stock splits, reverse stock splits, spin-offs, combinations of our stock, exchanges of our stock and other increases or decreases in our stock without receipt of consideration.

As of April 30, 2019, options to purchase 64,871 shares of our Common Stock at a weighted average exercise price of \$15.19 were outstanding under our 2015 Omnibus Incentive Plan.

As of April 30, 2019, we had granted 17,350 shares of Restricted Common Stock under our 2015 Omnibus Incentive Plan. 10,248 shares vested and 2,596 shares were cancelled, with 4,506 shares remaining outstanding.

The 2015 Plan will terminate automatically on October 22, 2025, which is ten years after the date on which stockholders approve the 2015 Plan. As of April 30, 2019, there are 58,555 shares available for grant under the 2015 Omnibus Incentive Plan.

2018 Employment Inducement Incentive Award Plan

On January 18, 2018, the Board adopted the Ocean Power Technologies, Inc. Employment Inducement Incentive Award Plan (the “Inducement Plan”) and, subject to the adjustment provisions of the Inducement Plan, reserved 25,000 shares of the Company’s common stock for issuance pursuant to equity awards granted under the Inducement Plan.

The Inducement Plan was adopted without stockholder approval pursuant to Rule 5635(c)(4) and Rule 5635(c)(3) of the Nasdaq Listing Rules. The Inducement Plan provides for the grant of equity-based awards, including restricted stock units, restricted stock, performance shares and performance units, and its terms are substantially similar to the Company’s 2015 Omnibus Incentive Plan, including with respect to treatment of equity awards in the event of a “change in control” as defined under the Inducement Plan, but with such other terms and conditions intended to comply with the Nasdaq inducement award exception.

In accordance with Rule 5635(c)(4) and Rule 5635(c)(3) of the Nasdaq Listing Rules, awards under the Inducement Plan may only be made to individuals not previously employees or non-employee directors of the Company (or following such individuals' bona fide period of non-employment with the Company), as an inducement material to the individuals' entry into employment with the Company. An award is any right to receive the Company's common stock pursuant to the 2018 Inducement Plan, consisting of a performance share award, restricted stock award, a restricted stock unit award or a stock payment award. No Awards may be granted or awarded during any period of suspension or after termination of the Plan, and in no event may any Award be granted under the Plan after the tenth (10th) anniversary of the date of its adoption. Any Awards that are outstanding on the Expiration Date, or the date of termination of the Plan (if earlier), shall remain in force according to the terms of the Plan and the applicable Award Agreement. As of April 30, 2019, there were no shares outstanding and 25,000 shares available for grant under the 2018 Inducement Plan.

Potential Payments upon Termination of Employment or Change in Control

The following information sets forth the terms of potential payments to each of our named executive officers in the event of a termination of employment. We do not include information for Mr. Phebus or Mr. Mekhiche since they are no longer employed by the Company and their departures did not trigger any payments.

Termination by Company without Cause; Termination by Executive for Good Reason. Our employment agreement with Mr. Kirby provides for severance pay within 30 days in the event that employment is terminated by the Company, other than for cause, upon Mr. Kirby's disability or by the executive with good reason, in the amount of twelve months of base salary. Mr. Kirby would also be entitled to receive any other payments owed such as a short-term bonus, long-term compensation, benefits and expenses reimbursements to the degree such payments are owed for service provided up to the date of termination. Finally, the expiration date of any other options held by Mr. Kirby would be extended to a date 90 days after the date of termination of employment (but not longer than the original term of such options).

Our employment agreement with Mr. Shafer provides, upon the termination of his employment other than for cause, or if Mr. Shafer terminates his employment for good reason, that Mr. Shafer has the right to receive severance payments. If such termination occurs before the end of six months of service, Mr. Shafer will receive no severance. If such termination occurs after completing six months of service, Mr. Shafer will receive six months of his base salary.

Termination by Company for Cause; Termination by Executive without Good Reason. Under our employment contracts with Mr. Kirby upon termination for cause or at the executive's election without good reason, the executive is entitled to the base salary and benefits due and owing to the executive as of the date of termination. The employment agreement with Mr. Shafer does not contain provisions regarding severance in the event of a termination by the Company with or without cause or termination by the executive without good reason.

Change in Control. Our employment agreement with Mr. Kirby provides for severance pay equal to two (2) years of base salary if a change of control occurs and Mr. Kirby is terminated by the Company or Mr. Kirby terminates the agreement, each occurring within 90 days of the change of control. Mr. Kirby would also be entitled to receive any other payments owed such as a short-term bonus, long-term compensation, benefits and expenses reimbursements to the degree such payments are owed for service provided up to the date of termination. Finally, the expiration date of any other options held by Mr. Kirby would be extended to a date 90 days after the date of termination (but not longer than the original term of such options). In addition, to the extent that Mr. Kirby has not previously vested in rights and interests held by Mr. Kirby under the Company's stock and other equity plans (including stock options, restricted stock, RSU's, performance units or performance shares), such rights and interest would become fully vested.

The employment agreement for Mr. Shafer does not contain change of control provisions; therefore, payments for cash severance and continued healthcare benefits are the same as for termination without cause. The restricted stock agreement provides for accelerated stock vesting upon a change in control.

Termination upon Failure to Renew by the Company. In the event that our employment agreement with Mr. Kirby terminates the end of the term and is not renewed as a result of a decision by the Company not to renew, prior to a decision by Mr. Kirby not to renew, the Company will pay Mr. Kirby a severance payment in the amount of one (1) year base salary in a lump sum within 30 days after the termination date.

The employment agreement for Mr. Shafer does not contain similar provisions.

Qualifying retirement. Under our restricted stock agreements with the named executive officers, upon a Qualifying Retirement 50% of unvested restricted shares will vest immediately. A "Qualifying Retirement" means retirement by the recipient after satisfaction of the conditions in either clause (A) or clause (B): (A) the recipient has both (1) attained the age of 55 and (2) completed at least ten years of employment with the Company; or (B) the sum of the recipient's age plus the number of years he or she has been employed by the Company equals or exceeds 75 years.

PROPOSAL FOUR
ADVISORY RESOLUTION ON EXECUTIVE COMPENSATION PRACTICES

The Dodd-Frank Wall Street Reform and Consumer Protection Act, enacted in 2010, requires that we provide our stockholders with the opportunity to vote to approve, on a non-binding, advisory basis, the compensation of our named executive officers as disclosed in this proxy statement in accordance with the compensation disclosure rules of the SEC. Consistent with our stockholders' preference expressed in voting at the 2011 annual meeting of stockholders, the Board of Directors determined that an advisory vote on the compensation of our named executive officers will be conducted every year. In this proposal we are asking stockholders to approve the following advisory resolution at the Meeting:

RESOLVED, that the compensation paid to the Company's named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the compensation tables and narrative discussion in the Company's proxy statement for its 2019 Annual Meeting of Stockholders, is hereby APPROVED.

The Board of Directors recommends a vote FOR this resolution because it believes that the policies and practices described in the Executive Compensation section are effective in achieving our goals of rewarding sustained financial and operating performance and leadership excellence, aligning the executives' long-term interests with those of our stockholders and motivating our executives to remain with us for long and productive careers. Named executive officer compensation over the past two years reflects amounts of cash and equity compensation consistent with our stated goals and objectives.

We urge stockholders to read the Executive Compensation section, including the 2019 Summary Compensation Table and related tables and narrative, appearing on pages 17 through 24 which provide information on our compensation policies and practices and the compensation of our named executive officers.

This advisory resolution, commonly referred to as a "say-on-pay" resolution, is nonbinding on the Board of Directors. Although nonbinding, the Board will review and consider the voting results when evaluating our executive compensation program.

Board Recommendation

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR APPROVAL OF THE ADVISORY RESOLUTION ON EXECUTIVE COMPENSATION.

PROPOSAL FIVE

APPROVAL, PURSUANT TO NASDAQ LISTING RULE 5635(d), OF THE ISSUANCE OF MORE THAN 20% OF THE COMPANY'S ISSUED AND OUTSTANDING COMMON STOCK PURSUANT TO THE COMPANY'S EQUITY LINE OF CREDIT WITH ASPIRE CAPITAL FUND, LLC

Background

On October 24, 2019, the Company entered into a common stock purchase agreement (the "Purchase Agreement") with Aspire Capital Fund, LLC ("Aspire") and a registration rights agreement pursuant to which Aspire has agreed to purchase from the Company up to an aggregate of \$10,000,000 worth of our common stock. The Purchase Agreement replaces the prior common stock purchase agreement which the Company had executed with Aspire dated August 13, 2018. Under that agreement, the Company sold the maximum number of shares that could be sold up to the limit of 19.9% of its outstanding shares of common stock as of the date of that agreement, and the Company then elected to terminate that agreement.

The Company is submitting this Proposal 5 to you in order to obtain the requisite stockholder authorization in accordance with the Nasdaq Listing Rules to sell shares of its common stock to Aspire in excess of 19.9% of its outstanding shares of common stock (as of the date the Company entered into the Purchase Agreement), if the Company so chooses, as more fully described below.

Agreement with Aspire

Under the terms and subject to the conditions of the Purchase Agreement, the Company has the right, but not the obligation, to sell to Aspire, and Aspire is obligated to purchase up to \$10,000,000 worth of shares of common stock. Such sales of common stock by the Company, if any, will be subject to certain limitations, and may occur from time to time, at the Company's sole discretion, over the 30-month period beginning on the date on which the conditions to commencement of sales under the Purchase Agreement are satisfied (the "Commencement Date"). We do not have the right to commence any sales to Aspire under the Purchase Agreement until each of the conditions set forth in the Purchase Agreement, all of which are outside of Aspire's control, have been satisfied, including without limitation that a registration statement covering the sale by Aspire of the shares issuable under the Purchase Agreement shall have been declared effective by the Securities and Exchange Commission (the "SEC"), and that no stop order with respect to the registration statement shall be pending or threatened by the SEC. We filed a registration statement on Form S-1, covering the sale by Aspire of the shares issuable under the Purchase Agreement, with the SEC on October 25, 2019.

Following the Commencement Date, under the Purchase Agreement, on any business day selected by the Company on which the closing sale price of its common stock exceeds \$0.25 (the "Floor Price"), the Company has the right, in its sole discretion, to present Aspire with a purchase notice (each, a "Purchase Notice"), directing Aspire (as principal) to purchase up to 125,000 shares of its common stock per trading day, at a per share price (the "Purchase Price") equal to the lesser of (i) the lowest sale price of its common stock on the purchase date, or (ii) the arithmetic average of the three (3) lowest closing sale prices for the Company's common stock during the ten (10) consecutive trading days ending on the trading day immediately preceding the purchase date.

In addition, on any date on which the Company submits a Purchase Notice to Aspire in an amount equal to 125,000 shares and the closing sale price of our stock is equal to or greater than \$0.25 per share, the Company also has the right, in its sole discretion, to present Aspire with a volume-weighted average price purchase notice (each, a "VWAP Purchase Notice") directing Aspire to purchase an amount of stock equal to up to 30% of the aggregate shares of the Company's common stock traded on its principal market on the next trading day (the "VWAP Purchase Date"), subject to a maximum number of shares the Company may determine. The purchase price per share pursuant to such VWAP Purchase Notice is generally 97% of the volume-weighted average price for the Company's common stock traded on its principal market on the VWAP Purchase Date.

The Purchase Agreement provides that the Company and Aspire shall not effect any sales under the Purchase Agreement on any purchase date where the closing sale price of the Company's common stock is less than the Floor Price. This Floor Price and the respective prices and share numbers in the preceding paragraphs shall be appropriately adjusted for any reorganization, recapitalization, non-cash dividend, stock split, reverse stock split or other similar transaction. There are no trading volume requirements or restrictions under the Purchase Agreement, and the Company will control the timing and amount of any sales of its common stock to Aspire. Aspire has no right to require any sales by the Company but is obligated to make purchases from the Company in accordance with the Purchase Agreement. There are no limitations on use of proceeds, financial or business covenants, restrictions on future fundings, rights of first refusal, participation rights, penalties or liquidated damages in the Purchase Agreement. Aspire may not assign its rights or obligations under the Purchase Agreement. The Purchase Agreement may be terminated by the Company at any time, at its discretion, without any penalty or cost to it.

Requirement to Seek Stockholder Approval

As a result of the Company's listing on the Nasdaq, issuances of our common stock are subject to the Nasdaq Marketplace Rules, including Rule 5635(d), which requires the Company to obtain stockholder approval prior to the issuance of securities in connection with a transaction, other than a public offering, involving the sale, issuance or potential issuance of more than 19.99% of the Company's outstanding shares of our common stock (or securities convertible into or exercisable for shares of its common stock) at a price less than the lower of (i) the closing price (as reflected on Nasdaq.com) immediately preceding the signing of the binding agreement, or (ii) the average closing price of the common stock (as reflected on Nasdaq.com) for the five trading days immediately preceding the signing of the binding agreement (the "Nasdaq 20% Rule").

Under the Nasdaq 20% Rule, in no event may the Company issue or sell to Aspire under the Purchase Agreement more than 19.99% of the shares of its common stock outstanding immediately prior to the execution of the Purchase Agreement (which was 1,219,010 shares based on 6,089,089 shares outstanding immediately prior to the execution of the Purchase Agreement) (the "Exchange Cap"), unless (i) the Company obtains stockholder approval to issue shares of common stock in excess of the Exchange Cap or (ii) the average price of all applicable sales of common stock to Aspire under the Purchase Agreement equals or exceeds \$1.516, such that issuances and sales of the common stock to Aspire under the Purchase Agreement would be exempt from the Exchange Cap limitation under applicable Nasdaq rules. In any event, the Purchase Agreement specifically provides that the Company may not issue or sell any shares of our common stock under the Purchase Agreement if such issuance or sale would breach any applicable Nasdaq rules.

Based on the closing sale price of its common stock as reported on the Nasdaq on October 24, 2019, to fully utilize the amount available to it, the Company could issue up to 6,493,506 shares of common stock to Aspire under the Purchase Agreement, which would be in excess of the Nasdaq 20% Rule. Accordingly, in order to be able to sell to Aspire the full amount available under the Purchase Agreement, the Company is seeking stockholder approval to issue more than 19.99% of its outstanding shares as of the date it entered into the Purchase Agreement with Aspire. In particular, the Company is seeking stockholder approval for the issuance of up to 5,400,000 shares of our common stock under the Purchase Agreement. The Company would seek additional stockholder approval before issuing more than such 5,400,000 shares.

Effect of Failure to Obtain Stockholder Approval

If the stockholders do not approve this Proposal 5, the Company will be unable to issue shares of common stock to Aspire pursuant to the Purchase Agreement in excess of the Exchange Cap. The Company anticipates it would need to seek alternative sources of financing, which may include additional transactions with Aspire.

Reasons for Transaction and Effect on Current Stockholders

The Board of Directors has determined that the Purchase Agreement with Aspire is in the best interests of the Company and its stockholders because the right to sell shares to Aspire provides the Company with a reliable source of capital and the ability to access that capital when and as needed.

The Purchase Agreement does not affect the rights of the holders of outstanding common stock, but the sale of shares to Aspire pursuant to the terms of the Purchase Agreement will have a dilutive effect on the existing stockholders, including the voting power and economic rights of the existing stockholders.

Notwithstanding the foregoing, the Purchase Agreement provides that the Company shall not issue, and Aspire shall not purchase, any shares of our common stock under the Purchase Agreement if such shares proposed to be issued and sold, when aggregated with all other shares of our common stock then owned beneficially (as calculated pursuant to Section 13(d) of the Exchange Act) by Aspire and its affiliates, would result in the beneficial ownership by Aspire and its affiliates of more than 9.99% of the then issued and outstanding shares of common stock. This beneficial ownership limitation limits the number of shares Aspire may beneficially own at any one time to 9.99% of the Company's outstanding common stock. Consequently, the number of shares Aspire may beneficially own in compliance with the beneficial ownership limitation may increase as the number of outstanding shares of common stock increases over time. Aspire may sell some or all of the shares it purchases under the Purchase Agreement, permitting it to purchase additional shares in compliance with the beneficial ownership limitation. The beneficial ownership limitation reflects the requirements of Nasdaq Listing Rule 5635(b), which requires stockholder approval prior to the issuance of securities when the issuance or potential issuance will result in a change of control of the Company. Generally, Nasdaq considers a change of control to have occurred when, as a result of an issuance, an investor would own, or have the right to acquire, 20% or more of the outstanding shares of common stock and such ownership is the largest ownership position. The Company is not seeking stockholder approval to lift such 9.99% beneficial ownership limitation. However, even with the beneficial ownership limitation, Aspire may be in a position to exert influence over the Company and there is no guarantee that the interests of Aspire will align with the interests of other stockholders.

Effect of Approval

Upon obtaining the stockholder approval requested in this Proposal 5, the Company would no longer be bound by the Nasdaq 20% Rule restriction on issuances of common stock to Aspire. If this Proposal 5 is approved by the stockholders, the Company would be able to issue more than the original Exchange Cap (or 1,219,010 shares) to Aspire under the Purchase Agreement. The number of shares of common stock that the Company may issue would fluctuate from time to time based on the price of our common stock, however the Company would seek additional stockholder approval before issuing more than an aggregate of 6,619,010 shares under the Purchase Agreement. The Company would also seek additional stockholder approval before agreeing to any increase in the value of the shares of common stock it may issue to Aspire under the Purchase Agreement above \$10,000,000.

In addition, the additional shares that the Company could issue to Aspire will result in greater dilution to existing stockholders and may result in a decline in its stock price or greater price volatility. Each addition share of common stock that would be issuable to Aspire would have the same rights and privileges as each share of the Company's currently authorized common stock.

Board Recommendation

THE BOARD OF DIRECTORS RECOMMENDS A VOTE *FOR* THE APPROVAL OF THE ISSUANCE OF SHARES OF COMMON STOCK TO ASPIRE IN ACCORDANCE WITH NASDAQ LISTING RULE 5635(D).
